Health Hazards

The journal of the American Medical Association is urging the government to halt tax incentives for programs cutting air flow in homes. The Journal's editorial states making homes nearly air-tight to conserve energy poses serious health risks. Hazards listed included a buildup of formaldehyde from furniture and insulation.

No Payment of Dues

Companies making payment of dues for private clubs that exclude minorities or women will get closer scrutiny under new Labor Department regulations. Federal contractors will be barred from paying dues unless they can prove employees don't gain job advantages. The Department of Labor said it did not intend to regulate club's admission policies.

Segregated Schools

Vestiges of racial segregation persist in the public colleges of Texas, Kentucky and Missouri, stated the Department of Education. The DOE said that Texas plans to recruit more minorities. The department previously cited 14 other states, but said it hopes to prevent a possible cutoff of federal aid.

Enough is Enough Act

A bill has been introduced into Congress that will limit the amount of money we will spend on expenditures

Rep. Andrew Jacobs (D. Ind.) says, "I'm not against pensions for former U.S. Presidents but \$150,000 a year for staff salaries, \$96,000 a year 2½ years after leaving office, plus money for travel and travel of his aids plus, is too much."

Jacobs added that last year alone Nixon and Ford spent about \$340,000 each, that's not even including their pensions. Nixon and Ford billed the government for a \$4 car wash.

Mrs. Harris Retires

Mrs. Mary Harris, owner of Harris Beauty Bar has completely retired and says "I don't have enough hours in the day to do all I need to do."

Mrs. Harris is a longtime resident, beautician and has been credited with helping more beauticians get started in the Riverside Area than anyone else.

A very modest person, Mrs. Harris didn't want all this attention focused on her. But she did answer a few questions for the Black Voice News.

Mrs. Harris was born in Fordyce, Arkansas and raised in Oklahoma.

To further her education, she went to school to become a Practical Nurse, but before she could take the state board she began working, finding it too confining, she went off to Chicago to Madame Walker's Beauty School.

She returned home and married Mr. Melvin Harris, who was in the Army. They travelled all over the United States and even spent 2½ years in Germany, where she was a Red Cross Social Worker. Most of their

service years were spent in Toledo, Oklahoma, but in 1956 they found Riverside. Through all the travelling they did when he retired in 1963 they moved back to Riverside.

She has always gone to school to stay on top of what is happening in the hairdressing field. She is a graduate of RCC, Cosmetology Department.

Everyone who knows her has watched her during her spare time, enjoy her hobbies. She knits, sews and loves ceramics. She says, "I can't count my hobbies, I did a little of everything, anything using my hands I like to do."

Mrs. Harris is active in the Guadalupe Catholic Church, has 2 sons and many grandchildren.

She says, "I'd like to take this opportunity to thank my customers for cooperating with me during my years of service, if it hadn't been for them I wouldn't have been in business."

From all we can hear, the community should be thanking Mrs. Harris for her contributions.

First Black Manager Named

Frank Robinson has been named the new Manager of the San Francisco Giants, it was announced last week by Bob Lurie, owner of the Giants. Robinson becomes the first Black to man age in the National League.

Frank was also the first Black to manage in the majors and the American League with the Cleveland Indians.

Currently, Larry Doby manages the Chicago White Sox and Maury Wills of the Seattle Mariners are the other two Blacks managing in the major leagues.

Frank Robinson, is the only player ever to win the MVP award in both the National and American

GIBSON NAMED TO HALL OF FAME

Bob Gibson the retired fireball pitcher of the St. Louis Cardinals, is the newest member of baseballs, Hall of Fame. Each year the Baseball Writers Association of America votes on past greats for this honor to be placed on these great performers.

Gibson was an overwhelming choice in his first year of eligibility, receiving 337 of the 401 ballots casted. No other candidates came close to the 301 votes required for election.

Gibson became the 11th man elected to the

Cooperstown shrine in his first year of eligibility. The other 10 to be elected on the 1st year eligibility are, Jackie Robinson, Ernie Banks, Willie Mays, Mickey Mantle, Warren Spahn, Bob Feller, Ted Williams, Stan Musial and Al Kaline.

Gibson stated, "that didn't affect me until I saw the guys who made it in their first year. That's some pretty fast company."

He won 251 games in 17 seasons with the St. Louis Cardinals with a career 2.91 earned run average and

3,117 strikeouts. Only three other pitchers have struck out more than 3,000 batters in their careers.

Five times, Gibson won 20 or more games in a season and his best year from a won-lost stand point was 1970 when he was 23-7. But the season he remembers best is 1968, the year he posted a 22-9 record and set a record with a 1.12 earned run average.

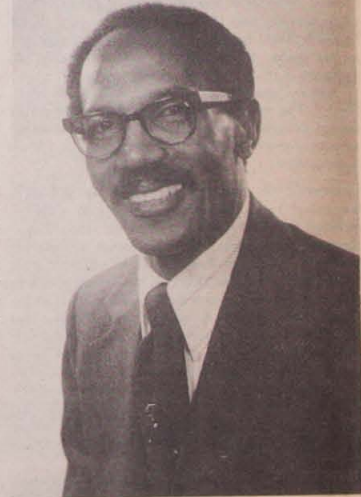

Gibson was a fierce competitor and few pitchers were better in the clutch. He won a record seven straight world series games, and is the only hurler in history to have won the seventh game of the world series twice.

Gibson, who returns to baseball next season as assistant pitcher coach for the Mets, will be inducted into the Hall of Fame on August 2nd.

"All of the writers thought I was tough and so did the players. I was good. That was my attitude. I grew up fighting a lot of things" Gibson said.

BISHOP H.H. BROOKINS, President of the Bishops Council and Bishop of the 5th District, of the African Methodist Episcopal Church, will be the guest speaker at a fundraiser for the Citizens To Elect Joe Duncan, Councilman in Pomona. The dinner will be held at Orlando's Place, 1700 W. Holt Ave., Pomona, Friday, January 30, 1981. The Social Hour will be from 6:30 to 7:30 p.m. with dinner served at 7:30 p.m. The cost is \$25.00 per person.

JOE DUNCAN

Headquarters Opened

"The Joe Duncan, campaign headquarters will open on January 27, 1981 at 1204 W. Mission, Pomona," stated Pete West, Campaign Manager. The public is invited to attend the grand opening on January 31 and February 1, 1981.

League.

Most of Robinsons playing days were with the Reds and orioles where he was outstanding.

He paid his dues by managing in the winter leagues and in Rochester with the minor leagues.

William Howe

McKenna Appointed to IMA

Supervisor David L. McKenna has been appointed as a member of the IMA Executive Board, representing the County of San Bernardino.

Supervisor McKenna replaces Supervisor Robert L. Hammock, who was recently appointed Chairman of the San Bernardino County Board of Supervisors. Supervisor McKenna is a native of the Inland Empire. He received his BA from UCLA and a Juris Doctor's Degree from the Un. of San Diego. He is a former Deputy District Attorney and a judge in the Colton Justice Court.

Supervisor McKenna will bring to the board valuable experience gained while representing the Board of Supervisors on a number of area public service organizations.

His leadership was a key factor in IMA's doubling of the number of participants served in that time.

Take Pride In
Your OWN Paper

A "Few Good People" Needed

William Howe, Commander of the Special Services Division of the Corona Police Department is looking for a "few good men and women", as the saying goes.

William Howe has been with the Corona Police Department 4½ years. Before joining Corona he was with the Riverside Sheriff's Department and prior to that he spent 13½ years in the Air Force.

"Corona is a smaller community, where you get to know the people in the area which makes the officer's job easier," he said. And getting to know people, is what he does, he is involved in the community as, President of the Corona Host Lions Club, a member of the Corona Toastmasters Club, Member of the Board of Directors of Circle City Hospital and he served as past vice chair of the Inland Counties Chapter of the March of Dime organization.

"Even though the community has fewer than 100 Blacks, we strongly encourage Blacks to apply for foicer and non-sworn jobs such as dispatchers, he said. I personally

found the city to be very non-bias, with many professional Blacks working in government-private industry," he said.

Howe's family members are also involved in Law Enforcement, his younger brother is an officer as well as his son, Paul Howe, who works for the Riverside Police Department.

Howe was born in Pennsylvania, he travelled extensively, has a Masters Degree in Public Administration from USC and is a recent graduate of the FBI National Academy.

In 1968 he was selected as Riverside County's "Deputy Sheriff of the Year" and in 1975, "Reserve Officer of the Year," he is currently a Major in the Air Force Reserves.

Another good thing in Corona is that "we have had no Klan problems," he ended. For this reason alone it should be well worth a look for employment in this community.

He and his family reside in Riverside and are members of the Kansas Ave. Seventh Day Adventist Church.

Gospel X-Pressions

RICHARDS, GRIGLEY AND KING AND KENNETH GLOVER

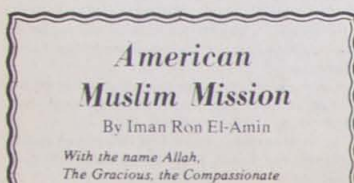

On Sunday afternoon at 5:30 p.m. one of the Inland Empires favorite gospel groups will be singing at the First Christian Church of Riverside, located on Jurupa and Brockton Avenues. My good friend Mr. Michael Teer the Inland Area Urban League director will be the guest speaker.

If you like inspirational singing, and you want to give up your Sunday AFTERNOON, MAKE IT A POINT TO VISIT Allen Chapel A.M.E. Church on Tenth and Locust in Riverside, February 1, at 3:30 p.m., Kenneth Glover will be in concert.

Kenneth has several L.P.s, among my favorites are, "If I Can Help Somebody", "He Touched Me", and the most recent "Let Go and Let God".

Mr. Glover must be one of the greatest soloists of all times, and when you hear his dynamic smooth phrasing of the words "shackled by a heavy burden... UNTIL THE HANDS OF Jesus touched me," you can appreciate the dynamic arrangement and delivery of "How Great Thou Art".

Kenneth Glover is a concert in his own right. You will leave this concert with your spiritual cup running over.

American Muslim Mission
By Iman Ron El-Amin
With the name Allah,
The Gracious, the Compassionate

One of the greatest harms we suffer from as Black (African American) people, is, failure to recognize and teach others, that our physical skin color (Blackness) is simply a characteristic that was necessitated by the conditions of a particular physical environment. The hot and humid climate of Africa, not only dictated that we have dark skin, it produced also the broad nose, thick lips, and our kinky hair. These featured characteristics served vital functions that related to our physical survival in the hot desserts and humid jungles of Africa. If you live in a hot climate that is humid, the volume or unit of air has less oxygen in it than the same unit of air in a cold climate that is not humid.

The humidity takes up the same in the air, and the heat expands the molecules of air, and makes the volume have less oxygen.

In a cold climate the air is condensed, and if it's dry, there is much more oxygen in the same volume of air. So, people who come from the tropical belt regions of the world, you find that they have broad nostrils. They need the wide opening so they can get enough air.

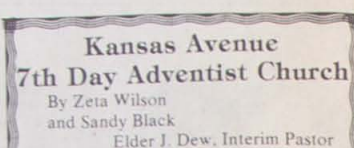

In colder regions of the world, you find just the opposite, people have razor sharp noses. They need the small opening so they won't take in too much air.

These are some of the few reasons why Caucasian people are very sensitive to heat and African American people are very sensitive to cold. Both are inferior, physically speaking, when they are exposed to conditions that are characteristic of the other's environment.

These are signs that let us know that Whites are not superior over Blacks and that Blacks are not superior over Whites. It also tells us that physical skin color and features are simply results of environmental conditions. I could go on and on show you how the sun gives color to all life forms even rocks, how the variations or the differences between two languages affects the very shape of a person's or shall I say, a people's face. As a suggestion, you parents who are concerned about your child's development and healthy mental attitude, should research a good book on Anthropology and Physiology for the purpose of obtaining this information, if you have not yet done so.

The information from these books will enable you to explain to your child, from a logical, scientific point of view, the origin of his Black skin, broad nose and kinky hair. It will destroy the old racist lie, that these features are marks of inferiority and that the White skin, razor, sharp nose, and thin lips, are marks of racial superiority. It will help to give your child answers relating to his physical skin color and other features that he will be satisfied with, answers that will help eliminate the idea of hate of "Self".

This is YOUR COMMUNITY NEWSPAPER

Kansas Avenue 7th Day Adventist Church
By Zeta Wilson and Sandy Black
Elder J. Dew, Interim Pastor

This sabbath at 4:00 p.m. the children from Montgomery Village will present the M.V. program entitled "The Montgomery Village Story Hour". There will be singing, poems by the children, and Bible stories told. Parents and children alike will enjoy this special program. All are invited to attend.

If you like good gospel music, then plan to be with us Jan. 31st when the 54th St. Choir from the 54th St. Church in Los Angeles will present the M.V. program at 4:00 p.m.

The Pathfinders Bike-a-thon is Sunday, Feb. 8, at the Riverside Raceway near March Air Force Base.

MISSION MOTIVE

Christ has shown us that our neighbor does not mean merely one of the church or faith to which we belong. It has no reference to race, color, or class distinction. Our neighbor is every person who needs our help...Our neighbor is every one who is the property of God. Let us remember those who are sick and put-in, those who for some reason seem to be slipping away from the church. Let us go out and visit them and let them know that you and God do care.

Allen Chapel A.M.E. Church News
Riverside
Pastor
J. Ray Thornton

BY THERESA B. JEWELL REPORTER

Everyone was in very high spirit Sunday morning as Miss Catherine Holmes led the choir, singing "I Started in Jesus and I'm Going Through".

Pastor Thornton brought the message, choosing his text from Deuteronomy 32:11-12. Theme: God's Care For His People or "The Eagle Stirs Its Nest". Just as surely as God has given the eagle knowledge to take care of his young, He also has knowledge to take care of His chosen people. With faith there are no questions. Without faith there are no answers.

Saturday, January 31, 1981, 2nd Unit of Missions will have their annual Bar-B-Que at the church. Time: 10:00 a.m. until 2:00 p.m. Mrs. Deloris Lee is president.

Saturday, January 31, 1981, The Harvey Edwards Men's Club will have their breakfast at the church. Mr. Anderson Copeland is president.

Membership training class each 1st Sunday at 5:00 p.m. in the Fellowship Hall.

Our sick and shut-ins: Mrs. Leatta Strickland, Re. I.S. Thorne, Mrs. Lula Wiley, Mrs. Margaret Patterson, Mr. Maurice McCloney, Mrs. Zenobia Williams, Mrs. McClain and Mrs. Gladys Bowen.

We offer prayers for our Sisters and Brothers all over the world. A visit with us might encourage you to join with us.

Whitney M. Young to be Memorialized on Postage Stamp

Whitney M. Young, Jr., whose life ended tragically almost ten years ago in a drowning incident off the coast of Africa, will be memorialized in a colorful commemorative stamp to be issued by the U.S. Postal Service in New York City on January 30, 1981. The stamp will go on sale at post offices all across the country on the following Monday, February 2, 1981.

Regarded as one of the leading figures on the American scene during the nearly ten years that he served as Executive

Director of the National Urban League, Mr. Young was one of a small group of men and women who constituted the leadership of the Civil Rights Movement in the turbulent decade of the 1960's.

The stamp which honors him will be issued in a 15 cents denomination and is the fourth in a series of Black Heritage Stamps that began in 1978 with Harriet Tubman and has continued in succeeding years with Martin Luther King and Benjamin Banneker.

DEADLINE MONDAY 9 A.M. FOR THURSDAY'S

St. Paul Church News
by Cheryl Brown
REV. WM JACKS PASTOR

Last week was Youth Day at the church. The speaker of the hour was Rev. Benjamin C. Martin, Youth Minister of Mars Hill Baptist Church, Fontana and husband of the former Daphne Roberson.

His topic was "To Know Him" taken from II Peter, Chapter 1. He brought scripture after scripture before the congregation and said "To know him is the greatest things unless there is Jesus Christ. Without Grace you have no peace, Jesus is alive and coming back again, he ended.

Rev. Benjamin Martin

Welcome to the St. Paul family, Norma Tucker of Los Angeles and youth for baptism, Leah Goodloe.

Youth (YPD) held their 1st Area Meeting last Saturday, youth elected from St. Paul were, Linda Robinson, Recording Sec., Renee Brown, Asst. Sec., Perry Gordon, Parliamentarian, Dirk Washington, Chaplin and Paulette Brown, Historian.

In the younger youth group elected were James & Stephen Shepard and Nickie Powell.

Laymen will hold their 31st Anniversary, Sunday at 3:00, Mr. H. Pettigrew, 1st V.P. of the Southern Cal Conference, will be the guest speaker.

The Jr. Ushers are sponsoring their Annual Bake Sale Sunday February 1st following morning services. Orders are now being taken and you may give your order to Mrs. Orr.

Rev. Jacks says, "The Christian on his knees sees more than the philosopher on tiptoes."

16th St. SDA Church News
by Ms. Madeline A. Seymour

DIVINE WORSHIP HOUR: Speaking for the 11:00 divine worship hour this Saturday, January 24, at Sixteenth Street Seventh-Day Adventist Church, will be the pastor of the church, Elder Hermon E. Vanderberg.

He has chosen for his subject: "What is Malachi's Plea?" The community is invited to attend the service. Come and bring a friend. You are a stranger but once. Especially prepared luncheon will be served to all visitors.

LESSON FOUR: "Marks of the Church" is the title of the subject to be studied during the 9:30 Saturday morning church-at-study hour, Jan. 24. According to superintendent James Jones, the lesson will discuss the church if I look for the church, can I find it? What are its basic characteristics? In this lesson it will be noted that as much as one would want to think of the church as a building, it is necessary to remember that the church is wherever its members are. The church is the people who make up its memberships. It is represented by the ones who take the name of Christ.

There is only one basic truth for church members: the truth as they see it in Christ Jesus. He is the way, the Truth, and the Life. We will see, in the lesson study, that love to God and man involves the way of love.

We will see that love to God and man involves a whole new set of values and priorities. I could say more. Just come to the 9:30 study hour and sit in a class of your choice. You will love it. Be certain to come fifteen minutes earlier and sing lovely songs to brighten the morning service.

POWER HOUR: The Wednesday evening prayer service at 7:30 has been and always will be, the haven of rest for the earnest and sincere Christian. The necessary songs, prayers, testimonies and sermonette are the answers to the immediate needs of many. They prove to be comforting and consoling. All are welcome to the power hour each Wednesday evening.

Friendship Baptist Church News
Rev. Levonzo Gray, Pastor

BY ALBERT MCDANIEL

Sunday morning worship service was spirit-filled and evidence of a much needed revival taking place in the hearts of those present. The Lord really was manifested by the choirs singing with the spirit and the congregation responding with praises and shouting. We are thankful to the Lord for hearing the prayers of the people and being with us in our service.

The Youth Department will have a birthday party for all of those who have birthdays in January. Happy Birthday to Sis. Reid, Sis. Moseley, Rev. Seldon, Sis. Goree, Bro. Levonzo Gray, and Sis. Ira Gray.

Visitors Sunday were Rev. and Mrs. Benford, Rev. Billy Williams, Rev. Hill, Rev. and Mrs. Williams and Bro. John Davis and his mother.

FANTASTIC TRIP TO LOS ANGELES ZOO: Twelve happy and excited boys and girls of the primary class of the Seventh-Day Adventist Church motored to the large and fun-filled Los Angeles Zoo, Sunday, January 18. They were thrilled to see the large elephants, tall giraffes; and, the smaller animals, too. One of the adults was amazed to see the biggest horse, the Clydesdale. It actually took this huge horse 20 minutes to drink his fill of water. The many youngsters who enjoyed the trip were Nicky Brooks, Rozanne Bolton, Julia McIntyre, Dana Walker, and Cheryl; also, Louis and his sister, Vicky, Wells Ford, Eddie & Marcus Harper, Cleophas Mims, and Lloyd. Several adults accompanied the caravan; namely Mrs. Jean Scott, Mrs. Melissa Brown, Mr. and Mrs. Ronald Huntley, and Mr. Charles Richards. This lovely trip has all the children talking constantly about when will they go again.

MS. OLLIE M. ANDREWS

REV. WILL L. EDMOND
1956-1981
25th Anniversary
"Biography of a Minister"

Our beloved Will Edmond was born to Frank and Emma Edmond in Colbert, Oklahoma. They were the proud parents of fourteen children, of which Rev. Edmond was ninth. He went to school in summit, Oklahoma, and there he met Christ, and was converted.

On September 12, 1943, he married Miss Maurice Wright. They came to Riverside, May 16, 1944. God blessed this union with three daughters, Marie, Kathryn, and Brenda. Who in turn made them the proud grandparents of three grandsons.

In the pursuit of religious education, Rev. Edmond was a student of the American Theological Seminary. He united with Second Baptist in 1948, where he was an active member of the choir from 1948-1956, during this time he was also Superintendent of Sunday School.

The Lord called Rev. Edmond into the ministry on January 22, 1956. For 25 years, he has been a faithful servant of the Lord as a minister of the Gospel. He is truly a blessing to each and everyone who has known him over these many years.

GRACE BETHEL BAPTIST CHURCH
REV. WM SELDON PASTOR
CHURCH REPORTER:
Sis. Ruthie Seldon

The spirit of the Lord was magnified through out our morning service beginning with our Sunday School. Our attendance in Sunday School was increased and we also had a visitor in our Jr. Class, Bro. Eugene Titus, III.

The Adult Choir sang songs that uplifted our spirits and added much to the ministry of the service. We would like to thank Bro. Gary Giles, Bro. Joe Barclay and Bro. DeWayne Barclay for rendering their musical instruments and their talents to the work of the Lord.

Rev. Edward Sewell brought our message found in Rev. 12:12. Entitled "Time is Running Out". Rev. Sewell concluded that we do not know the day nor the hour but from the signs of the time, the end is close.

Grace Bethel acknowledged the presence of Rev. and Sis. Smith, Bro. Gary Giles, Bro. Eugene Titus, III as special guest.

The Youth Usher Board looked beautiful and their drill under the direction of Sis. Smith was very well done.

Rev. Seldon and Sis. Hattie Gilmore extended thanks to all of our members for supporting their building fund social on Saturday evening.

We would like to salute Sis. Jackie Gilmore for her faithful service in the various departments of our church. Jackie is our Sunday School's secretary. Youth choir musician, Adult choir directress, song leader and a great inspiration to all of our youth and adults. May God continue to bless you Jackie as you continue to be faithful to the Lord.

The combined choirs of Grace Bethel will be worshipping with the New Hope Church of God in Christ of San Bernardino on February 15th at 3:30 for their pastor and wife's appreciation service.

MT. ZION
Missionary Baptist Church News
(POMONA)
REV. JOHN H. WOODS JR.
by Ms. Alice D. Mitchell

It is always nice to know that your main team is one that is well qualified; one that is durable; and one that is willing to pick up the ball and run with it all the way. Our main team, in the person of Rev. John H. Woods, Jr., has demonstrated that he has the qualifications; that he is durable; and especially willing to run all the way.

While it is very comforting to know that your first line of defense is a forcible one; it is all the more consoling to know that your back-up line of defense is adequately armored. Our second line of defense rose to the occasion Sunday morning when he, the Rev. Curtis F. James, took his text from Job 13:15 and preached from the subject: "Investing in Heaven's Trust Account". When he got through demonstrating how wondrous and plentiful are the returns when we make even minimal investments and how the account never runs dry and the checks never bounce; we knew without a doubt that only fools turn their backs on such a glorious opportunity.

We are still growing and praying and looking with great anticipation toward the many blessings that we feel God has in store for Mt. Zion. We are certainly soliciting the prayers of all our many friends as we venture out on faith, armed with God's Word, to do those things that God has instructed us to do in order that we may more amply spread the good news of God's purpose and reality.

PUBLIC NOTICE

To Reduce Home Energy Costs
\$ HELP IS AVAILABLE

As the temperature begins to drop home heating energy costs will continue to rise. The State of California Office of Economic Opportunity (OEO) can help you meet these rising costs through the Low-Income Energy Assistance Program (LIEAP).

WHAT IS LIEAP?

LIEAP is a federally funded program which provides assistance to low-income households in meeting the rising cost of home energy. This is not a bill paying program. However, eligible applicants will receive a one-time LIEAP payment by March 31, 1981.

TO QUALIFY

For assistance with your home energy costs:

- You must pay your own utility bills.
- Your total expected 1980 household income may not exceed the amounts below:

Size of Household	Total Income
1	\$ (4,738)
2	6,263
3	7,788
4	9,313
5	10,838
6	12,363

If the size of your household exceeds six add \$1,525 for each additional member in your household.

If you meet this criteria and are eligible for SSI or AFDC you will receive an application in mail.

APPLY NOW!

Applications postmarked after January 31, 1981 will not be accepted.

PICK UP an application at the following locations:

- *Your local Employment Development Department
- *Your local Department of Social Services
- *Your local Community Based Organizations
- *Your Community Action Agency
- *Local State or County Library.
- *Welfare Rights Organizations.

If you are unable to get an application from the above locations, or need assistance in completing one, call toll free 1-800-952-8311

Mail application to:

Los Angeles, CA 90076

Amos Temple C.M.E.
Rev. V.J. EDNER, PASTOR
BY REV. & MRS. EMERSON JEFFERSON, JR.

PULPIT MUST STAY RELEVANT TO ISSUES

Keep the Pulpit Relevant. It is under "unique obligation" to speak for God and to answer to God. This comes from our pastor the Rev. V.J. Edner of Amos Temple, C.M.E. Church in Riverside, who said conversations about the role of the pulpit and the church in politics and social action is becoming a popular theme.

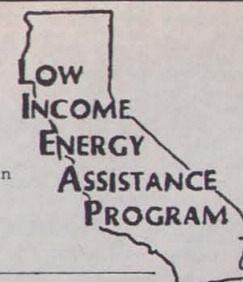

"Pulpit and Press, Television and Radio, College and Seminary, Civil Rights and States Rights, Negro and White, are all taking sides." He declared these discussions may determine whether the church will courageously formulate an answering theology which realistically analyzes contemporary social problems and develops an effective strategy for corporate church action or continue to whisper sweet ams of peace in a traditional theology of personal salvation and mortality, which is very good, but not comprehensive.

The mainstream of Protestant theology seems convinced that the serious social problems and evils are solved by individuals acting on their own. The Rev. Mr. Edner continued, "Some feel that a church involvement in politics creates divisions which engender hate and malice, and violates the principle of separation of Church and State. Others think politics is so unclean it profanes the spoken word and prostitutes true worship."

Another group, he pointed out, insists that all of life is of one piece and cannot be divided into neat compartments.

In this conception, politics is understood as a sacred function of life, because it determines the destiny of persons. With this group involvement in politics and social actions, it is not a matter of expediency but one of obligation and commitment, rooted in its theology.

The relevant pulpit must be one that adequately defines and defends its yachings with intellectual clarity, logical consistency and asks no quarter... We sorely need a theology that demonstrates its truth...answering to God and Man with active participation in all issues of life.

EDITORIAL

ATTITUDES

King's Holiday

Let us not forsake the dream of a National holiday, but, at the same time, let us remember that his life was a sacred sacrifice and we must attempt to keep that day as a holy day, no matter what anyone else does about it, for he was indeed a holy man, cast into a den of thieves.

In this case, a holy day and a holiday should be synonymous. (L.A. SENTINEL)

Cutting Taxes

In the coming months the Reagan administration will be dismantling the Carter budget, line by line. The Republicans will take a second look at a string of spending cuts Mr. Carter might have made but did not. They will focus on a mountain of expanding federal loans and loan guarantees that fuel inflation. Mostly, they will look at the record of more taxes, and taxes of the wrong kind, and they will see in Jimmy Carter's last budget a testament to the futility of trying to tax your way out of the hole. (WALL STREET JOURNAL)

LETTERS TO THE EDITOR

Citizens to elect Joe Duncan

Dear Editor,

We hope you are as pleased as we are that Joe Duncan has announced his candidacy for the Pomona City Council. We think he is a topnotch candidate, one who will be a positive influence on local government.

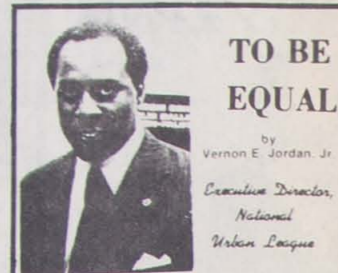

But the most important thing is what Joe will be giving us as a City Councilman. He is a highly intelligent man, who has a broad knowledge in city government and a record of achievement in a range of basic areas. He has a comprehensive understanding of the many problems which have become barriers to social and economic progress in the Pomona Valley and, most importantly, he has committed himself to work toward effecting positive change and making government more responsive in these and other critical human needs.

Dear Hardy and Cheryl,

On behalf of the Black History Month Committee of Riverside County, we would like to express our appreciation to you for being supportive in our struggle. Your assistance and support has made it possible for us to plan a com-

prehensive Black History Month Observance. Thanks again for your interest in the Riverside Community. Sincerely, Eunice Williamson Chairperson, Black History Committee

perspective

TO BE EQUAL

by
Vernon E. Jordan Jr.
Executive Director,
National
Urban League

Given the enormous problems facing the nation, President Reagan may be strongly tempted to let the plight of minorities and the poor take a back seat to revving up the stagnant economy and shoring up our international position.

In effect, that would be a revival of the old "benign neglect" approach of the early Nixon years. That approach was based on the supposition that Blacks had made great progress and no longer needed special governmental efforts.

A new benign neglect approach would probably be based on a different belief—that by solving the nation's economic dilemmas the Administration would at the same time solve the economic problems of Blacks. Therefore, no special efforts need be considered.

The new benign neglect approach would be as mistaken as the old. In both instances, the neglect would not have a benign effect at all. Rather, it would inevitably lead to a deterioration of conditions for poor people while impeding solutions to problems of inflation and unemployment.

Personal Values

... By

Charles Ledbetter

Community Against Drugs & Alcohol

In order to develop our self-concept, we must begin by visualizing ourselves as worthy humans. As a portion of this process, we should use constructive thought to create an image of self as an individual able to determine his own purpose in life. We would have to be free from the advertisers, commercialization and other manipulators. As our self-concept is changed into action, we will function as our real self and our productive thoughts will be a guide to a life worth living.

"Our problems are man-made, therefore they can be solved by human. And man can be as big as he wants," J.F. Kennedy

On Monday night in the Moreno School District Boardroom, a meeting was held by "Community Against Drugs and Alcohol." Mr. O.W. Miller was the chairman and the guest speaker was Judge Deissler from Riverside Juvenile Court.

Information received at this meeting was very important, and I am using this method to share the information with you parents, teachers and students who could not attend and care.

Two important points Judge Deissler made at the start of his talk were, 1. Fear of punishment is a psychological deterrent to crime. 2. Swiftness of punishment is a very important factor in curbing juvenile crime.

Judge Deissler, who has served the juvenile

Reagan Should Resist Benign Neglect

One reason for this is that the free-market approach favored by the Administration would—even if it turns the economy around in the long run—have serious negative short-term effects on the poor.

Low income families, for example, feel the brunt of inflation in sharply rising food and energy costs that take a greater part of their budgets than better-off households, which spend greater parts of their income on non-essentials.

That means the poor depend on the government props like food stamps, minimum wages, and unemployment benefits. Few of the poor actually get such assistance, just as few actually get welfare. But their availability is important for many low income families.

If such income support programs were cut sharply or even, as some advocate, abandoned, those families would be in desperate straits. Even if, in the name of fighting inflation, eligibility standards are stiffened or public jobs programs cut, many inner city families would be shoved over the brink.

Theorists may claim that ultimately the lower federal spending and other measures will pay off in private sector job creation and lower inflation, but the reality is that the poor will suffer terribly until that happy day arrives.

Further, there is little reason to believe that many poor people, who lack skills and other credentials sought by private employers, will share in the revived economy. Without federally assisted job training and job creation programs, millions of people will not be absorbed into the mainstream of our economy.

courts for one year, shared some more valuable information with us.

1. If a student skips class he/she can receive a sentence of up to 20 days in juvenile hall.
2. Failure to return a book to the library within thirty days the student can get six months.
3. Beer on campus is worth six months in juvenile hall.
4. Upbraiding and insulting a teacher can get the student six months in juvenile hall.

These sentences may seem extreme, however other information shared at this meeting points to the need of some measures to safeguard the law abiding children attending school who want to learn.

Right now, according to the Judge, there are seven kids in juvenile hall for murder. One girl for shooting another girl hand off, three boys for driving a peg up a boys anus. A girl's ice cream cone was laced with PCP at a school. She over-dosed and was raped by four boys. The school tried to cover this one up. Too extreme punishment. I don't think so. Do you? Parents?

The meeting was attended by parents, school and law officials. The next meeting is Feb. 2, 1981.

I personally thank Judge Deissler for his work and for taking the time to keep us citizens informed. Now we parents and teachers must do our job.

FRANKLY FEMALE

Betty Myles

The Frankly Female Shows airs on KHTV-TV, Channel 9, Los Angeles every week, 6:00 a.m. Wednesday and 6:30 a.m. Thursday morning.

A MATTER OF TIME

The "Speakeasy" seems an unlikely setting for a philosophical discussion about marriage, yet, it was at the disco that I discovered the "Dickerson Theory of Matrimony."

According to CARL DICKERSON, a prominent Pasadena businessman, it is our increasing lifespan, not sexual promiscuity or Women's Lib, that leads to divorce. Why? Because longevity makes monogamous marriage an untenable situation for couples who can expect to live together for 50 years.

When our forebears vowed to marry "til death us do part," their pledge amounted to a 20 year commitment at best. However, science and sound nutrition have escalated our life expectancy to the point where we can all become septuagenarians without really trying. For example, the average American male can expect to live 73 years or nearly

twice the age of his grandfather who married knowing that he would not live with the same woman FOREVER: if hard work didn't kill "the wife", childbirth did, making him a widower and an instant candidate for wife number 2. It was common for a man to marry two, three or even four times during his short life, a condition that promoted monogamy while insuring sexual diversification within the institution of marriage.

However, monogamy turns to monotony when a couple must face the reality of spending the next 4 or 5 decades together. Although the body may be willing, the mind balks at the very idea of living with the same person for half a century. This invisible problem underlies the increasing rush to the divorce courts, which according to Mr. Dickerson, is the wave of the future. In fact he envisions 'series-marriages' where people will marry, divorce and remarry several times during their life...

Or as the saying goes, "Variety is the Spice of Life," and as our lives expand toward three digits, who knows how many husbands we will have wed and shed by our 100th birthday!

LADIES...UNTIL NEXT WEEK... "HAVE A FRANKLY FEMALE DAY."

MAYOR AB'S NOTES

Items of General Interest
to the Citizens of Riverside

Mayor Ab Brown

If you are looking for a way to help your community, the Casa Blanca Community Action Group is sponsoring an Ismael Villegas Scholarship program for the youth of our city. This is a worthy cause and a special tribute to one of Riverside's most outstanding citizens.

As you know, Sgt. ISMAEL VILLEGAS was a resident in our city who posthumously received the Congressional Medal of Honor for heroism in World War II.

A fundraising luncheon for the benefit of the scholarship program will be held at noon Saturday, Feb. 28 at the Ismael Villegas Community Center located at 7240 Marguerita Avenue. Tickets for the luncheon are \$5 each and can be purchased at the Ismael Villegas Community Center or the Casa Blanca Home of Neighborhood Services. For more information, you may call 687-5111 or 688-3043.

The Greater Hispanic Chamber of Commerce will hold its second annual Installation of Officers Dinner and Dance Jan. 24 at the Elks Club on Brockton. The guest speaker will be H. FRANK DOMINGUEZ.

Riverside's committee for the International Year of the Disabled with JOHN STACY as liaison has been meeting since Oct. 1980. The members have set the primary goal of making our citizens more aware of the contributions made to our community by disabled persons, as well as what our city can do to fill their unmet needs.

Fontana News

by

Maurice Mayfield

Fontana Events for February:

Feb. 15, A gospel program will be held at the North Fontana Park, 6362 Citrus.

Feb. 21, Queen Contest. Donation: \$1.50 for adults and 75 cents for kids, time 6:00 p.m. Winners will also ride in the parade.

Feb. 22, Senior program held at 3:00 p.m.

Feb. 28, Black History Parade, deadline for entries is Feb. 10. THE PARADE WILL START AT 11:00 a.m., for more information call 887-9147, 829-9057 after 5:00 p.m. or write P.O. Box 1391, Fontana, CA 92335.

In 1961 in Washington, James B. Parsons was appointed to Federal District Court, thus becoming the first Black District Judge.

When Marian Anderson appeared in Verdi's "The Masked Ball" at the Metropolitan Opera in 1955, she became the first Black to sing at the Met.

Moreno Valley News

AS I WAS JOGGING: We Veterans are getting ready for the run over Mt. Rubidoux on Jan. 24. About 1000 joggers will compete in the Third Annual Run over the mountain at 9:00 a.m. Black Voice News, hopes to sponsor a run in the near future.

MORENO VALLEY IS NOT A DUMPING GROUND: Bags of garbage are left each week along Kennedy Drive, Perris Blvd, and Alessandro Blvd. The persons doing this will be caught, sooner or later, and should be made to understand that we will not tolerate it.

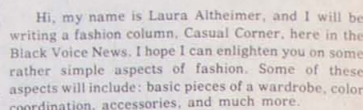

We have pride in our community, and will not tolerate this type of activity. Pride and community relations is a number one goal of our citizens. This area can be a "Model For America". This was said by a very wise man who is dedicated to community progress.

THE COMMITTEE AGAINST DRUGS AND ALCOHOL will hold it's next meeting, Feb. 2, at 7:30 p.m. in the Moreno Valley School District Board Room.

SOMETHING TO THINK ABOUT: It appears that society spends more time training animals, than training youth to respect property and other people's rights. One answer to substance abuse is proper training the first three or four years of life.

Casual Corner

BY LAURA ALTHEIMER

Hi, my name is Laura Altheimer, and I will be writing a fashion column, Casual Corner, here in the Black Voice News. I hope I can enlighten you on some rather simple aspects of fashion. Some of these aspects will include: basic pieces of a wardrobe, color coordination, accessories, and much more.

I guess at this point those of you who do and don't know me are probably thinking, how come she is writing a fashion column? She's not an expert in fashion affairs, although I am qualified to say I know more than the average person. Basically I'll be looking at this from the same perspective as you. We'll both be learning and experiencing fashion. The only difference is that I'll be doing the researching, and the asking of many questions of the fashion experts about what's happening in the fashion world in order to bring you the bare facts on fashion.

It's going to be hard earned work, and I think it will be well worth our while (my writing the column, and you reading it). Well, I hope you enjoy Casual Corner. It's going to be fun. I'll be talking to you real soon! Bye now!

Jump Ball Mission Lead

The good news is that RCC is in first place in the Mission Conference with a 2-1 conference mark. The bad news is that most of the Mission Conference is in first place with a 2-1 record. RCC had a chance to take sole possession of first with a win over San Diego City last Saturday night at Wheelock Gym, but lost when they had the ball stolen and the Knight's Reggie Horne made a layup with one second left to give San

NAACP to Hold Installation

The Riverside Branch of NAACP invites you to attend their Annual Installation of Officers and Board of Directors. The event is scheduled for Saturday, January 24, 1981 at 1:00 P.M. At Bobby Bonds Park, 2060 University Ave., Riverside. For further information call 68NAACP or write P.O. Box 35092, Riverside, CA 92517.

The public is invited.

Selling Drug-Use Items Illegal

Senator Robert Presley's new state law barring minors from salesrooms where drug-use items are sold, is now in effect statewide—taking effect January 1, two days after the State Court of Appeals in San Bernardino ruled that such a law is constitutional.

The new state law authored by the Riverside Democrat applies in all cities and counties that do not have their own ordinances on sale of drug-use paraphernalia, such as pipes, clips cigarette papers, etc. The Presley law requires stores selling drug use items to bar entrance to persons under 18, or to restrict display of such items to a separate room where minors are not permitted, unless accompanied by parent or guardian. The Fourth District Court of Appeal in San Bernardino on Dec. 29 ruled a similar local ordinance in the City of Westminster legal. Roughly 60 cities and counties have such ordinances. Riverside is considering such an ordinance.

Westminster's ordinance was patterned after one from the City of Lakewood, which was the model for the Presley law. Some lower courts had ruled such ordinances legal, some had held them unconstitutional. The Appeals Court ruling supercedes the lower court rulings, Presley explained.

Diego a 71-69 victory over the Tigers. It was San Diego's first win over the

Tigers in their last seven meetings.

The Tigers have the opportunity to knock at least one team from first this Wednesday when they travel to Saddleback. RCC, Saddleback, San Diego and San Bernardino are all tied for first. Saddleback is 12-7 overall with their

one Mission Conference loss being a 68-66 setback to Citrus last Saturday night.

RCC will undoubtedly have to play one of their best games of the year to beat the Gauchos who are very tough to beat at home. Saddleback had won 50 in a row at home, until that streak was snapped by Santa Ana earlier in the year.

The two teams have all the makings of a rivalry. The Tigers have finished second in the Mission Conference to Saddleback two years running and the two teams have either won or

shared the Mission Conference championship for the last six years. The Gauchos are probably not as strong as they have been in the past, but then neither are the Tigers. Following the game against Saddleback, the Tigers will host Citrus at Wheelock Gym this

Saturday night at 7:30. KPRO 1440 will broadcast Wednesday's game on tape delay at 9 p.m. KPRO's Bob Goen and Dave Waxman will discuss the game against Saddleback and the upcoming game against Citrus, on "Tiger Talk" Saturday morning at 11:05.

RCC Pitcher Taken by Oakland

Right-handed pitcher Mark Jarrett of Riverside City College was drafted in the second round by the Oakland A's in Tuesday's baseball draft.

Jarrett is a sophomore out of North High School who spent his freshman year at U.C. Irvine. Head Coach Al Fages said Jarrett is the highest draft pick that he can remember at RCC. "I think he's an excellent prospect," said Fages. "He has all the pitches and throws hard, somewhere in the 90's (mph)."

Fages said that Jarrett is probably the best picture he's ever had at RCC. "It would be between him and Tommie Hall. Hall pitched for the Cincinnati (Reds) and was in the majors for nine years."

It probably came as no surprise that Jarrett was taken so high because sometimes there have been eight to ten scouts watching RCC's intersquad games.

Fages said he feels Mark has an excellent chance of making it. "Mark's attitude is just super. He continues to want to learn and is very coachable."

For the time being, Fages said that Jarrett plans on finishing the season at RCC. From there it's off to see the guy in Oakland who never likes to argue, Billy Martin.

CONSUMER QUESTIONS & ANSWERS

By EUNICE WILLIAMSON
Family & Consumer Sciences Advisor
University of California

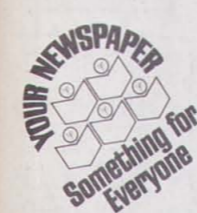

QUESTION: Is teenage pregnancy on the increase in this country?

ANSWER: Yes and no, according to the U.S. National Institutes of Health. About a half-million babies were born to teenagers in the U.S. this year. This number has stayed about the same every year since 1961. While there has been a decrease in births to girls 15 to nineteen years of age, there has been an increase in births to those girls under 15. Fifty percent of these babies are born "out-of-wedlock," a figure two-and-a-half times higher than that reported in 1961. The number of teenagers in our population is expected to decline somewhat in coming years. However, increasing sexual activity and inadequate use of birth control methods by teenagers is believed likely to result in the continuing problem of unplanned and unwanted teenage pregnancies. A number of studies are being conducted by the National Institutes of Health to further investigate this problem and seek some solutions.

QUESTION: Does it make economic sense to invest good, hard, hard-earned money in insulation? ANSWER: A study by the Cal Energy Commission suggests that as of 1978, insulating a home in Northern Cal that presently has no insulation and is heated by electricity would return about 38 percent on an investment of \$325. If the home were heated by gas the return on your investment would be 21 percent after taxes. In Southern Cal the comparable returns on investment were 35 percent and 17 percent after taxes. Bringing an underinsulated house up to recommended levels would return 18 percent in Northern Cal, is heating by electricity and 8.5 percent if heating is by gas. In Southern Cal the story is not much different—17 percent and 7 percent. When compared with a passbook savings account or even corporate stocks and bonds, investment in insulation paid better dividends in almost every comparison. So if your home is not or is poorly insulated it might pay to even borrow the cash to bring your insulation up to recommended levels.

shared the Mission Conference championship for the last six years. The Gauchos are probably not as strong as they have been in the past, but then neither are the Tigers. Following the game against Saddleback, the Tigers will host Citrus at Wheelock Gym this

HOSTAGES FREED

The Hostages flew to Algiers as everyone in America gave a sigh of relief.

Two Algerian jets left Tehran and refueled in Athens, carrying the former captives and Algerian diplomats. In Algiers, the 52 Americans were welcomed by U.S. negotiators, and the group chatted in an airport lounge. A Swiss envoy said the hostages were jubilant leaving Iran.

The release came after Carter cleared up a late dispute over the U.S. - Iranian accord.

It is now reported that only 3 billion dollars was transferred instead of the \$8 billion previously announced.

One of the hostages is Black.

Carter went to Germany to meet each hostage personally.

REAGAN INAUGURAL SPEECH

Reagan said, there would be no bigotry or discrimination in our country and asked Americans to "begin an era of national renewal."

In his inaugural address, the President said he wants to "reawaken this industrial giant, to get government back within its means and to lighten our punitive tax burden." Gains may be "measured in inches and feet, not miles," he cautioned. Yet "we will make progress," he promised.

An estimated 70,000 people watched Reagan take the oath of office at the West Front of the Capitol. He assured listeners that the U.S. will show restraint but never surrender abroad. As his first presidential act, Reagan ordered a freeze on hiring federal civilian employees.

He also signed the appointments of confirmed Cabinet members of which one is Black and one a woman (White).

Jim Cramer

Cramer announces Assignments

Assemblyman Jim Cramer, 65th Assembly District announced today his committee assignments. Cramer announced that he was not surprised at receiving an appointment to the Criminal Justice Committee. He is one of the most qualified members of the committee and is looking forward to working with Chairman Terry Goggin and the other members.

Cramer was also appointed to the Agriculture Committee, Water, Parks and Wildlife Committee and Local Government Committee. Cramer is well pleased with all assignments as he has much experience in those areas, and he is looking forward to serving his constituents to the best of his ability.

Jim's district office is located at 320 West "G" Street, Suite 104A, Ontario, California, 91762, phone is 983-9202.

Unsung Heroines to be Honored

There are outstanding women who have performed extraordinary services in their communities and have gone beyond the call of duty on many occasions. However, for some unknown reason, these women have never been recognized.

Annually the NAACP honors these "Unsung Heroines" by conferring the NAACP Women's Award to talented women throughout the nation.

Categories for which women may be nominated are: Arts and Sciences, Business, Education, Engineering, Government, Health Services, Homemaker, Housewife, Technician, Labor Union, Law, Religion, Community and Civil

Volunteer and International Affairs. Nominees for these awards must plan to attend the 1981 NAACP Women's Conference in Cincinnati, May 1-2, 1981 where the awards will be conferred.

To nominate an "Unsung Heroine" for the 1981 NAACP Women's Award, send a double-spaced, typewritten explanation of 200 words or less telling why the woman whom you have nominated should receive the award.

All entries must be postmarked by February 20, 1981 and sent to: NAACP Second Women's Conference, 131 N. Ludlow Street, Suite 260 - Talbott Tower, Dayton, Ohio 45402.

HERE'S \$6,500 YOU DON'T HAVE TO BORROW FOR COLLEGE.

Your local Army Reserve unit and the Army ROTC unit on your campus have a way for you to earn over \$6,500 during college by being in both at the same time. It's called the Simultaneous Membership Program, and don't worry, it gives you plenty of time for a full schedule of classes. For details, call your Army Representative in the Yellow Pages under "Recruiting."

MEET TODAY'S ARMY RESERVE.
