CALIFORNIA STATE COLLEGE AT SAN BERNARDINO

August 9, 1968

The BULLETIN

STUDENT SERVICES STAFF INCREASES

The Student Services staff was increased this week by two new members, Dr. Donald C. Woods and Robert F. Gentry.

Dr. Woods, who comes directly from Wesleyan College in the Philippines where he was in charge of academic affairs, will be Counselor and Test Officer. He is a native Californian and received his B.A. in Psychology at UCLA and his M.A. and Ph.D. in Human Development (encompassing psychology, philosophy and sociology) at the University of Chicago.

Mr. Gentry will serve as Assistant to the Dean of Students. He formerly was Associate Dean of Students at Elmhurst College, Illinois. He received his A.B. at Hanover College in Indiana in psychology and his M.S. from Indiana University in Student Personnel. Among his other duties, Mr. Gentry will coordinate planning for the College's first residence hall, to be completed in 1971.

EXPERIMENTAL ADMISSIONS PROGRAM BEGINS IN FALL

An Experimental Admissions Program will be offered by the College this fall. The program will aid persons who do not meet the usual College admission requirements in obtaining admission.

A limited number of students will be admitted under this new program. Persons who have had some college work and persons who have been out of school or college for several years, as well as recent high school graduates, are eligible to apply for admission to the College under the EAP.

According to Dr. John M. Hatton, Summer Coordinator of the program, financial assistance will be available to EAP students through the Financial Aids Office. They will also be able to obtain special assistance in tutoring and will make special use of pass/no report grading.

FOUR CONSTRUCTION PROJECTS PROGRESS

The four construction projects now in progress on the campus are (1) The gymnasium and swimming pool, (2) The second permanent parking lot, (3) The landscaping around the two science buildings, and (4) The new Corporation Yard.

(contd. on page 2)

CONSTRUCTION - contd.

The first three projects are nearly completed. Work on the Corporation Yard, which will house shops and the Physical Plant offices, has begun in the western corner of the campus.

Groundbreaking for the new library will begin later this month.

BOWLERS PLAN
NEW FALL SCHEDULE

CSCSB Bowling League will resume activities again this fall. Faculty, staff and students are invited to participate in this all-College group, as well as members of their families.

Interested persons may contact Tony Britto, Ext. 252, or Fred Cordova, 291, for further information.

PERSONAL Ron Moore (Receiving) returned to work this week after a five-week illness. He has expressed his appreciation for the cards and well-wishes he received from the College staff during his stay in the hospital.
