WINTER TERM REGISTRATION TO TAKE PLACE BY MAIL

A new system of registering by mail is being put into operation by the Office of Admissions and Records for the Winter and Spring Terms.

All students currently eligible to return for the Winter Quarter and all students admitted for the Winter Quarter will be mailed registration forms and information. Graduates and Seniors will be sent their registration packets today.

The mailing schedule for others is: Juniors, November 22; Sophomores, November 27; and Freshmen, December 6. Students returning their registration forms and check for their admission fees by the priority date assigned to each class will receive top consideration when class cards are selected. Those students not observing the priority date have until December 24 to return their registration packet and take advantage of registration by mail.

Students who have not reported change of address to the Admissions and Records office are urged to do so in order that they will receive their Winter Term registration packet promptly.

Those students not completing their registration by mail may register on January 2, 1969.

The Class Schedule for the Winter, 1969, Term has been published and will be distributed to students today.
