Inland Empire Commemorates King Memory

By Art Cook

Perris area residents helped "the dream live on," in their commemorative services last Sunday evening. The mood of the evening was centered around unity.

The guest speaker of the evening was Dr. Yolanda Moses, the interim Dean of California Poly University at Pomona. Dr. Moses explained that due to the depth of character, dedication to the cause and numerous accomplishments of Dr. King, it is impossible to describe the greatness of the man in fifteen or twenty minutes. She however, reviewed his life and accomplishments expertly. She stressed the point that Dr. King's quest for human right through non violence, led him past the point

of no return and ultimately led to his death.

Dr. Moses spoke of the civil rights movement of the 60's and some of those who were outstanding figures of that era such as Rosa Parks of Birmingham, Alabama. She produced highly mental images of the interwoven relationships of Dr. King and other civil rights "superstars," with her in depth knowledge of her subject and eloquence of delivery.

On hand to provide the musical tribute for the program was the Voices of Hope Gospel Choir from March Air Force Base.

This choir is a group of people who have not received much notoriety in the past. I met this group for the first time at last year's service and was greatly

THE MARTIN LUTHER KING STATUE in front of the San Bernardino City Hall was surrounded by many who left the breakfast and met for a ceremony honoring Dr. King.

Riverside Community Groups Honor King

Dr. Martin Luther King, Jr. was commemorated, and remembered at Stratton Center in Riverside. The program was co-sponsored by the Riverside Branch NAACP, National Council of Negro Women and the Dr. Martin Luther King Senior Citizens Club.

Music and speakers played tribute to the King memory.

Rev. Norman D. Copeland, Pastor of Allen Chapel A.M.E. spoke eloquently of the King ideals.

Dr. Benjamin Livingston, Grand Bailus of the Omega Psi Phi Fraternity Eunice T. Williamson, President of the NAACP, Lillie Jackson, President of NNCW, all spoke of the King ideals and what the King movement meant and still means in America today.

Mrs. Inez Young spoke about

the 1957 pilgrimage, she and 100,000 others joined King in Washington D.C., as she often does with her displays.

Juanita Bereal, pianist for the club's choir, has been in Riverside since she was a child and she talked of the segregation that existed in Riverside, at the time, it has changed. The youth who spoke said they have experienced discrimination, but none like the older people. Youths, Dana Crawford and Tracie Wingo spoke of "at North High School, Martin Luther King's dream is coming true," Blacks, Browns and Whites are involved in all of the student activities.

Mayor Ab Brown presented a proclamation calling for the establishment of King's birthday as a national holiday.

Klan Father Opposes "Equal" Teachings

Klansmen, in sheets didn't show dressed as promised for a Jurupa school board meeting on Tuesday, January 11, 1983, but they did show up with their leader, grand Dragon George Pepper because a Klan member and father of a Glen Avon Elementary School first grader was opposed to the school's teachings.

Lester Monk a Klan member, charged that the teacher Joan Pringle teaching "all men were created equal," was directly opposed to his beliefs. He told local newspaper, the Riverside County Record that, "My daughter said she is being taught everyone is equal. We know that isn't true. It is against my beliefs. I think it should be up to the parents to teach children about civil rights if they want to, not the teachers."

Since they didn't care about his racist attitude Monk decided to get George Pepper to attend the school board meeting. was

that the "equal" statement was "opinion rather than fact."

The board room was packed as people were standing outside because of the lack of seats.

Pepper addressed the board but had to be reminded to stay on the subject as he spoke. His presentation ranged from the information that he wasn't going to destroy the San Bernardino Martin Luther King, Jr. statue to the statement that Hardy Brown, publisher of the Voice was his friend. He said "You're teaching Martin Luther King, Jr. was a great man, but you're not teaching he was a known communist," he said.

Verne Lauritzen, board president pro tem, was the only board member to respond to the audience, he advised Monk to submit his complaint in writing. If he does the district will investigate, said Superintendent Edward Hawkins.

In the last year the Klan has been very active in the Glen Avon area.

March AFB King Activities

By Charles Ledbetter

Over 200 marchers walked from the Recreation Center to the March Field Chapel. With lighted candles, singing "We Shall Overcome," the group arrived at the Chapel and listened to recorded excerpts of speeches by Dr. King in a celebration of the birth of Martin Luther King. While his voice inspired the audience, a picture of Dr. King was project-

ed on the wall of the chapel in keeping with the theme "Lest We Forget."

The guest speaker, Marian Talley, Ph.D, reminded us of the responsibility we have to make Dr. King's Dream come true. She said, "we have made many advances as a group, however there is a lot more work to be done."

Dr. Talley is an Educational Consultant in Riverside, California.

IMA Debate

By H. Yakubu Adamu

To be or not to be a two-county consortium, the debate continues on the merits and demerits which could certainly change the future of the Inland Manpower Association.

At issue, is the argument in favor of a one-county operation meaning the counties of Riverside and San Bernardino and Ontario. Either of the proposals will involve the laying off of some employees from the current 197 manpower administrators.

The debate which comes in the wake of the need to streamline the administrative costs of the association, to allow more money to be earmarked for training programs, will affect between 80-130 positions in the association. For example, under the plan allowing both counties run separate programs, about 80 employees will be laid off with about 24 percent of the budget going for administrative cost, as compared to the second plan which calls for only 12 percent allocated for administrative

costs but affecting about 130 positions, according to figures released by the Association.

Both the Riverside City Council favors running a separate program while the Supervisors prefer the association to remain the way it is. The San Bernardino City Council and the County Board of Supervisors are yet to take a vote on the issue.

Some advisory council members both in Riverside and San Bernardino are against the idea of letting the Association run the way it is at the moment, arguing that 67 administrators would not be enough to handle the workload. The council is expected to make its recommendations on the proposal on Feb. 1 after which it will go the executive board for final vote.

Mayor W.R. Holcomb prefers retaining the two-county consortium, for it to become a non-profit corporation that would oversee the programs. Mayor Holcomb is the current vice-chairman of the executive board of the Inland Manpower Association.

Enrollment Continues to Rise at CBC

RIVERSIDE - Enrollment at California Baptist College in Riverside continues to rise for the 1982-83 school year. Statistics for the inter-term semester, which runs January 3 through February 4, showed 328 students enrolled. The Registrar's Office reported an increase of 20 students from the 308 figure enrolled in 1982.

The 6.5 percent increase in enrollment includes 16 new students who have begun the second class of the business executive degree program. This program, offered by the business administration department, allows people in business to complete their bachelor degree in 18 months and will graduate 13 students in June. Registration for the spring semester will be held February 10-11. Classes will begin February 14. For further information concerning spring registration, contact the Admissions Office, California Baptist College, 8432 Magnolia Ave., Riverside, California, 92504, (714) 689-5771.

Mrs. Evelyn Chatman, Reporter

"Jesus heals many in Capernaum" was the topic of last week's Bible and Prayer Services, taken from Luke 4:31-44. So moving was this service that one blessing God has bestowed on her. She rededicated her life to Christ and asked for Prayer.

Soon and very soon was the processional song for youth sunday. Charles Langston and Ronald Chatman offered prayer and scripture, John 15:1-7. The choir sang, I love to Praise Him, and I'm Going Up Yonder, accompanied by pianist Mrs. Josephine Gray.

The Children's sermon was, the story of a man who rose from a beggar to a king, taken from Acts 3:1-11. There are still a lot of people begging and don't know what they are begging for. If they use the talents God gave they would receive their gold coins. Silver coins were given to the children for a symbol.

Rev. Jackson delivered the morning message entitled "The Most Popular Question Ever Asked

taken from John 21:15-19. He asked the question do you love me. Jesus, he said asked this question of Peter three times. Everyone asks this question sometime and if we really love Jesus, we must lift him up in praises everyday.

Visitors: Mrs. May of Los Angeles, guest of Mrs. Josephine Gray, Tracy Mitchell, Pomona, guest of Kori Langston, Wilbur Reynolds, Perris, Mrs. Tira Walls and her two children Dion and Damien Los Angeles.

Rev. Moss, Pastor
By Sarah Harris

Sunday, January 16, 1983 was YOUTH CHOIR DAY. The choir sang with wonderful praise. Their three songs were "You Better Take The Time Out", "Something Good Is Going To Happen", and "Love Song" with Brother Ramon Lewis featured as soloist.

A tribute to Dr. Martin Luther King Jr. was read and composed by Sarah Harris, then the entire church sang "WE SHALL OVERCOME" led by the Celestial Choir, which is directed by Sister Sandra McCoy. Reverend Moss' text came from Luke 11:14-22, entitled "A Strong Man and A Stronger Man."

After hearing that inspirational sermon, we soon went on our way.

We returned for our special evening program. Sister Burrell, the church's program chairperson, presented an overview of her trip to the Holy Lands last November accompanied by slides with pictures of the highlights. We all had a lovely time seeing the places where JESUS walked and talked and performed HIS miracles.

After the presentation, refreshments were served and we went on our way full of the spirit and rejoicing.

Next Sunday which is the fourth Sunday, we will have baptizing and our fourth Sunday night musical in the P.M. all are invited.

Amos Temple C.M.E. Church News

Rev. Chester B. Tollette, Pastor
Helen Jacocks, Church Reporter

The Layman's Council a Benevolent Interest in the Christian Methodist Episcopal Church, who's function is to span local church programs, church community corporation to serve citizens and society, serves as a form of evangelism which ministers to citizens and families according to their needs and the services available and the promotion of Christian Stewardship. Truly an essential part of the Christian Methodist Episcopal Church.

The Local Lay Department of Amos Temple is under the leadership of one of our own very capable and dedicated members, Mrs. Eunice Brooks, who has been an active and vibrant worker in Amos Temple for over 9 years.

On Saturday, January 15, 1983, the Los Angeles District Council meeting was held at Amos, which covers 28 churches of the Southern California States; with Brother Thurman Holiday, Los Angeles District, presiding. Reports were given from the various churches being represented. Amos, Riverside was well represented, as Mrs. Brooks gave her report which indicated that we are a church that's on the move for Christ. The meeting was very successful and we commend Mrs. Brooks for carrying out this very necessary work.

Sunday Service was also rewarding, in that our youth department are also on the move for Christ. They kept the service moving with their willingness to serve the Lord in any capacity which was asked of them, singing, reading scripture, welcoming visitors, announcements, etc. Keep up the good work for the Lord and you shall be blessed. Rev. Tollette, also gave encouragement to the youth. The morning message was brought to us by Rev. Leon Sylvester, entitled "Who is Among you That feareth the Lord." We were inspired by the information received from his message, which was taken from Issiah 50:10-11. Church anniversary concluded with guests Rev. B.W. Jackson, Phillips Temple, San Diego, CA and his choir and congregation.

Organ Donated in Memory of Dion Archie

A beautiful organ was dedicated in the name of Elliot Dion Archie to Allen Chapel African Methodist Episcopal Church, Riverside.

Dion, died in an automobile accident on Labor Day in 1981 at the young age of eighteen.

Dion was a dedicated

youth at the church, he was the musicians for the youth choir and loved to relax by playing tennis.

His father felt the best tribute to Dion would be in donating the much needed instrument to the church. On hand for the dedication were the family of Dion Archie.

American Muslim Mission

By Imam Ron El-Amin

The following questions or comments are directed to Imam Warithuddin Muhammad (leader of the American Muslim Mission), by the general public. We hope that the answers provided by him will serve to educate the public on the religion of Al-Islam in America and throughout the world.

QUESTION: What is the meaning of the words "brother" and "sister" when you address a Muslim? Should we address non-Muslims as brother and sister? - Birmingham, Ala.

IMAM: In reading the Quran, we don't find Muslims addressed that many times with the term "brother." Most of the time in Quran we are addressed as Muslims or as believers, and so forth, but not as brothers - fraternal relatives, associates. We are not addressed that often; in fact, I think there is just one to two times or more in the Quran where we are addressed as brother.

Muslims do have a habit of calling each other brother now. We say, Brother John, Brother Shabazz, Brother Myhammad - it's almost a fixed habit that we always say brother.

But I notice in the Hadith, Prophet Muhammad (PBUH) hardly ever said brother. He said, "Oh, Salim" or "Oh, Omar." He didn't use brother. Obviously, "he didn't use brother that often" because it's not in the Hadith. It's not in the report that he said brother before addressing them.

Myself, I'm in favor of us playing down that need to say brother before addressing them.

Myself, I'm in favor of us playing down that need to say brother or sister every time we address a person. I wouldn't like to see us put a whole lot of importance on having to take it as a ritual or as a law in the religion that you have to address a person like that because, obviously, in the days of Prophet Muhammad, they were not bound to that way of addressing people.

When we speak of a Muslim as brother, we should understand what the Quran says - that Allah has made us brothers, that He saved us from the pit of fire and bonded us with the cement of affection, love - as brothers.

I think, we should understand what the Quran is saying - that it is only because of the light of Al-Islam and the example of Prophet Muhammad (PBUH) and the teachings of the Quran in our life that we have come from the savage state of malice, hatred, unnecessary anger, unnecessary irritation in us; all of that is characteristic of the days of heathenism or paganism, the days of darkness.

We should understand that to be brothers to each other is to be civilized toward each other. It is to be considerate of each other, to feel compassion for each other and to want to be respectful of each other.

I think that's what we should understand in calling each other brother, and if we want to call a non-Muslim brother, I see nothing wrong with that.

If the Christians have that habit - Christians call each other brother, and I know they accept those terms - I think we should respect the values of other people when those values and standards are good standards and values.

If they would like to be called brother, then I want to call them brother. But if I'm around people I know don't call each other brother, I don't want to call them brother. They might not like it.

Grace Bethel Baptist Church News

Church Reporter:
Sis. Ruthie Seldon
Rev. William Seldon
Pastor

Our souls were spiritually filled today as the word of God was ministered to us by our assistant pastor, Rev. Nathan Smith. GOD KEEPS OUR INCORRUPTIBLE INHERITANCE IN HEAVEN was the Theme of his message and 1 Peter 1:3-7 was read for our consideration. We were admonished in our Sunday School lesson to get our priorities in order then Rev. Smith told us that our material possessions are not secure in this life. Our only security is in Jesus Christ, so we must lay our treasures up in heaven. God has done so much for us by giving us salvation, eternal life for all who will believe and accept Him in their lives so all that we are or will ever hope to be is owed to God. Many of us strive to purchase expensive homes and cars and neglect to give thanks to the Lord for allowing us to have them. We refuse to give back to the Lord the tenth of our income because we have convinced ourselves that we can not afford to pay tithes when it was God that allowed us to have the very substance. We need to try the Lord by taking Him at his word and obey because He is guarding our incorruptible inheritance in heaven.

The Lord moved in a mighty way through the message and the songs of praise that the Adult Choir presented to Him. We welcomed the Mayfield Family into the church family of Grace Bethel. Our prayers and support is with that family and our visitor, Ms Ann Maddox. We were happy to acknowledge the presence of Anne and Betty Huffman who are neighbors of the Brimmer Family.

With great anticipation, the Youth Department are expecting the Lord's choicest blessings upon their Second Sermonette Rally which is scheduled for Sunday, January 23rd at 3:30 p.m. Youth ministers throughout the area will be speaking from the subject, "Victory Through Surrender" Ephesians 4:22-24.

Believe and Behave is what Rev. Leon Thompson told us Sunday morning. He spoke from Romans 12:2. Rev Thompson brought a dynamic message in which he also told us that we should present ourselves a living sacrifice holy and that we should give reasonable service to God.

This doesn't mean some of the time but, it means all of the time. If we really believe the Word of God we

The Holy Spirit was with each of us during our Sunday Morning worship service. The choir sang out of their souls, "The Lord Is Coming Back Again," "Who Shall Abide In Thy Temple," "I'll Rise Again," and a beautiful solo by organist, Bro. Garland Gordon.

Pastor Hooper came before the congregation, praying God's blessings on all the people. His soul-stirring message, was from, Acts 3:1-6 subject: "Faith Makes The Difference" As Peter and John were passing by the lame man laying at the temple gate, he asked them for money. But Peter said, "I don't have any money, but I'll give you something better. I command you in the name of Jesus Christ of Nazareth, Rise up and walk." And the man was healed. Faith made the difference. Faith made the difference, to the blind man, and to the woman with the 12 years issue of blood, to the infirm bent over woman, and faith will make the difference in our lives too, if we will just put it into action. We truly enjoyed a delightful afternoon service, with beautiful singing from the Gospel Melodyettes from the Tabernacle Baptist Church of San Diego. If you missed it, you missed a blessing.

Our hearts go out to, Sis. Freddie Voundy, who had to go to Tennessee, to attend the funeral of her neice. Let us continue in prayer for the sick and bereved.

The Holy Spirit could be felt as the Celestial Choir marched in singing "The Lord Is My Strength And Salvation" and rendering many beautiful songs of praise which included "I've Seen the Lightening Flashing", "Peace Be Still" and "Learning To Lean On Jesus."

Prayer was offered and the Scripture Reading was taken from Ephesians 3:1-12 and St. Matthew 2:1-12. Mrs Rosa Matthews rendered "Even Me" during Meditation and the congregation paused for silent prayer while "Amazing Grace" was played softly on the organ by Mrs. Clara Fuggent in memory of Mr. James Hampton who crossed the River Jordan early Sunday morning.

Mr. Donald Page and Mrs. Clara Fuggent rendered a soul stirring rendition of "In The End" and our visiting minister, Rev. Dennis Williams from Paul Quinn College, Waco, Texas brought the morning message. Taking his text from St. Mark 9:20-29 and his theme: If Jesus Can't Do It, Nobody Can.

"He spoke of the man who was possessed by a demon and Jesus came by and cast the demon from the man. His disciples wondered why they could not perform the same acts and Jesus told them to pray and they would receive strength. Isaiah said "they who wait on the Lord shall have their strength renewed" prayer changes things and we must be true Christians to obtain power over the devil. Only what we do for Christ will last. Jesus is the answer. He came to save us all."

The new organ which was given to the Church Family by Mr. Elliott Archie and son Shawn also Mr. Ross in memory of his son Deon Archie was dedicated during morning service and many relatives and friends attended in his honor. Pastor Copeland performed the dedication.

Quarterly conference was held after morning service with the Rev. Paul E. Kidd, presiding ELDER who was accompanied by his charming wife, Mrs.

will behave. We won't mistreat others, disobey God's word and stay home to watch the games on Sundays.

We are grateful to the many visitors who were present Sunday.

Recently we had a glorious time at March Air Force Base with the Voices of Hope and the San Bernardino Community Choir. Amos Temple had a beautiful Church Anniversary this past week and Pastor Gray delivered an inspiring message to all present. He told us what our responsibility is as a Christian and a church member-worker.

He said we ought to enjoy what we're doing in life. Happiness is the key to long life.

Christians should be happy and enjoy life to the fullest especially because we are a part of a royal priesthood and we have much to look forward to eternally. Praise God!! Rejoice.

If you missed the Brenda Holloway concert in Redlands, you missed a treat. Not often does one get the opportunity to meet one of their childhood idols. I did and enjoyed every minute that I visited with her. Brenda and I, we are on a first name basis now. discussed the possibility of her appearing in concert in Riverside, the prospects look bright. maybe in March.

By chance I had the opportunity to hear the Gospel Melodiettes from San Diego in concert at the Bibleway Baptist Church in Perris last Sunday evening. I believe that they proved once and for all that they are one of the top female groups in California. Wouldn't it be grand to feature the Melodiettes and Brenda on the same ticket in full concert? Continue to read this column and we will keep you up to date on the progress.

I also had the opportunity to hear the pastor of Bibleway Baptist Church sing a few numbers, he is in a category all to his own, Willie Neal Johnson of the Keynotes has nothing on Rev. Hooper. Rev. Leori Lacey who is known for his sporadic singing ability told me that no way would he get up and sing behind Rev. Hooper, I tend to agree with him. The minister of music at Bibleway is pretty tough too, he is able to make the organ walk, talk, sing, preach and teach. Bibleway appears to be a very warm church, if you are ever in the area, you should stop by and enjoy the service.

Until then.....

Perris Commemorates MLK Birthday

Photos by Ken O'Ferrall

Continued from page 1

SUPERVISOR NORTON YOUNGLOVE, Dr. Bonnard, Superintendent of Perris Elementary School District and Mayor of Perris Carmen Cox, participated in the successful program.

MRS. WILLIE MOSES, receives an award for her outstanding contributions to the community.

MRS. ELLA JONES, coordinator of the Perris Martin Luther King and member of the Voices of Hope was so proud the program was successful. She shares with Black Voice writer Art Cook.

VOICES OF HOPE sang a cappella, the audience was very pleased.

Moreno Valley News

By Charles Ledbetter

JOHN W. WELLS: An energetic young fellow celebrated his second birthday Sunday, Jan. 16, at the home of his parents, Mr. & Mrs. Daniel Wells. John is my grandson. Candice Wells, his sister alternated between sleeping and looking very interested at everyone. I call Candice "Lollipop" she's 3 mos. John reminded us that he was the center of attention and kept us on the alert. He received nice gifts. We made recordings and took pictures. We thank God for all our blessings!!

AS I WAS JOGGING: While training for a run next week I noticed some of my competition. I hope to win this year. (In my age bracket) Oh well, as long as I'm not last!!

PANCAKE BREAKFAST: Woodcrest Community Center, one block south of Van Buren and Washington Street. All you can eat for \$2.00 adults, \$1.00 children. This is a fund raising project for people who have sight problems. January 23, 1983, 7:00 a.m. - 1:00 p.m. For tickets call Del Michael 657-2627 or 686-5941. This is for the Woodcrest Lion Club an organization noted for it's community and education programs. I'll see you there!!

TEENAGE SUICIDE: I attended a meeting at Cask & Cleaver in Riverside last Wednesday night. The speaker for the evening was Marcie Burks, National Director Alive! Inc. She reminded us that, we are not responsible yet we must be responsible and we should realize students do not tease about the subject of suicide.

DISGRACEFUL: When an educator tampers with the Public Address system so that the school children can not clearly hear a speech commemorating Martin Luther King, Jr. "A Man Of Peace," the dark ages can not be far away. What are they afraid of?

COMMUNITY AGAINST DRUG ABUSE: A meeting was held in Moreno Valley Monday night. The discussion was that some responsible people are trying to ignore drug use by children while maintaining that all is well with our youth. How many disasters do we need to get the proper backing.

...Perris Commemorates continued

impressed with them. Their singing is free and they do it extremely well.

The Voices of Hope sang one number a cappella with the direction of Mrs. Jeanne Duffey.

Mr. Duane Ricks of Riverside sang Precious Lord.

Supervisor Norton Younglove in a brief talk expressed his desire that all men enjoy the same freedom, regardless of race creed or color. He presented Mrs. Willie Moses with a symbol of Christianity (the fish).

Mr. Younglove asked that the award be passed on each year to a different person. It is to be a symbol of service to one's community to further human rights.

The turnout for the 1983 service was much larger than the one for 1982. Ms. Ella Jones coordinator of the service along with other community workers, expressed a desire that it will continue to grow each year.

Perris Mayor Carmen Cox was on hand to deliver words of encouragement to those pre-

sent, to continue working for unity.

Several members of the Perris Elementary School District participated in the service. District Superintendent Dr. Bouragard delivered the welcome and Vic Giardinelli, Principal, introduced the speaker.

The Sophisticated Steppers, posted and retired the flags.

It is the hope of us all that the unity of purpose and brotherhood, coupled with respect for the rights of others and non-violent problem solving will help Dr. King's dream live on.

Arts Council Workshop

The California Arts Council will be in Riverside on Monday, January 24, 1983 presenting a workshop for people and organizations interested in applying for funds for an artist in residency program. The meeting will be 1:00 - 5:00 p.m. At the Riverside main Library auditorium, 3581 Seventh Street, Riverside.

The categories for the artist in residency grants include artists in schools,

artists in social institutions, and artists in communities. The deadline to apply for these funds is March 1, 1983.

All artists, Government Agencies, social institutions (like hospitals, correctional centers, convalescent and children's homes, etc.), and non-profit organizations who may benefit from an artist in residence are encouraged to attend. It is possible for agencies to jointly sponsor an artist in residence.

Riverside YWCA

The YWCA Parenting Program is forming a support group for parents who have lost a child through Sudden Infant Death. This free group will hold its first meeting at the YWCA, 8172 Magnolia Avenue, Riverside on Thursday, January 27, 1983 from 7-9 p.m. Virginia Tapones, a Licensed Social Worker, will

facilitate a discussion after the film, "You Are Not Alone," is shown. Anyone who has lost a baby or would like more information about SIDS is invited to attend. Child-care is available by reservation.

For more information call Sue Saks at 688-5531 or Kathy Guess at 780-3014.

Urban League Tributes MLK with Gospel Concert

By Annette Johnson

SAN BERNARDINO - The 1st Annual Inland Area Urban League Martin Luther King, Jr. Gospel Concert turned out to be a nice affair.

The concert got off to a late start and the anticipation for the \$10.00 per person affair could be felt throughout the audience.

Rev. Jerry Louder of the Inland Area Ministers Association and the Interfaith Ministerial Alliance gave the invocation. Ernie Wilson spoke on behalf of Mayor H.R. (Bob) Holcomb, who had a death in the family and could not attend. Wallace

Allen recited beautifully Martin Luther King, Jr.'s "I Have A Dream."

There were many songs rendered and the participants were: Mt. Moriah Baptist Church Choir, of Perris; New Hope Missionary Baptist Church combined choirs, San Bernardino; the Christian Disciples, an all male quintet from Loveland Baptist Church and Christian Center; The New Jerusalem Four-square "Voices of Praise," Riverside; and Amos Temple Christian Methodist Episcopal Church's Chancel Choir, of River-

side.

Also St. Anthony's Gospel Choir of San Bernardino who were directed by Wilma Cochran. Cochran said that they are 'putting Black culture in the Catholic religion.'

"The Voices of Love," three young ladies who sang like a choir with the assistance of young and talented Oliver Swan on the piano, together made quite a four-some.

And last but not least, First Missionary Baptist Church of Banning, of which 90% of their choir was youth and very talented. This choir was also

awarded a free Martin Luther King, Jr. Medalion each. The presentation was given by Stanch Wilcoxon, who also gave two as door prizes before intermission.

There were many mixed emotions and opinions about the \$10.00 ticket price. Some said it was a good program but not worth the price. One young man tried to put it nicely, "Well, the Urban League left a lot of room for improvement for next year's program."

It was stated that the Martin Luther King, Jr. Gospel Concert will be an annual affair.

The Plan For Black People

SUPPORTING AND OPPOSING FORCES

Point Four of the PLAN calls upon us to "Reach Out In Coalition with Whites, Hispanics and other minorities whose interests coincide with ours." We cannot make it alone. We must ourselves recognize, and awaken the American people of every ethnic origin to the fact that "we may have come over here in different ships, but we're all in the same boat now."

In our quest for unity, survival, and progress as a people, we have potentially valuable allies as well as determined foes in our country. As the devastating effects of the misguided policies of the present begin to impact the quality of life for all Americans, we will find common cause with the vast range of small farmers, middle income and small business persons in the majority community, as well as with our traditional allies among organized labor, whites of goodwill, and other minorities.

Let us seek every opportunity to enter meaningful coalitions of mutual respect and cooperation with Americans of all races and creeds whose interests in a just and compassionate America coincide with ours.

One of the key principles for Black American Unity, Survival, and Progress is: Know the Difference Between Opposing and Supporting Forces. It is important to the success of THE PLAN that those committed to it be able to

recognize both supporting and opposing forces. These forces may be within or outside the Black community and they will shift from time to time. Quoting an age-old adage, Representative William Clay of the CBC said several years ago: "There are no permanent friends, nor permanent enemies, only permanent interests." Opposing forces will vary in intensity and influence. They will change by issue and situation. Often these forces will be easily recognizable by their traditional hostility toward Blacks; the KKK, the American Nazi Party, the Associated General Contractors, White Citizen's Councils, private clubs, unions and others with exclusionary racial policies.

Most of the opposing forces will be more subtle and insidious than those listed above. It may not even be possible to recognize these individuals and groups by their rhetoric, names or organizational purposes. It will require close scrutiny of the actions of these individuals and groups. These may be among officials within the Federal government — in all three branches of the Federal government — and within state and local governments. There is corporate opposition; some practices and policies of that opposition result in the economic enslavement of Blacks. Also be alert to media opposition and opposition by foundations, university and other research groups which continue to manufacture negative reports about Black Americans.

In addition to recognizing hostile organizational composition and structures, be able to recognize persons who overtly or covertly participate in the following actions which represent serious threats to Black advancement.

Beware of persons and organizations that:

- 1. Work against minority set-aside programs for Black enterprise development.
- 2. Initiate and finance legal action such as the Bakke case, built on the concept of "reverse discrimination", which generates harmful effects on Blacks such as the reduction of Black admissions to law schools and professional programs at universities across the nation.
- 3. Only contribute financially to those civil rights actions and organizations where they can control the policies and strategies and undermine Black decision-making and leadership.
- 4. Being leaders of other racial/ethnic groups, support political liberation efforts in foreign countries but fail to support similar efforts by Black Americans.

- 5. Take positions on school integration/desegregation and other school policies which have the effect of maintaining a decline in public education, or other procedures that deny Black children quality education.
- 6. Control national media which excludes the Black perspective, limits Black access, continues programming that is racially motivated, and perpetuates negative images of Black Americans.
- 7. Engage in block-busting, redlining and other real estate tactics that work to exclude Blacks from owning and purchasing housing and businesses in the neighborhoods of their choice.
- 8. Promote themselves (and exclude Blacks) as the only authoritative experts on the social and economic status of Black people and insist they are the only rightful interpreters of urban conditions.
- 9. Insist on controlling the public policies and programs that impact on the futures of Black families, often to the exclusion of Blacks in the policy-making process.

Supporting forces are those individuals and groups which fall into the organizational categories that adhere to operation instructions issued by the Black Leadership Family.

It will be necessary to make up your own list of supporting and opposing forces for use in your own community as situations are constantly in a state of change.

THE BLACK LEADERSHIP FAMILY PLAN FOR THE UNITY, SURVIVAL, AND PROGRESS OF BLACK PEOPLE

THEME: IT'S NOT THE MAN, IT'S THE PLAN; IT'S NOT THE RAP, IT'S THE MAP.

Thank you

Fontana Resident Reaches Milestones

Theodore Davis, a longtime Fontana resident has recently reached two milestones. First, he retired after 29 years with the government from Norton Air Force Base and secondly he has been appointed to the Fontana City Planning Commission.

Ted was born and raised in Nashville, Tennessee. He moved to San Bernardino in 1953 for a short time before moving to North Fontana, where he and his wife Pauline and now grown sons Teddy and Ricky lived for the past 29 years.

Ted has been known as a leader in the Inland Empire community for many years. During the early 60's he worked with the Fontana Unified School District in an effort to prevent racial problems and to mediate if a racial problem existed, while serving on the Board of North Fontana, the Park and Recreation district, from 1962 - 1970 he was the vice-president and chairman of the Labor Committee of the National Association for the Advancement of Colored People. In 1970 - 72 Ted was an elected Commissioner on the Dependency Prevention Commission (DPC), a former anti-poverty program for low-income families.

Theodore Davis

From 1972 - 1974 he was the President of the Fontana NAACP.

In the beginning of another milestone Ted will continue to be concerned with humanity.

QUESTION: What is Parent Express?

ANSWER: Parent Express is an educational outreach program for all new parents which helps to ease the transition into parenthood by bridging the information gap felt by many first time parents. The series is designed to help parents understand and cope with the many changes they will face during the baby's first year of life. The Parent Express series (15 issues) was field tested in seven California counties in 1979 and 1980, reaching approximately 2,000 parents. An evaluation questionnaire was sent to all parents who had subscribed to the series.

QUESTION: Why have Parent Express?

ANSWER: In 1980, there were a total of 402,720 live births in California of which 176,752 babies were born to first time parents. Of that number, first time teenage mothers numbered over 55,000. Statistics also indicate that suicide attempts are seven times higher for teenage mothers than for teenagers without children. The transition into parenthood for new mothers at any age is a time that heralds major changes in relationships, roles and lifestyles. First time parents often feel isolated, confused and uncertain about their new roles and responsibilities.

QUESTION: How can I enroll in Parent Express?

ANSWER: Just write Cooperative Extension, University of California, 21150 Box Springs Road, Riverside, CA 92507 or call (714) 683-6491 for a Parent Express enrollment form.

HEALTH NEWS BRIEFS

Eye "surgery" with lasers

A new light-beam technique using lasers is treating several types of eye disorders -- especially blood-vessel abnormalities caused by diabetes.

Ophthalmologists use a pinpoint laser beam to produce a tiny burn or hole in tissue with delicate precision.

Since early treatment is essential, diabetics should have their eyes checked regularly by an ophthalmologist, the California Medical Association says.

Compounding health problems

Exposure to several cancer-causing agents greatly increases the likelihood of cancer developing, according to a California Industrial Relations Department official.

"Prolonged cigarette smoking is associated with a tenfold increase in the risk for bronchial carcinoma (lung cancer), while prolonged heavy occupational exposure to asbestos is associated with a fivefold increase in risk. However, combined exposures (such as cigarette smokers exposed to asbestos) are associated with a 50-fold, and not 15-fold, increase in risk over that experienced by nonsmokers with no asbestos exposure," Dr. Kim Hooper, chief of the department's hazard evaluation system and information service, writes in California Medical Association's Western Journal of Medicine.

Book Review

Life: The Pursuit of Happiness and Death

Author: Leon Cozart
Publisher: Vantage Press, Inc.

Reviewer: Lulamae Clemons, Ed. D. Co-author: The American Negro

Are you aware that there is an energy flow which enables you to determine a problem before it happens or enhance the solution to the problem? Do you believe in the power of ESP; telepathy or visions? Are you "in" to dealing with metaphysics? Whether or not your answer is in the affirmative, you will want to read about and compare your own experiences with those of the author which suggest that there is "reality" in the field of metaphysics.

The reader will easily be able to understand the relationships as the author's style of writing is clear, concise and capable of holding one's attention throughout the book. The purpose in writing the book was to make it possible for individuals to become more aware of the strength, definition, and reality of their own subconscious and conscious inhibitors in the pursuit of happiness and death.

The theme of the book is reflected in the author's view that the key to one's power is discipline and continuity in the real world. This theme is fully developed in the chapter, "Psychic Healing Syndromes" and expanded throughout the rest of the book. In the development of his theme, Cozart draws upon the writing of J. Krishnamurta and the theories of Carl Rogers.

Krishnamurta asserts that once a person has conquered fear and doubt, one can face reality and look at real-life situations as they are

without discrimination and prejudices. Carl Rogers holds the same view and theorizes that the interpretation one has of self (weak, strong, rich, poor) affects how one perceives the rest of the world.

In support of this kind of thinking, the author cites many interesting examples of his own real-life experiences related to his dreams, nightmares and ESP happenings. In addition, Cozart explores other areas which include psychic healing syndromes; transcendentalism and spiritualism. These vividly recorded experiences serve to illustrate the view held that with discipline and continuity the individual will not only reach his highest potential in the real world -- but also in the world beyond.

The author is a resident of Riverside, California, and while attending Riverside City College was inspired to write about his interest in metaphysics. Cozart is pursuing a degree with a major in Sociology at the University of California Riverside and is writing a second volume to his book: *Life-The Pursuit of Happiness and Death*. His purpose in writing a sequel is to further fulfill his deep interest in the "workings of the psyche and of the spirit."

The reader can expect to have his own knowledge and feelings expanded on this subject as he reads through the pages of Cozart's book: *Life - The Pursuit of Happiness and Death*.

Brown Announces Staff and Office Changes

WASHINGTON, D.C. - Rep. George E. Brown, Jr. (D-Riv.) today announced a major staff change and the move of his Riverside district office from the Mission Inn to a new Riverside location.

Tim Lynch, the Congressman's Administrative Assistant, is taking a one-year leave of absence to attend the John F. Kennedy School of Government at Harvard University, where he will enter the Mid-Career Master's in Public Administration program. Lynch, 33, a Riverside resident and U.S. Riverside graduate in biology, has been with Congressman Brown since his election to Congress in 1972. He has held a variety of jobs in the Congressman's office, both in California and Washington, D.C. He will serve as a part-time consultant to the Congressman's office during the next year.

William (Skip) Stiles will be replacing Lynch as Brown's top staff person. Skip Stiles, 33, has been the Congressman's agriculture and trade specialist since 1976, after receiving a B.A. in Sociology from the College of William and Mary in Virginia, which he attended after graduating from High School in San Diego County.

The Riverside office move will become official on Wednesday, January 19, during an Open House from 4:00 - 6:00 p.m. Rep. Brown's new office is located in the Mission Financial Center at 3600 Lime Street, Suite 116 (6th and Lime Streets). Also located in the complex are Senator Robert Presley and Riverside Assemblyman Steve Clute. Brown said, "This move to a first floor location will make it easier for constituents to reach my office, and will help me better coordinate my constituent services with Senator Presley and Assemblyman Steve Clute." Brown's office was previously located on the fifth floor of the Mission Inn Rotunda.

Commenting on the changes, Rep. Brown noted, "I've been fortunate to attract dedicated staff who give more than what is expected to the people I'm elected to serve. I've always encouraged my staff to grow in the job, and gain new skills as they develop. I will continue to broaden and adjust my staff, and locate convenient offices to meet the needs of this district." He added, "I see these changes as an important part of the growth and renewal necessary for any public institution, like my office, to remain creative, dynamic and in touch with the people."

Brown also announced the moving of his Washington office to 2256 Rayburn House Office Building.
