Bob Holcombe, who has recently turned Democrat. Later that day at 12:30 P.M. Jackson will speak at New Hope Baptist Church 135 W. 12th Street in San Bernardino. The public is invited.

Jackson's candidacy is seeking a new approach to the Democratic Party through his Rainbow Coalition of Blacks, Hispanics, Aes and women. This new approach will involve more of them in the slate making process. Jackson thinks his candidacy will also increase the number of blacks and other minorities who will participate in the political process.

Several sources have stated the goal is to achieve “parity” in officeholding equal to the proportion of people in the electorate.

Jackson was born October 8, 1941, in Greenville, South Carolina. After graduating from Sterling High School in Greenville in 1959, he attended the University of Illinois on a football scholarship. He left after his freshman year and transferred to North Carolina Agriculture Technical & A&T State University in Greensboro, North Carolina, where he received his Bachelor of Science degree in sociology and economics.

While a student at North Carolina A&T, he was active in the sit-in movement of the sixties to desegregate public facilities. Jesse Jackson was also a student government leader, honor student and star athlete. He attended Chicago Theological Seminary for 2.5 years. More than 20 colleges and universities, including North Carolina A&T University and Chicago Theological Seminary, his alma mater, Pepperdine University, Overland University, Oral Roberts University, the University of Rhode Island, Georgetown University and Howard University have recognized his leadership and achievements by confering.

Mr. & Mrs. J.L. BRATTON of Ontario welcomed Congressman George E. Brown into their home.

Our time has come. From slave ship to championship. Our time has come. From aftermath to an inheritance. Our time has come. We will not give up.

We will have on our time has come. Since was part of the Democratic presidential candidate Rev. Jesse Jackson's strategy to motivate the masses to register to vote in the next presidential election.

On Thursday December 8, 1983, Jesse Jackson is coming to the Inland Empire to formulate his Inland Empire strategy to motivate the workers, who are drawing unemployment benefits and those who receive Supplemental Assistance for Energy, to vote. The Reverend Jesse Jackson will speak at New Hope Baptist Church 135 W. 12th Street in San Bernardino. The public is invited.

"How to Handle the Temptation to Worry," was the message last Sunday. Pastor Forbes exhorted us to study Jesus for He is our example in everything. When we understand His teachings and put it into our daily lives, He will be with us in every step of our lives. 1 Pet. 2:21. Jesus is touched by our hurts and temptations because He was tempted in every respect as we are, yet He did not sin, Heb. 4:15-16.

Jesus was confronted with the temptation to worry about His impending death in the garden of Gethsemane, Matt. 26:36-39. He prayed three times turning it over to God. He must resist going over a problem repeatedly by releasing it to God, just as Jesus did. Worry is a little breath of Satan's formula for temptation. He teaches us to worry, and cancels the ability to help us through whatever difficulty we are faced with. Jesus was tempted to consider the Word of Satan, Matt. 4:4. Thus it is important to keep the Word of Jesus spiritually so that we can stand against temptation as Jesus did. The victory is ours through Christ's (1) trust, (2) by confusing the Word of Satan, Matt. 4:4, (3) continue to resist by repeating #1 as needed, for Satan will not leave you alone, and (3) give the rest to Jesus for He cares for you, 1 Pet. 5:7. He promises to take charge of it, Ps. 55:22; to sustain us, Ps. 39:22 and perfect that which concerns us, Ps. 138:8.

Jesus will never leave you or forsake you (1 Pet. 5:10), so cast your care on Him, and He will give you rest and refresh your soul, Matt. 11:29. We welcome you to join us at November 22nd at 11:00 a.m. on Sunday, at the Howard Johnson's on 1199 2nd & Granada, Riverside, for worship and to learn more about leading a victorious Christian life.

Cooper- Burkhall Holds Rummage Sale
The Support Group at Cooper-Burkhall Senior Day Care Center is sponsoring a Rummage Sale on December 9 and 10, between 9:00 a.m. and 4:00 p.m. The location of the Rummage Sale is the Trinity Lutheran Parking Lot at the corner of 2nd and University in Riverside. Proceeds will go to the residents at the senior day care center.

We all benefited, as we listened to the Chancel Choir uplift and exalt God, holy Name, and Rev. Tobacco who brought to us a stimulating message taken from Philippians Chapter 4, entitled "LEARNING TO COPE." "Not that I speak in respect of want: for I have learned in whatsoever state I am, therewith to be content" V: 11. How true those words are in learning to cope and deal with, jeśli. Pain is a part of our life. We must accept it. O'Clock, as well, 11:00 O'Clock Worship Service, where we feel ourselves in the point where we don't know where to turn, turn to God. He understands and is willing to help us through whatever difficulty we are facing with. He will teach us how to cope, He will heal us, so all of our help comes from the Lord.

Bishop Brooks In Perris groundbreaking.

(Photos by Ken O’Ferrall)

Bethel African Methodist Episcopal Church is growing and expanding by leaps and bounds.

Nestled in the gently rolling hills at highway 74 and Sophie Street, Bethel is becoming a household word in the homes of many Perris area residents.

The church was established in 1946 in the home of the A.M.E. sisters, the late sisters Gilliard and Calloway and sister D. Hampton Jackson who presently resides in San Francisco. The earliest church building was built and dedicated in November 1970 under the pastorage of Reverend J.N. Harris.

Reverend Edgar Jackson is the present pastor of Bethel and under his pastorate the church is experiencing phenomenal growth, with twenty new members added to the roll in the last two or three months. The church is now composed of 160 active members.

The congregation at Bethel is never idle or aloof in it’s efforts to be a strong asset to the A.M.E. faith and the community. For almost two years the missionary society of the church has financed and conducted a program to distribute butter, cheese and other government commodities to elderly and needy residents of the community. Pastor Jackson said that the distribution program serves sixty families per month and is limited by lack of funds to handle and package the foodstuffs. However, the new fellowship hall which is under construction will permit expansion of the program.

The hard work and dedication of the members of Bethel congregation has enabled them to begin construction of a new fellowship hall. On Saturday, Nov. 19, President Bishop H. Hampton Brooks was on hand to deliver a strong and stirring message in ground breaking ceremonies.

1984 will be an exciting year for members of the A.M.E. faith. It is the year of the quadrennial conference which is to be held in Kansas City, Kansas in July. This conference is held once every four years and will see representatives from A.M.E. churches throughout the world meeting and greeting one another in the fashion of large family reunions.

Bethel African Methodist Episcopal is a church among churches in the Inland Empire.

Holiday lights brighten the season, but use with care!

AN OLD SET - inspect them before decorating. Look for exposed wires and worn insulation. Plug them in and look for electrical shorts. Replace burned out bulbs. Put a bulb in every socket.

NEW LIGHT SET - load the package before you buy. Get those lights that use the least amount of Amps to operate. (They save electricity and $$). Ask your dealer for his recommendations. Turn off holiday lights when leaving or when you’re not at home. Don’t leave them on all night.

HAVE A HAPPY HOLIDAY SEASON.

A Dessert for Special Guests

Among the many variations on the classic cheesecake recipe, the Kraft Kitchens offer one that becomes the highlight of many a family gathering. Let's follow the recipe step by step to make this delightful dessert:

**CHEESEY CHILLY’N CHIPS**

For each chilled cake:
- ¾ cup crushed graham crackers
- ½ cup sugar
- ½ cup flour
- ¼ teaspoon ground ginger
- 2 tablespoons melted butter
- ⅛ teaspoon salt
- 2½ cups sifted powdered sugar
- ¼ cup raisins
- 1 can (16 oz) crushed pineapple, drained
- 1 cup shredded Kraft sharp natural cheddar cheese for a zesty flavor

**Cheesecake Layer**
1. In a large mixing bowl, beat 1 cup Kraft Philadelphia cream cheese until smooth. Add ¾ cup sugar; beat until fluffy. Add 1 egg, 1 egg yolk, 1 teaspoon vanilla, ¼ teaspoon salt; beat until blended. Add 3 cups sifted flour; beat until smooth. Stir in 1 cup shredded Kraft sharp cheddar cheese. Pour into a greased 9-inch springform pan.
2. Bake at 325°F for 60 minutes. Cool in pan on wire rack.
3. Chill 4 hours or until firm.

**Cottage Cheese Crust**
1. Press crumbs across the bottom of a 9-inch springform pan. Bake at 325°F for 10 minutes. Cool completely in pan on wire rack.
2. In a bowl, mix ½ cup sugar, ½ cup flour, ¼ teaspoon salt, 1 egg, 2 tablespoons melted butter and crushed pineapple. Stir until smooth. Cool in pan on wire rack.
3. In a large mixing bowl, beat 1 cup Kraft Philadelphia cream cheese until smooth. Add ½ cup sugar; beat until fluffy. Add 1 egg, 1 egg yolk, 1 teaspoon vanilla, ¼ teaspoon salt; beat until blended. Add 3 cups sifted flour; beat until smooth. Stir in 1 cup shredded Kraft sharp cheddar cheese. Pour into a greased 9-inch springform pan.
4. Bake at 325°F for 60 minutes. Cool in pan on wire rack.
5. Chill 4 hours or until firm.

**Cheesecake Filling**
1. In a large mixing bowl, beat 1 cup Kraft Philadelphia cream cheese until smooth. Add ⅓ cup sugar; beat until fluffy. Add 1 egg, 1 egg yolk, 1 teaspoon vanilla, ¼ teaspoon salt; beat until blended. Add 3 cups sifted flour; beat until smooth. Stir in 1 cup shredded Kraft sharp cheddar cheese. Pour into a greased 9-inch springform pan.
2. Bake at 325°F for 60 minutes. Cool in pan on wire rack.
3. Chill 4 hours or until firm.

**Assembly**
1. Remove cake from pan. Place chilled cake on a plate. Spread cottage cheese mixture over cake. Chill 1 hour or until firm.
2. Remove crust from pan. Place crust over cottage cheese mixture. Chill 1 hour or until firm.

**Chilled Cheesecake**
1. Place chilled cake in refrigerator 2 hours before serving to allow the flavors to blend.
2. Sprinkle top with graham cracker crumbs. Serve chilled.

**Chef’s Note**
This recipe is a delightful combination of two classic desserts: cheesecake and cottage cheese. The combination of creamy cheesecake filling with the tangy cottage cheese crust makes for a unique and memorable dessert. Enjoy!

Rep. Brown introduces Bill to Invest in the Nation’s Disabled

Washington, D.C. — Rep. George Brown, Jr. (D-Ohio) introduced legislation which would make the purchase of sensory and communications aids free for disabled individuals regardless of income. By enabling sight, hearing and speech impaired individuals to have equipment which would allow them to be employed, the legislation would reduce their reliance on government assistance and aid the national economy.

"Recent technological advances in sensory and communications aids can make many handicapped individuals independent and employable," Brown said. "This bill strives to meet the test of progress, as defined by Franklin D. Roosevelt. The test of our progress is not whether we add to the abundance of those who have too little. If we can answer the human needs of disabled individuals, and reduce the deficit of the time, what better progress?"

Rep. Brown is a senior member of the House Science and Technology Committee, which recently held hearings on technologies for the disabled. He is also a board member of the Technology Assessment Board, a congressional agency which examines the impact and potential of advancing technologies on society.

Major cost savings are projected from this bill, which would make the purchase of sensory and communications aids free for disabled individuals regardless of income. The savings are expected to increase annually thereafter.

Brown also noted the personal benefits of this legislation which are beneficial to human needs for the sensory impaired. Brown said, "This bill strives to meet the test of progress, as defined by Franklin D. Roosevelt. The test of our progress is not whether we add to the abundance of those who have too little. If we can answer the human needs of disabled individuals, and reduce the deficit of the time, what better progress?"

Edison Offers New Residential Pay Plan

Southern California Edison Company is testing its residential customers the opportunity to reduce the seasonally high and low amounts of electrical energy costs by participating in a new Level Pay Plan.

The plan, available only to Edison customers who have lived in their home at least one year, is designed to help consumers budget for residential energy costs, according to Christina Garrit, Edison manager for the Fontana-Rialto area.

"Customers can automatically enroll in this plan simply by having the Level Pay Plan (amount shown in the invoice area) of their monthly bills," Mrs. Garrit said.

"It will cost customers nothing to join. If they do not wish to participate, they can pay the Total Amount Due," she added.

The utility is customizing its Level Pay Plan to each individual residential customer's billing pattern. The service costs based on the household's consumption of electricity during the past year and on current and expected energy costs.

On the last month of a customer's Level Pay Plan cycle, Edison will send out an invoice to the customer asking if he wishes to continue over collections that may exist between actual electrical use charges and the amount already paid by the customer.

"The Level Pay Plan amount will be recalculated every three months to prevent unwelcome changes later caused by variations in weather patterns, changes in family living conditions or changes in electric rates," Mrs. Garrit explained.

"Edison will continue to read meters regularly and keep the consumer informed on the status of their accounts. Each monthly electric bill will show the cumulative total of Level Pay Plan payments and the actual charges for the electric company's deliveries.

Customers may drop the Level Pay Plan at any time by contacting Edison at the phone number shown on their bills, according to Mrs. Garrit. Customers who have dropped the plan will be eligible to participate again when their current plan year has ended, she added.
