SAN BERNARDINO, OUR ALMA MATER

Beneath the shimmering mountains,
near sea and desert sand,
our Alma Mater stands secure,
truth's light held in her hand.

Her youth and energy we share as
we reach towards wisdom's door;
Her name we laud and gladly bear,
with pride our spirits soar.

San Bernardino,
our Alma Mater,
we sing our praise to thee;
San Bernardino,
as sons and daughters
we pledge faith and loyalty!

RECESSIONAL AND FANFARE

The audience is requested to remain
seated until the graduates, faculty,
and platform party have exited.

EMERGENCIES

Personnel from the Department of Public Safety are on duty to provide aid in the event of emergencies. In addition, an Emergency Medical Technician (EMT) will be available, stationed inside the Coussoulis Arena lobby.

GIFTS AND MEMORABILIA

The Bookstore will be open on June 14 from 12:00 p.m. to 6:00 p.m. On June 15, the Bookstore will be open from 8 a.m. to 6:00 p.m. The Bookstore is located to the west of the former Creative Arts Building. Bookstore personnel also will be stationed at various locations around the Commencement site selling congratulatory bouquets of flowers and balloons.

PHOTOGRAPHS

Academic Affairs has arranged for a commercial photographer to take pictures of each graduate descending the stage. Proofs will be sent to each participant who has requested them. The photographer will also have an area set up outside the arena where they will photograph the graduates with their friends and families.

Guests are asked to take photographs and video-tape recordings outside the arena where there will be several photo opportunities before and after the ceremony.

PROCESSIONAL

The processional requires that all of the aisles remain clear so that the faculty, graduates and the platform party may enter the Commencement arena unimpeded. The audience is asked to remain in their seats and to cooperate with marshals and ushers.

PRESENTATION OF THE GRADUATES

As the graduates' names are read, the students will cross the stage. A professional photographer will photograph the graduates as they descend the stage. Order of procession: Master's degree candidates will be called first. The undergraduates will follow.

RECESSIONAL

The Recessional requires the cooperation of both graduates and audience. To enable the Recessional line to keep moving and to avoid a major congestion problem, the audience is asked to remain seated until all graduates have left the seating area. The graduates will follow the faculty and the platform party to the area where they assembled at which time they will disperse.

REFRESHMENTS AND ALUMNI GIFTS

The CSUSB Alumni Association is selling cold drinks near Coussoulis Arena. Proceeds support the Alumni Association Scholars Fund which provides scholarship awards to deserving students. Guests looking for the perfect way to say "Congratulations!" to their graduate also will find attractively wrapped alumni gifts at the Alumni Association tent. Class of '97 grads are encouraged to stop by for a complimentary CSUSB alumni decal.

RESTROOMS

There are restrooms in the Coussoulis Arena and in the old PE building adjacent to the arena.

SMOKING

No smoking is permitted inside the Coussoulis Arena.

TELEPHONES

Telephones are available for your use on the south side of Pfau Library, inside the Lower Commons, the first floor of University Hall and between the Commons and the Student Union.

THE UNIVERSITY MACE

The university mace is a ceremonial symbol of authority carried in academic processions at commencements and convocations. Originating in the Middle Ages, it once was a formidable weapon, held ready to protect the person of dignity.

The university mace was designed and fashioned by Mark Petherbridge, B.A., Art, 1985, with technical supervision from Roger Lintault, professor of art. The head of the mace, cast in silicon bronze through the traditional lost wax process, bears the logotype of the university on the crest, surrounded by symbols of education. The shaft is constructed of rosewood, chosen for its rich color, and trimmed with laminated maple strips. The mace, including the bronze tip, is approximately 27 inches long.

THE ACADEMIC DRESS

Academic ceremonies with their gowns, mortarboards, tassels, hoods and maces are colorful traditions handed down from European universities of the Middle Ages. The first organized institutions of learning took form during the twelfth and thirteenth centuries, generally under the jurisdiction of the church. Academic regalia, as we know it today, has evolved from the robes, hoods and caps worn mainly for warmth in unheated buildings by the clerics, monks and priests who were the first students.

United States universities now have standardized the academic regalia so that its features are common throughout the country. The gown is ordinarily black for academic degrees. The pattern of the sleeves varies with the degree held: pointed sleeves for the bachelor's degree, short sleeves for the master's degree and round full sleeves for the doctor's degree. The bachelor's and master's gowns have no trimmings. The doctor's gown is faced down the front with black velvet and three bars of the same material across the sleeves. The color of the velvet on the sleeves also could be the color of the subject in which the degree was earned.

The hood usually is not worn for the bachelor's degree. The master's hood is shorter and lacks the panels of the doctor's hood. The silk lining of the hood bears the colors of the institution from which the individual was graduated. The velvet binding or edging of the hood designates the academic major in which the wearer has taken his or her degree.
