Police Dog Attacks 60-Year-Old Woman

by Cheryl Brown

A broken tail on an old Volkswagen has resulted in a nightmarish experience for a local woman. The woman was recently bitten by a police dog, causing the car door to be damaged. The incident is under investigation.

The woman, who was shopping at a nearby supermarket, called the police after noticing the dog's behavior. The police responded quickly and found the dog near the store.

The woman said she was surprised when the dog lunged at her, causing her to fall to the ground. She was then attacked by the police dog, who was responding to a call.

The woman was taken to the hospital for treatment and is expected to make a full recovery. She is now recovering at home with her family.

The incident is being investigated by the local police department, and the officer involved has been placed on administrative leave pending the outcome of the investigation.

Local police have urged the public to be cautious when dealing with police dogs, and to always follow the officer's instructions when dealing with the situation.

The woman expressed her gratitude to the police for their quick response and the love and support of her family during this difficult time.

God is Good and we are witness to that because we were blessed with showers of blessings in our worship service. Pastor Sechol brought the message "WAIT ON THE LORD," 1 Peter 5:11 and the 8th verse as the Text. Humble yourselves therefore under the mighty hand of God, that he may exalt you in due time. We must come as little children before the Lord and in all of our works, acknowledging God. In due time we will be able to be exalted by God. Many of us are all full of ourselves and don't see the mark of a true Christian is to let the Lord lift you up. To do this, we must be patient, long-suffering and patrols. We cannot do anything of our own. We must accept the Lord in us as we have all the honor and the glory belong to Him. Whatever we do for Christ, we must keep the faith and wait on the Lord.

Our special guest today includes Bro. Johnny Sims, Sis. Pauline Lewis of Louisville, Kentucky also Sis. Jowey Ware of Kentucky, Sis. Lewis is our sister of the pastor. Rev. Sechol will sing.

The Adult Choir inspired our hearts with the song service and we thank the officers for setting the atmosphere during the devotional service by the aid of the Holy Spirit.

We thank God for our fellowship with the Park Avenue Baptist Church and we set our ways rejoicing.

The Youth Department of our Church are inviting all of our friends and Christians to fellowship with them on Sunday, March 27th at 3:30 p.m. in which the Youth Department of St. John Missionary Baptist Church will be the guest church.

We all rejoice in the Holy Spirit throughout our morning worship service. The choir favored us with good spiritual songs, "Chosen by the River," "We Can't Do Nothing Till He Come," "The Lord is with us." Let's not forget to continue in prayer to them. Speaking to You," and a beautiful solo by Sis. Florine Simons.

Events coming up: Masha Reagins (gospel D.J. Sunday afternoon) is putting together a concert for the University on April 8, 1983, at Wadsworth. Be sure to support their efforts.

Billed as the Southern Gospel Concert of the Year, Lenny Lutski and the First Family from Memphis, Tenn., will be in full concert on April 15, 1983 at the St. Mark C.O.G.I.C. in Riverside. If you haven't heard the song "Little Wooden Church on the Hill" in a long time, bring grandma and the whole family to witness this ministry in song. Senior praise choir will be the Rubidoux Missionary Baptist Church Youth Choir. What a Time! What a Time! What a Time!

We have not because we ask not. The effectiveness of prayer of a right-minded man avail much. We have to have clear mind to pray. We have to have faith and trust in God to answer our prayer. We are admonished in James 5:6 to pray with understanding. Pastor Hooper closed his message by singing, "How I Got Over." —ANNOUNCEMENTS—

March 27, 3:30 p.m. — The Pastor's Ad Club is upon us with a program. There will be a presentational Second Evergreen Baptist Church. Rev. Roland will be the messenger.

Happy Birthday: Alfred Jackson—Alfred was 84 years old today on the 34th of March. We had a little party for him at the end of Period 5 last Thursday. Alfred is an ambitious young junior high school student in Perris. He will accomplish a lot as he develops, because he has a positive attitude. I like him and his friends. He is also interested in spiritual awareness.

Mr. Justin Shooks, Amanda Burrows, David Popko, Regina Brown, Cory Raya and Daniel Burchan.

The Site Selection Task Force presented its final report to the Board of Trustees on Thursday, March 17.

The Task force was in unanimous agreement that the next junior high school should be located in the Mound Valley area.

Mr. Arthur ‘Rex’ Anderson, a former Board member and member of the Task Force, expertly presented the report and the Board. In his talk, Mr. Anderson explained much of the data which was studied by the Task Force, and detailed the reasons for the recommendation.

The Task Force studied information gathered for them by professional consulting and planning organizations (SAGE), along with data gathered by other sources, and their own knowledge of the school district area to formulate its recommendation.

Some of the data considered by the group included: proximity to students, past and future growth patterns, and elementary school enrollments.

The Board of Trustees expressed their gratitude to the authors of the members of the Task Force. The Board will now study data and information and make the final decision on placement of the new school.

Riversiders Get Reduction in Electric Bills

The Riverside Board of Trade has announced a price reduction in electricity rates again beginning March 1, 1983.

The price reduction will be possible because wholesale electrica cost reductions were experienced in recent months.

The City has saved approximately $1.6 million and will be passing these savings on to utility customers.

Customers will see the reduction in a savings of 4.2/4.5 (four and one half) kilowatt hour. That means average Riverside customer, who uses 500 kilowatt hours per month, will save approximately 24 dollars that will save approximately 2.4/2.5 cents per kilowatt hour. That is a 4.5 percent reduction.

A customer who uses 200 kilowatt hours can save $1.40 or approximately 4.2 percent or approximately $1.40 a month. A customer who uses a higher than average amount, before March 1, approximately 1,000 kilowatt hours, can save approximately 8.4/8.5 cents per kilowatt hour. That is 8.4/8.5 percent.

Energy costs are downwards.

First, there has been a reduction in the cost of oil. There has also been a reduction in the price of energy, and a reduction in the price of power.

In addition, the City has been able to buy electric energy from sources other than Southern California Edison. This is a non-firm energy source, therefore, energy costs at Riverside are always available. However, energy costs are at a reduction when it is sold at a reduced rate and costs than the wholesale energy from Edison.

Bradley said he'd always felt uncomfortable when having roasted and out of respect he could not poke fun at his longtime friend. He did, however, offer a tale and called Brown the "prince of all the common people of this country."

On the humorous side, Ralio City Councilman Ron Longville, former executive aid for Brown called him to the podium to examine his driver's license and said, "Can you imagine roasting a 215 pound piece of meat in five minutes."

Another presenter, Walt Ingaus, said to Terry Goggins, who had left the dinner, that he said, "Can you imagine roasting a 215 pound piece of meat in five minutes."
