American Mission Muslim
By Imam W.D. Ali

The following questions or comments are directed to Imam W. D. Ali, Leader of the American Muslim Mission, by the general public. We hope that the answers provided by him will serve to educate the public on the Religion of Al-Khaliem in America and throughout the world.

QUESTION: You spoke once before about the long-range goal of the American Muslim Mission in making a home for a flock of Muslims in the Western Hemisphere. Would you explain?

IMAM: Yes, in fact, my belief is that America is the promised land for Al-khaliem.

In this my home, I was born here in this country. My parents and their parents were born here, and now I'm making my religion, my religion. I belong to a Muslim community. America has given a home to Muslims, and I believe that is where the faith used to be. We should feel that we have a home in America as Muslims, and that's the only way I can ensure. I don't mean to say that we are going to fight or anything about the country from where I can understand that we have a right here. We have only a right here, we have people who will protect our right to be here and live here. We have that and we needn't worry about that. What we should worry about is the assurance that in both sides — the Muslim side and the Christian side. We have Muslims who are moving in the same way. I'm talking about Crusaders back there in the 26th Century. And we have Christians who are still moving in the same spirit, but they represent a very small minority of American people. Some see us as a tangible people. They are trouble-makers. They want to be seen and heard, and can be fed into believing that they are really bigger than they are.

These people who are prejudiced against the religion of Al-khaliem, and the Muslims, have to feel that Christians persecute Muslims just because they are a small-numbered people and we shouldn't be alarmed.

During the service, the Imam W. D. Ali, Leader of the American Muslim Mission, made the message that was based on the theme: 'When It Is Not Enough'.

"Man shall not live by bread alone." Even with today's technology, people are starving, and in danger. Parents have to keep home and family together. We have to turn to worldly things, money, better education, serving the church to make our lives better, but that's not enough. We need to stir up the spirit within us and draw on the word of God to make real lives better. Take it to the spirit.

At the end of the services, Reverend W. deen Muhammad (Leader of the American Muslim Mission) said that America has given a home to Muslims. We should feel that "we have a home here in this country," he added.

The day was appropriate for it was youth Sunday. The Choir sang songs and a message was delivered. The theme was "When It Is Not Enough". The service was delivered by the Reverend W. deen Muhammad (Leader of the American Muslim Mission).

Holmes, Raedawn James, and Levonzo Gray II. The Adult Choir then sang 'Just Look Where I've Come From' led by Brenda Blackshear and Alice Goree. The religion wants to have their way and won't follow Consequences of Bad Religion. His scripture text Blackshear. The choir then sang "Sing Praise and He's So Real, a trio by blessed by the spirit in which it was presented. that we have within our Adult Choir. We were richly beautiful Family Day Service and the many talents we owe all of the praise and honor to God for all of the Him after this life is over. The right choice is not to bow to the in this life we have the assurance that we will not burn God's. Christians should stand fast with the only true the story was told of Shadrach, Meshach and put our morning worship message titled "If we brought our morning worship message titled "If we his luck is down. He mentioned Roman prayers in Heaven's bank while we are in good health and bad luck. They are even subject to come and take the good times from slavery up through the years, till A Dream," speech. Our guest church was, guilding Rev. Arthur Spinks, pastor of guiding light, delivered by singing, acapella, songs like, "I couldn't hear saving grace. "He told about the hard times, and the good times, from slavery up through the years, till The Brotherhood of Mt. Calvary Baptist Church. The men of that church served a delicious meal and then conducted a Holy Ghost filled service which included songs by the men of Mt. Calvary, and the men of Ajalon Baptist Church of Palm Springs, Rev. Whibley in the Parlor. Bro. Jeff Springer played amazing Grace on the trumpet. How wonderful if it was! Pastor Gray spoke from Psalms and his subject was "I am a child of a Blessing." Words fail to describe this man and his bad luck. They are even subject to come and take your fortune to make himself feel good when his luck is down. He mentioned Romans 8:24 and said: "The Lord whatever state I find myself in, I want to be happy. It's a blessing to have another person who preaches the word of God."
If you've been blessed, you ought to draw some wire. Being blessed is not just to have money. There is joy in the Lord. God's saying to men, stand on the Lord's side. It was truly a blessing to hear this sermon and to set the way that the men of Mt. Calvary are standing on the Lord's side. The Inspirations of Friendship. "Save Me and I'll serve you" during the service. They are a group of young people from Friendship Baptist Church who have committed their voices to the Lord. Rev. Joe Brown, President of the Brotherhood gave inspiring remarks and thanked the men of the Church and also recommended for them a job well done. He also congratulated the testimony given by Bro. C.D. Jackson who sounded like a budding preacher. Bro. Jackson said that now he is in witness for the Lord and Partying for Christ. Bro. Brown said that he really feels good about serving the Lord and he hopes for the best to the Lord because the Lord39s corner and now he is Chairman of the Board. Jesus can do this for men. He can make you somebody for him. Thank you Lord for allowing me to witness such a wonderful service devoted to you by Christian men in this world where men are usually on the corners or home while the women and children are more involved in the church. The Brotherhood of Friendship held their annual banquet Saturday evening and it was delicious. Bro. and Sis. Cook and the entire kitchen committee did a beautiful job of preparing and serving the meal. Rev. Marthar Jones was the speaker and he challenged the men to be a part of the Brotherhood of Christ. The Adult Choir and the Inspirations sang the Salt of the World. Sunday School 10:00 a.m. Morning Worship 11:00 a.m. Location: Sunnymead Elementary School Auditorium. Black Voice News Now In News Stands All Over Riverside
Perris Rallion Services Neighborhood Business
by Mrs. Art Cook

Supporting Neighborhood Businesses:
In the present state of our country's economy, it is difficult to find small privately owned businesses thriving as some of us have known them in bygone years.

Large chain operations and conglomerates have swallowed up and eliminated scores of "mom and pop" operations, neighborhood service stores, clothing stores, etc. Small businesses are forced to close their doors due to the inability to withstand the costly restrictions such as licenses, permits, taxes and the like. Their inability to compete with large companies, many of which, through diversification are able to manufacture the products they sell.

Regardless of the mammoth difficulties involved, some of our small neighborhood businesses manage to survive. For the common good of the community, we hope and pray that these humble establishments will be supported.

On the other hand, those who operate them should treat their customers with respect and fairness and keep in mind that their customers are their most valuable asset.

Two of our locally owned and operated businesses with which I have dealt and suggest that others try are as follows:

OFFF&RALL'S FREELANCE PHOTOGRAPHY
This one is owned and operated by Ken O'Ferral. Ken is a professional photographer with 29 years of experience and is employed by State Bros. Markets. He is also a photo-㊗tor for the Black Voice News. Many of the photos that you see in this and future editions were shot by Ken. He has used his services on several occasions and found him to be professional and accommodating. If you need photographic services of any kind at a modest price, I recommend Ken O'Ferral without reservation.

Last summer when all the children of Rev. and Mrs. Wesley Rogers realized that despite the parade continued.

They wanted to see their parents on stage and to repeat their words in a very serious manner. It didn’t take too long to plan on all the most beautiful weddings to be held.

With daughters Carolyn Brown, Helen Ford, Jean Rogers and Gloria Rogers serving as bridesmaids and grandmothers, Frank Brown, Arnold, Jeffrey and Wayne Brown, Russell and Royal Rogers as usher, the wedding held at the Pentecostal United Holy Church, was performed by Dr. John H. Bradley. Mrs. Rogers’ good friend, Mrs. Lillian Miller, served as matron of honor. Best Man was Russell Rogers, Sr. and Wesley Rogers, Jr. symbolically gave the bride away.

Endless Love, and the Lord’s Prayer were beautifully sung by Sylvia Rogers and Sylvia Ford. Friends and family came as far as California to attend the ceremony.

Rev. And Mrs. Wesley Rogers receive a beautiful diamond ring set, gifts, in memory of a beautiful day in their lives, the Golden Wedding Anniversary.

GEORGE WILLIAMS, served as master of ceremonies and announced the intentions for the judges as he does every year.

Cancers of the large bowel, breast, lung, colon and rectum, bladder, and mouth are among the other types of cancer in the black community.

Question - I've heard that cancer is a woman's disease. Do Black women get Cancer?

Answer - Yes, they do. Black women get Cancer cancer than other women do. But Black women get breast cancer (which is cancer) and other childhood cancers. It's important to note that you very few cancer of any kind get Cancer.

This article was based on recent 28 page booklet titled Black Americans and Cancer. It's not true. That's a myth. In fact, Black men get the same Cancer, and a separate one. This booklet is available at your local health department.
