This Other is brought to you for free and open access by the Teaching Resource Center at CSUSB ScholarWorks. It has been accepted for inclusion in Teaching Skills Study Awards (TSSA) Reports by an authorized administrator of CSUSB ScholarWorks. For more information, please contact scholarworks@csusb.edu.

TSSA One-Page REPORT

(one for each conference attended)

Name, Department, and Email address:

**Paul Orwin
Biology Department
porwin@csusb.edu**

Name and Date of conference attended:

**19th International Conference on Microbial Genomics
September 16-20, 2012**

Teaching Skill(s) Studied:

Incorporation of bioinformatics tools into classroom experiences for microbiology.

Use of real experimental data in instruction on analysis of genomic data

Designing and implementing a course in advanced microbiology that includes experimental design, lab work, and bioinformatic analysis.

Impact on Current Teaching (How was this info applied)?

I am currently teaching a Special Topics Course (Biol490/491) in Functional Genomics that incorporates the lessons learned from this conference.

Date Submitted: 11/1/2013
