4. Proposed Senate Resolution – Tiffany Jones
   • We received a draft of a senate resolution for the senate to consider and/or revise
   • We should wait until we get the results of the GE survey before we do anything in the form of a resolution.
   • We are not rejecting the report but the recommendations included in the report
   • The main concern is the process—not having any consultation
   • The GE report ignores state requirements of GE
   • We will form a sub-committee to tweak the language of the resolution
   • Statewide senator suggests we draft a resolution in support of the GE committee report.
   • The GE results will be on the next EC Meeting Agenda – May 21, 2019

We may need to have another EC Meeting on Thursday, June 6, 2019. Karen will send an email once a date has been identified.

5. Executive Committee Elections
   • Elections will be done on June 4th before Retirement Resolutions
   • Nominations should be done at the beginning of the May 28th FS Meeting
   • Senator Brown will send out an email letting all/new senators know about nominations on May 28th and election on June 4th. Will have less than a week to submit a statement.
6. **Faculty Appreciation Awards – Chair Kolehmainen**
   - UEC with Pepsi has donated 3 laptops for Faculty Appreciation
   - We decided to do a raffle among the Lecturers
   - Next year they will donate $2,000 for Faculty Appreciation
   - Suggest we solicit suggestions from the Senate on how to use the $2,000 going forward

7. **FAM 818.9 – Class Attendance Policy – Senator Fischman**
   - The Attorney added a few minor changes/additions
   - Will inform the Senate that the Legal Counsel looked at this FAM and found no issue with separation of church and state
   - FAM 818.9 will be on the FS Agenda on May 28, 2019

8. **Faculty Senate/Academic Affairs Retreat – Follow-up/Discussion**
   - The interaction was good and the retreat was well attended
   - Found some data presented misleading and disturbing, i.e., no information on faculty who have left (should have been the third piece)
   - Questions asked about data not on slide, no one had a response
   - Provost McMahan stated she would look into the concerns raised regarding data presented/not presented at the retreat.
   - The main goal was to have a collaborative event which was achieved
   - How do we get to an inclusive environment along with defining markers that we would like to see reached.

I am interesting in serving in the Teaching Academy at-large position. I am a tenure-track assistant professor in the Psychology Department (CSBS).  
Quality teaching is extremely important to me, and I would like to be involved with the TA to help improve both my own pedagogy and the CSUSB community in general. I have attended many TRC workshops and received a Teaching Study Skills Award earlier this year. Outside of the university, I am also involved in the Society for the Teaching of Psychology (STP), including their teaching conferences and authoring an STP e-book chapter about teaching statistics.  
Thank you,

University Enterprises Corporation Board of Directors – 1 position (2019-2022, tenured, tenure-track)  Jeremy Dodsworth

I am volunteering to be on the UEC Board of Directors. I currently have two projects (funded by NSF and NASA) that are managed by UEC, so I have had a decent amount of experience working with UEC and feel that I could contribute to improving it and am definitely invested in its future direction.

Thank you!

Philanthropic Foundation Board of Directors – 1 position (2019-2021, tenured, tenure-track)  Haakon Brown

I would like to apply for the Philanthropic Foundation Board of Directors position. Below is my statement and my CV is attached. Please let me know if you need anything else. Thanks!

Best,
Haakon

“I previously served on the Philanthropic Foundation Board of Directors from 2013-2015 but was not reappointed by the Senate EC in 2015. Despite my initial disappointment, I think this turned out to be a good thing since I was shortly thereafter elected to the EC myself where I have since gained much greater insight into the role of faculty governance on our campus. During my previous term, I made sure to attend every meeting, since I believe that it is important for the faculty to have a consistent presence and voice on this Board. The Board only meets 4 times per year so it can take some time to develop a rapport with the board members. Non-faculty board members are appointed to 3 year terms (versus 2 year terms for faculty) and may be (and generally are) renewed. Although I recognize the need to rotate faculty members in to positions such as these, I believe that greater faculty input into the decisions of the board can only come with a consistent presence on the board. In the two years of my previous appointment, I fostered relationships with the existing board members and developed a clear understanding of the business of the foundation. Since that time I have gained a greater understanding of the inner workings of the university as a result of my time served on the Faculty Senate, University Budget Advisory Council, and various university wide committees. In addition to my CSUSB experience, I have relevant educational and work experience. I worked in consulting in New York City for 4 years and later earned an MBA from the MIT Sloan School of Management and a Ph.D. in marketing from the Kellogg School of Management. Additionally, I served on the Board of Directors of Keough Kirby Associates, Inc. (a privately held independent insurance agency in Rhode Island) from 2003-2017. Through these experiences I have developed a thorough understanding of all aspects of business. I will provide a valued and respected faculty voice as a board member. Please let me know if you need me to provide any additional information.”
