Beal and Cromwell are to present the proposal of Torie’s presentation to these committees. Beal asked that if the Collegiality and/or the Diversity Committee do not agree to assist in the cost to bring Torie to campus, is this something that SC can pay for. Freer stated that he did not foresee an issue for SC to request additional funds for this.

4. New Business
   a. Transition Processes for Staff Council
      i. Huston asked if there was a transition process from old and new SC members. There was discussion to create a business process on how to establish a transition process.
      ii. Freer suggested that the first SC meeting with the new members should be an orientation that involves the discussion of the bylaws and the purpose of Staff Council and second meeting should involve the electing of SC Executive Members.

b. Emergency Fund for Staff
   i. Beal mentioned that a Facilities Services staff member will have to take a leave of absence from work for the next several months due to an illness and asked what the SC can do to assist her. Freer suggested that it may not be in the best interest of SC to promote the assistance of this staff member since there are several staff who have requested assistance as well. It would be best to promote it on an individual basis, not as staff council. Garcia asked this item be tabled for the next meeting to create a sub-committee for the Emergency Staff Fund.
