PROJECT DIRECTOR OFFICIALLY OPENS NEW UNIT ONE STORE

Amid a surging crowd, Mr. Head cut the ribbon yesterday morning, Nov. 15, after the west entrance to Poston I's new general merchandise store located west of the old canteen where approximately 149,000 is in stock for the Postonians, to inaugurate the opening of the store.

Accompanying Mr. Head were Dillon S. Myer, national WRA director, with E.R. Fryer, regional director of San Francisco, who were surprise visitors here.

Equipped with loads of merchandise of all types, including dyes, and types of stationary, baby clothes, linoleum, yardage for curtains and dresses, shoes for men, women, and children, sweaters, oil cloth and dress patterns, the opening was a great success. Perhaps the most popular of the departments was the handcrafts department, where women of all ages crowded all day and night to look at all types of knitting materials.

After the opening ceremonies, the solid gold, lillia-dilla music makers of Poston I gave renditions of such popular songs such as 'White Christmas,' 'Song of India,' and the Moonlight Serenade.

The public received them to the occasion. In addition to the main store, the Beauty Salon began to cater to the public in their new surroundings. With new equipment all but waiting to go, the operators asserted that Monday and Tuesday will be for appointments and general arrangements, while actual work will begin on Wednesday, from which time the Shoppe will be in operation.

"Unless immediate response is received in a call for ten men to work at the warehouse as readers, Poston will be without meat on the table," was the report from the Employment Office, Bldg. 27, where applications are now being accepted.

These men are required to unload meat, make up orders for various mess halls, and cut meat. Promotion is in order to the 'Butcher Shop' when ready for occupancy soon.

MANY INDUSTRY WORK DONE BY DIVS.

With their headquarters located at Blk. 35-8-A, the Zori factory with Mrs. M. Kato and Mrs. H. Ota in charge, is now "anticipating" the arrival of proper machinery to fill the "outside" orders. After the installation of the mechanical equipment, additional ten or more persons would be needed to operate the industry, it was learned. Today, the "zoris" are being made completely by hand.

In dealing with the Paris Embroidery Co. of Los Angeles another Div. found in the planned projects of the Industry Dept. is the embroidery and monogramming, where such work is being done on handkerchiefs, scarfs, tablecloths and personal linens. Hand-rolling of handkerchiefs has also started, with a staff of six, with negotiations being made with the Zoe Ford dealers in linens and handkerchiefs.

Paper flower-making, quite popularized in Poston in recent months has Mr. Marshall of Harold Brokerage to thank in their new Dept., headed by Mrs. Kawakami and Mrs. E. Suzuki. Outside orders are being received here continuously, with Mr. Marshall's contacts.

Takayoshi Karakane, head of the Industry, declared that plans are being formulated to "make cotton dresses" for outside clothing companies—which will give opportunities for many issei women here.

LUMBER STOLEN FROM AG. WAREHOUSE

Lumber stored in the agriculture warehouse in block 202 was reported stolen Saturday night. The local police on their nightly round found a window forced open through which the culprits entered.

Breaking into a warehouse and stealing lumber which is to be used on this project is detrimental to all concerned for it impedes its progress.

Since the supplying of foodstuffs to meet the demands of the center will be an urgent problem in the near future, the AG dept. asks the cooperation of the local residents.

PENGUINS SABOTAGE CAISSONS 3-30

Like ghostly wreaths in the gathering dusk, the 211 Penguins slipped through the tollering Caissong defenses, scoring sucker shots to sink the 216 boys 3-30.

Behind 26-24 at the three-quarter mark, the Penguins outfought the taller Caissong team to forge into the lead in the final minutes to take the game.

Inability of the Caissong to sink shots under the bucket doomed the losers.

Standout player was Otis Kadani with 18 digits to be high point. York Asami led the losers with 10.

FORTON III POPULATION INCREASED

Born to Mr. and Mrs. James Iwata, a boy.

DEAR EDITOR:

I have noticed numerous piles of very good lumber being distributed around the camp at Poston III. In view of the acute shortage of lumber we have, been suffering we wonder if these posts may not be made available to the people for use in constructing many necessities.

I have noticed that these pieces are peculiarly fitted for table legs, benches and various other furniture parts. Under the ingenious work of our carpenters, the lumber I refer to has great possibilities.

Rumors are that the posts will be used for a livestock fence around the camps. I, for one, fail to see the necessity of such a wasteful action.

It would be a pity if the God is not put to as useful a purpose as I have suggested. I am certain that our very intelligent administrators agree with me on this point.

Looking forward to the release of this lumber for the good use of the residents, I am,

Hopefully yours,
AN EV. O'ROE.

ORANGE CO. KNOCK OVER SHAMROCKS 3 – 1; TAKES POSTON'S SOFTBALL CHAMPIONSHIP

HITOSHI NITTA BESTS SHAMROCKS GEORGE NISHIKAWA

By virtue of their 3 to 1 triumph over the Shamrocks, Unit II's "A" Champs and conquerors of Poston III title holders, Orange County took the title of "Champion of Champions" as the No. 1 softball team in all Poston, last Sun. morning on Firemen's Ball Park.

Chuckier George Nishi kawa's upshoots had his opponents pretty well baffled, striking out ten batters but the victors managed to hit in the clutcher which led to his downfall.

Orange County's margin of victory came in the second frame. After striking out the first four batters to face him, G. Nishikawa walked Kaz Sato. Hitoshi Nitta hit a high fly which first-sacker H. Nishikawa fumbled, putting men on first and third. Nitta stole second as Tom Hasegawa followed by going down swinging for the second out and strike out No. 5 for Mr. Nishikawa. Then Izumi "Pussy" Utsuki slapped out a clean double just inside the right field foul line scoring both Sato and Nitta. Orange took a commanding 3 to 0 lead in the third inning when Shig Eddow came through with the second hit for O.C., a double, bringing across the home T. Ezaki.

Shamrock's one and only run came in the top half of the fifth. F. Hirst led off with a hit and second. B. Okumura who previously doubled for the visitors only hit laid down a bunt; Nitta's throw to second in an attempt to force the runner went beyond the second baseman, Okumura rounding third and scoring as Eddow's throw was wide of the home plate.

Nitta allowed but two hits, both of them to B. Okumura while Nishikawa was nicked for three safeties, doubles by Utsuki, Eddow and a single by Y. Ezaki.
