## AT SAN BERNARDINO

August 4, 1967

### The BULLETIN

#### COLLEGE ACCESS ROAD

Contracts for the construction of two increments of the college access road program have been awarded by the City of San Bernardino. Construction has already begun on a two-lane section of Western Avenue from Kendall Dr. to North Park Blvd. by Triangle Construction Company, and is expected to be completed in 90 days.

A two-lane extension of North Park Blvd. from State College Parkway southeast to the intersection of Western Avenue will be constructed by Matich Brothers. This contract includes a northwesterly extension of North Park from the entrance to the campus parking lot, on to the levee north of the campus. Work on this road is scheduled to begin August 10 and be completed in 45 days.

#### CAMPUS STORES TO CLOSE TEMPORARILY

Due to the moving of the Campus Stores (supply) to their new quarters, it will be necessary for them to close operations for approximately three days some time in mid-August. Mrs. Joy Robertson, Purchasing Officer, will issue an official notification of the days the Campus Stores will be closed, giving offices ample time to order any necessary supplies.

#### CAMPUS WORK-STUDY PROGRAM

Doyle Stansel, Director of Placement and Financial Aid, has announced that this summer twenty students were employed under the College Work-Study Program. Of these, fourteen were employed on campus and six were employed at the Department of Vocational Rehabilitation. The summer work provided the students with an opportunity to save money to meet their expenses for the next college year. Two of the students, who will be enrolling next fall as freshmen, are products of the "Upward Bound Program" sponsored by the University of Redlands.

#### ACTIVITIES QUESTIONNAIRE

A questionnaire was distributed last week to all summer session students to aid in the development of activity programs for future summer terms. The Office of Activities and Housing is tabulating the results on a wide range of questions which will be available to all interested faculty and student groups who will be involved with summer programs.
