A broken tile on an ottoman at a Volkswagen dealership in Riverside caused the Black and Brown community to call a press conference and demand a look at the use of police dogs, selection of new police officers, and efforts in training to keep the dogs from causing harm.

"We are the ones who have to pay the price for what is happening here," said Cheryl Brown, speaker of the press conference.

"The action oriented workshop for businesses," said Congressman George E. Brown, "was sponsored by the NAACP.

"We did it to provide a forum for exposure for minority businesses," said one of the organizers, "and to look at various policies to work for opportunities for such minority businesses, and to provide valuable information to minority businesses.

The action-oriented workshop was held in the Rotunda of the Riverside County Courthouse.

The following excerpts from a January 30, 1983 address delivered March 15, 1983. Her daughter, Ora Lee Bennent was present along with many senior citizens and members of the Martin Luther King Club which she joined 10 years ago. Born in Marshall Texas in 1892, Ms. Stephens moved to Los Angeles in 1919. Her home has been Riverside since 1972. Two selections by the Martin Luther King choir accompanied by pianist Juanita Beale were followed by testimonies. "Praying Hands" by Nina Thomas, and "My God, Can I Get Humbled Up and Went!" by Vang Porter. A basketful of cokes and punch was served in a flower decorated room.

Every MOSQUE has them. Don't think your mosque is going to be any different. We're talking to some of them right now here. They're here in case there is an opportunity where they will be able to take that advantage to set us back. That's their only goal now in coming.

We have to accept that, but we don't want to become petrified, alarmed to the extent that we're going to say, "I'm going to hide!" We don't try to find him, forget about him, just that he's here, but don't worry about him. Why keep coming, maybe he'll hear a sermon that will change his heart and mind.

Accept that he is there and he is a troublemaker. Here to see if we can unseat you or take you back or throw a monkey wrench in your operation.

Sometimes they just ask a question behind a good talk. They don't like to see the good people stay. We had a good talk, the spirit's high, good—our lives. Jesus is the answer to all of our problems. Finally, a splendid morning was received by all in attendance.

Many awards were given by the Lay Organization for services rendered. Mrs. Roberson thanked everyone for their beautiful participation in helping to make this annual Lay Day one that we will never forget. A delicious meal was served to everyone in attendance.

Please join us in remembering our sick and shut-ins everywhere.

River's End, Rev. Moscato brought us our message. He is a fine young preacher. He is 21 years old and still going to school, learning about the world and the world about him and of his and taught us how. He is Rev. LaVerne Melissa. His message was titled "Don't Betray Jesus" and his text from John 19:10. He told us that we should not let self-love come over us or we will betray Jesus. That sin we will betray, Jesus as Judas did.

In our afternoon musical, different choirs sang with our inspiration. Our guest choirs were Grace Bethel, Second Baptist, and First Olive. Celestial choirs sang for us also. We had different groupster duets such as Praise and Duet of Connie Davis and Lauren McDade. We also had readings and other special events. We manage appropriate program.

Dr. Robert Fairley surprised the Island Empire community with a moving announcement of his resignation from New Hope Baptist Church in San Bernardino on Sunday, March 20, 1983.

Dr. Fairley cared for the church from Redwood City in November 1975 after the former pastor of 28 years, Rev. David Campbell, had served. Rev. and Mrs. Fairley had served the Black Voice telephone interview “We will go back to St. John Baptist Church in Palo Alto, California, the church where he was called to the ministry.”

We are so excited to go back, this is a way we can go back and thank you for the early years,” said Mrs. Fairley beamed.

Fairley said that he had only one mother lives only 2 blocks from the church and (now) Ford is in school in San Jose only 20 miles from.

The letter announcing his resignation was read to the congregation in the 11:00 a.m. service. The resignation is effective May 31.

THE SEVEN KINDERGARTEN classes of Rio Vista elementary school in San Bernardino, as committed to the singing of patriotic and gospel songs immemorial of what has made our country great. Close to 400 parents, relatives and friends were on hand to watch, listen and be proud of their children.

THE SET LOCATION Task Force presented its final report to the Board of Trustees on Thursday, March 24.

The Task Force was in unanimous agreement that the next junior high school should be located in the Mesa area.

Mr. Alfred Jackson, a former Board member and member of the Task Force, expertly presented the report to the Board. In his talk, Mr. Jackson explained much of the data which was studied by the Task Force, and detailed the reasons for the recommendation.

The Task Force studied information gathered for the involved in professional consulting and career organizing (S.A.G.E.), along with data gathered by other sources, and their own knowledge of the school district area to formulate its recommendations.

Some of the data considered by the group included: proximity to students, past and future growth patterns, and elementary school enrollments.

The Board of Trustees expressed its gratitude to the members of the Task Force. The Board will now study data and information and make the final decision on placement of the new school.

...Brown Roast

Riverside Municipal Court Judge Dana Henry, Superior Court, Los Angeles, Ben Lewis, former Mayor Riverside, Art Pick, Executive Director Chamber of Commerce, John Longville, Councilman, Rialto, Ray Carneio, Chair Riverside Board of Supervisors, Hardy Brown, Vice President NAACP, San Bernadino, and publisher of the Black Voice News, Riverside, Jim Lloyd, former Congressman, Les Richter, Riverside International Raceway, Mayor Tom Bradley, Los Angeles.

Bradley said he always felt uncomfortable when being roasted and out of respect he couldn't poke fun at his longtime friend. He did, however, offer a tale and called Brown the "prince of all the common people of this country."

On the humorous side, Rialto City Councilman Ron Longville, former executive aid for Brown called him to the podium to examine his driver's license and said, "Can you imagine roasting a 215 pound piece of meat in five minutes?"

Another presenter, Walt Ingals, said to Terry Goggins, who left with the dinner, that he told the assemblyman not to grin so much because this was not Brown's retirement party—only a fundraiser. The word is circulating that Goggins wants to run for the Congressman's seat. Ten years ago they were opponents for the newly created district.

Ray Carneio pointed out that Democrats should have been ashamed for not showing more support for Brown. "Maybe we need to look at ourselves whenever race George."

Hardy Brownespoused the good work of George Brown and also his image. Brown said, "with the Republican Administration in power in the White House, it's nice to have a person who is easy to talk to, and a pipeline to San Bernardino and Riverside areas back to Congress. Brown also gave a story which depicted the "George Brown" image then presented him with two cigars.

Congressman Brown told the Voice in a telephone interview, "the roast was extremely successful, a overall results showed it a financial success. I do, however, take exception to some of the comments, but I didn't take offense to all of them."

JOE BACA discussed the roast with Tom Bradley, and answers the question Bradley has posed about his future plans on the San Bernardino Valley College Trustee Board.

MARY CURTIN, Secretary AFL-CIO (Riverside-San Bernardino Counties) recently received a telegram from Brown congratulating her on her selection among the 50 leading women in organized labor. Also Charles Brown.

PETE KELLY, California Chair of the State Democratic Party was the M.C. When Betty Palmers, Roast Coordinator, asked Kelly, a long time ago to M.C. an affair for Brown asnewseager to assist, Betty says in such a wonderful person to work with. He also enjoyed roasting Congressman Brown.

Ministers and organizations that

Cecilia Lightburn, recently appointed staff representative for Assemblyman Terry Goggins, Lt. Governor Leo McCarthy come out to support the fund raising efforts.

Tom Castro, Public Affairs Director of a radio station, based in Ontario, California, and Victor Manuel Rodriguez, guest of the station, made some comments, but I didn't take exception to some of the comments, but I didn't take offense to all of them."

Don Frazier, candidate for San Bernardino's 6th Ward Council seat, was on hand to talk to Congressman Brown about the many pressing problems and some ideas he has to change them, and their long-time association supporting Congressman Brown.

Waudier Rucker-Hughes, Executive Director of the Opportunities Industrialization Center (OIC) was on hand to congratulate him and to tell him she looked forward to seeing him at the Minority Business Expo, to be held at Raincross Square on April 2. Brown will be the keynote speaker.
