CALIFORNIA STATE COLLEGE

AT SAN BERNARDINO

November 10, 1967

The BULLETIN

BULLETIN TO CUT NEWS OF MEETINGS

Growth of the College is forcing the Publications Office to curtail the mushrooming size of the weekly Bulletin. In order to meet space limitations, the Bulletin no longer will be able to publish the fact that administrators, faculty or staff have attended meetings. The "People in the News" items regarding meetings will concentrate on participation or publication at meetings, rather than attendance.

However, the Bulletin staff will continue to urge all CSCSB personnel to contribute news items of general interest: publications, promotions, elections, births, deaths, speeches, television or radio appearances (see below), etc.

"TV GUIDE" ADVANCE NEWS SOLICITED

Some College personnel have appeared on television recently. In the future the Bulletin would encourage all CSCSB personnel who know they are going to appear on TV or radio to give the Publications Office advance notice, so other CSCSB personnel can tune in.

DOTTIE OGLE NIX IN PIANO RECITAL NEXT TUESDAY

Dottie Ogle Nix, Pianist
from Santa Ana, will give a
recital Tuesday, November 14, in PS-10 from 11:30 a.m. to 1:30 p.m.

Miss Nix has given many Orange County recitals and teaches in the Yorba Linda and Santa Ana area. Having begun to study the piano at three years old under the tutelage of her father, Mrs. Nix has recently studied with Johana Harris, pianist and wife of composer Roy Harris of Los Angeles. She also studied at the Vienna Conservatory.

One of Mr. Harris' compositions will be included in her CSCSB recital, as well as compositions by Beethoven, Franck, Ravel and Alban Berg.

LIBRARY DISPLAYS The College Library is currently displaying scenes
SCENES OF VENICE of Venice from the Frank V. de Bellis photograph
collection. The large number of photographs in-
cluded in this collection will permit the library to offer many unusual
views of the beautiful Adriatic city.

The rotating collection, a gift to the California State Colleges from Frank V. de Bellis, will remain on our campus until the end of November.

"TEACHING MACHINE" Faculty members who notice student deficiencies
MATERIALS AVAILABLE in four areas --statistics, algebra, German and
Spanish-- can now refer them to a new "teaching
machine" in the Library. Programmed instruction materials in these
areas can give the student self-tutoring help.

"This programmed material gives an ideal refresher for students who may want to brush up on their high school algebra, for example," said Dr. James Freeman, Director of Institutional Studies. "The more this system is used, the more materials will become available. It is like having a private tutor available to students who need help in these areas."

Dr. Freeman currently is planning wider use of computers on the CSCSB campus, for instructional and administrative purposes.

PHILOSOPHY FORUM A new, continuing series of open discussions and
STARTS WEDNESDAY debates, sponsored by the Philosophy Staff, will
begin on Wednesday, November 15, in Room L-141 at
12:30. Professor Paul Johnson (Philosophy) will moderate a discussion
by Professors Ward McAfee (History) and Leslie Van Marter (Philosophy)
on the topic "Values and History." After a round of exchanges by them,
the audience will be free to participate. All faculty, staff and
students are welcome, and suggestions for future topics and speakers
will be appreciated. The Philosophy Forum is eager to tackle any
lively issue, new or old.

PROFESSORS PASS Two professors of English exploded for five-touchdown
FOR FIVE TD'S passing performances last week in the Faculty Touch
Football League. Charles Clifton connected on five
touchdown throws to 6-foot-3 Bob Stein, who outleaped the defense for
all the winners' scoring in a 5-3 victory by George McMichael's team
over Jesse Hiraoka's. Phil Present caught two TD passes from Dr. Hiraoka,
who ran for the other score.

Clark Mayo's five touchdown passes sparked Bruce Golden's team to a 7-1 rout of Ed White's. Mayo hit Bob Roberts for three touchdowns, Ron Barnes and Golden for one each. Barnes and Mayo also ran to score. Dr. White scored on a pass from Mike Eberhard.

BLOOD RESERVE FUND
SET UP AT CSCSB

A Blood reserve fund has been established for the College to benefit all students, faculty and staff, as well as their immediate families. This will assure a supply of blood, free of charge, anywhere in the United States, when needed. (Blood costs \$40.00 per pint.)

Medical authorities from the Health Center state that nature makes it easy to give blood; an average person has about 10 to 12 pints in his body; a normal donation is one pint. They also state that donating a unit of blood quickly stimulates a healthy person's bone marrow and his blood count is as normal after the donation as before.

A Bloodmobile from Riverside and San Bernardino Counties will be on campus November 16 from 10:00 a.m. to 2:30 p.m. to receive donations. All next week members of the Newman Foundation will be at tables throughout the campus to sign up donors, give out literature and answer questions. Donors may also sign up at the Student Health Center.

PRE-LAW STUDENTS
CAN HEAR EXPERT

Professor Herbert Lazerow from the University of San Diego School of Law will be on campus next Thursday, November 16. Prof. Lazerow will be available to speak to pre-law students and advisors about law schools, legal opportunities and pre-law programs. He will be in the Faculty Conference Room, A-121, from 11:00 a.m. to 1:00 p.m.

VISITORS ON CAMPUS

Last week members of the Uptown Optimist Club visited the campus as part of National Education Week. They were taken on a tour of the campus by Dean Joseph Thomas, Ben Adams and James Urata.

PEOPLE IN
THE NEWS

Joseph Thomas (Executive Dean) has been named as chairman of "Native Sons" College Careers Committee, under sponsorship of the San Bernardino Chamber of Commerce. Interviews will be conducted in San Bernardino December 27. Purpose of the unusual session is to enable college students who are home for Christmas to discuss employment and career opportunities with Inland Empire job-makers.

Leo Kreter (Music) presided last week over a preview of the San Bernardino Symphony Orchestra at the Arrowhead Country Club which was termed a "big success" by the Sun-Telegram music critic, Charles Perlee.

ALL-COLLEGE SPORTS
FORUM HELD

Last Tuesday an All-college Sports Forum was held to discuss the question of whether the College should have inter-collegiate athletics on this campus. President Pfau presented the administration's position and Michael O'Gara, Chairman of the Physical Education Dept., spoke on his department's philosophy and position. Students who presented their arguments were Mickey Brown, who gave the ASB attitude; and Jerry Rohde, who spoke in favor of a student soccer club.
