Attention: Dennis G. Casebier Library

Dear Mr. Casebier,

On behalf of the Billy Holcomb Chapter of the Ancient and Honorable Order of E Clampus Vitus, I am donating the following Keepsakes to the library in Goffs. Keepsakes are the historical articles handed to ECV members at various Clamper events. We erect historical markers as a service to the public at our Clampouts and sometimes at other events.

This box of historical markers cover the desert areas of Inyo, Riverside and San Bernardino Counties in California along with some in Arizona and Nevada. Many concern the California Registered Historical Landmark plaques of the Desert Training Center California-Arizona Manuever Area (DTC-CAMA) camps of World War II.

I have enclosed a list of the Keepsakes by year for your use.

Clampatriotically Yours,

Phillip Holdaway, Archivist

I am getting ready to send some Keepsakes from some of our Clampouts to you. Do you still maintain E Clampus Vitus materials in your Special Collections?

The last contact I had with the Special Collections Department was in 2003 with Daryl Morrison. I no longer see his name listed with the Special Collections.

If you still maintain an ECV Collection I wish to make a donation to it.

Please let me know if you do and who and where to send them.

Thank you,

Phillip Holdaway

Dear Trish Richards,

I am enclosing some “Keepsake” items from the Billy Holcomb Chapter for your E Clampus Vitus section of the Special Collections.

The Keepsakes are produced for members to read some of the history in the areas of our domain. Our area of coverage is Riverside and San Bernardino Counties. We have combined efforts with other chapters at times and have plaques located in Arizona, Nevada and Utah.

In addition to providing Keepsakes for the events which we erect historical markers, we also provide them for our Vituscan 4X4 trips and our H.E.M.O.R.R.H.O.I.D. excursions. Oh... I had better let you know what the acronym means.

Dear Folks at The Holt-Atherton Special Collections department,

My name is Phillip Holdaway, a member of the Billy Holcomb Chapter of E Clampus Vitus.
The New York Times ran a story about the history of E Clampus Vitus, a nearly 200-year-old club for California history fanatics who also like to drink. Pacific archivist Michael Wurtz was quoted in the story talking about how Pacific has helped preserve some of the earliest papers of the group for historical and research purposes.

The story can be read online here: http://www.nytimes.com/2008/10/14/us/14california.html?_r=1&oref=slogin

this following site lists some ECV books but not “collections.”

this contains stuff written by authors that were Clampers

I copied this info from Sep 15, 2003:

Biog./Hist. Note
Fraternal organization founded during California Gold Rush (1852) to poke fun at more solemn fraternal orders of times. Revived by Carl Wheat and Ezra Dane to bring an element of fun into appreciation of history and to provide support for historical projects and celebration of historical events (1931). Grand Council established official archives of E Clampus Vitus at California Historical Society (ca. 1961), but space was limited there and with aid of historian/Clamper Richard Coke Wood, E Clampus Vitus later moved archives to University of the Pacific (1976)
