American Muslim Mission
By Renu Johnson
With the name God, The Greatest, the Compassionate

Why do Muslims wear veils on their heads and wear long dresses? What is the significance of the Muslim dress code? To get a better understanding of the essential reasons and advantages of the head gear and dress standard, non-Muslim should have some knowledge about the significance of the inner meaning of their dress code.

The notion of clothing is to cover the body, sheltering it from various elements in the environment such as wind, sun, and cold. Clothing also serves to protect the human being from injury. If a person comes out, particularly wearing no clothes at all, that person would be judged what is called搜狐 redundant exposure because he has gone beyond the legal limit of dress code that is prescribed by our Lord. If even people are not allowed to violate the laws in any more, we are aware of the significance that God promises for us in regards to dress standards.

On one hand society is discouraged by the law not to violate civil dress codes. On the other hand, the clothing and particular lifestyle. The chief significance of the Islamic dress code is not permitted to take priority over modesty.

Our Sunday school has been growing in attendance for this quarter and we are praying that this growth will continue as well.

Our sermon for this Sunday was "How strong is your faith?"

The celestial choir sang many beautiful selections and Mrs. Betty Baer led the choir singing "Ask What You Eat Of the Horse?" Mrs. lanett Fingers lead a special reading for Alms and sold "Just A Closer Walk With Thee.": The Pastor remained with us in the all the words in the congregation, we need Jesus in our lives.

Taking his text from Philippians 2:5-8, Pastor Tiett explained: People who don't know their faith are not His. The Church needs people whose hearts are right with God.

I would like to commend all of you for sharing our musical with us. We enjoyed your songs and Lord, this is with us and you gave your spirit manifested through us.

Rev. Smith said that we must give an account of our works and start working for the Lord. The Lord has us with us and we want to work and start working for the worship service.

Our sermon for Sunday was "How strong is your faith?"

Rev. Mr. Franklin will deliver the message for us on September 26th from 9:00 to 10:00 at Don's Acres located on the corner of La Sierra and Magnolia Avenue.

The Laymen's Organization held their election Sunday after noon, in the Memorial Hall.

William Gary
Delivers Message

Once again we were privileged to hear Reverend William Gary, our Town Minister deliver the message on last Sunday. His subject was: "Taking Inventory." The service began at 10:45 A.M. Reverend Gary instructed the congregation to take inventory of themselves. It is always good to examine ourselves and make sure that we are doing things that are pleasing in the sight of God. He also stated that the "foundation of God stands sure, having his seal, the Lord established them there for ever." and that everyone who call upon the name of Christ should depart from sin. If we profess to be Christian, we're not supposed to be in the world committing some evil act.

The Lord continued to close this message by day, at 3:30 p.m. the members of Antioch and our invited guests celebrated the Fourth Anniversary of our pastor and wife. Reverend Caniser of First Baptist Church of Perris was the guest speaker. Our theme for the afternoon was: "A Spirit-Filled Assembly." Revelation 2:13. As the invitation was extended for the assembly, our Lord blessed with a candidate for baptism. A special closing prayer was given by Mr. Daniel Thomas, one of our visiting Ministers.

The Youth of Antioch will be hosting their Annual Youth Day Celebration. The date are Oct. 28th @ 3:30 p.m. and Oct 31st at 3:30 p.m. Their theme is "Moving Together for Christ." Remind (530) 923-1901. First Baptist Church of Indio will fellowship with us on Oct. 13th.

The Senior Choir will be fellowship with the Friendship Baptist Church on Sunday Oct 21st at their Annual Day. The Youth and Young Adult will accompany Reverend Edwards of First Baptist Church of Perris, Rev. Edwards will be guest speaker.

development of children. Most parents today have fewer opportunities to move gradually into adulthood and to have part-time or full-time jobs where they worked. This is partly due to the availability of educational experiences that involve young people in new roles and activities and to the recognition that young people are capable of responsibility. Today’s youth are bombarded with examples of moral behavior and have a greater opportunity to be exposed to them.

The rise of such petty dictators of morality would be just a bad joke if they did not demonstrate political muscle and use sophisticated communications techniques to spread their distorted message. Wrong, they help set the stage for a climate of extreme monotony. As President Giannetti says they have, “invented a new means of spirit in our community, at work, and through the various educational experiences that children and students have through school."

Several Key Players Return to RCC

The Riverside City College Tigers managed to return more than 60 percent of last year’s roster this fall, by forming second place in the Mission Conference. This was a result of success under Coach Barry Meier, who made RCC last year from Riverside Poly.

RCC will be playing 11 of last year’s starters in the 1981 roster. Among them are defensive tackle Gino Tatum, from La Sierra High School. Tatum will play the 200 pound, 5’11” defensive end for La Sierra High. He continues, “The team is in better shape than last year. Also, the team thinks and acts more like a team. We have better defensive pressure against this year because of our improved offensive line and good receivers. This will be an excellent season.”

Receiving teams on the MVP and Rankers of the Year last year, Tatum explains that he has only two goals for this season, “I want to win the Mission Conference and go to a National Tournament.”

The Tigers will also be returning with experience at the center position in Larry Jones, the 215 pound, 6’0” information from a high school. Jones started eight games as RCC last year, and coaches say he is one of the team’s hardest workers, very consistent, tough and strong. At La Sierra, Jones entered the coaching program and was named All-State. He will return for the 1982 California Democratic Platform.

West Side Story at Inner City Cultural Center

In the Inland Basin, there are perhaps many of you who have never heard of the Inner City Cultural Center but for those of us in the Los Angeles area it's representative of Black Theater.

I.C.C.C. is far more than just a theater, it's school of performing and visual arts. It teaches dance, acting, music, and visual and graphic arts. I.C.C.C. is an accredited institute offering a Bachelor or Masters degree, and is recognized as one of the top arts schools in the Western United States.

I.C.C.C. has produced many critically acclaimed productions, the majority of which have been West Coast premieres. Recently, I was at the Inner City Cultural Center to see West Side Story directed by Larry Van Wyse and performed by 'youth People's Production Co. The cast surrounding of more than 20, ranged in age from 12 to 20 years.

As you can remember, the story is about two gangs in Harlem. The Jets, who are Puerto Rican immigrants and the Sharks, nationalized from the West Side of Chicago.
