1. *n.* a series of links united; a successive series or order of things or events regarded as causally or dependently related. As, a *concatenation* of causes.
2. The condition of being *concatenated*.
3. *v.* to link together, to unite in a successive series or chain as things depending on each other; as, all the affairs of human life are *concatenated*.

-----A thick chain that pulls  
stitches in wool,  
bindings on books,  
a long row of hooks,  
a bad cold that spreads,  
a small spiders' web,  
a long line of dots,  
a connecting of thoughts,  
a good marching band,  
just friends holding hands.  
Feathers on wings,  
it's a linking of things.

And so we give you,

# BIRTH OF THE DORMS

## In the beginning...

The Village opened in September 1972. We opened with 152 residents residing in four out of the eight houses: Badger, Shandin, Arrowhead and Tokay. The Village opened with Dr. Theron Pace as Director of Housing. Chuck Dulaney, our present maintenance supervisor, started in July of 1972, before the dorms were complete.

Looking back on the origins of the house names we found that *Serrano* Village was taken from one of the early Mexican land holdings. The houses were named primarily after Indian tribes and local areas around San Bernardino: *Shandin* -Shandin Hills, *Badger* -Badger Hills, *Waterman* -Waterman Canyon, *Morongo* -Morongo Indians, *Mojave* -Mojave Desert, *Joshua* -the town of Joshua Tree, *Arrowhead* -a natural vegetation formation shaped like an arrowhead on the side of the San Bernardino Mountains, and *Tokay* -Tokay Indians.

### **The present...**

In the spring and summer of 1973 the Village pool and Village parking lot were completed.

In the winter of 1982 the Housing Office moved from Mojave 112 to a new structure adjacent to the Village pool.

The present Director of Housing is Dr. Craig Henderson. He has been Director since 1976. Melinda Taylor, our housing secretary has been with the Village since 1979. The present Assistant Director of Housing is Sherri Deutchman. She has been working with the Village since July 1981 and has proceeded four Assistant Directors.

The Village will be celebrating its tenth anniversary in September 1982.

Left to right, top row: Mohammed Qureshi; Tom Elbert (Elboat); Doug Hankins; John Browning; Ralph Ornelas (Chief); Pepe Rene Yopez; Chris Bruckner (Wally Thor); Mike (Mike) Haller; Alex Martin (Alley Cat); Thomas Linnasruith (Tom Slick); Middle row: Sameer Haddad (\$100,000); Jacin Awerado (Bugs); Lantis Bernard (Bernie); Wayne (Gretzky/Dunham Wango); baseball bat; Alex Kalemopoulos (Penguin); Bottom row: Kelley McGuire (Squid); Remus Hasse (Tio); Primo Pasillas; Kenneth Johnson; Monte Monteagre; William (Bill) Champlin.

Tokay has been a bash for a dorm. The year started, and will end on a super note...FUN. The best was the original T-shirt design that EVERYONE liked, but not enough to buy. We played hard in all sports, and still say that "there is hope...maybe next year." We are a dorm of spirit and fun and challenge anyone to have more than we did! Thank you Tokay for your utmost support, YOU ARE THE BEST!!

Welcome to Serrano Village's only all female dorm. With no men around it's nice to roam about the house freely in p.j.'s and towels. It's been a fun year with a bunch of crazy ladies. We won first prize for spirit on Halloween and had two winners on the TV game show *The Price is Right*. Constant interaction with Tokay has kept us all on our toes with house dinners, water fights, T.P.'ed rooms, and just plain old fun!!

The residents of Mojave this year shared an environment that was very academically oriented. Although we did have a lot of fun! As a house we participated in a dinner, gott-shirts, and were contentents in many intramural events. As individuals, some residents fought over sound levels while others danced through the halls to Harry Belafonte tunes!

We the residents of Morongo are proud of the activities we have developed and sponsored throughout the year. We have had a successful Christmas dance, toga dance, beach party, "Dorm Feud", the Pimp and Whore dance, and outstanding participation in Intramurals. We designed dorm T-shirts, and also received a plaque for having the most resident participation in the blood drive spring quarter. All in all, we have had a very productive year. We had our share of ups and downs and through it all, we have stood by each other and remained unified.

Left to right, top row: Rosie Greene; Richard Miles; Larry Peterson; Sonya Jackson; Lori Garcia; Kent Chambliss; Shari Kiefer; Andy Naranjo; second row: Kathleen Dantzer; Joe Saldívar; Debbie Morales; Rita Hunt; Terry Boykins; Annette Benn; Leslie Ferguson; third row: Suzie Laberge; Jennifer Mosleowitz; Casey Chandler; Kathy Kuenzel; Brent Guier; Kathy Karhu; fourth row: Denise Batley; Stacy Greene; Sandra Moten; Donna Hefflin; Annise Batley; Bryant Harris.

This 81-'82 year for Waterman has been quite different from the traditional reputation of past years. There were no orgies or opium parties and all our bon fires were restricted to Waterman cookouts. Despite the fact that we kept the "lid on", we did have a terrific time. We had a homey, close, atmosphere that was spawned from the "General Hospital" hour.

Our co-ed football team received an award for their excellent sportsmanship. We also had a successful sock-hop. I feel that the residents of Badger are by far the best in the Village.

## **a tribute to ourselves**

*We arrived excited yet bewildered:*

*looking to each other-trying to find  
the links that bind us in friendship*

*gathering at times to enjoy one another,  
and constantly making memories.*

*finding friends to share our seasons.*

*changing with those around us.*

*We remember the times spent with those  
we cared about, and those we barely knew  
...these moments are cherished.*

# Associated Students

*"Students Working for Students!"*

Associated Students involves every student on the CSCSB campus through elected student representatives and the A.S. Budget (A.S. Fee Revenue). During 1981-82, the A.S. Board of Directors continued its regular funding for the Intramural program, club activity posters and events, ESCAPE trip seed money, inter-campus library privileges, substantial assistance to *The Pawprint*, and the regular A.S. Activities programs of dances, movies, festivals, etc. Through the A.S. students are provided with representation in the California State Student Association, state-wide lobbying efforts in Sacramento and at the Chancellor's office in Long Beach.

This year, A.S. also expanded its Book Co-op, helping students sell used text books to other students; offered two performances of the National Shakespeare Company to students and the community; provided major support in bringing Dr. Roger Fouts and Dr. Wm. Glasser to San Bernardino for workshops; gave the Child Care Center a piano; began a long-term building maintenance fund for the Center; sponsored a dinner-dance for graduates with the Alumni Association; and provided a weekly Legal Aid Clinic with the help of the San Bernardino County Legal Aid Society.

A.S. works through elected and appointed students and also provides over 100 student assistant positions on campus through its various operations.
