NEW OPENINGS OFFERED

NISEI IN U.S. ARMY

New and greater opportunities for Nisei men to serve in the army of the United States came to Poston today in the form of a special announcement from the War Dept. Under this directive a new group of Nisei will be eligible to join the more than 35 men who have already applied for entrance into the Military Intelligence Language School, Savage, Minn. Staff officers representing the Commandant of the School will be in Poston shortly to meet with the 35 who have already taken their examinations and new groups who are interested.

This opportunity is open to both single and married men alike.

The new regulations, as forwarded to Norris E. James, Press and Intelligence Officer by Maj. Karl T. Gould, are as follows:

1. Applicant should have at least a high school education in this country and must have a fluent command of the English language.

2. He must have an adequate command of the Japanese language, both oral and written. He should have facility use of "hira-ha-a", "kata-kana" and a good number of "kanji" normally used in written Japanese.

3. He must be physically fit for field service.

Boston Nisei men who meet this qualification will be given the opportunity of volunteering for enlistment in the United States Army.

Applicants after passing the regular Army physical examinations will be inducted and sent to the Army Language School for a further intensive training of six months, and upon completion of the course will be sent out into the field with combat troops. "The duties definitely will not be of espionage nor secret type of work," writes Maj. Gould.

"Prospective applicants and those interested should try to settle their personal affairs so as to be ready to leave Poston with the recruiting office's," reports Mr. James.

Maj. Gould, in his announcement continues: "The response to this plan for Nisei to enlist in the Army will be looked upon as the acid test of whether the requests for opportunity to enlist being made through the various Nisei publications are made in real sincerity backed up with action.

"It is the first step in re-appraising the status of Nisei under the Selective Service, and the standing and treatment to be accorded the Nisei under future changes in the Selective Service, as well as their post-war status, will depend to a great degree on the Nisei reaction to this plan."

POSTON RECREATION GROUP CHALLENGES GILA

Dr. J. W. Powell presented a challenge of the Poston Community Activities Department to the Gila Center recreational department chief, Martin Gaba, when the two men met during the three-day conference of representatives from six western projects at San Francisco recently. This was revealed yesterday on Dr. Powell's return from the meeting. A field day and conferences of the respective adult education departments was considered a possibility, although nothing concrete has been settled as yet, it was declared.

Authorities in charge of issuing permits and other officials consulted agreed that such an inter-project meeting between Gila and Poston residents could probably be arranged. And Dr. Powell proposed the holding of conferences and contests and the exchanging of exhibits among various centers.

Outside sources for funds for this community activities group were explored as one of the big problems faced by the representatives. It was pointed out that one group with funds might be contacted for financing a community hall in Poston for the use of religious groups and for socials.

Considerable interest was shown in regard to the recently held Poston County Fair, and various other centers reported on plans to sponsor similar fairs.
KANUTES LOSES ITS FIRST GALE IN POSTON III

Terry Ikuta and Shizu Aoyagi’s steady passes plus Mary Shimozono and Tomi Kitahata’s swift serves gave 28 Chickadees the winning game over Sumi Naito’s undefeated Mesquites. Coeds now remains the only undefeated team in the volleyball series, as the Esdee vs. Bommets game ended in a tie because of darkness, it was played last night for decision.

CINNAMARS MEET IN POSTON III

At the initial meeting of the Cinnamars officers for the club was elected.

Anita K. Ikeda will lead the club while other officers are Noriko Ikeda, V. Freer; Haruo Watanabe, sec.; Grace Viyi Kawamura, athletic dir.; Min Kawasaki, set.; Aina; Tots Ishida, reporter.

The constitution, which is written on a five foot scroll was presented to the club and dispersed. Various parts of the constitution needed explanation, therefore it was named for the club at Sonya, Anita.

Refreshments were served through the generosity of Les Abe, the club advisor.

A NEW WAY OF LIFE

Relocation center conditions call for a sudden change in attitude towards society, a rejection of the old scheme of “rugged individualism.” It might as well be faced right now that we are in a situation where definitely we must function more as social beings knitted into group activity and not as isolated competitive individuals.

Even in the outside world the “go-getter” and success stories of Horatio Alger had long ceased to catch the imagination of the people. Social consciousness was noticeably on the increase. For us evacuees, however, the change of evaluation, which is gradual on the outside, must come almost overnight.

It cannot be said too emphatically a way of life is over for us, and, with it, the old ways of getting ahead. The frontiersman moving into the wilderness and the captain of industry moving down his competitors do not fit into the modern scene. To complete our adjustment to center life the inconsiderate, padded-your-own-canvas (not to say dog eat dog) attitude must be replaced by cooperation and concern.

Many of us who note this tendency bewail it bitterly as likely to dim the cherished virtues of self-reliance and initiative. Perhaps it may. But, if it does, it seems foolish to mourn them unduly. A great deal of the boodle which has gone under their noble name has been anything but noble.

At any rate there is no escaping the necessity for curbing the practice of acting solely for our self interest. And in so changing we also must see other values than those of material gain or personal attachment.

HUMAN RELATIONSHIP

Perhaps it is silly to talk of ideal human relations in a time when words such dehumanizing as co-eradic, co-ed, and deep injures are committed all over the world, and yet our realization of this ideal would be particularly beneficial to the closely knit communities in which we reside.

SELF ESTEEM

If all the patient work of all the psychologists and psychiatrists has proven anything, it is that without self-esteem no one lives happily or effectively. We can manage to get along without much social recognition, but we need to think well of ourselves. Group esteem, we know, is chiefly valuable for its dramatization and strengthening of our cherished opinion that— as one evacuee put it— “in spite of our handicaps, we are useful and respectable, doing pretty well considering the lack of equipment and material and numerous other difficulties we have to overcome.”
"TSUKEMONO" INDUSTRY PLANNED

The Industry Dept., headed by TaKayoshi Karakane, declared yesterday that "since the daikon is now reaching its harvesting period," tsukemono process must be prepared to complete the planned project.

The process, which is now being individually made at each mess hall, will meet on a "larger scale," operated by the Industry Dept. The blue print calls for construction of a building 100 X 20 ft., with concrete flooring, heavy rafters, and beams. Under this roof the workers will turn out "tsukemono" in quantities for the residents, who "like them". The entire staff of the Industry is due to work on the truck crew, to help them carry home the native trees for "milding the site.

FIRST SHIPMENT OF CHAIRS ARRIVE

The initial carload of chairs—made its appearance at the local warehouse last Fri. Nov. 3. "These will be distributed equally among the four schools in Units 1, 2 and 3. It will be another several weeks before all the requisitioned chairs could be had in these schools," Dr. Miles E. Cary, Ed. head asserted. Meanwhile, students are advised to "continue bringing stools" to their classes until the supply is met.

DISPATCH SITE CHANGED FOR CARS

"The new locale for dispatching cars and trucks will be the lot east of Ad. Bldg. 1, instead of the garage where it had previously been the dispatching headquarters. All trucks must report at 5 p.m., but trucks required after 5 p.m. must receive written instructions from the Transportation Dept. at the old Hospital Annex," quoted Wm. A. Barrett, truck dispatcher.

PRESS BULLETIN

STUDENT'S CONTRIBUTE IN WAR EFFORT

Literally “killing two birds with one stone,” the whole student body of Poston III High will go out into the cotton fields early tomorrow morning to do their part in the war effort as well as raise the much needed funds for their treasury. These earnest students have been doing their share of cotton picking ever since this grave problem of labor shortage was first brought to the attention of Poston residents, with the senior, junior and sophomore classes as well as the ‘AG club having spent a day in the fields.

TWENTY SQUARE CLUB ORGANIZED

A group of “rowdies and queers” who are never invited to parties or dances and are always left out socially got into a huddle and decided it was high time that they organized a club of their own to better themselves socially and intellectually and show the general public that they are regular fellows. Today a unique club by the name of “Twenty Squares” is in existence. The club is composed of twenty members between the ages of 17-20, and is sponsored by and under the close scrutiny of the Police Department. The advisor for the organization is Kats Manaka.

BOY INJURED

Tom Sakata of Blk 317 was injured at judo practice on Sunday when he dislocated both collar bones and is recovering at the hospital in Poston I.

317 RAMS ROLL OVER 316 TROJANS 12-6

In a touch tackle game held Sunday the 317 Rams bowled over the big 316 Trojans. The Trojans outweighed the Rams considerably but the lighter Rams depending on their speed and blocking scored two touchdowns to walk off with the win.

The first score was scored by the Trojans on a long sleeper pass to M. Hashimoto from Go Shimegi. Then the Rams came back to score a touchdown when there was a mad scramble on a pass thrown in the end zone and batted out to T. Sakata's hands. The final score was made by T. Kusumoto who returned a punt and scored with some beautiful piece of running and some good blocking from his teammates.

**CONTEST RETURNS**

"CAMPUS LOG" WINS BY NGSE

The winning title for the school page is the "Campus Log" submitted by Betty Nita and Chitose Shintani of Miss Kikue Takata’s 7th and 8th period Co-re class. It has been arranged for the prize of one month’s subscription to the Press Bulletin to go directly to the class room rather than to any individual. Although the judges were snowed under with contributions the Campus Log won by a close margin. The staff wishes to thank everyone who participated in this contest and for all the entries turned in.

**STUDENTS MEET IN 210 MESS HALL TO DISCUSS COTTON PICKING**

The first student body meeting came to order Thursday, October 29, when the school principal, Mr. D. McLaren, gave an appeal to the students to work in the cotton fields.

Representatives from each class were present in order to clarify the questions of the students.

The distribution of the money earned was the main topic of discussion.

After a long discussion the students decided to go to work. All those willing to work were asked to sign up with their Core Studies teacher. Going to work was not considered compulsory. Kay Harad was elected temporary chairman of the meeting and Gene Nakamura was appointed temporary secretary by Mr. McLaren.

**KOBARA PICKS 73 POUNDS**

Among the senior cotton pickers Michi Oka Sue Eto, and Takako Yagi picked the heaviest. They picked 29, 28, and 26 pounds respectively. All the seniors picked long staple cotton.

Among the Juniors, 73 pounds of short staple was picked by Yoshimi Kobara. For the girls Kay Imai’s total was fifty-five pounds. A group of juniors picked long staple cotton June Sugidono picked the most, thirty-three pounds, breaking the senior record. All the juniors mentioned home away from home in the jeep. It was a very different and somewhat enjoyable experience.

**FLASH!**

Remember only four more days ’til Hello Day. You won’t want to miss this. Don’t forget Tuesday November 10. Identification tags will be passed out Tuesday morning in the record room. Be sure to wear yours.

Come out to the Cottonwood Bowl that night for a good time.

Tom Masanori and his orchestra will be out there, also.

A good time is planned by all. Let’s all be there.

Mr. R. Nakamura—formerly from Gilroy is now teaching the science courses. He is a graduate of the University of California-College of Pharmacy. He holds the Ph. D. degree and is a licensed pharmacist.

Mrs. Kever—formerly of Colorado is now teaching arts and craft. She is a graduate of Colorado Teachers’ College where she received her A. B. degree. She has
