TONIGHT'S MOVIE

The final program in the Film Series sponsored by the Lectures and Public Affairs Committee will be the contemporary masterpiece, Jules and Jim, directed by the Frenchman, Francois Truffaut. If Truffaut's first film, The 400 Blows, was the classic well-made film, and his next, Shoot the Piano Player, wildly experimental - then Jules and Jim is a brilliant fusion of both. Told by a born story-teller, the tale of the quixotic Catherine (played by Jeanne Moreau) is endlessly fascinating.

Show time will be 8:00 in C-116, no admission charge.

CAR WASH TODAY

Theta Psi Omega will be holding a car wash at the east end of the parking lot today. For \$1.00 they promise to find your car in the parking lot, wash it and re-park it.

COMMENCEMENT

On June 10 at 5:30pm the College will hold its first Commencement. Approximately sixty students will be candidates for the bachelor of arts degree; twenty-three of these will be students who plan to complete the requirements by the end of the six-week summer session.

Dr. Glenn S. Dumke, Chancellor of the State College system will be the speaker. He will talk on "Frontiersmen in Higher Education." Music will be provided by Pacific High School Symphonic Wind Ensemble, directed by Albert H. Harbaugh.

President Pfau will preside at the ceremony. He will be aided in the conferring of degrees by Dean Gerald M. Scherba and by Chancellor Dumke. The exercises will take place on the College Mall and will be followed by a reception for graduates and their families.
