Sunday, January 23, 1983 was YOUTH CHOIR

DAY. The choir sang with wonderful praise.

The three songs were "You Better Take The Time Out",

"Lost Love" and "Brother Shabazz". We were

enjoyed with the message, which was characteristic of the days of heathenism or

paganism, the days of darkness.

They bonded us with the cement of affection, love - as

brothers, that He saved us from the pit of fire and

The Voices of Hope sang a cappella, the audience was impressed with them. Their singing is fine and they did it extremely well.

The Voices of Hope sang one number a cappella with the direction of Mrs. Jeanne Duffey. Mr. Duane Ricks of Riverside sang 'Precious Lord.'

Superintendent Norton Younglove in a brief talk expressed his desire that all men enjoy the same freedom, regardless of race. He presented Mrs. Willie Moses with a symbol of Christianity (the fish).

The turnout for the 1983 Community Against Drug Abuse: Finale was much larger than the one for 1982. Ms. Ella Jones was on hand to deliver words of encouragement to those present, to continue working for unity.

Several members of the Perris Elementary School District participated in the service. District Superintendent Dr. Bouchard delivered the welcome and Vic Gianfelici, Principal, introduced the speaker. The Sophisticated Steppers, posted and retired the flags. In the hope of it all that the unity of purpose and brotherhood, coupled with respect for the rights of others and non-violent problem solving will help Dr. King's dream live on.

Perris Comemorates MLK Birthday

John W. Wells: An energetic young fellow celebrated his second birthday Sunday, Jan. 16, in the home of his parents, Mr. & Mrs. Daniel Wells. John is my grandson. Carolina Wells, his sister alternated between sleeping and looking very interested at everyone. I call Candice "Lollipop" she is 3 mos. John reminded us that he was the center of attention and kept us on the alert. He received nice gifts. We made recordings and took pictures. We thank God for all our blessings!

As I was jogging: While training for a run next week I noticed some of my competition. I hope to win this year. (in my age bracket) Oh well, as long as I'm not last!

Pancake Breakfast: Woodcrest Community Center, one black egg at Van Buren and Washington Street. All you can eat for $2.00 adults. $1.00 children. There is a fund raising project for people who have sight problems. January 23, 1983, 7:00 a.m. - 1:00 p.m. For tickets call Del Michael 657-2627 or 686-5941. This is a fund raising project for people who have sight problems.

Teenage Suicide: I attended a meeting at Coach & Classier in Riverside last Wednesday night. The speaker for the evening was Maria Burke, National Director Alive Inc. She reminded us that we are not responsible yet we must be responsible and we should realize suicides do not have to be about the subject of suicide.

Disciples: When an educator tampers with the Public Address system so that the school children can not clearly hear a speech commemorating Martin Luther King, Jr. "A Man Of Peace," the dark ages can not be far away. What are they afraid of?

Community Against Drug Abuse: A meeting was held in Moreno Valley Monday night. The discussion was that some responsible people are trying to ignore drug use by children while maintaining that all is well with our youth. How many politicians do we need to get the proper backing?

MRS. WILLIE MOSES, receives an award for her outstanding contributions to the community.

MRS. ELLA JONES, coordinator of the Perris Martin Luther King and member of the Voices of Hope was so proud the program was successful. She shares with Black Voice writer Art Cook.
