“The Book and Beyond: Celebrating 35 Years of Library Services”

Transcript

00:00:16:04 - 00:00:17:15

First of all, I want and.

00:00:17:15 - 00:00:21:01

I want you to know that only Paul Green
and I took note

00:00:21:09 - 00:00:25:24

of the Unwritten message, and that was
it was kind of a bowtie night.

00:00:26:04 - 00:00:28:22

We figured John
Pfau might be wearing a bowtie.

00:00:30:09 - 00:00:33:18

So I congratulate Paul Green

00:00:33:19 - 00:00:36:17

for figuring out that mystery

00:00:37:21 - 00:00:38:04

I want to

00:00:38:04 - 00:00:41:11

welcome all of you to our campus
at Cal State, San Bernardino.

00:00:41:20 - 00:00:44:22

I think for some of you, it's been a while
since you've been here.

00:00:45:06 - 00:00:49:23

And I want to just tell you how happy
I think so many of us are to see you here,

00:00:49:23 - 00:00:53:27

this evening. It really is a great night
to see so many familiar faces

00:00:54:12 - 00:00:57:26
on our campus, back on
our campus, still on our campus.

00:00:57:28 - 00:01:01:11
It really is a real honor
for us to have all of you here

00:01:03:18 - 00:01:07:24
Let me take just a moment to tell you who I am and to introduce myself.

00:01:09:03 - 00:01:10:27
My name is William Aguilar.

00:01:10:27 - 00:01:15:16
I'm the vice president of information,
resources and technology on the campus.

00:01:15:25 - 00:01:18:26
And if that sounds like a mouthful,
just think of it as we do.

00:01:18:27 - 00:01:22:03
It's division
and the acronym is DIRT

00:01:24:26 - 00:01:30:00
I served as the university librarian
from 1989

00:01:30:00 - 00:01:35:04
until up till this role took the job away
from the attacks of 1993.

00:01:35:16 - 00:01:37:09
So what she took the job away from me.

00:01:37:09 - 00:01:40:09
I have to find something else to do and

00:01:41:11 - 00:01:46:20
while currently in my present
position, I'm still responsible

00:01:46:20 - 00:01:48:21

for some of the activities
of the libraries.

00:01:49:27 - 00:01:52:02

I think fundamentally for me

00:01:52:02 - 00:01:55:20

it is with libraries
that my heart really lies.

00:01:57:02 - 00:02:01:17

I thought I would take a couple of moments
to lay out the program for you this evening

00:02:01:17 - 00:02:04:08

We started off with a little bit of wine

00:02:05:15 - 00:02:08:24

that's going to be followed by
a little food there are salads on your

00:02:09:09 - 00:02:12:11

to your table that you're
that you're setting and feel free to

00:02:14:00 - 00:02:16:13

have some salad so it's a little food.

00:02:17:00 - 00:02:21:13

So we followed by a little bit
of conversation a little bit of talking.

00:02:21:23 - 00:02:23:28

Did I mention the wine

00:02:25:20 - 00:02:28:19

there's a couple of bottles at your table

00:02:28:19 - 00:02:32:17

Well,
I'll be introducing a variety of people.

00:02:33:09 - 00:02:37:18

Or in the case of Marty Crewburg, "Unintelligible"

00:02:38:26 - 00:02:46:00

and I want to take a moment if I might to just sort of set the stage
as to why we're here this evening.

00:02:46:19 - 00:02:49:10

Our university slogan for this event is

00:02:49:12 - 00:02:52:13

celebrating our past
and creating our future.

00:02:53:08 - 00:02:58:08

And that pretty much distinctly
sums up the reason for today's event.

00:02:59:15 - 00:03:01:22

We're here to celebrate.

00:03:01:22 - 00:03:07:07

We are celebrating the positive work
which has been achieved by really

00:03:07:07 - 00:03:11:04

a multiplicity of people
over a protracted period of time.

00:03:11:20 - 00:03:15:23

So celebration of this is truly one of the reasons why we are here this evening.

00:03:17:06 - 00:03:20:03

And we're also here to acknowledge

00:03:21:07 - 00:03:23:27

and we want to acknowledge
that which has been achieved

00:03:24:16 - 00:03:28:15

The library began on an off campus site.

00:03:29:03 - 00:03:31:15

Art Nelson is a father of fact.

00:03:31:15 - 00:03:34:05

He took me out to the site of Lugo Street

00:03:35:13 - 00:03:39:27
and it was it was a solid
it was the development of our library

00:03:39:28 - 00:03:42:26
in conjunction
with the library for Dominguez Hills.

00:03:43:26 - 00:03:53:00
When we opened our doors on the campus,
we had a collection of about 50,000 volumes
and we serve 300 students.

00:03:53:26 - 00:03:57:28
Today we have a collection
of about 680,000 volumes,

00:03:58:24 - 00:04:01:27
but 8000 journals, both print and online,

00:04:02:24 - 00:04:07:17
and we serve 15,000 students
both on campus and off campus.

00:04:09:18 - 00:04:16:25
So we are here to underscore the Importance of the work which Commenced 35 years
ago.

00:04:16:26 - 00:04:25:00
The concepts that many of you created for us. The principles, presidents
which you established

00:04:25:00 - 00:04:27:09
have guided us throughout these years,

00:04:28:05 - 00:04:30:17
and the foundation which was laid for us,

00:04:31:10 - 00:04:34:16
has helped really illuminate our way

00:04:35:14 - 00:04:39:08
for, and our bad ways,
for the last 35 years.

00:04:39:10 - 00:04:43:09

So we are very appreciative
for those efforts

00:04:43:24 - 00:04:46:12
that have helped
so many of us on this campus.

00:04:48:22 - 00:04:51:17
But we are also here to create our future.

00:04:52:17 - 00:04:56:11
We are here to help address
and to help underwrite

00:04:56:11 - 00:04:59:01
those extremely worthwhile activities

00:04:59:16 - 00:05:02:25
which were started by many of you.

00:05:02:25 - 00:05:04:26
We are here to continue that legacy.

00:05:06:01 - 00:05:10:14
This event is the kickoff of a two year program to support the found

00:05:10:24 - 00:05:12:10
book in Thalamen

00:05:12:11 - 00:05:15:12
It is the inaugural event of the campus

00:05:15:12 - 00:05:18:29
was your long
35th anniversary celebration.

00:05:20:00 - 00:05:20:21
Our goal is

00:05:20:21 - 00:05:23:26
to raise
\$15,000 to help with this endowment

00:05:25:14 - 00:05:26:29
and so with your help

00:05:26:29 - 00:05:28:29

I'm sure
we will be able to reach this goal.

00:05:30:23 - 00:05:33:12

There are some programs at your table
that I trust

00:05:33:12 - 00:05:36:06

that you'll be able
to browse through those

00:05:37:16 - 00:05:38:13

at this time.

00:05:38:13 - 00:05:44:17

It gives me a great pleasure to introduce
the president of Cal State San bernardino, Elven Kanye (probably not his name)

00:05:45:18 - 00:05:47:26

who would like to add his own words of
welcome.

00:05:48:18 - 00:05:51:07

He has completed his third year
anniversary

00:05:52:02 - 00:05:55:10

and I think it's decided to keep us

00:05:55:27 - 00:05:56:25

he's come to us

00:05:56:25 - 00:06:00:28

most recently from the University
of Wyoming for its surplus promos

00:06:01:07 - 00:06:04:06

I also want to introduce his lovely wife
Marilyn kanye.

00:06:17:01 - 00:06:18:03

Thank you very much.

00:06:18:03 - 00:06:22:02

It really is an enourmous pleasure for me

00:06:22:18 - 00:06:25:03
to see so many people out here

00:06:25:16 - 00:06:29:06
to help us
celebrate turned out to be exceptional.

00:06:29:06 - 00:06:33:16
And what we celebrate
is really quite extraordinary as well.

00:06:34:20 - 00:06:37:09
This past year, university

00:06:38:02 - 00:06:40:12
established a number of records

00:06:41:18 - 00:06:43:26
for enrollment for budget

00:06:44:04 - 00:06:47:08
for covering activities, or fundraising,

00:06:47:24 - 00:06:52:04
or grants and contracts
that apparently of different kinds of.

00:06:52:04 - 00:06:56:07
Things of those records, those milestones

00:06:56:16 - 00:06:59:19
really have groups that race themselves

00:07:00:29 - 00:07:03:02
to, in some ways

00:07:03:17 - 00:07:06:25
the founding class of the university,

00:07:07:04 - 00:07:09:18
the very founders of the institution.

00:07:09:29 - 00:07:12:13
Of President John Pfau

00:07:12:16 - 00:07:16:24
his wife and three,
and the numerous faculty

00:07:17:14 - 00:07:21:15
and staff and Shirley librarians
who were recruited

00:07:23:02 - 00:07:26:13
at first, strong individuals

00:07:26:22 - 00:07:30:10
who formulated the initial set
of library programs.

00:07:30:27 - 00:07:33:16
Part of this beautiful campus,
had a fellowship

00:07:33:16 - 00:07:36:10
and created and built.

00:07:36:28 - 00:07:40:10
The new set of facilities, including
what is now.

00:07:40:10 - 00:07:42:10
Called the Pfau Library.

00:07:42:10 - 00:07:45:20
While the library itself
actually yeah, like you wrote.

00:07:46:17 - 00:07:47:21
In 1962.

00:07:47:21 - 00:07:52:08
In fact I was John Pfau was chosen
to head what was then called the Mouthful

00:07:53:08 - 00:08:00:27
of the San Bernardino, Riverside, California State College.

00:08:01:19 - 00:08:05:23
And so what we have now can get tounge twisting

00:08:05:27 - 00:08:08:11

was that one person
and I think even worse.

00:08:09:09 - 00:08:11:24

In 1963 at forward

00:08:11:24 - 00:08:14:15

after the selection of Arthur Nelson

00:08:15:08 - 00:08:19:12

the new library
director momentum began to accelerate

00:08:19:16 - 00:08:22:08

had a vision of a great university
for the mission.

00:08:23:10 - 00:08:27:15

As you read in the program
with the librarian, Nelson's choice

00:08:27:25 - 00:08:31:23

of a leather bound edition of the Oxford
English Dictionary

00:08:32:16 - 00:08:34:19

has the kick off.

00:08:35:19 - 00:08:37:10

It seems to me that as full.

00:08:37:10 - 00:08:39:17

And flawless as the choice,

00:08:39:29 - 00:08:41:20

pretty safe choice

00:08:42:24 - 00:08:43:25

now with the selection

00:08:43:25 - 00:08:46:28

has really what you are suggesting
approaching

00:08:48:07 - 00:08:53:00

the 700. Thousand volume details
and I'm all periodicals.

00:08:53:22 - 00:08:57:02
being named a federal government
depository.

00:08:57:14 - 00:09:01:07
Of the Pfau Library
after the new millennium

00:09:02:05 - 00:09:02:18
the main

00:09:02:18 - 00:09:06:05
library building was commissioned in 1964

00:09:06:13 - 00:09:11:13
and the first time I see the first lady
because there supposed to be a setting

00:09:11:13 - 00:09:15:08
in which all things that apply

00:09:15:08 - 00:09:17:12
first one was all in 1994

00:09:17:28 - 00:09:21:07
winning an award
for innovative design and construction.

00:09:21:22 - 00:09:27:01
Well the library here at Cal State,

00:09:27:08 - 00:09:29:15
San Bernardino and elsewhere.

00:09:30:22 - 00:09:34:10
Literally known
as the soul of the university

00:09:35:03 - 00:09:37:03
great library serves

00:09:38:06 - 00:09:40:20
as the collective memory

00:09:40:20 - 00:09:44:11
for a range of different phenomena

00:09:45:03 - 00:09:49:09
from one side to record of happiness

00:09:49:10 - 00:09:52:00
and our civilization on

00:09:52:20 - 00:09:55:05
down to a more modest level in

00:09:56:12 - 00:09:57:13
nature

00:09:58:07 - 00:09:59:18
and. Literature.

00:09:59:19 - 00:10:03:08
And then finally at the micro level
to end the visual

00:10:04:02 - 00:10:08:13
contributions
to myriad different kinds of outcomes.

00:10:08:21 - 00:10:13:14
In our case, including this region,
including this university

00:10:14:01 - 00:10:17:28
and there are ways in which the librarians
at this institution

00:10:18:08 - 00:10:20:27
have thoughtfully constructed

00:10:21:19 - 00:10:25:15
a collection
that have great utility and value.

00:10:25:15 - 00:10:29:19
For example, there's a whole collection
of water related behaviors,

00:10:30:00 - 00:10:32:23
which is very much interconnected
with the new

00:10:33:02 - 00:10:36:00
and well received Water Resources
Institute,

00:10:36:17 - 00:10:39:01
whole librarians Johnny Amal

00:10:39:14 - 00:10:42:21
and William Rocky Laura,
who very, very wisely

00:10:43:10 - 00:10:47:06
was elevated
by the president to the governors to

00:10:48:08 - 00:10:50:20
a third position.

00:10:51:02 - 00:10:51:27
As I say,

00:10:52:20 - 00:10:55:00
because he was most at play in the good

00:10:57:02 - 00:10:59:24
as well as their predecessors

00:11:00:00 - 00:11:02:17
and their successors as well

00:11:03:14 - 00:11:06:20
will have amassed an enormously.

00:11:06:28 - 00:11:10:17
Valuable local history
materials, for example,

00:11:11:03 - 00:11:16:01
citrus packaging labels and memorabilia
surrounding the citrus industry.

00:11:16:13 - 00:11:20:03

Holiday collections on juvenile literature.

00:11:20:11 - 00:11:27:19

The Holocaust, Mystery Writers, World War Two, Japanese-American relocation camps,

00:11:28:12 - 00:11:30:22

and of course, university archives

00:11:31:11 - 00:11:35:05

the Pfau library has been celebrated in

00:11:36:15 - 00:11:39:18

1990 when there was a gala

00:11:39:18 - 00:11:42:23

and around the 500,000 body

00:11:43:10 - 00:11:46:26

of the year at the library

and that was accompanied

00:11:47:11 - 00:11:52:02

by a visit by acclaimed poet Maya Angelou.

00:11:53:02 - 00:11:55:19

Tonight

we're celebrating another milestone

00:11:55:19 - 00:12:00:12

American Life's milestone,

the 35th anniversary of the University.

00:12:05:05 - 00:12:09:05

that will receive money

from this event and from.

00:12:09:05 - 00:12:13:29

Other contributions that you might.

00:12:14:17 - 00:12:15:27

You could,

00:12:16:27 - 00:12:19:16

you should you will make

00:12:20:08 - 00:12:26:16
Will be, in a way the same the state
of the art legacy for future generations

00:12:26:16 - 00:12:31:19
and helping to support the centerpiece
of the University that is the library

00:12:32:10 - 00:12:36:02
where there are many celebrating courses.

00:12:36:18 - 00:12:38:18
I want to thank you for supporting more

00:12:39:04 - 00:12:42:28
of the extraordinary librarian
as well as the library.

00:12:42:28 - 00:12:44:29
You that it would be interesting for me.

00:12:45:11 - 00:12:47:12
Oh, what would you use in the parade?

00:12:47:12 - 00:12:52:08
And if you are all of present current

00:12:52:29 - 00:12:55:20
employees of the library, staff member.

00:12:56:07 - 00:12:58:24
faculty member.

00:12:59:24 - 00:13:02:02
Just hold them up and up and hold him up.

00:13:02:14 - 00:13:04:16
And how many of you perform

00:13:06:03 - 00:13:08:26
well because other staff back
in this last year.

00:13:09:26 - 00:13:13:03
Well, I just want to applaud each of you
for what

00:13:13:03 - 00:13:16:23
you've contributed to, what's become
an excellent it's quite extraordinary.

00:13:26:17 - 00:13:29:06
So we give them our praise.

00:13:30:04 - 00:13:33:11
Celebrate the legacy left by,

00:13:34:26 - 00:13:39:09
once again to increase the many librarian.

00:13:40:05 - 00:13:43:29
Of our staff members
and the library itself.

00:13:44:20 - 00:13:48:26
Which has become
the very core of the campus.

00:13:49:11 - 00:13:54:11
I want to congratulate all of you
for what you've given to this university.

00:13:54:28 - 00:14:00:17
I want in particular,
I want to highlight the contributions

00:14:00:28 - 00:14:03:25
that were made
by those of you who helped plan

00:14:04:17 - 00:14:06:29
for this remarkable institution

00:14:07:12 - 00:14:10:03
that was served during those days.

00:14:10:03 - 00:14:15:18
The fledgling formative years
and gave it a trajectory,

00:14:16:05 - 00:14:18:20
gave the institution a trajectory

00:14:18:20 - 00:14:21:25
that was very high and very long.

00:14:22:17 - 00:14:24:07
Thank you very much.

00:14:27:04 - 00:14:29:14
Have any number of guests in our.

00:14:29:14 - 00:14:31:04
Audience tonight.

00:14:31:04 - 00:14:33:11
And I want to take a few moments

00:14:33:11 - 00:14:36:10
throughout the course of the evening
to introduce some of our guests

00:14:37:00 - 00:14:39:14
and some of those
I would like to recognize now

00:14:39:17 - 00:14:43:12
and others will be acknowledged
as we move forward with our program

00:14:44:11 - 00:14:46:12
first of all, it would put

00:14:46:15 - 00:14:49:16
a lot of self space to begin introductions
with my wife, Becky,

00:14:49:17 - 00:14:50:16
my clerk

00:14:56:14 - 00:14:59:13
we will be hearing from John Pfau.

00:14:59:14 - 00:15:09:25
I want to take a moment
to introduce his wife.

00:15:09:25 - 00:15:12:14

Anthony Evans, president emeritus of.

00:15:19:16 - 00:15:23:08

Let me just say a word,
if I may, about President Evans

00:15:24:17 - 00:15:27:04

besides a lot of the work
that we did in terms

00:15:27:04 - 00:15:30:26

of bringing our lives
major library additions to this campus.

00:15:31:07 - 00:15:34:19

And as you walk through this library,
although those that have

00:15:35:18 - 00:15:40:02

some of the capacity that we now
have as a result of that addition.

00:15:40:03 - 00:15:42:10

And so I want to thank him
for all of his hard work.

00:15:42:10 - 00:15:45:12

He's working
that this new addition to our building

00:15:45:21 - 00:15:49:02

and also for helping us introduce
a lot of the technology

00:15:49:02 - 00:15:50:26

that we've been able to add
to our library.

00:15:50:26 - 00:15:52:23

So, President Evans, thank you for that

00:15:58:07 - 00:16:01:24

representing the mayor's office is Velma press.

00:16:07:18 - 00:16:10:29

and studio representatives,

00:16:11:01 - 00:16:13:13
Assemblyman Locke, Bill

00:16:19:14 - 00:16:22:04
I also want to recognize

00:16:22:04 - 00:16:24:11
our library associates board members.

00:16:25:04 - 00:16:28:23
Some of you may know that our Library
Associates Board is composed of

00:16:29:05 - 00:16:30:28
lots of different folks
from the community,

00:16:30:28 - 00:16:33:16
and we've got quite a few of them
in attendance here this evening.

00:16:33:24 - 00:16:37:28
So I want to ask both to present
the past members of our library associates

00:16:37:28 - 00:16:39:18
or please staff

00:16:49:19 - 00:16:59:04
as President Carter had indicated, Mr. Nelson is here with us with this evening,
the founding director of the Pfau Library. Hart?

00:17:17:09 - 00:17:21:12
is this man and the next man
that I would like to introduce that set

00:17:21:13 - 00:17:23:08
so many of the presidents that I referred

00:17:23:08 - 00:17:26:06
to a little bit earlier in place
for our library.

00:17:27:01 - 00:17:28:06
Also, Mr.

00:17:28:06 - 00:17:30:26
Martin Bloomberg, he just passed such a.

00:17:40:03 - 00:17:43:01
I mean.

00:17:43:14 - 00:17:46:03
The faculty Senate Library
Committee members,

00:17:46:03 - 00:17:49:10
both those that present and past,
if I might ask them to stand

00:17:49:10 - 00:17:50:03
as well,

00:17:59:01 - 00:18:00:21
our legislative branch passed

00:18:00:21 - 00:18:03:29
was chair of the original Bill
Library Committee

00:18:06:00 - 00:18:08:20
there's one other individual
that I like to recognize,

00:18:08:29 - 00:18:11:25
someone that has provided
a lot of years of service

00:18:11:25 - 00:18:15:00
to our library administration.

00:18:15:00 - 00:18:17:14
And to me in particular,

00:18:17:14 - 00:18:20:16
this is a very loyal audience
for the bachelor's parts of my office.

00:18:20:16 - 00:18:23:12
And to me, let me ask for the steps
to be recognized as well.

00:18:31:21 - 00:18:33:04
We also have in the audience

00:18:33:04 - 00:18:36:12
with us this evening
numerous vice presidents and deans

00:18:36:13 - 00:18:39:08
And so I'd like to start with the Provost
Fernandez

00:18:39:22 - 00:18:41:29
and his wife, also chair.

00:18:42:21 - 00:18:46:14
She's the director of our International
Student Services Progress Reports

00:18:46:16 - 00:18:48:04
International Institute, both

00:18:54:17 - 00:18:56:09
Dr. Franklin Coleman,

00:18:56:09 - 00:19:04:22
our vice president for student and Dr.

00:19:04:22 - 00:19:08:17
John Connolly, dean of the College
of Social and Behavioral Sciences.

00:19:10:24 - 00:19:14:07
And I was responsible.

00:19:14:07 - 00:19:17:11
For that big hole in the ground that
you'll see as you walk through the campus

00:19:19:22 - 00:19:21:05
Dr. Patricia Arlington,

00:19:21:05 - 00:19:32:15
the College of Education, Dr. John Frank,
Dean of the College of Natural Sciences,

00:19:38:11 - 00:19:40:12
and Dr. Ellie. Yes, sure.

00:19:40:12 - 00:19:43:02
Are you asking, do you know
the College of Arts and Letters

00:19:48:19 - 00:19:50:11
I was introducing

00:19:50:11 - 00:19:52:10
the other folks
a little later in the program,

00:19:52:10 - 00:19:55:18
but at this point, I want to give you
the opportunity to have some dinner.

00:19:55:18 - 00:19:57:23
So I'll be back to the podium
in a few moments.

00:20:03:12 - 00:20:06:13
There's still a few other introductions
that I'd like to make,

00:20:06:13 - 00:20:10:17
and I'd like to begin by introducing
a supervisor, Dennis Hansberger.

00:20:17:15 - 00:20:19:18
Thanks for joining the supervisor.

00:20:21:00 - 00:20:23:01
As many of you know, a few years ago,

00:20:23:01 - 00:20:28:18
we undertook a library campaign
to raise some funds for our library.

00:20:29:05 - 00:20:32:13
And I'd like to recognize
those individuals that are present here

00:20:32:13 - 00:20:35:23
this evening for lack of access

to that campaign

00:20:36:15 - 00:20:40:25
that represents a contribution of \$15,000
or more.

00:20:41:20 - 00:20:47:24
And I have dealt with ah, Anna Jane and Hert Andrews

00:20:54:22 - 00:20:57:06
Anna Jane and Hert has contributed

00:20:57:06 - 00:21:02:03
a trust to the university library
and the access of \$200,000.

00:21:02:15 - 00:21:03:15
We really appreciate.

00:21:03:15 - 00:21:04:23
The contribution

00:21:10:02 - 00:21:11:25
I also want to introduce.

00:21:11:25 - 00:21:16:15
Bill blevens,
who was our chair of our income committee.

00:21:22:13 - 00:21:24:02
Gates, Susan.

00:21:24:14 - 00:21:26:27
Doctors Ernie and Johnny Garcia

00:21:34:03 - 00:21:35:27
I think as most of you know,

00:21:35:27 - 00:21:39:05
early last year was the dean of
our College of education and

00:21:40:14 - 00:21:41:03
also Dr.

00:21:41:03 - 00:21:43:20

Kent Schofield, the

00:21:51:27 - 00:21:55:15
at this point in our program,
we have a video that we want to share

00:21:55:15 - 00:22:01:04
with you, and it's a video that celebrates
the 35 years of library service.

00:22:01:27 - 00:22:05:16
And let me just say a couple of words
about this video.

00:22:05:27 - 00:22:09:21
This video was put together by Sherry
Cottrell.

00:22:10:01 - 00:22:11:25
Sherry is a student.

00:22:11:25 - 00:22:14:02
She's a senior majoring in communications.

00:22:14:09 - 00:22:15:17
Sherry will

00:22:16:29 - 00:22:17:18
step.

00:22:22:09 - 00:22:23:15
We have been.

00:22:23:15 - 00:22:26:06
Working on this project
much of the summer.

00:22:26:06 - 00:22:28:10
She knows she now knows more.

00:22:28:10 - 00:22:31:05
Library history
that she ever wanted to know.

00:22:32:05 - 00:22:36:02
Also working with her, Mr. Dan Mosley. Dan is a multimedia

00:22:36:02 - 00:22:39:17
specialist, photographer
and academic computing and media.

00:22:40:01 - 00:22:42:19
And where are you from?

00:22:43:18 - 00:22:49:29
And so we wanted to share this video
with you.

00:22:49:29 - 00:22:54:12
It's 4 minutes and 18 Seconds long so its

00:27:15:29 - 00:27:17:10
Memory lane.

00:27:17:19 - 00:27:20:12
But is there something

00:27:20:12 - 00:27:23:08
again I want to thank for Sherry Cantrell

00:27:38:02 - 00:27:39:06
At this point in time,

00:27:39:06 - 00:27:44:09
I like to introduce the university
library of this charming

00:27:44:09 - 00:27:47:16
and well he's going to introduce
our keynote speaker.

00:27:48:13 - 00:27:51:18
I think most of you know this, Jody,
and well, she's one of the most

00:27:52:20 - 00:27:53:16
how do I say this?

00:27:53:16 - 00:27:56:07
One of the most everyday people
I know. She

00:27:58:08 - 00:28:00:13
she is one of the most analytical,

00:28:00:13 - 00:28:03:22
one of the most observant people
I've come across. And

00:28:05:02 - 00:28:06:21
she's trained as a historian.

00:28:06:21 - 00:28:09:22
And I think most of you know
that historians who are taught to be

00:28:10:07 - 00:28:12:25
very cognizant
of all the things around them.

00:28:13:14 - 00:28:17:17
And to give you an example
of her powers of observation,

00:28:18:04 - 00:28:22:25
I think many of you that know me
know that I, I still use a fountain pen.

00:28:23:12 - 00:28:27:11
And it's kind of a juxtaposition,
given that you're a head of technology

00:28:27:11 - 00:28:30:02
and I still use a fountain pen
and I don't know what that says,

00:28:31:09 - 00:28:33:23
but I was sitting
at my desk writing with a fountain pen

00:28:34:09 - 00:28:36:15
and this well, certainly

00:28:37:07 - 00:28:39:08
does it writing a little

00:28:39:24 - 00:28:41:06
and I said it.

00:28:41:06 - 00:28:44:21
Just going to let up.

00:28:45:11 - 00:28:48:15
And that, I think, reflects
some of the demonstration

00:28:48:17 - 00:28:50:10
glasses as well.

00:29:04:08 - 00:29:05:20
And you see.

00:29:05:20 - 00:29:08:18
I haven't received my merit
pay this year yet.

00:29:11:14 - 00:29:16:09
But I'll give you the Q version
that you get here three weeks march.

00:29:16:09 - 00:29:20:22
And I was still being nice to a little sit
in and I'm sitting in his office

00:29:20:22 - 00:29:24:19
and it's a big fat fit fountain
and I say, that's it.

00:29:24:21 - 00:29:28:01
I read one of the truly dumbest things
I said,

00:29:28:11 - 00:29:30:22
and he looked at me and said,
If you put that in

00:29:32:22 - 00:29:35:11
and he will pay,
but not until I see the merit

00:29:37:13 - 00:29:40:29
I too would like to extend my welcome
to each and every one of you

00:29:40:29 - 00:29:44:05
for attending
and for contributing to the Book Fund.

00:29:45:00 - 00:29:48:25
It means a lot to us in the library
and I'm very personal.

00:29:49:05 - 00:29:53:18
It nice to see such a sense of community,
so I ask you to give yourself.

00:29:53:18 - 00:29:55:19
A bath and apply

00:30:00:14 - 00:30:01:09
let's take a.

00:30:01:09 - 00:30:02:26
Little walk down memory lane.

00:30:02:26 - 00:30:05:02
So indulge me, please.

00:30:05:02 - 00:30:09:28
It's been my privilege to have worked
in the library for 30 of 35 years.

00:30:09:28 - 00:30:11:15
We're celebrating.

00:30:11:15 - 00:30:13:00
And I hope

00:30:17:13 - 00:30:20:17
Share with you
my first meeting with John Powell

00:30:21:09 - 00:30:23:15
and ask you as we are doing this

00:30:24:16 - 00:30:26:22
as you think about your first time reading

00:30:26:22 - 00:30:28:24
and what an occasion

when you were a student

00:30:30:14 - 00:30:33:17
it was on September 14th, 1970

00:30:34:04 - 00:30:37:20
I had just graduated my high school
at the University of Kentucky.

00:30:38:06 - 00:30:42:21
I had gone to UC Riverside for a mass
with a bachelor's degree in history.

00:30:42:21 - 00:30:47:03
As we mentioned and I didn't have to
look on the map to find it.

00:30:47:03 - 00:30:50:09
John came I, I out that UC Riverside
tell me about the job

00:30:50:21 - 00:30:53:11
and I had to look on a map
to find out things that were do

00:30:53:11 - 00:30:57:26
you have to do first interview,
the second interview on September 14th.

00:30:57:26 - 00:30:58:23
I knew how to get here.

00:31:00:06 - 00:31:02:23
It was hot, it was smoggy.

00:31:03:03 - 00:31:05:08
Ah, and I sat on the bench.

00:31:05:08 - 00:31:06:22
That's still where I was.

00:31:06:22 - 00:31:11:11
I felt it and we discussed
government documents and I was invited

00:31:11:11 - 00:31:15:13

to come full circle I didn't go
and grow up wanting to be a librarian.

00:31:15:14 - 00:31:18:24
I went to library school to get a job,
and I didn't know a thing about libraries.

00:31:18:24 - 00:31:20:19
I was going to go to depository

00:31:20:19 - 00:31:23:22
so that I really could talk to art
about this government documents.

00:31:24:07 - 00:31:26:21
So last year became a depository

00:31:26:24 - 00:31:30:08
after our many efforts
to get us designated.

00:31:30:08 - 00:31:33:12
So I called John the entertainer up
and I said, Guess what?

00:31:33:12 - 00:31:35:18
We finally did it. It was 29 years.

00:31:36:24 - 00:31:41:04
Our guys sat for about 20 minutes
and we discussed these documents

00:31:41:04 - 00:31:43:15
until we didn't know what else
to talk about promptly.

00:31:43:15 - 00:31:46:12
At 2:00
I was actually into the President's

00:31:46:12 - 00:31:50:11
office, which serves
also as President Evans, President Carter

00:31:52:09 - 00:31:55:03
I have

absolutely no memory of that interview,

00:31:55:15 - 00:31:58:17
but I can tell you that I was £35.

00:31:58:17 - 00:31:59:14
Lighter

00:32:00:06 - 00:32:03:06
on hair or an orange mini skirt.

00:32:03:12 - 00:32:07:13
I can type all those details,
not the anything except.

00:32:07:26 - 00:32:10:05
This time with my toes.

00:32:10:05 - 00:32:12:24
The first encounter was the bow tie don

00:32:13:08 - 00:32:17:22
across the desk from me
and our contact that I remember.

00:32:17:22 - 00:32:21:01
And I come back to the bow
tie in a minute.

00:32:21:01 - 00:32:22:14
So we had the interview.

00:32:22:14 - 00:32:26:28
I went home and on September 16th
I received a letter

00:32:26:28 - 00:32:30:18
and on September 15th and John
I still have my letter

00:32:32:18 - 00:32:33:25
and I'll just read your part

00:32:33:25 - 00:32:35:29
to show you
how really long I've been here.

00:32:37:01 - 00:32:39:24
The position I'm able to offer you
is that of librarian

00:32:39:24 - 00:32:44:17
two, step
one at the salary of 30, 80, \$328.

00:32:44:17 - 00:32:48:07
You know, I did the math last night
watching the Olympics

00:32:48:22 - 00:32:54:13
that \$694, if not \$486 was take home pay.

00:32:54:24 - 00:32:57:07
And I thought I have a lot of money down

00:32:58:17 - 00:32:59:09
the ladder now.

00:32:59:09 - 00:33:01:01
So show me that I.

00:33:01:01 - 00:33:03:13
Wouldn't start to January 1st.

00:33:03:13 - 00:33:05:22
Those of you who remember our savings,

00:33:06:08 - 00:33:09:23
my first introduction to the budget
for the CSU, which I owned that

00:33:10:14 - 00:33:14:21
I was six months salary statement,
so I started January 2nd.

00:33:15:00 - 00:33:17:23
My first official day of work
was the holiday

00:33:19:27 - 00:33:20:19
time.

00:33:20:19 - 00:33:23:02

This proved to be a tip of the letter
in my life.

00:33:23:23 - 00:33:27:12

It's given me a career, experiences,
friendships.

00:33:28:04 - 00:33:31:27

I construction experiences which around

00:33:34:16 - 00:33:38:07

I won't even go
to the side of the question,

00:33:38:07 - 00:33:41:15

but I want to thank you
for the opportunity, quite sincerely, for

00:33:42:15 - 00:33:45:10

the work of the library,
for the support for the

00:33:46:14 - 00:33:48:14

Mentoring Arts Alliance.

00:33:48:28 - 00:33:52:23

I mean, for many years
William and I shared

00:33:52:23 - 00:33:56:19

construction and technology together
is introducing it

00:33:56:20 - 00:34:01:16

to every one of those floors,
or I can justify drilling through them.

00:34:01:27 - 00:34:05:24

When you try to do
the first introductions of technology,

00:34:06:07 - 00:34:09:01

it's been my pleasure
and it's been my privilege

00:34:09:01 - 00:34:14:12
to have worked in the library
and to see all this time come through

00:34:15:13 - 00:34:18:25
the relationships, the friendships,
the contributions I helped

00:34:18:25 - 00:34:22:14
with students and our community legacy
that we owe to John

00:34:22:26 - 00:34:26:13
and it would be at this time
with great admiration and affection.

00:34:26:25 - 00:34:30:18
They introduce John Mark.

00:34:52:24 - 00:34:54:14
president kanye

00:34:55:14 - 00:34:57:06
Johnny Pfau

00:34:57:20 - 00:34:59:03
have more

00:34:59:21 - 00:35:01:22
friends of the library.

00:35:04:06 - 00:35:05:26
Entry and I are.

00:35:05:26 - 00:35:10:24
Absolutely delighted and well,
imagine being part of this very fine.

00:35:10:25 - 00:35:15:06
OK, to see so many of our old friends

00:35:17:07 - 00:35:20:00
that's what's been covered in any way.

00:35:23:21 - 00:35:26:09
We bring you three news tonight

00:35:27:17 - 00:35:30:24
from the world famous

00:35:30:24 - 00:35:32:03
Napa. Valley.

00:35:32:03 - 00:35:34:13
Land of vineyards and earthquakes

00:35:38:06 - 00:35:39:24
I have to say something.

00:35:39:24 - 00:35:42:28
I can't resist the reason.

00:35:43:04 - 00:35:44:08
And I.

00:35:44:08 - 00:35:46:29
Look like snow here

00:35:46:29 - 00:35:49:22
just waiting to receive three separate
phone calls.

00:35:50:29 - 00:35:53:13
Each one a buddy meteorologist.

00:35:54:01 - 00:35:57:07
Yes, people said it's hot.

00:35:57:17 - 00:36:00:01
It's hot down here looking for work.

00:36:00:21 - 00:36:02:20
Bobby Myers was one of them.

00:36:02:20 - 00:36:04:08
John Ralph was one of

00:36:05:22 - 00:36:09:11
and Jim Urata was the

00:36:10:29 - 00:36:14:05
every time we got a call to hang out,

00:36:14:05 - 00:36:16:20
what we were going to tack,
I think something else

00:36:18:25 - 00:36:21:03
we kept going downhill.

00:36:21:03 - 00:36:24:24
And finally I said, you know, on the basis
of what these people are telling us,

00:36:25:03 - 00:36:27:16
we ought to go in shorts in our name tops.

00:36:30:06 - 00:36:32:29
Well, that's pretty obvious, right?

00:36:33:12 - 00:36:36:29
But when Johnny suggested
that I talk about

00:36:37:17 - 00:36:40:11
being dazed,
that was purpose and just personality.

00:36:40:21 - 00:36:43:06
That seems very appropriate

00:36:43:06 - 00:36:45:13
for celebrating the 35th anniversary

00:36:45:20 - 00:36:48:08
of the opening of the library but first

00:36:49:15 - 00:36:51:25
give me a little background.

00:36:52:07 - 00:36:56:07
Until 1960,
the state colleges were governed

00:36:56:19 - 00:36:59:22
by the State Board of Education

00:36:59:22 - 00:37:02:13

and due to the growing population

00:37:02:13 - 00:37:05:21
in California
that State Board of Education

00:37:06:16 - 00:37:09:23
had so much on its hands
dealing with K-through-12

00:37:10:04 - 00:37:12:04
that the colleges were being neglected

00:37:12:25 - 00:37:15:04
and they were growing as well.

00:37:15:04 - 00:37:17:13
So 1960.

00:37:17:26 - 00:37:22:25
The state legislature adopted
a new master plan for higher education

00:37:23:16 - 00:37:26:00
and made a whole series of changes

00:37:27:10 - 00:37:27:20
one of

00:37:27:20 - 00:37:31:04
these
was create a separate board of trustees

00:37:31:17 - 00:37:34:15
to the governor of the state state
colleges.

00:37:35:17 - 00:37:38:10
That's what they were called,
and it was based on.

00:37:38:10 - 00:37:41:26
The board promptly adopted
a new set of policies for the colleges.

00:37:42:19 - 00:37:44:19

Among these
there were many, but among of them

00:37:45:06 - 00:37:48:13
were of the top
one third of the high school graduates,

00:37:48:15 - 00:37:52:22
as well as the graduates of community
colleges, are the ones to be admitted.

00:37:53:20 - 00:37:57:04
There was also prescribed curriculum
at that time

00:37:57:20 - 00:38:00:06
for the new campuses,

00:38:00:20 - 00:38:03:08
including a general education program

00:38:03:24 - 00:38:07:23
and a broad range of majors,
usually capital

00:38:07:23 - 00:38:12:10
sciences, social sciences
and business administration, humanities,

00:38:12:27 - 00:38:16:10
and a fifth year
teacher credential program.

00:38:17:09 - 00:38:19:12
Other majors were to be everywhere

00:38:19:14 - 00:38:22:14
as well as agreed

00:38:23:21 - 00:38:27:01
one important change
also was the new campuses,

00:38:27:09 - 00:38:30:06
where they have a minimum of 300 acres.

00:38:31:02 - 00:38:31:15

That was

00:38:32:17 - 00:38:33:19

to be master to

00:38:33:19 - 00:38:37:17

finance for an ultimate enrollment
of 30,000 students.

00:38:37:27 - 00:38:41:13

The president getting ready for that

00:38:43:26 - 00:38:45:02

at any rate,

00:38:45:28 - 00:38:48:24

we're also. Out.

00:38:48:24 - 00:38:51:15

Why I think.

00:38:51:17 - 00:38:53:26

Older campuses and some the way that

00:38:55:20 - 00:38:59:14

they are breeding anticipated
the kind of growth that came later

00:38:59:28 - 00:39:04:29

and as a result they had very small
campuses San Jose's for example

00:39:04:29 - 00:39:07:17

which is one of the very older to 78

00:39:09:04 - 00:39:11:15

they must have over
20,000 students by now.

00:39:11:24 - 00:39:15:11

So the place is absolutely packed
and with the addition

00:39:15:11 - 00:39:17:28

of the automobile

there's the need for parking space.

00:39:18:19 - 00:39:21:14

What they have now is you know
both high storey

00:39:21:14 - 00:39:24:17

parking spaces and

00:39:24:17 - 00:39:27:11

the trustees decided
that that should not happen again.

00:39:27:19 - 00:39:31:14

They should have a large area

00:39:31:16 - 00:39:33:28

plenty of room for growth

00:39:34:21 - 00:39:36:07

and another change was

00:39:36:07 - 00:39:39:23

that the campuses were to work
with private architects

00:39:40:01 - 00:39:44:06

in designing the master plan
for the campus and all of the buildings

00:39:45:09 - 00:39:48:16

prior to that time
when there used to be over three distinct

00:39:48:16 - 00:39:52:05

traditional architecture
and significant parts of the night.

00:39:52:24 - 00:39:54:25

The celebration here of

00:39:55:26 - 00:39:58:19

the two new colleges

00:39:59:04 - 00:40:04:10

were to have a library collection to begin

with a 50,000 versions of the menu.

00:40:04:27 - 00:40:08:07

That was a real departure
from prior policy.

00:40:09:23 - 00:40:12:04

And one of my first responsibilities
was to

00:40:13:26 - 00:40:16:00

recruit the planning staff

00:40:16:00 - 00:40:19:04

and to refine office space.

00:40:19:04 - 00:40:22:02

And here
I have to tell a story that I told before

00:40:22:02 - 00:40:25:14

some of you have heard it,
but I can't resist mentioning it again.

00:40:27:03 - 00:40:30:05

Office
space was at a premium at that time,

00:40:31:28 - 00:40:34:05

and I could not find a place

00:40:34:05 - 00:40:36:08

where we could all work

00:40:37:09 - 00:40:38:23

in part, groups

00:40:38:23 - 00:40:42:00

who worked for
the county board was introduced to me

00:40:42:21 - 00:40:45:08

and he said, I think I can help you here.

00:40:45:22 - 00:40:49:14

And he introduced me

to a young fellow named former pastor.

00:40:51:06 - 00:40:53:05

Randolph for a lot of

00:40:54:19 - 00:40:57:07

I had work together to.

00:40:57:15 - 00:40:59:25

Build the place for

00:40:59:25 - 00:41:01:17

what can order.

00:41:01:17 - 00:41:07:06

Always looked like a child he kind of took part of, what, 16 years old at the time.

00:41:07:10 - 00:41:09:22

He looked that way until he was in his forties, fifties.

00:41:11:09 - 00:41:13:20

I kind of wondered about this partnership

00:41:13:20 - 00:41:17:06

this man was delivering well, we had about four months,

00:41:17:26 - 00:41:20:04

and so he sat me down and said, What do you need?

00:41:21:06 - 00:41:24:28

And he drew up our plan as I specified different kinds of offices.

00:41:25:04 - 00:41:28:04

All right, I'll do it for you.

00:41:28:25 - 00:41:30:17

And he drew up the plans.

00:41:30:17 - 00:41:33:04

They were ready within about three days.

00:41:33:04 - 00:41:36:13
However,
I had to get this approved in Sacramento.

00:41:37:16 - 00:41:39:19
That's where his work

00:41:39:19 - 00:41:42:27
was sitting, one office
and then moved to another.

00:41:42:27 - 00:41:45:00
I call it. Let's go, let's go, let's go.

00:41:45:02 - 00:41:47:28
These people are
coming on the 1st of July.

00:41:49:09 - 00:41:51:01
It's already March.

00:41:51:01 - 00:41:53:24
It's got to be April.

00:41:53:24 - 00:41:58:06
And finally I flew up there
and we literally walked the papers

00:41:58:06 - 00:42:00:13
through to get their proper signatures

00:42:02:03 - 00:42:04:12
on the 5th of June.

00:42:05:08 - 00:42:07:06
Right. You're supposed to move it.

00:42:07:06 - 00:42:11:21
These people were going to report
on the 1st of July or the fifth of June.

00:42:12:06 - 00:42:16:08
Orders to come on, I'll show you
where it's going to be fifth and how you

00:42:16:18 - 00:42:20:06

he says here
and there was a house standing on the lot

00:42:21:10 - 00:42:22:02
house

00:42:23:08 - 00:42:23:22
Well,

00:42:24:29 - 00:42:27:11
to make a long story short,

00:42:27:11 - 00:42:31:01
he did that 25 days

00:42:32:00 - 00:42:34:02
but still one story, to be sure.

00:42:34:16 - 00:42:37:05
Well,
we moved in there on the 1st of July.

00:42:37:05 - 00:42:38:27
There was a pay parking lot.

00:42:38:27 - 00:42:41:26
There was even the landscaping,
everything was done.

00:42:42:15 - 00:42:44:21
And it was an absolute miracle.

00:42:44:21 - 00:42:46:28
Yes, quite the strangest of coincidence.

00:42:46:28 - 00:42:48:14
We were at dinner last night.

00:42:49:17 - 00:42:51:06
One of the restaurants here

00:42:51:06 - 00:42:53:09
is walking, but we're fortunate.

00:42:54:26 - 00:42:57:20
So I told him,

I said, you're going to tell this story.

00:42:57:21 - 00:43:01:19

They said, Yeah, take it
I have one correction.

00:43:01:24 - 00:43:03:23

Was 25

00:43:06:05 - 00:43:08:06

well yeah.

00:43:08:06 - 00:43:11:15

And we brought in the staff

00:43:11:15 - 00:43:13:05

and Phillips

00:43:14:27 - 00:43:16:27

and Jimmy Rado

00:43:17:24 - 00:43:20:15

Two Dynamos if there ever were, dynamos.

00:43:20:16 - 00:43:25:05

who were responsible for working with architects and all

00:43:26:12 - 00:43:28:22

and developing the buildings on campus

00:43:30:29 - 00:43:31:28

later,

00:43:32:02 - 00:43:35:26

when Ken went off to become president
of the State

00:43:36:06 - 00:43:38:27

University in Denver, Joe Thomas

00:43:39:08 - 00:43:41:15

came in to replace him, and

00:43:43:07 - 00:43:46:03

they worked on the initial buildings,
among other things.

00:43:47:12 - 00:43:49:15
They were originally called temporary

00:43:50:29 - 00:43:53:01
rear president.

00:43:53:01 - 00:43:55:16
A hospital called.

00:43:55:23 - 00:43:57:20
35 years old

00:43:57:20 - 00:44:01:00
and earthquake
that would knock every building down

00:44:01:03 - 00:44:03:22
that they would

00:44:05:03 - 00:44:07:06
all right.

00:44:08:04 - 00:44:08:24
Well,

00:44:10:28 - 00:44:11:27
they also had to work

00:44:11:27 - 00:44:15:11
with the city and county officials.

00:44:15:25 - 00:44:18:16
We used to meet every Tuesday

00:44:18:16 - 00:44:22:15
morning at 730 Nancy
Smith County Board Supervisors.

00:44:22:15 - 00:44:26:19
First of all, Mayor
Jack Riley is the city planner,

00:44:28:03 - 00:44:30:10
West Coast good of all things.

00:44:30:10 - 00:44:33:12
He was the expert of water.

00:44:35:15 - 00:44:38:02
Highways and roads

00:44:39:18 - 00:44:42:04
the. Campus was outside of the city.

00:44:43:01 - 00:44:45:05
So one of the things

00:44:45:05 - 00:44:47:08
they had to elect to the city

00:44:47:29 - 00:44:50:14
and you talk about gerrymandering,

00:44:51:23 - 00:44:53:29
bowling alley, bowling districts.

00:44:54:23 - 00:44:58:12
They ran a terrible little strip
that was the next to the city

00:44:58:18 - 00:45:01:02
on Kendall Avenue out to the campus

00:45:01:20 - 00:45:04:09
and included the campus itself.

00:45:04:09 - 00:45:09:02
And at a joint meeting
of the county board of supervisors

00:45:09:21 - 00:45:15:00
and the city council, the elections
to the city and at the same time

00:45:15:08 - 00:45:18:10
adopted a master plan
for developing the area

00:45:18:10 - 00:45:20:18
around the campus

00:45:22:12 - 00:45:25:21
while all this was going on.

00:45:26:11 - 00:45:27:18
The staff,

00:45:28:13 - 00:45:31:08
frequent members and staff party were

00:45:32:12 - 00:45:34:26
part of a massive task.

00:45:34:26 - 00:45:36:25
We needed biology building

00:45:36:25 - 00:45:39:09
and we needed physical sciences building.

00:45:40:02 - 00:45:41:05
Well, Derek, sure. But

00:45:42:09 - 00:45:44:25
then as

00:45:44:27 - 00:45:48:08
a biologist, but at that point,
only a professor

00:45:49:06 - 00:45:51:19
later became vice president
for academic affairs.

00:45:52:23 - 00:45:55:21
Jerry had to come up with

00:45:55:21 - 00:45:57:22
all the detailed plans room

00:45:57:22 - 00:46:02:02
by room, laboratory
by laboratory, time and equipment list

00:46:02:18 - 00:46:05:08
every detail work,
every wheel off the walkway there.

00:46:06:08 - 00:46:08:20

So the architects
but then designed the building

00:46:10:24 - 00:46:12:15

Jim Crow and Ralph,

00:46:12:15 - 00:46:15:14

the true chief,
who also later became deans,

00:46:16:11 - 00:46:18:19

did the same thing
with the physical sciences building

00:46:18:27 - 00:46:22:09

and each building ended up with a document

00:46:22:09 - 00:46:26:02

like a New York City
telephone book and had the first

00:46:26:03 - 00:46:29:11

be approved by the Department of Finance
as well as the trustees

00:46:29:28 - 00:46:33:29

and then the architects took those
and worked with David

00:46:34:07 - 00:46:36:14

and Joe and Jerry,

00:46:37:28 - 00:46:40:00

Jim and designed the

00:46:41:17 - 00:46:45:03

biology building
and the physical sciences building.

00:46:46:16 - 00:46:47:13

Well, there

00:46:47:13 - 00:46:52:13

were an awful lot of people involved
however, if I mention the auto industry

00:46:52:24 - 00:46:55:29
you were leading, the order

00:46:57:20 - 00:46:58:21
came in

00:46:59:18 - 00:47:01:29
as you could tell from Bill's production,

00:47:01:29 - 00:47:04:12
it takes an awful lot of people
to get these things done.

00:47:05:15 - 00:47:08:22
Well, this particular
the primary focus of the evening

00:47:09:04 - 00:47:12:28
and that is the development of the library
collection.

00:47:13:05 - 00:47:13:19
Let's go.

00:47:13:19 - 00:47:14:28
Thousand polygons.

00:47:14:28 - 00:47:17:14
One of the things the trustees

00:47:17:28 - 00:47:20:22
management the first question we had,

00:47:22:17 - 00:47:25:06
Mr. Nelson, was how do you develop

00:47:26:16 - 00:47:30:00
a balance collection for \$50,000?

00:47:30:16 - 00:47:33:22
We have 102 here

00:47:34:03 - 00:47:34:26
well,

00:47:35:19 - 00:47:37:29
I'd like to say that Mark was a genius

00:47:38:19 - 00:47:41:01
and developed that this.

00:47:42:20 - 00:47:45:23
I thought it was pretty interesting.

00:47:45:23 - 00:47:50:23
He discovered that the University
of California was developing 32 campuses.

00:47:51:01 - 00:47:53:29
Santa Cruz, Irvine and

00:47:55:15 - 00:47:56:15
the opening up north.

00:47:57:26 - 00:47:58:07
And they

00:47:58:07 - 00:48:01:13
had already been working
on this sort of thing for about a year.

00:48:01:13 - 00:48:03:13
And a half before we started.

00:48:04:16 - 00:48:08:02
Thus, they had, you know, a very fine

00:48:08:14 - 00:48:14:11
list of books for graduate collections,
but, you know, our going over there

00:48:14:17 - 00:48:17:23
and he sweet talked him into
letting us have it.

00:48:18:02 - 00:48:21:27
All we had to do
was pay for the duplication of course.

00:48:22:23 - 00:48:24:25
Well, \$50,000

00:48:28:21 - 00:48:29:28

I think Rick

00:48:31:17 - 00:48:32:18

we all had to do this.

00:48:32:18 - 00:48:34:09

We made an agreement with somebody just

00:48:34:09 - 00:48:37:11

who knows, which was the other campus
that was starting at the same time

00:48:37:21 - 00:48:42:15

that San Bernardino would do this
library project for both campuses.

00:48:42:25 - 00:48:47:14

Two volumes, two copies no.

00:48:48:02 - 00:48:50:14

Our staff was woefully inadequate

00:48:50:14 - 00:48:52:23

for a task of this proportion.

00:48:54:00 - 00:49:00:15

So our rolling company was named Broder.

00:49:01:01 - 00:49:05:12

He was in the business of buying
books for libraries and process

00:49:07:14 - 00:49:08:25

and art sales

00:49:08:25 - 00:49:12:02

when he first met early voting
and walking in there

00:49:12:22 - 00:49:15:01

with the cash in your coat or my shoulder

00:49:15:24 - 00:49:18:15

and a young black following and sprinkling

00:49:18:15 - 00:49:21:02
his power in in our wonderful

00:49:21:24 - 00:49:25:09
very calm, worked out
a very tidy word contract with him.

00:49:25:27 - 00:49:28:18
And they purchased

00:49:29:27 - 00:49:32:22
a collection of 30,000 of the 50 volumes

00:49:33:05 - 00:49:37:01
complete library cars Library of Congress
numbers

00:49:37:21 - 00:49:41:09
books were stamp property of

00:49:41:09 - 00:49:43:21
Riverside
San Bernardino College at that time

00:49:44:28 - 00:49:46:24
and were delivered

00:49:46:24 - 00:49:49:04
boxes ready to be put up on shelves.

00:49:50:00 - 00:49:52:02
However, they left

00:49:52:19 - 00:49:55:04
quite a few because a lot of the books
were out of print.

00:49:56:24 - 00:49:59:18
Here is where Art really

00:49:59:18 - 00:50:02:07
showed his skill.

00:50:02:07 - 00:50:05:23
Our new Tuesday use book.

00:50:07:05 - 00:50:09:02
Market in Los Angeles.

00:50:09:02 - 00:50:13:16
Like the palm of his hand
and he go scooting off and

00:50:14:16 - 00:50:17:14
picked up all of these volumes and

00:50:17:19 - 00:50:19:28
you couldn't find huge volumes

00:50:19:28 - 00:50:23:25
to copies each because he had no time
for his skills as well,

00:50:24:13 - 00:50:29:19
but picked up enough volumes
so that we ended up with a total of 50,000

00:50:30:10 - 00:50:34:22
now those were done for us by our staff
here.

00:50:34:23 - 00:50:37:27
Going to look up in a warehouse, right?

00:50:38:04 - 00:50:38:18
Yeah.

00:50:39:21 - 00:50:42:10
In addition to this, our

00:50:44:10 - 00:50:46:14
ordered all the professional journals

00:50:46:26 - 00:50:50:02
you worked, the staff
identifying the titles of the needed.

00:50:50:10 - 00:50:54:19
And he also called the professional
associations to find out what

00:50:55:21 - 00:50:57:23
college needed to be fully accredited

00:50:57:26 - 00:51:00:26
in the way of a series of journals

00:51:02:25 - 00:51:03:15
well,

00:51:04:20 - 00:51:07:10
the entire collection was probably move

00:51:08:07 - 00:51:10:19
as the kids over

00:51:10:19 - 00:51:13:00
to our so called temporary buildings

00:51:13:19 - 00:51:15:29
ready for opening. Hey,

00:51:16:00 - 00:51:18:02
as far as the building itself goes,

00:51:18:29 - 00:51:21:03
there's an awful lot of work
with the architect.

00:51:21:21 - 00:51:24:29
Also Bill Cody from Palm Springs

00:51:29:11 - 00:51:31:24
we went around looking at other.

00:51:31:24 - 00:51:33:17
Libraries to get some ideas

00:51:33:17 - 00:51:36:01
of what we ought to be doing
and what we ought not to be doing.

00:51:37:12 - 00:51:38:23
To the University of Illinois.

00:51:38:23 - 00:51:40:14
They had a brand new library there.

00:51:40:14 - 00:51:41:24
Berkshire is

00:51:42:21 - 00:51:45:00
using stuff that we did not like.

00:51:45:00 - 00:51:47:04
We looked around
at some of the state colleges,

00:51:47:23 - 00:51:52:07
and one of the things I noticed on
one of the older campuses in particular,

00:51:53:01 - 00:51:56:06
you could tell how the buildings worked,

00:51:56:21 - 00:52:01:01
the winds were, and the branches
as they grew up.

00:52:01:15 - 00:52:05:29
They did not anticipate in the beginning
that there would be that kind of growth.

00:52:06:15 - 00:52:09:23
So you see, part of it was one story,

00:52:09:28 - 00:52:12:07
and you can see the second time
coming to Charlotte.

00:52:12:07 - 00:52:14:22
We have then a three story plane

00:52:15:01 - 00:52:18:09
and they had six additions
to the original building.

00:52:18:26 - 00:52:23:17
And from the point of view of a library,
it was fairly confusing to the students.

00:52:24:04 - 00:52:26:15
I thought, again, all who had to use it,

00:52:27:25 - 00:52:29:10
how we came up with the idea

00:52:29:10 - 00:52:33:15
of having one large multi-use building.

00:52:33:27 - 00:52:36:10
It's actually designed as a library.

00:52:36:23 - 00:52:40:28
However, we would put all kinds of
other temporary uses in

00:52:41:14 - 00:52:45:01
classrooms, faculty offices, audio, visual

00:52:45:14 - 00:52:48:23
functions, all sorts of things.

00:52:48:23 - 00:52:51:19
And as a result, when the time came,

00:52:53:03 - 00:52:56:11
the classrooms,
the faculty office is going to be phased

00:52:56:11 - 00:52:59:11
out into other buildings
and the library facilities

00:53:00:06 - 00:53:03:23
in addition to avoid

00:53:03:23 - 00:53:06:23
very awkward additions,

00:53:06:23 - 00:53:09:29
Buffalo Bill figured out a way

00:53:09:29 - 00:53:11:26
of putting panels in

00:53:11:26 - 00:53:14:24
that are removable on each side

00:53:16:03 - 00:53:18:24
and all they had to do was take out
some of the panels

00:53:18:28 - 00:53:21:18
and put on the additions.

00:53:21:21 - 00:53:25:06
That's exactly what they did
with the new additions,

00:53:25:06 - 00:53:27:24
and there should be some time
in the future

00:53:28:12 - 00:53:31:13
enrollment
for one another on the other side,

00:53:31:26 - 00:53:35:26
and the whole thing fits together
in a much more coherent fashion.

00:53:38:26 - 00:53:39:17
Well,

00:53:41:18 - 00:53:43:08
one of the things we also managed

00:53:43:08 - 00:53:46:12
was to persuade the trustees and the and

00:53:47:14 - 00:53:49:21
make sure that Harvard, you

00:53:49:21 - 00:53:52:22
know,
the State College libraries at Harvard,

00:53:53:12 - 00:53:56:07
we convinced them
that it would be no more expensive

00:53:56:19 - 00:54:01:04
nowadays, that we're coming out with
some of their very, very tough of that.

00:54:01:04 - 00:54:03:03
It would be better to have carpeting.

00:54:03:03 - 00:54:05:00
Definitely linoleum part.

00:54:05:00 - 00:54:07:10
I went into one of those
great college libraries

00:54:08:00 - 00:54:12:12
and they had their version
the linoleum type of tile on the floor.

00:54:12:24 - 00:54:16:25
And every time somebody pop, pop, pop,
pop, pop, pop, and you can imagine it

00:54:17:03 - 00:54:21:13
and the students came in and left
just a few guitars,

00:54:21:15 - 00:54:25:10
sort of like the dishes
you hear at the Mac

00:54:25:10 - 00:54:27:18
and things for the sound effects

00:54:33:22 - 00:54:36:15
How we got this was a breakthrough
for a system. Others

00:54:37:26 - 00:54:40:19
are because that's what we have done.

00:54:42:07 - 00:54:43:24
We had our own

00:54:43:24 - 00:54:46:14
furniture designed by the architect.

00:54:47:04 - 00:54:49:29
They used to have these giant
like little rickety tables,

00:54:49:29 - 00:54:53:01
and every time somebody moved,

00:54:53:01 - 00:54:55:07
the table would shake

00:54:55:09 - 00:54:57:18
and think about interruptions.

00:54:57:18 - 00:55:00:19
We had very sturdy tables.

00:55:01:15 - 00:55:05:14
Those people who have no use as a
library of their just one of those things.

00:55:06:23 - 00:55:08:09
They were reading library.

00:55:08:09 - 00:55:10:00
Tables and

00:55:11:17 - 00:55:13:18
I must say a.

00:55:13:18 - 00:55:17:27
Lot of the other campuses
were really jealous of the furniture.

00:55:17:27 - 00:55:20:19
However, it was built in the prison
doesn't cost much.

00:55:21:10 - 00:55:22:24
That's controversial.

00:55:22:24 - 00:55:23:13
At that time.

00:55:23:13 - 00:55:29:02
That was state problem,
at least in the very low price.

00:55:30:24 - 00:55:31:11
Well,

00:55:32:26 - 00:55:35:09
now let's jump ahead briefly

00:55:36:19 - 00:55:39:07
with the effort of the computers.

00:55:40:02 - 00:55:43:10
What are some of the new DLC for

00:55:44:12 - 00:55:46:16
the question of the future of the library?

00:55:47:15 - 00:55:50:03
Was inescapable to all of us here

00:55:52:07 - 00:55:54:15
computers and the Internet,

00:55:54:15 - 00:55:56:25
which had to be part of the library.

00:55:56:25 - 00:55:58:20
There's no way around it.

00:55:58:20 - 00:56:03:16
It needed an education, commerce,
research stock market, government.

00:56:03:21 - 00:56:07:20
Everywhere you turn, respectable
libraries would be without first

00:56:08:04 - 00:56:10:16
without a system

00:56:11:13 - 00:56:13:13
but at the dedication of the new week,

00:56:14:17 - 00:56:17:03
they took us on a tour
and showed us all this

00:56:17:25 - 00:56:20:17
computer stuff today.

00:56:20:17 - 00:56:22:15

But as we came

00:56:22:26 - 00:56:25:17

out of the building, Bill Coleman.

00:56:26:08 - 00:56:28:12

I remember this bill.

00:56:28:12 - 00:56:31:24

He said to me, John,
what's going to happen to books?

00:56:33:16 - 00:56:34:04

Well,

00:56:36:08 - 00:56:37:25

I called John.

00:56:37:25 - 00:56:41:21

I asked, how has the computer

00:56:42:13 - 00:56:44:15

had an impact on the use of books?

00:56:44:24 - 00:56:47:14

And she said very little.

00:56:47:14 - 00:56:50:18

However,
it has had a major impact on things

00:56:50:18 - 00:56:54:01

like journalists
and the smaller things that

00:56:55:06 - 00:56:57:16

dictionaries, encyclopedias.

00:56:58:05 - 00:57:03:23

And they did a study
and there were 900,000 pages of journals

00:57:04:06 - 00:57:06:19

that were downloaded
in a three month period.

00:57:08:16 - 00:57:12:04

So there is a quest for the computer,
no question about it.

00:57:12:04 - 00:57:15:08

But it does not seem to have affected

00:57:15:21 - 00:57:17:16

the use of books

00:57:22:18 - 00:57:25:10

So I've done a little reading
and I've been following

00:57:26:08 - 00:57:30:05

the developments in the newspapers
you know, you're the expert.

00:57:30:05 - 00:57:30:21

I'm not.

00:57:30:21 - 00:57:33:14

So if like most days here,
put your hand out

00:57:34:25 - 00:57:35:14

there

00:57:37:26 - 00:57:40:12

for a lot of questions, but

00:57:40:16 - 00:57:42:28

what is will people

00:57:42:28 - 00:57:45:26

find reading a full length book,

00:57:46:10 - 00:57:50:03

three or four or five different pages
on the screen, even their books.

00:57:50:03 - 00:57:55:00

And Bill, the other is
that the publishers are already

00:57:56:08 - 00:57:58:07
working with their attorneys,

00:57:58:07 - 00:58:01:05
make sure that their
copy rights are protected

00:58:02:19 - 00:58:03:01
and they're

00:58:03:01 - 00:58:06:15
hemming
in those that might try to find ways

00:58:06:26 - 00:58:09:11
to make books available,

00:58:09:20 - 00:58:12:17
however, at a very personal cost.

00:58:12:29 - 00:58:15:20
Just picking up on my first

00:58:16:14 - 00:58:18:21
even if the technology is developed,

00:58:20:04 - 00:58:24:11
what do you do when you download
400 pages on a computer?

00:58:24:27 - 00:58:27:08
They have to think of how to do that,

00:58:27:16 - 00:58:30:17
and then you have to find it 400 pages.

00:58:31:06 - 00:58:32:09
I hope

00:58:33:04 - 00:58:35:00
that I'm not all crazy on there.

00:58:35:00 - 00:58:36:06
At any rate,

00:58:37:23 - 00:58:39:29

there was a meeting in San Francisco

00:58:40:01 - 00:58:42:10
of all these computer experts,

00:58:43:01 - 00:58:46:07
and finally the San Francisco
Chronicle reporters

00:58:47:08 - 00:58:52:23
interviewed man John C Brown,
who was the chief scientist at Xerox,

00:58:52:23 - 00:58:56:21
and he's also the head of their research

00:58:57:08 - 00:58:59:14
facility, I Palo Alto

00:59:02:06 - 00:59:04:02
and he asked

00:59:04:15 - 00:59:06:26
how long before we had really expected

00:59:06:27 - 00:59:09:03
to have these books available?

00:59:10:01 - 00:59:10:22
And he said,

00:59:11:26 - 00:59:13:20
realistically,

00:59:13:20 - 00:59:16:26
it'll take about ten more years.

00:59:16:26 - 00:59:19:14
But even then, they may turn out to be

00:59:19:14 - 00:59:22:22
very, very expensive.

00:59:22:22 - 00:59:25:06
At any rate,
it seems that there is still great

00:59:25:06 - 00:59:28:17
hope for books

00:59:29:02 - 00:59:31:11
no closing comment here.

00:59:32:23 - 00:59:36:11
There's help
coming from unexpected sources.

00:59:37:11 - 00:59:40:16
I don't know how many of you saw
the final game of the

00:59:41:27 - 00:59:44:24
national the NBA series

00:59:45:10 - 00:59:48:18
when the Lakers won

00:59:48:18 - 00:59:50:02
after the victory.

00:59:50:02 - 00:59:55:02
There was a in the locker room because you
they went to the coach and named Jackson

00:59:56:05 - 00:59:57:15
Phil Jackson

00:59:57:26 - 00:59:59:16
and they asked him a series of questions.

00:59:59:16 - 01:00:02:03
How did you get the team to work together
so well and all that

01:00:03:06 - 01:00:07:22
well with Mark Bowden, is it true that
you've given your players books to read?

01:00:08:27 - 01:00:10:08
Yes, I yeah.

01:00:10:08 - 01:00:12:02

So they went over there.

01:00:12:02 - 01:00:14:08

Was Ron Harper stretched out on a bench?

01:00:14:23 - 01:00:18:11

Ron Howard, if you were there
any books familiar to me, he.

01:00:18:19 - 01:00:21:07

Oh, you're on
I'm on a half a dozen of them

01:00:22:19 - 01:00:23:11

reading.

01:00:23:11 - 01:00:25:18

Your book right now.

01:00:26:24 - 01:00:28:29

But I might read them.

01:00:29:01 - 01:00:31:04

And then they.

01:00:31:04 - 01:00:34:05

Went to Shaquille O'Neal,

01:00:34:05 - 01:00:37:27

great big three under the sun, close by,

01:00:39:04 - 01:00:40:28

and they asked Shaquille,

01:00:40:28 - 01:00:43:18

Did you ever get a quote from

01:00:43:19 - 01:00:44:06

Jackson?

01:00:44:06 - 01:00:46:09

He said, Yes, I got a book,

01:00:47:10 - 01:00:49:27

I think, to the philosopher.

01:00:49:27 - 01:00:50:23

Did you read it?

01:00:50:23 - 01:00:53:15

He said, Oh, yes, it was great.

01:00:54:29 - 01:00:57:03

Well, what did you get out of it?

01:00:57:03 - 01:00:59:11

He said, Well, I'll tell you.

01:00:59:11 - 01:01:03:09

And I came you can say
that had to be institutionalized.

01:01:04:05 - 01:01:06:09

And I think the coach was.

01:01:07:10 - 01:01:08:19

Aggressive

01:01:11:17 - 01:01:13:11

I'm telling you right now.

01:01:13:11 - 01:01:17:10

It seems as though
he's helped on the part of the man for

01:01:18:24 - 01:01:21:01

so long as coaches

01:01:21:06 - 01:01:23:02

motivate their players

01:01:23:02 - 01:01:27:09

by grabbing their grabbing by the throat
out of the way

01:01:27:09 - 01:01:31:28

to get their secretary throw,
throwing chairs across the gymnasium floor

01:01:32:28 - 01:01:35:27

while others they seem to be out

01:01:36:15 - 01:01:39:29
and others who give them books to read
seems to be in.

01:01:41:01 - 01:01:43:10
So don't be surprised

01:01:43:10 - 01:01:45:12
if your basketball players

01:01:45:12 - 01:01:48:14
have a basketball on the one hand
and a local books on the other.

01:01:49:22 - 01:01:51:21
That's the way I would

01:02:02:13 - 01:02:02:26
this.

01:02:03:07 - 01:02:05:24
Just a couple of other comments that.

01:02:05:26 - 01:02:07:11
I want to make.

01:02:07:27 - 01:02:09:05
This comes in part of the program.

01:02:09:05 - 01:02:11:22
In his closing comments

01:02:12:22 - 01:02:13:10
first of all.

01:02:13:10 - 01:02:18:17
I want to thank president pfau
for those wonderful comments

01:02:18:17 - 01:02:21:02
and those recollections.

01:02:21:09 - 01:02:24:04
You know, I
I can't imagine the higher accolades

01:02:24:04 - 01:02:26:10
that we had in the library
means that, your Honor,

01:02:27:16 - 01:02:29:27
and there really aren't
any better libraries

01:02:29:27 - 01:02:33:07
than the ones found on this campus. Sure.

01:02:33:07 - 01:02:37:08
There may be others that are bigger,
may be others that are richer and

01:02:37:22 - 01:02:38:29
possibly even prettier,

01:02:40:08 - 01:02:42:12
but not ones to disparage.

01:02:43:21 - 01:02:47:10
But I think we should not forget that
in the same way that John Ford

01:02:47:10 - 01:02:52:22
has been honored by having this library
named after him, so too

01:02:52:22 - 01:02:56:27
have we been honored by John
allowing us to use his name

01:02:56:27 - 01:03:00:00
to identify this facility

01:03:08:09 - 01:03:10:29
when all is said and done,

01:03:10:29 - 01:03:13:09
reciprocity continues
to be one of the most

01:03:13:09 - 01:03:16:18
beautiful words in English language that

01:03:16:18 - 01:03:20:05
I mentioned early on that
our goal is to reach for \$2,000.

01:03:20:14 - 01:03:22:26
Today we have reached \$12,000.

01:03:23:13 - 01:03:27:21
That means that we still have a ways to go
I would remind you that libraries

01:03:27:21 - 01:03:32:15
in particular academic libraries,
are costly institutions too many,

01:03:33:25 - 01:03:36:17
regardless of how well we may do

01:03:36:17 - 01:03:38:27
in government support
from the state of California,

01:03:39:18 - 01:03:42:09
there are always more needs
than we have resources

01:03:42:09 - 01:03:44:15
for the cost of books

01:03:45:11 - 01:03:48:09
and journals
continue to escalate at a rate

01:03:48:09 - 01:03:50:28
that is substantially higher
the growth of our budgets.

01:03:51:24 - 01:03:54:00
And in order to keep pace with inflation

01:03:54:11 - 01:03:56:21
and with the demands from our users,

01:03:57:07 - 01:03:59:12
we will need
the support of people like you.

01:04:00:02 - 01:04:04:11
If you think this is something you'd
be interested in, I heard you say as well

01:04:05:21 - 01:04:07:27
Isabel Salgado or myself.

01:04:09:09 - 01:04:12:13
Finally,
to conclude this evening's program,

01:04:12:24 - 01:04:17:23
I want to thank those individuals
who make today's program possible.

01:04:18:02 - 01:04:22:03
And I want to begin by thanking
our sponsors and the volunteer program.

01:04:22:03 - 01:04:25:05
You'll see that there were several
one of them is California

01:04:25:05 - 01:04:28:05
State University,
San Bernardino Bookstore Foundation.

01:04:28:05 - 01:04:29:11
I want to thank them for their.

01:04:29:11 - 01:04:33:01
Sponsorship of this program.

01:04:36:12 - 01:04:39:12
Also the College
of Extraordinary Advertisement.

01:04:39:13 - 01:04:42:22
I think I saw Jackson
in a little bit earlier.

01:04:49:03 - 01:04:52:04
Los. Angeles County Fair

01:04:52:04 - 01:04:54:14

and the pfau Library Associates

01:05:00:03 - 01:05:02:08
showed I'd like to recognize

01:05:02:08 - 01:05:05:07
the specific contributions
of a number of individuals

01:05:06:00 - 01:05:08:17
who took on the role for good services.

01:05:14:23 - 01:05:15:15
All of us.

01:05:15:15 - 01:05:16:21
Although although.

01:05:17:18 - 01:05:19:21
People step your

01:05:22:10 - 01:05:23:21
experience.

01:05:25:10 - 01:05:27:15
Tony Williams from our library
was totally.

01:05:34:01 - 01:05:36:08
Clean of residents help.

01:05:36:20 - 01:05:39:05
Of larger
administration as well. It was definitely

01:05:44:15 - 01:05:46:02
again, I want to thank

01:05:46:02 - 01:05:48:29
Sharon Control
and that Mosley for the video

01:05:54:11 - 01:05:56:28
Dunghill of students
working with the civil

01:05:56:28 - 01:05:59:21
suits are responsible
for much of our practice

01:06:05:16 - 01:06:08:05
and last but certainly not least, I'm.

01:06:08:05 - 01:06:10:29
A university. Librarian
and as attorney general.

01:06:10:29 - 01:06:13:15
And she really

01:06:24:17 - 01:06:24:28
I want.

01:06:24:28 - 01:06:28:28
Us to remind people there was a scroll
that we're asking you to sign

01:06:29:04 - 01:06:32:26
on the way out, and also a reminder

01:06:32:26 - 01:06:36:01
that the service on your table belongs to.

01:06:36:01 - 01:06:36:20
The person.

01:06:36:20 - 01:06:38:28
With the longest tenure at Cal State.

01:06:38:28 - 01:06:41:00
Seven Let me know with that.

01:06:41:20 - 01:06:44:07
I want to thank you for your attendance.

01:06:45:08 - 01:06:47:04
It's been a real pleasure, Jerry.
