PROFESSOR MIR S. MULLA TO LECTURE TUESDAY, FEBRUARY 22

Mir S. Mulla, Associate Professor of entomology at the University of California at Riverside will lecture on "Pesticides - Wild Life Relationships" in Room 116 at 10:30 a.m. on Tuesday, February 22.

The talk, which will be illustrated with slides, should be of particular interest as the winter quarter selection for the college reading program is Rachel Carson's Silent Spring.

Students, faculty, staff and their guests are welcome.

ESC PERSONNEL REPORT IN LIBRARY

The third annual report to the Governor and Legislature on personnel matters in the California State Colleges is now available in the college library. The report discusses the major aspects of the academic and support personnel programs in the state college system with recommendations concerning salary increases, salary structures and non-salary benefits.

TAX-SHELTERED ANNUITIES NOT AVAILABLE

Reports have reached the Association of California State College Professors office that various insurance agents throughout the State are purporting to sell faculty members in the California State Colleges "tax-sheltered annuities." All faculty members should be aware that no tax-sheltered annuities are available to them at the present time as California State College faculty.

A law authorizing the trustees to provide tax-sheltered annuities was passed by the 1965 legislature, but the Trustees have not yet taken the necessary action to put the law into effect. Proposals to do so are now being prepared by the legal counsel of the Trustees. When and if approved, such annuities will probably be authorized through a very limited number of agencies.

You will be informed through the columns of the Voice of the Faculties as soon as action is completed. Meanwhile, every faculty member should be extremely wary of any insurance salesman who offers a plan labeled, "Tax-Sheltered Annuity."

FEDCO MEMBERSHIP AVAILABLE

All State College employees are eligible for membership in Fedco, six store chain of discount stores. The stores now offer auto financing in addition to discounts of their regular stock. The membership fee is \$2.00 and applications are available in the personnel office.
