The Lord is my Shepherd, I shall not want. The beautiful passage was one of our verses in the Sunday School lesson. Rev. Smith did a beautiful job as he reviewed our lesson today. The Lord is our shepherd and we are all sheep. We would like to acknowledge the presence of Tyrese Brooklyn in our Sunday School.

Our youth presented a monologue in song as they sang songs that were uplifting to our hearts. Then Rev. Anthony Daniels of Inglewood. They are the brother who must be mindful of our stewardship and do the very best job that we can do. We ask Jules to benefit when we expect the followers to do in what we do. We ask the disciples and must humble ourselves to the service of God and the Lord will test us. False shepherds will see why the wayward and must give account of their deeds.

We were happy to acknowledge the presence of Sis and Anthony Daniels of Ingleside. They are the brother and sister-in-law of Mrs. Arlene Daniels. We bath is our presence the Amelia Betha of Kansas City who is the mother of Mrs. Amelia Glimore. May God bless and enable them upon them. We will sponsor a musical on September 28th at 5:00 p.m. The public is invited.

CONSUMER QUESTIONS & ANSWERS

QUESTION: What is sterilized whole fluid milk?

ANSWER: Another milk choice is on the grow's shelf. New shoppers can buy sterilized whole milk. This year sterilized whole milk is being introduced in California. Anyone who has on sterilized milk it is considerably less expensive than pasteurized milk at the same price, and a white milk. Sterilized milk is a heat. The milk is rapidly heat-treated (156°F) p.m. The milk is stirred while it is being heated. The product keeps up to eight months on the grow's shelf or a refrigerator. No refrigeration is needed until the package is opened. After opening, sterilized whole milk needs refrigeration just as any other fluid milk product normally requires. Sterilized milk has a shelf life just like regular whole milk. Sterilized milk is available in many different sizes and shapes. First, some is called without refrigeration, those who prefer drinking milk need to transfer the milk from the cabinet shelf to the refrigerated shelf. Some of the flavor of the milk is noticeably improved by pairing by pairing from one container to another three or four times. Use sterilized whole milk as you would any other fluid milk product. The grade of sterilized whole milk varies from grade B to grade A.

Affirmative Action Under The Gun

How it is that offenders that can't be cut off from lucrative federal contracts and the EEOC may return to the policy of emphasizing individual compliance, even though it is doubtful that it will help the resources to resolve them quickly. It is a critical moment in the fight to make health-related products available at a reasonable price to all Americans. The first step is to encourage healthy eating habits and to make sure that organizations like the American Heart Association and the American Cancer Society are working to get the message out.

The second step is to develop a comprehensive strategy for combating obesity. This includes initiatives to promote physical activity, improve access to healthy foods, and provide incentives for employers to implement healthy workplace policies. The third step is to ensure that insurance companies cover obesity-related treatments and medications. The fourth step is to continue supporting research on the causes and prevention of obesity.

This approach will require a coordinated effort among federal agencies, the private sector, and communities. It will take time and resources, but it is essential to reduce the burden of obesity on our healthcare system and improve the health of all Americans.

Riverside Is Home Says
Baker And Bond

RIVERSIDE - Riverside is happy to have its own set of greats. Born and raised in Riverside, baseball hall of famer "Dusty" Baker of the Los Angeles Dodgers and Bobby Bonds of the Chicago Cubs. Both met August 28, 1981 at the L.A. Dodgers Stadium when the Cubs played the Dodgers. Ironically, in the 5-in-4 move Bobby Bonds of the Cubs had the only run made.

The interview focused on family, home and the friendship of players and those working with the players. From Manager Tommy La Noce to Dusty Baker and John Hilt, Dusty shared a photo of his five-year-old daughter and Bobby, raised at home in Riverside. "That's home, I don't care where we go in the world I just stay with my family and friends," says Bonds. "California is a home that Bobby, in mother and family will result in the city. Dusty's parents are in Sacramento, Ca.

RCC Appoints Oliver
Sports Publicist

Craig Oliver, 22, has recently assumed the duties of sports publicist at Riverside City College.

"A good sports information program is based on fairness, accuracy and infor- mation报送ing at busy times," he said.

He will disseminate information about men and women's intercollegiate sports programs at RCC.

Oliver, a native of River- side, is a graduate of John W. North High School. He earned a bachelor's degree in journalism from Texas Southern University in Houston in 1981.

While attending TST, he played football for three years on as wide receiver and was a member of the track team. He also served as president of the University's Phi Delta Chi Society of Professional Journalists, as secretary of the University Program Council and a member of the National Organization of Black University and College Students.

In Houston, Oliver served as a moderator for radio station KTSU, a documenta- ry producer at radio station KXIV and as a newswriter at radio station KILT.

He now lives in Riverside with his parents, Cecil and Mary Oliver.

His interests include partic- ipating in community activi- ties and political campaign activities.

"My goal at RCC is to grow the principles of a good sports information pro- gram while serving as sports publicist," Oliver said.

FREElANCE REPORTER, Gwen Streeter gets it all on tape as Bobby Bonds number 25 takes of home and his first baseball experience at the Community Settlement House. "It's hard to be on that place I don't know where I'd be." Dusty Baker number 12 for the L.A. Dodgers spoke of his family, and the chances given him as a youngster in Riverside. He says, young people may not get many chances but when they get a chance they have to be ready both mentally and physically and have a good attitude, work as hard as they can and realize the rewards are great and you have to work for everything you get.

CITY OF RIVERSIDE COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

THE CITY OF RIVERSIDE INVITES YOU TO A SPECIAL CDBG MEETING TO IMPROVE YOUR NEIGHBORHOOD

What Is CDBG? The Community Development Block Grant Program (CDBG) is a federal program that provides funds to local governments across the United States. These funds are designated to: develop better housing for low-income residents; eliminate slums; and slum blight; improve neighborhoods; and meet the needs of Senior Citizens & the Handicapped. Next year, the City of Riverside expects to receive over 2 million dollars from the CDBG Program.

How Are Projects Selected? Neighborhood meetings will be held in September & October to elect Neighborhood Advisory Committees for various areas of the City. These Committees will hear your suggestions and recommend projects to a citywide Advisory Committee and the City Council, which will make the final decisions.

How Can I Participate? Citizen participation is important in the CDBG Program. You can become involved by attending your Neighborhood's Meeting, as shown below. For more information, call the City Manager's Office at 787-7554.
