EDUCATIONAL OPPORTUNITY PROGRAM

Spring 2012

A Message from the Director

VERONICA AMERSON

PHOTO BY CRAIG SCHOTT

Congratulations to all of our EOP students for completing the 2011/2012 academic year! You are one step closer to your goal of earning your baccalaureate degree. This has been an amazing year, and we are proud of all of our EOP graduates!

Whether you have had a successful year or perhaps ran into some challenges, I encourage you to reach out to your EOP counselor. We are here to serve

you and would like to offer support and assistance in helping you get back on track to meet your goals and also hear about your successes to potentially highlight them in future newsletters.

This year has also been full of changes; EOP is saying farewell to some very special people: President and Mrs. Marilyn Karnig, long-time EOP advocates; Barbara Herrera, admissions clerk and Summer Bridge assistant; and Velda Rodriguez, EOP receptionist. We will miss them all dearly. Read more about these folks in the following pages in our newsletter.

I hope you all have a safe, enjoyable and rejuvenating summer break. We look forward to seeing you in the fall.

Sincerely,

Did You Know?

The university has implemented a policy that limits students to enroll in a maximum of 17 units per term. Exceptions to this limit include seniors who have submitted a graduation check (19.5 units max), all seniors during open enrollment and late registration (19.5 units max), and those that submit and obtain approval for a course overload once late registration begins. For more information about obtaining a course overload permit, please visit Advising and Academic Services in UH-380 or obtain more information at <http://www-ugs.csusb.edu/advising/petitions/olinstr.html>.

FAREWELL...

Barbara Herrera

EOP says farewell to admissions clerk Barbara Herrera. Many of you have had the opportunity to work with Barbara while you were applying to the EOP program and through the Summer Bridge program. However, many students maintained a relationship with Barbara long after being admitted to EOP and Summer Bridge. We are happy to announce that Barbara was promoted and now serves as the administrative support coordinator for the Faculty/Student Mentoring Program (FSMP). When reflecting on her time with EOP, Barbara shared, "I appreciated my time with the students at EOP. I enjoyed seeing them when they came into the office to make appointments or during Summer Bridge." Barbara, we wish you continued success in your new position!

Velda Rodriguez Is Retiring!

After 13 years of service with EOP, Ms. Velda Rodriguez, EOP receptionist, has announced she is retiring on July 31, 2012. To our staff, she was our staff comedian that brought laughter to our office on a daily basis, and she was EOP's superwoman who could handle a million things all at the same time all while staying calm and pleasant. We have also observed Velda develop a number of relationships with students who come to the office, not because they have an advising appointment, but just because they want to visit with Velda. We cannot be happier for her that she will be able to relax and enjoy retirement very soon. In preparation for her retirement, Velda shared the following, "It has been an honor and pleasure to be part of EOP for the past 13 years. I have watched first year students come into the office nervous, scared and so insecure, they wouldn't even look into my eyes. I watched them grow into wonderful, confident individuals ready to take on their new endeavors. I feel that I grew right along with you. I am glad our paths crossed. I wish you the very best in life, love and happiness." Congratulations Velda; we will miss you dearly!

WELCOME...

Christine Beltran

[Administrative Support Assistant / Admissions Clerk](#)

Please join us in welcoming Christine Beltran to EOP! Christine is EOP's newest admissions clerk and will also assist with the Summer Bridge program. Christine comes to the position with several years of on campus experience. She will be helping students through the application process and helping students transition from high school to college in her role with Summer Bridge. "I am excited to be here at EOP and to work with our students and staff. I am especially looking forward to experiencing Summer Bridge." Christine is married with two daughters and when she is not working, she enjoys papercrafting, scrapbooking, baking and cycling. She and her husband also love to cook, try new recipes together and throw parties. Christine has been a great addition to the EOP team and when you're in the area, feel free to stop by, meet her and welcome her to EOP!

Advisor's Corner

Satisfactory Academic Process (SAP)

In June, the Financial Aid Office will determine each student's **Satisfactory Academic Progress (SAP)**. This is a federal and state requirement for all institutions that issue financial aid to students. When the university runs SAP, they are essentially checking to ensure that students who receive financial aid are making progress toward completing their degree.

When SAP is run, they will check the following items for the current academic year: GPA (to ensure your GPA is above a 2.0), your two-year GPA (to ensure the GPA for your last 90 units is above a 2.0), total attempted units (to ensure your attempted units does not exceed 301 units), and attempted versus completed units (to ensure that you have earned at least 70 percent of the units you attempted throughout the academic year). If you fail any one of these four areas, then you will fail SAP.

So, what happens if you fail SAP? First, the Financial Aid office will notify you by e-mail at your CSUSB e-mail and your MyCoyote account that you failed SAP and that further action is required to be considered for future financial aid. As an EOP student, to be considered for financial aid, you must make an appointment with an EOP staff member and submit an appeal. More information about the appeal process can be found on the Financial Aid website at <http://finaid.csusb.edu/apply/sap.shtml>. However, it is imperative that you contact the EOP office as soon as you are notified that you failed SAP because you will not be issued any financial aid for the upcoming term unless you submit an appeal and it is approved.

If you have not passed all of your classes during this academic year and you are wondering if you may fail SAP, try the SAP calculator on the Financial Aid website at http://finaid.csusb.edu/apply/sap_calculator.shtml. If you have any other questions about this process, make an appointment with your EOP counselor.

EOP

Student Association

The EOPSA (Educational Opportunity Program Student Association) Club is affiliated with the Educational Opportunity Program (EOP) at California State University, San Bernardino. The EOPSA Club is a charitable, nonprofit organization. Mario Garcia, EOP counselor, serves as advisor of this student organization. The main goals of the EOPSA are to help serve under-privileged students and children and raise awareness about the needs of students on campus and in the community. The club conducts fundraisers, such as opportunity drawings, and has plans to support foster youth in the local community.

This year, the EOPSA collaborated with The New Beginnings Outreach Christian Church to assist with Thanksgiving and Easter dinners for homeless and low-income families and children from the San Bernardino area. The EOPSA coordinated a campus-wide collection of new, reusable grocery bags to assist in distributing bags of food and groceries at the events and also volunteered their time during the event to serve food. They also partnered with Quiznos and See's Candy to fundraise for the association.

The EOP Student Association also participated in the inaugural regional EOP Student Leadership conference entitled "History in Action: Empowering Our Students" held at San Diego State University on April 21, 2012.

The EOPSA Club invites all students at CSUSB to join them in their efforts and develop leadership skills. The EOPSA meets once per month to team build and coordinate activities. Meeting times for fall 2012 will be announced at a later time. Interested students can contact eopstudentassociation@yahoo.com for more information.

CSUSB Alumni

EOP Chapter

Dr. Cheryl-Marie Hansberger, EOPAC

The CSUSB Alumni Association Educational Opportunity Program Chapter (EOPAC) was established in 2004 to provide the opportunity for academic and life-long success to historically low-income, educationally disadvantaged and/or first generation college students that seek a future of educational prosperity.

EOPAC strives to provide support to the EOP student, both financially and academically, to serve as an advocate at the local and state level and to showcase the program's success. The EOP Alumni Chapter strives to enhance alumni membership and to inform the community at large about the EOP program, its goals and benefits.

The EOP Alumni Chapter will work continuously to establish a network that EOP students and alumni can

turn to for personal, educational and professional support.

The EOP Alumni Chapter also works tirelessly to raise money for EOP students in the form of book awards. Look out for future fundraising notices in your e-mail and partner with us to support current EOP students!

This year, the EOPAC coordinated four alumni mixer/fundraising events, participated in two EOPAC and EOP Foster Youth Program networking events, coordinated the first ever EOP Senior Networking Luncheon, and distributed a total of six \$300 book awards to current EOP students.

For more information regarding the CSUSB Alumni Association EOP Alumni Chapter and how to get involved, please contact the CSUSB Alumni Association at 909.537.3700 or visit their website at www.csusb alumni.com. For more specific information about the EOP Alumni Chapter, please contact Kashaunda Harris, EOPAC Advisor, at 909.537.5042 or visit <http://www.ugs.csusb.edu/eopalumni/mission.html>.

The Educational Opportunity Program (EOP) salutes President and Mrs. Karnig for their invaluable support to our program and students. We thank you for a wonderful 15 years and wish you all the best in your retirement. Your kindness, generosity and advocacy will never be forgotten.

EOP Student Spotlight: Jahara Tinsley

Jahara Tinsley was accepted to the Educational Opportunity Program (EOP) at California State University, San Bernardino in 2008, and this year, she earned her baccalaureate degree in Social Work. Everyone who has been in contact with Jahara knows that she is dedicated to attaining her educational goals and believes that education is the key to continued success. As the second oldest of seven children, Jahara believes that it is imperative for her to serve as a positive role model for her siblings.

As a former foster youth, Jahara may not have taken the traditional path to college. However, from the moment Jahara stepped on this campus, she has taken full advantage of everything Cal State San Bernardino has to offer. Due to her being a former foster youth, Jahara was invited to participate in the EOP Foster Youth Program and was granted the opportunity to be assigned a peer mentor during her freshman year. Jahara has expressed that the mentoring program has provided her with direction, encouragement, life-long friendships and a sense of community. Her experience as a mentee inspired her to serve as a mentor for first-year incoming former foster youth. This year she is completing her third year serving as a mentor to former and current foster youth and the students that

have been under her leadership have truly benefitted from her guidance.

In addition to her involvement and contributions to the EOP Foster Youth Program at CSUSB, Jahara has been actively engaged with community life by participating in student organizations, such as Future Social Workers in Action, Enrichment through Action and the Phi Alpha Honor Society. She also volunteers at her church with the Life Changing Mentorship Program.

Jahara's volunteer work and her decision to pursue a degree in Social Work exemplify what she is all about. Her life mission is to serve others and she has a particular interest in child welfare, where she can work with and serve families that require assistance. To accomplish this goal, she recognized early on that she would have to continue her education by pursuing a graduate degree. Jahara has recently been accepted to the Master's of Social Work (MSW) programs at the University of

California, Los Angeles (UCLA); the University of Southern California (USC); California State University, Fullerton (CSUF); and CSUSB, and her ultimate goal is to obtain her Ph.D. in Social Work.

Jahara's favorite
quote:
"Do not go where the
path may lead, go
instead where there
is no path and leave a
trail."

Taft T. Newman Memorial Scholarship Shawn Jackson

The Taft T. Newman Memorial Scholarship provides a \$500 scholarship to an EOP graduating student who has a minimum 2.0 GPA, has financial need and is attending and enrolled full time in a graduate program. It was endowed to commemorate Taft T.

Newman, a former and dedicated EOP Director, who assisted EOP students in their quest to achieve their educational and career goals.

JoAnn Vance Memorial Scholarship Nina Snell

The JoAnn Vance Memorial Scholarship was established in 1996 to financially assist a graduating EOP student pursuing a master's degree or teaching credential program at a California State University campus. The Vance family founded the scholarship to honor the memory of JoAnn Vance, an alumna. The scholarship reflects Ms. Vance's commitment during her lifetime to education, self-development, and concern for others.

EOP Awards

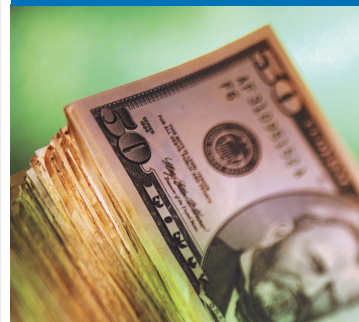

The EOP Awards, established in 1992, assists graduating EOP students pursuing a graduate degree or entering a credential program at CSUSB. This is EOP's 20th year presenting these awards, which are supported by contributions from the community, EOP alumni, CSUSB faculty and staff. Each award is in the amount of \$500.
