# AUDIENCE NOTES

## EMERGENCIES

Personnel from the Health Center and the Department of Public Safety are on duty to provide aid in the event of emergencies. In addition, ambulance service will be available between 4:00 and 8:00 p.m. The ambulance and the crew of emergency medical technicians will be stationed at the rear of the Health Center, behind the platform.

## GIFTS AND MEMORABILIA

The Bookstore will be open today from 1:00 to 5:30 p.m. The Bookstore is located to the west of the Creative Arts Building.

## INFORMATION

Three Information tables have been set up near the sidewalks adjacent to the parking lots—near the gymnasium, by the turn-around at the main entrance and near the Visual Arts building. Staff will be able to answer questions concerning the receptions and the ceremony.

## PHOTOGRAPHS

Guests wishing to take photographs and video recordings during the ceremony are invited to do so. A marked area near the platform has been designated for that purpose. Please do not block the view of others or linger in that area after you have photographed your graduate.

## PRESNTATION OF THE GRADUATES

As the graduates' names are read, each student will cross the stage. A professional photographer will photograph each graduate at that time. Order of presentation: Masters' candidates from the Schools of Business and Public Administration, Education, Humanities, Natural Sciences, and Social and Behavioral Sciences will be called first. The undergraduates will follow in alphabetical order.

## RECESSINAL

The Recessional requires the cooperation of both graduates and audience. To enable the Recessional line to keep moving and to avoid a major congestion problem, the audience is asked to remain seated until all graduates have left the seating area. The graduates will follow the faculty and the platform party east to the gymnasium, at which time they will disperse. There will be time to take additional pictures before the graduates turn in caps and gowns at the tables in front of the gymnasium.

## REFRESHMENTS

The CSUSB Alumni Association is selling soft drinks and snacks in four locations near the Commencement site. Proceeds will be used for student scholarships and the emergency student loan program. Please help us to recycle by putting the empty cans in "recycle" containers.

## RESTROOMS

There are twelve portable restrooms located immediately behind the bleachers.

## SMOKING

No smoking is permitted during the ceremony.

## TELEPHONES

Portable telephones are available for your use. They are located between the Commons and the Student Union.

## WATER

Bottled drinking water is available, free of charge, from twenty-seven dispenser stands placed in convenient locations around the campus.

# COMMENCEMENT NOTES

## THE UNIVERSITY MACE

The university mace is a ceremonial symbol of authority carried in academic processions at commencements and convocations. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity.

The university mace was designed and fashioned by Mark Petherbridge, BA, Art, 1985, with technical supervision from Roger Lintault, professor of art. The head of the mace, cast in silicon bronze through the traditional lost wax process, bears the logotype of the university on the crest, surrounded by symbols of education. The shaft is constructed of rosewood, chosen for its rich color, and trimmed with laminated maple strips. The mace, including the bronze tip, is approximately 27 inches long.

## THE ACADEMIC DRESS

Academic ceremonies with their gowns, mortarboards, tassels, hoods and maces are colorful traditions handed down from European universities of the Middle Ages. The first organized institutions of learning took form during the twelfth and thirteenth centuries, generally under the jurisdiction of the church. Academic regalia, as we know it today, has evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

United States universities now have standardized the academic regalia so that its features are common throughout the country. The gown is ordinarily black for academic degrees. The pattern of the sleeves varies with the degree held: pointed sleeves for the bachelor's degree, short sleeves for the master's degree and round full sleeves for the doctor's degree. The bachelor's and master's gowns have no trimmings. The doctor's gown is faced down the front with black velvet and three bars of the same material across the sleeves. The color of the velvet on the sleeves also could be the color of the subject in which the degree was earned.

The hood usually is not worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. The silk lining of the hood bears the colors of the institution from which the individual was graduated. The velvet binding or edging of the hood designates the academic major in which the wearer has taken his or her degree.

The field of study is indicated by the color of the velvet facing on the hood of all master's and doctor's degree holders. The brown chevron and the blue lining on the master's hood depict the colors of California State University, San Bernardino.

### HONORS

Class of 1991: Students eligible to participate in the 1991 Commencement ceremony are the December 1990 and March 1991 graduates and the June, September and December 1991 candidates for degrees.

Graduation with Honors: Honors at graduation are awarded to undergraduate students in three classifications based upon all courses taken at California State University, San Bernardino and other institutions of higher learning. The minimum grade-point averages for recognition are: Honors, 3.5; High Honors, 3.75; and Highest Honors, 3.9. June 1991 candidates for degrees are listed with honors as based upon their grade-point averages at the conclusion of the winter quarter. Departmental honors awarded by the student's major department are indicated by a ▲ symbol.

Phi Kappa Phi: In recognition of outstanding academic achievement, students graduating in the top 10 percent of their class are invited to join The Honor Society of Phi Kappa Phi. This national honorary society recognizes and encourages superior scholarship in all academic disciplines. Membership in The Honor Society of Phi Kappa Phi is indicated by a ■ symbol.

### HONORS CORDS

Both Phi Kappa Phi members and students who have earned university honors through June are eligible to wear honors cords as a special mark of the distinction they have achieved.

### NOTES

Photographs: The University Relations Office has arranged for a commercial photographer to take pictures of each graduate crossing the stage.

The students listed herein were candidates for the degrees indicated when the Commencement program was printed; this is not an official degree list. Diplomas will be issued to those who successfully complete all requirements. Inquiries about your listing should be directed to an evaluator in the Admissions Office (714) 880-5201.
