Citizens Protest KKK Members Rally

The massive demonstration sponsored by the NAACP, the National Urban League, the Southern Christian Leadership Conference and Operation PUSH, in conjunction with the AFL-CIO and a federation of civil rights, labor and other social organizations is being organized to prevent the Ku Klux Klan’s administrative budget cuts, Hooks explained. “The reason we are doing this is because the Klan’s administrative budget cuts are being made on the back of the poor people not have any assurance of price,” he said. We must raise the money to assist the county, the church and maintain the image of the economic life of our society.”

Diplomats predict a power struggle among the members of Congress and the federal court system by making them aware of our reachable opposition to this administration’s effort to make the courts, the church and maintain the image of the economic life of our society.”

Hamilton appointed Superintendent

Brian D. Hamilton has been appointed as the new Superintendent of the Borough of Riverside. Mr. Hamilton began his career with the city of Park Ridge, Illinois in 1972 where he served as an assistant superintendent and in his last position, he was in charge as an assistant superintendent and has been an administrator for 11 years.

The Borough of Riverside City School District has appointed a new superintendent beginning Sunday, August 23, 1981 and through Thursday, August 28, 1981.

The announcement was made at the Borough of Riverside City School Board Meeting on Friday, August 14, 1981. Mr. Hamilton, a native of Park Ridge, Illinois, has 11 years of administrative experience in the field of education, the majority of which has been in the Borough of Riverside, and he will be a fine asset to the Borough as a whole.

“We believe that Mr. Hamilton’s appointment will provide the Borough of Riverside City School Board with the leadership necessary to continue the work of the Borough on a high level,” said Board President Robert G. Waterman. A number of local school superintendents have endorsed Mr. Hamilton’s appointment.

Citizens Protest KKK Members Rally

The NAACP’s massive demonstration being held in Washington, D.C., to protest the recent demonstration by the Ku Klux Klan (KKK) has been announced for tonight.

The rally is expected to attract thousands of participants and will feature speeches by various civil rights leaders, including the Rev. Dr. Martin Luther King Jr., who will speak on the theme of “Resisting Racism.”

The rally is scheduled to begin at 7 p.m. and will conclude at 11 p.m. It will be held at the Lincoln Memorial and will be broadcast live on national television.

The rally is being organized by the NAACP and supported by other civil rights organizations, including the Southern Christian Leadership Conference and Operation PUSH.

The rally is part of a larger movement to fight racism and promote civil rights in the United States. The NAACP has been at the forefront of this movement for many years, and today’s rally is expected to be a key event in the fight against racism.

The rally is expected to be a peaceful gathering, with a strong emphasis on nonviolence. However, it is important to note that the Ku Klux Klan, a hate group that promotes racism and hatred, has expressed its intent to disrupt the rally.

We encourage all participants to come together and make their voices heard, while also remaining mindful of the potential for disruption. Let us come together as a nation to fight against racism and promote equality for all.”

The main speakers at the rally will be Rev. Dr. Martin Luther King Jr., the Rev. Jesse Jackson, and other prominent civil rights leaders. The rally will feature a range of activities, including speeches, musical performances, and cultural events.

James McKoby, former member of the Inspirational Choir, was a special guest with his family during the choir night at our church last Sunday. The message was titled "Life is a Landscaping Job." It entailed the ways we need to observe several days per week and relate it to the Christian experience. First, we must "take this one off and see what can be done with it." He related three things that go into landscaping: (1) We must accept our sites, (2) We must accept our sites, and (3) We must accept our sites. To plant the seeds and water them. But remember only God can make it grow.

St. Paul welcomed home James McKoby, former member and President of the Inspirational Choir, who now resides in Washington D.C. We were also welcome a morning speaker, Rev. Thomas J. Griffin, a professor of Religion at Jarvis College and father of James. Hotel District, Rev. Thomas J. Griffin, A prayer for healing was offered by Rev. Edwards, Rev. Bolley and Rev. Gary during the altar call for the sick and those in need of the blessings of Jesus. We were blessed with a successful Vacation Bible School. Our theme for this five-day session was Jesus Your Word Lives Here. The lessons were based on the Beatitudes of Jesus. The Beatitudes of Jesus are truly beautiful attitudes, and by studying them the students were able to learn the basic personality traits of a Christian person. We know of various attitudes, but these were the ones used to help Students. The Lord blessed our efforts with ten candidates for Baptism. Eight were baptised before the close of the class. We again invite you to come to our Church and worship with us. Antioch Baptist Church has been chosen as the Host Church for the General Electric Iron Plant. The plant is being called the "Cattail" Project. The Church was located on the banks of the Cattail Creek. The Church was founded in 1853.

Dear Editor,

Your story on the burning of a local synagogue is disturbing, and I would like to ask you to participate in our project to gather facts for Harvard, Alabama, and Ohio school students. Writers and investigative researchers are studying the use of explosives by klansmen tear-gassed black protesters, and need your help.

The Klan is a secret organization, and we need to know more about its activities. If you are aware of any incidents involving the Klan, please contact us.

Attacks on the black community have increased in recent years. The Center is engaged in an ongoing battle against the Klux Klan. When we have evidence of their activities, we can take action to protect the black community.

The Center is also investigating cases of racial profiling by law enforcement agencies. If you know of any incidents involving racial profiling, please let us know.

Each of these incidents is a step closer to ending the violence of the Klan. Let's work together to make a difference.

Sincerely,

[Your Name]

In all the movies which have opened this summer only a hand full have had black actors in them, and even less are produced by black production companies. At the present time in theatres across the country, box offices are booming by showing space fantasy, nudie and horror films, and if we were to draw any conclusions about the above mentioned, it would be that blacks simply don't exist. In fact, they don't exist with any magnitude or at all in the industry but rather they exist in the movies, has other reasons too. Blacks are disintegrated, they don't exist, and they aren't wanted. The average are disintegrated. If it's written by a white, it's stereotyped. If it's written by a black, it's typed.

Williamson says that we spend too much time looking for social statements in our movies but don't seem to do the same with white films. He feels people should go to be entertained. In other countries, that is done more readily, his production company, Pro Be, is based in Canada. When people pay $4.00 to see a Fred Williamson movie, they know they're going to see fighting, shooting, and being made love to. They don't want to see pretty lady and riding off into the sunset. Well, Fred, I think I'll wait and see if that one.
