INDUSTRY UNITS PLAN TO MAKE ICE CREAM

At their recent meeting held on Nov. 10, it was disclosed by the Industry Dept. that manufacturing of ice cream is to commence in a short time; that this is to be done through "the coordination of three units."

After conferring with Mr. Marshall, rep. of the Harold Brokerage Co., the Industry Staff from Camps 1, 2, and 3 planned out their final plans for production. The equipment, to be installed at unit 2, will be on contract basis with the H. Brokerage firm on royalty compensation.

An estimated speed of production is 50 gals. of ice cream per hour and done through the "dry mixture" process, it was declared.

The project will replace the present buying-method transacted by the Community Enterprise with the "outside dairy" and will cut down the cost of acquiring the item at least 50%.

Suggestion has been brought before Joseph Petta, chief steward, to serve ice cream to each mess hall. Further details concerning the menu will be presented to the Procurement Dept. for approval.

"NO STOVES YET"

The recent announcement of stoves arriving in Parker was rumor, according to Howard Palmer, procurement officer.

COMMISSIONER COLLIER LAUDS PROGRESS MADE IN POSTON

John Collier, Commissioner of Indian Affairs, lauded the people of Poston for the progress made in the project within the past few months when the noted speaker addressed the Unit 3 residents in his first appearance here.

"Things are going fundamentally well at Poston," Commissioner Collier stated, and this will be the message he will take back to Washington.

The evacuees have an opportunity of proving that the relocation project can be made into a perfect example of democracy in function, it was pointed out. Its success would mold public opinion in the outside world after the world, thereby aiding the Japanese Americans in the post-war era.

Poston is a colonial enterprise of the U.S. Government, and democratic measures will be practiced here at all times. Mr. Collier declared, "We shall prove that creative democracy will work right here in Poston." Beyond the task of winning the war, the need of making sure that democracy will be made secure in the period following the conflict was emphasized in his address.

Observing that the residents have had an interest in events on the outside, Commissioner Collier painted a picture of the war situation.

A large crowd was present to hear Commissioner Collier, who was introduced by Administrator Burge,

U.C. STANFORD ALUMNI BIG GAME REUNION SET AT POSTON III

Alumni of the University of California and Stanford University will hold a big game reunion on Friday, Nov. 20, at Poston III, it was announced yesterday.

The affair, which was a regular event held annually, will be continued through the arrangement made with Robert Sibley, alumni director of U. C.

A motion picture and music made possible by Stanford University is expected to be featured at the reunion.

Some 100 U. C. alumni and 12 Stanford alumni members are in the three units of Poston.

CLOTHES ALLOWANCE IN CASH: MOVE TO HASTEN ISSUANCE MADE

The first clothing allowances will be issued in cash instead of "in script form", was the report made here after the Ad Staff convened last Wed. morning to set up such a movement in Poston.

A committee consisting of Henry Smith, Morris Burge, Vernon R. Kennedy and Miss Nell Findley were appointed to work on the plans for "hastening the issuance" of the allowance.

FOR WOMEN ONLY

At a recent social we spotted a popular songstress in a colorful red, black and green plaid matching jerkin and skirt with contrasting plain short sleeve blouse. Another lovely outfit that caught our attention was a light blue wool two-piece collarless suit with three-fourths bell sleeves, and soft pleats in the skirt. An attractive dress that carried out the patriotic theme was a red, white and blue striped dirndle collarless dress with wide waistband and puffed sleeves. Seen on the floor was an active girl with a tea green two-piece suit. By the way, did you notice that most of the men wore ties? And the Emcee's greyish white sport coat with contrasting dark trousers was really a "humdinger".

KISSES FOR GIFTS

Girls of Washburne trade school, Chicago, really believe in building up the morale of the men in service. According to the L.A. Times of Nov. 4--these pretty girls leave imprints of their kisses on scarves to be sent to the men in service for Christmas gifts."

ROWDIES and QUEERS

Maybe it's the influence of this secluded camp life, or maybe their true nature is just revealing itself, but the "queerer and rowdier sex, (as quoted from a news article) is doing a lot of unusual things. Take f'r instans, the newly formed Twenty-Square club which is made up of (quote) "rowdies and queers who are always left out socially" and plan to "better themselves socially and intellectually" (unquote).

The odd part is that ones who get around--so to speak--are members--they're seen everywhere at all times of the day and night!

Another "exclusive" men's club which started out with a bang and faded out like a light, is the Women Haters made up of typical wolveres--I mean jerks--no, I mean two-facers!

Then there's the guy with the "sad" sense of humor who takes advantage of innocent girl reporters and slings a lot of hash about himself--or perhaps he just lacks attention!

A woman flees from temptation, but a MAN just crawls away from it in the cheerful hope that it may overtake him---Rowland.

DEB NOTES

Much credit should be given to the girls of Poston for overcoming adverse conditions in forming and organizing clubs.

Under the able directorship of Misao Furuta, Lillian Sogo, Mitzie Kinoshita, and Tokuye Kusatake, twelve or more clubs have, to date, been organized. These groups are in divisions of junior, high school, senior, and kibei girls. All organizations have their constitutions, colors, and activities.

A Women's Delight

Certain girls of the Press were allowed to indulge in their favorite delight, that of shopping. With the most sought after escort--handsome Norris James--we rode to Parker where we walked talked and shopped to our heart's content and bought a conglomeration of articles which only a women would get.

In the short few hours in Parker, a typical small country town, similar to any in California, we went into every store (1 grocery, 1 clothing, a hardware and a general merchandise, as well as a drug store). Then we visited the inevitable dime store.

Probably the most popular articles were sweets to eat, as cakes and candy which is limited to two bars each.

However, the highlight of the whole trip was our visit to the ole stand-by--ice cream parlor--where we enjoyed that favorite of all American favorites, ice cream soda!!

"A" CHAMPS DEFEAT "B" CROWN HOLDERS, 6-1

Under the 2-hit pitching of Taniguchi, the 220ers, "A" champs roughshodded over the 216 "B" champs, 6-1.

In the second inning four runs were credited to the victors when J. Hayashi singled, K. Sakai poled a circuit blow, S. Hayashi walked and T. Taniguchi hit a homer over left fielder's head.

216's run came in the 4th when C. Sukekane drew a walk and crossed home on a triple by S. Kawaguchi.

Taniguchi struck out 12 men for the 220ers while Kado and Kawaguchi hit 1 for 2 for the losers.

WINTER HARBALL LEAGUE TO START AT POSTON III

All boys who are interested in playing hardball with any of these 5 teams can get in touch with the respective managers through Roy Mizota. The teams which will constitute the league will be Reedley, Dinuba, Evacuee All Stars, 328 Volunteers, and the Trojans. All the newly organized teams will work out this Sunday morning Nov. 15.

NISHIKAWA BLANKS ALL STARS

Nishikawa again demonstrated his mastery over the "AA" players when the Shamrocks defeated the "AA" All Stars 4-0.

Burning his baffling "upshoot" past the all stars, Nishikawa struck out 9 men in the 4 innings played. The only threat made by the all stars was in the second when W. Ogata and M. Tsuda made successive singles after 2 were out. Nishikawa promptly squelched this impromptu rally by striking out Kadani.

The Shamrocks scored 2 runs in the second on hits by Nishi, Okumura, H. Nishikawa and T. Yamamoto. The final 2 runs were scored in the third.

Kiyohara, All-Star chucker, was touched for 6 hits to be charged with the defeat.
