CSUSB Faculty Innovative Course Development Grant

Progress Report

Faculty Name: (Anna) Ya Ni

Department: Public Administration

College: College of Business and Public Administration

Title of project:

Teaching Public Management Information Systems Online

Period of award: Summer 2010

Outcome of project

- As of winter 2011, the course PA650 01 is taught in a hybrid format (partially online, including two pilot online teaching modules and two online exams).
- The course PA650 70 will be taught in a fully online format in Spring 2011.

Summary of Progress

As of the date of this report, major components of the project completed:

1. A graphic course banner,
2. An interactive and navigable syllabus,
3. Two pilot teaching modules (Blackboard Learning Units) implemented online, each of which includes
 - a. Interactive and navigable reading materials
 - b. Video/audio presentations (using ISpring Presenter)
 - c. Online discussion forum (with Blackboard Discussion Board)
 - d. Pre- and post-tests of course materials (through connections to external textbook websites and instructor self-created tests on Blackboard)
4. A student group project,
5. Two online exams (with Blackboard test manager),
6. Interactive grading/feedback for student assignments (through using Blackboard Assignment and Adobe Acrobat to provide student feedback),
7. All PowerPoint lectures for the planned ten teaching modules, and
8. A demonstration session of the course design in the department in summer 2010.
