Scientists Invited Whistleblowers to Speak Out

The Church of Scientology, long known for its effective social reform activities and exposure of government agency abuses that violate the precious freedoms for individuals, has also provided a forum for whistleblowers — those brave government employees with the courage to speak out about agency abuses and situations in their offices.

In 1973, for example, the Church's FREE- DOM Journal reported the story of A. Duane Yorke, a former Grumman Aircraft employee. Duane Yorke contacted Church of Sciento loogy, whose lawyer, Mr. Breslow, handled the case. Yorke had reported to Grumman, a large aircraft manufacturer, serious defects in the design of the new F-111 fighter plane. After conducting a thorough investigation, the Church learned that Yorke had been fired for his complaints.

SUBMIT A TIP:

If you have information about a government official or agency that you believe is involved in wrongdoing, please contact the Church of Scientology. Your tip can help bring about justice and reform. The Church of Scientology has been actively involved in exposing government abuses.

Please contact the Church of Scientology at 1535 W. 27th Street, Riverside, CA 92504, or call (714) 682-6433 for more information.

Hope

by Charles Ledbetter

The dictionary definition of hope is a feeling, that is winced-upon happiness or satisfaction accompanied by anticipation or expectation. Spiritual hope tells us that God not only has a plan and a purpose with him in heaven, he also has a plan and a purpose with us now.

Hope tells us that God takes his delight in making us holy. "Our efforts alone can never do away our want. Here is the word of power to us." (1 Peter 1:25). 

No one wants to be discouraged - when we fall, we give up. Hope tells us that when we fall, we get up. He also promises, "I have said, you will seek me and find me when you seek me with all your heart." (Jeremiah 29:13). He is faithful and true. "The Lord is faithful, and he will do what he has promised." (2 Thessalonians 3:3). He is the source of all power and authority. "All power is of God." (Romans 13:1). Hope tells us that God does not just come to make us feel better, he is present and available to others. "Our hope is built on the fact that he can see across the gaps that divide us, standing of life during this difficult time. This is one of the basic programs of the Llons Club, Uons Program, Skills for Adolescents with Attention Deficit Hyperactivity Disorder (ADD)."

The advantages of being average.

Our Level Pay Plan will show you how.
High or low?
Up or down?
If you’re tired of paying gas bills that go up in the winter and down in the summer, maybe it’s time you became an average bill payer.

Our Level Pay Plan can take the guesswork out of paying gas bills. And make monthly budgets much easier to plan.

In fact, our Level Pay Plan can help you budget your gas bills for an entire year. Because it helps balance your higher winter gas bills with your lower summer gas bills.

So you face approximately the same amount on your gas bill every month, summer and winter.

Look in your August gas bill for details on the Level Pay Plan. And to participate, just pay the Level Pay Plan amount indicated on your bill. You can drop the plan at any time simply by notifying us.

If you’d like more information on the Level Pay Plan, just call the Gas Company. And we’ll be happy to tell you all about the advantages of being average.

Our Level Pay Plan will show you how.

Dear Editor,

Recently, a letter to the editor was published by Larry Howey.

He claimed that ARG was being pressured to do something.

I will write a letter to the editor a representation to the people.

ARG has held many public meetings. We have never stated that the members of the board are in support of a home rule election.

Mr. Holland also states that the members recognize that they have the right to participate in the governance of the school district.

Our City Council has held many public meetings. We have never stated that the members of the council are in support of a home rule election.

New things are coming on the committees. Our City Council has to cover their backs.

I have heard a lot of people talking about this issue.

I suggest that Mr. Holland attend the ARG meeting on March 12th at the high school, and learn something from the people who have more than just an ear full.

Cathy Chrest
