FAIR PRACTICE REPRESENTATIVES MEET TODAY AT UNIT I

Some 60 Fair Practice Reps. recently elected at the F.P. Committee, held their first meeting, will hold meetings, will hold their initial gathering called by the the Unit II Construction Department, and was reported as follows by Unit II Adm. J. D. Crawford: High Nov. 12, 1942.

"It is to be hoped that the Poston police Training Academy will be opened on Monday, Nov. 30th," stated Ernest L. Miller, Chief of Internal Security, yesterday. "The training will depend entirely on whether Carl Putterbaugh of the Unit II Construction Department completes the Academy building by that time."

Poston policemen will be offered a comprehensive course for four weeks in every phase of police work. According to Chief Miller the training is designed to give the trainees an opportunity to learn every possible phase of policing along professional standards, so that the Poston police will be equipped to go into professional law and order work after this war."

C.E. "EXPLAINS CLOTHING FUND"

To clarify section A and when WRA issues in the recent Profit & the compensation, it Loss Statement distributed will be placed into the $16,000 Surplus fund. "In other words," Yoshida asserted, "we are the Community Enterprise, Roy shida explained. "Mrs. Shidlo of that Center passed away on Nov. 12. The announcement is here made."

"ENORMOUS POSSIBILITIES FOR NISEI POLICE," SAYS MILLER

Former evacuees of Santa Anita Assembly Center are requested immediately to notify their publishers and correspondents of their change in address. Due to the tremendous amount of mail handled at S.A. Post Office, most of the second class matter will "take time" to be forwarded to the addressee immediately.

ATTENTION: RED CROSS GRADUATES!

Certificates for Life Guard, Water Safety Instructors' courses have been received by the local Red Cross Chapter, and all who took their examinations and passed it; are requested to report to R.C. 30, for their diploma.

MANZANAR EVACUÉE DIES

Dr. T.G. Ishimaru, Council chairman, received a telegram yesterday from Manzanar, which disclosed that Dr. Shimoda of that Center passed away on Nov. 12. The announcement is here made.

"LET'S NOT BE THAT WAY!"

The Truck Crop div., after a "fruitless" request to the public for their cooperation in not obtaining any vegetable grown on the fields located in the Fire Break areas between the Blks. today find themselves in a very difficult position in getting enough produce to meet the quota for each and all mess halls.

"We have asked the people to keep out of the vegetable patches, but it appears futile now since our request has been wholly ignored by some persons who insist on stealing them," related Harvey Suzuki, head of the Dept.

"It may be necessary to change our location, though at the present time the large site in the outskirt of the Center will not be ready for planting for a considerable time as yet.

"This leaves us no alternative but to produce vegetables where they are now found. But equal distribution from now on, to each mess hall, will largely depend on the attitude of the Community to cooperate.

"Let's be fair with everybody—since the loss of crop means the shortage in the kitchen," Mr. Suzuki concluded.

In the recent picking of cucumbers it was discovered only 200 lug boxes were filled, whereas the Div. expected at least a 1000 boxes from the patch.

RECORD SET IN COTTON PICKING

Setting a new high for a single day's cotton picking, harvesting crews from Blk. 39 and 42, Poston, on Armistice Day gathered approximately 9,000 lbs. in the fields adjacent to the Indian Trading Post. Checks for the day's yield totaled approximately $250 and will be devoted to the particular Blk. Fund.

Meantime, there were no definite indications from Lt. Gen. J. L. DeWitt that his order regarding picking of cotton in Military Zone No. 1 would be modified to permit further harvesting of the Parker cotton crop. Deadline for the effectiveness of the rescheduling order was midnight Thurs.

Of the motley crew, of 50 who left for Franklin County, Idaho last September 23rd, eleven returned to their homes in Poston II. Met at the Parker station, Nov. 10th by James D. Crawford, Unit II Administrator, and John Maeno were Joe Higashi, Ray Matsushita, Jim Arikii, Tom Yamamoto Takeo Toguchi, Minoru Onishi, Yuji Onishi, Yasutada Hasegawa, Tadao Kimura, S. Katashima and Isaa. Jo.

The remainder of the original group accepted positions in other points in Idaho and Myssu, Oregon.

WATER ...... AT LONG LAST

The most anticipated news expected was announced by the Pump Engineer of the Fairbanks Morse Company of Los Angeles yesterday.

Water shortage will be eliminated here through the installation of the gears and a new 15-foot shaft which replaces the sprung shaft, making the whole unit new.

The Engineer reported that since this is his third trip to inspect the repairs and to personally supervise the work the residents will be assured of ample water supply.

EIGHT MEN FOOTBALL ADOPTED

At the football managers' meeting Thursday night, 11-men football was scrapped in favor of 8-men teams. 8-men football was adopted to insure a speedier game and to allow more blocks to join the league.

Important revision of rules included the "no cleats" edict and an 80-yd. and 40 yd. playing field.

For the B league, the age limit was raised from 16-18 to 16-19.

ALL STAR TEAMS TANGLE

AMERICANS DEFEAT NATIONALS

In the old men's All-Star league team bowed to the American "B" Leaguers, 6-5, in a tight game.

The game was thrill-packed with neither team able to take a commanding lead. Both teams were tied all going into the last inning. The Americans scored twice while holding the Nationals to 1 run in their half of the last to take the ball game.

POSTON TWO STUDENTS HOLD SUCCESSFUL PEP RALLY THURSDAY AT COTTONWOOD BOWL

Starting off the school activities for the year with a bang was the Pep Rally sponsored by the class of '44. Starting off the fireworks were two movies shown by Mr. Nelson, Exec. Assistant. This was followed by the rhythms of Tom Masamori and the Harmony Hall Orchestra with vocals by Haruko Yamamoto and Sachi Endo. Master of Ceremonies George Obana tested the musical mentality of the classes in a musical quiz, which the Juniors won with a perfect score.

The Seniors and Frosh tied for second place and the Sophs came last with no score. Leading the enthusiastic prepsters in their songs and yells were Sachiye Mizuki and Esther Nanamura, yell leaders for the class of '44.

Lending a solemn note to the riotous festivities were the excellent speeches delivered by John Maeno of the Legal Dept. and Itsu-mi Oita who represented the Student Body. The program was brought to an end with the closing theme of the Harmony Hall Orchestra.

BOOKS, CHAIRS FOR SCHOOL ARRIVE

The second shipment of books for elementary classes arrived on Thursday, it was reported by principal Chester Potts of the Poston III schools. 240 chairs for high school classes were recently installed. The amount was unit 3's share of the 1,000 which came to Poston in the first shipment.

Six thousand more chairs have been ordered, it was stated.

The 324 recreation hall will be used as the school study room next Monday, according to Mr. Potts. Also, Physical Education classes will probably open within a couple of weeks if basketball backboards and other necessary equipment can be obtained by that time.

Other plans called for the use of sand on the school site to keep down the dust on the playground.

Teachers are now visiting parents of the students in order to report progress being made and to discuss problems faced at the school.

WORLD KNOWN HEALTH CONSULTANT SPEAKS TO P.T.A.

Sally Lee Jean, world-known consultant in Health Education spoke before a large crowd of interested parents and teachers at a P.T.A. meeting Thursday evening. In her inspiring speech Miss Jean told of her visit to Tokyo with Dr. Seiki, well-known scientist, who discovered the cause of beriberi. She commended the mothers and teachers here on their excellent work on the children's lunchroom and added that Poston I and II have still to follow Poston III's example.

Among the important health problems she pointed out are insufficient sleep of children and the conveying of germs to the mouth through dirty hands.

Mrs. Art Takeumoto and Mrs. lwata were co-chairman for the evening and Mr. Kagiwara acted as interpreter for Miss Jean.

Mr. Potts, school principal spoke on the progress and problems of schools here in Unit III. Two songs were presented by a group from the sixth grade class led by Miss Barley.

The temporary committee chairman and members were introduced.

DEAR EDITOR;

Now that softball is over and winter is here, football seems to be the major sport here. Some of the blocks already have 9 man teams and have played some games already. We have heard rumors that F.C.3A. has said, this 9 man football league is too rough the way it is being played and that six man football ought to be substituted for it. Well, to us it seems credit ought to go to these boys for having enough initiative to start playing on their own. What we would like to know is: What have you done? The football season is half over and yet there is no league sanctioned by the F.C.3A. and furthermore if these games being played now are too rough, why not send a few F.C.3A. officials out to the games? Then, maybe the games will run more smoothly.
