"It is to be hoped that the Poston Police Training Academy will be opened on Monday, Nov. 30th," stated Ernest L. Miller, Chief of Internal Security, yesterday. "The opening will depend entirely on whether Carl Putterbaugh of Works Projects Comm.

"REPORT YOUR CHANGE OF ADDRESS IMMEDIATELY," POST OFFICE REQUEST

Former evacuees of Santa Anita Assembly Center are requested immediately to notify their publishers and correspondents of their change in address.

Due to the tremendous amount of mail handled at S.A. Post Office, most of the second class matter will "take time" to be forwarded to the addressee immediately.

ATTENTION: RED CROSS GRADUATES!

Certificates for Life Guards, Water Safety Instructors' courses have been received by the local Red Cross Chapter, and all who took their examinations and passed it; are requested to report to Rec. 30, for their diploma.

"MANZANAR EVACUEE DIES"

Dr. T.G. Ishimaru, Council chairman, received a telegram yesterday from Manzanar, which disclosed that "Mrs. Shino of that Center passed away on Nov. 12," The announcement is here by made.

C.E. "EXPLAINS CLOTHING FUND"

To clarify section A and when WRA issues in the recent Profit & the compensation, it Loss Statement distributed by the BLK. coun Surplus fund field, issued by the Co-Community Enterprise, Roy Shida asserted, "we are Yoshida, public relations setting this amount man, this morning." "In other words, "You are the audience, the Project is unable present fund set aside to claim clothing allowance from the Government, only temporary (a ment entitled to pro-contingent liability)," Ple in Poston.

ATTENTION:

"NOVEMBER THIRTEENTH"

"All permanent passes will be cancelled and new passes will be issued, from Monday, announced W. Wade Head, Proj. Dir. yesterday morning."
"LET'S NOT BE THAT WAY!"

The Truck Crop div., after a "fruitless" request to the public for their cooperation in not obtaining any vegetable grown on the fields located in the Fire Break areas between the Blks., today find themselves in a very difficult position in getting enough produce to meet the quota for each and all mess halls.

"We have asked the people to keep out of the vegetable patches, but it appears futile now since our request has been wholly ignored by some persons who insist on stealing them," related Harvey Suzuki, head of the Dept.

"It may be necessary to change our location, though at the present time the large site in the outskirt of the Center will not be ready for planting for a considerable time as yet.

"This leaves us no alternative but to produce vegetables where they are now found. But equal distribution from now on, to each mess hall, will largely depend on the attitude of the Community to cooperate.

"Let's be fair with everybody—since the loss of crop means the shortage in the kitchen," Mr. Suzuki concluded.

In the recent picking of cucumbers it was discovered only 200 lug boxes were filled, whereas the Div. expected at least a 1000 boxes from the patch.

RECORD SET IN COTTON PICKING

Setting a new high for a single day’s cotton picking, harvesting crews from Blk. 39 and 42, Poston I, on Armistice Day gathered approximately 9,000 lbs. in the fields adjacent to the Indian Trading Post. Checks for the day’s yield totaled approximately $250 and will be devoted to the particular Blk. Fund.

Meantime, there were no definite indications from Lt. Gen. J. L. DeWitt that his order resending picking of cotton in Military Zone No. 1 would be modified to permit further harvesting of the Parker cotton crop. Deadline for the effectiveness of the resending order was midnight Thurs.

Poston—once a barren desert—again makes another step in Community progress with an opening of the New Canteen, located on the East side of the old Store.

POSTON TWO STUDENTS HOLD SUCCESSFUL PEP RALLY THURSDAY AT COTTONWOOD BOWL

Starting off the school activities for the year with a bang was the Pep Rally sponsored by the class of '44. Starting off the fireworks were two movies shown by Mr. Nelson, Exec. Assistant. This was followed by the rhythms of Tom Masamori and the Harmony Hall Orchestra with vocals by Haruko Yamamoto and Sachi Endo. Master of Ceremonies George Obama tested the musical mentality of the classes in a musical quiz, which the Juniors won with a perfect score. The Seniors and frosh tied for second place and the Sophs came last with no score. Leading the enthusiastic pepsters in their songs and yells were Sachiyu Mizuki and Esther Nanamura, yell leaders for the class of '44.

Lending a solemn note to the riotous festivities were the excellent speeches delivered by John Maeno of the Legal Dept. and Itsumi Oita who represented the Student Body. The program was brought to an end with the closing theme of the Harmony Hall Orchestra.
The second shipment of books for elementary classes arrived on Thursday, it was reported by principal Chester Potts of the Poston III schools. 240 chairs for high school choir classes were recently installed. The amount was Unit III's share of the 1,000 which came to Poston in the first shipment.

Six thousand more chairs have been ordered, it was stated.

The 324 recreation hall will be used as the school study room next Monday, according to Mr. Potts. Also, Physical Education classes will probably open within a couple of weeks if basketball backboards and other necessary equipment can be obtained by that time.

Other plans called for the use of sand on the school site to keep down the dust on the playground.

Teachers are now visiting parents of the students in order to report progresses being made and to discuss problems faced at the school.

**WORLD KNOWN HEALTH CONSULTANT SPEAKS TO P.T.A.**

Sally Lucas Jean, world-known Consultant in Health Education spoke before a large crowd of interested parents and teachers at a P.T.A. meeting Thursday evening. In her inspiring speech Miss Jean told of her visit in Tokyo with Dr. Seiki, well-known scientist, who discovered the cause of Beriberi. She commended the mothers and teachers here on their excellent work on the children's lunchroom and added that Poston I and II have still to follow Poston III's example.

Among the important health problems she pointed out are insufficient sleep of children and the conveying of germs to the mouth through dirty hands.

Mrs. Art Takeo and Mrs. Iwata were co-chairman for the evening and Mr. Kagiyama acted as interpreter for Miss Jean. Mr. Potts, school principal spoke on the progress and problems of schools here in Unit III. Two songs were presented by a group from the sixth grade class led by Miss Barley. The temporary committee chairman and members were introduced.

GEORGE NISHIKA’S RIVALS HITOSHI NITTA IN CLASSIC HURLING DUEL

A record crowd of softball enthusiasts is anticipated to be on hand tomorrow morning on Firemen’s Ball Park to witness Poston’s two top-ranking aggregations; the stalwart Shamrocks from Unit II and the potent Orange County nine contending in what should prove a “battle royal” for the title, “Champion of Champions.”

After the Shamrock’s striking 17 to 0 whitewashing dealt the Volunteers, Poston III’s title holders, a week ago, it would only be natural to grant our Orange County a fair premonition as to what to expect tomorrow. And Hitoshi Nitta, who has taken over mound chores for brother Liln, will have to be at his very best to give the highly touted George Nishikawa, Has Y., and N. Nishi & Co., any form of a "run for their money." Nishikawa went through the current season with an unblemished slate of 12 wins. In those twelve games he has a strike-out record totaling 113 K’s. Last week he shutout the Volunteers, allowing but one hit and whiffing out 15 batters.

But to be equitable to the Shamrocks, Orange County has several "aces" up their sleeve which should be uncovered. Kaz Sato, Ray Furuta, and the Ezaki brothers comprise an infield combination which has been the bulwark and mainstay of the O.G. nine.

All in all this spectacular surpasses all other softball battles in Poston, and winds up the current softball season. Game starts at 9:30 a.m.
