Mary Faust Announces Candidacy For Moreno Valley School Board

Mary Faust, a nine year resident of Moreno Valley, announced her candidacy for one of the open seats on the Moreno Valley Unified School Board of Trustees positions. She is one of six candidates who have decided to run for re-election or those that have run in the past.

Faust has been involved in school community since the early 80's, when overcrowding of schools became an issue. She served as an elected member of the Moreno Valley Elementary School Site Council and was active in helping to raise funds for the school. She later served on Senator Prater's and Senator Proctor's legislative push to test making additional funds for the districts.

As a licensed child care provider in the city for over six years she feels she is in touch with the problems the school is having.

She is married to Stephen, who is employed by the Department of Agriculture in Riverside and they have four children. She started the “Black Dollar Days” dinner along with Millie Hunter and Cathy Norman.

LaToya Crystal Williams

LaToya Crystal Williams was selected as the 1985-86 Poster Child for the Sickle Cell Organization of the Inland Empire. Many events are planned which will feature LaToya as Poster Child.

LaToya lives in San Bernardino with her mother, Euse Williams, aunt, Charlene and brothers, LaTy and LaDalea.

She is an active, outgoing child who is very friendly. Another special case of Sickle Cell Anemia, LaToya has not had any serious problems because of her condition. “We have been very lucky,” says Mrs. Williams, “LaToya has been healthy except for two occurrences of pneumonia.”

Sickle Cell Anemia is a genetic disease that occurs when there is a defect in the production of the red blood cells.

LaToya is in the third grade and attends Mountain View School in San Bernardino. She loves to ride her bicycle when not in school and also enjoys playing with her many dolls.

Motorcycle Raffles

Motorcycle raffles are being held in the San Bernardino Valley to assist with the United Negro College Fund. Attendees had to have a total of 25 or more raffle tickets to participate in the drawing.

Recall In Moreno

Gaining Momentum

Mary Moreno Valley residents attended the Alliance for Responsible Government (ARG) monthly meeting for August, to hear the goals and purpose of the organization.

Speakers included George Hopper, member of the SSG, CoA, Mike Hunter and Cathy McMillan.

Incumbents Seek Re-Election to School District Board

For members of the Moreno Valley Unified School District Board of Trustees seeking new terms of office in the election to be held November 5, 1985.

Seeking four year terms are: Board President Frank S. Butler, Vice President William D. Martin, and Arthur M. Robinson. J-Carlos A. Gómez seeks a two year term. Jack W. Hough, elected in November 1983, is the only member not up for re-election.

Henry L. Neigurger who resigned to become a member of the Moreno Valley City Council was appointed to the board.

Another issue that is up for re-election is the N.A.A.C.P. (National Association for the Advancement of Colored People) which should be included with the total goals of the district.

Mary Faust has lived in Moreno Valley since 1976 and has served as a member of the board of community education. She was appointed in December 1983 to serve out the term of another board member, but her term ended in December 1986.

She and her husband, Ron, have raised four children, ages 3-9. Mrs. Faust said she is personally involved with the changes and problems associated with the district and has been an active member of the school board since the school opened.

Art Robinson has lived in San Bernardino since 1959 and has served as a member of the board of education for twelve years.

The conference is an educational and informative event, will hold its Twelfth Annual Camping Conference on September 1-5, 1985. All workshops will start at 8:30 a.m. and end at 3:30 p.m. The conference is open to the public and a brochure listing all workshops is available from the conference.

By using only Two Dollar bills at the checkout, you could save over sixty dollars (Sept. 1-7, 1985). The purchase of goods and services with two dollar bills is a good way to help keep the Black consumer movement strong without reciprocating to select retailers.

For more information about the Appreciation Breakfast or the Eighth Annual Membership Dinner please call the Sickle Cell Organization at (714) 684-0420.

Science Students Invite Whistleblowers to Speak Out

The Church of Scientology, known for its effective social reform activities and exposure of government agency abuses that violate the precious freedoms of American citizens, has also provided a forum for whistleblowers - those government employees who have the courage to speak out against agency abuses and injustices that they have witnessed.

In 1979, for example, the Church's FREE DOM News Journal reported on the story of A. S. Simpson, Pastor Jacks by Lionell B. During the week of September 1st, 7th and 13th, which was read by Pastor Forbes the desegregation was also by Pastor Forbes. The announcement was read and the visitors were acknowledged. We are indeed happy to report that there were five persons visiting with the Allen Church family on last Sunday.

Dr. Alvin Hill was the speaker for the last Sunday. He was the guest speaker at the New Jerusalem Foursquare Church.

Rev. J. Forbes, pastor

Sunday, September 1, 1985, 11:00 a.m. Sharp

Mr. Alvin Hill was the speaker for the last Sunday. He was the guest speaker at the New Jerusalem Foursquare Church. He was the second A.M.E. Minister of the Church, who is the pastor of the Church of Jesus Christ of Latter-day Saints.

The Rev. Dr. Lee King, Pastor of Belafi A.M.E. Church, Perri Co. was the speaker for our last Sunday and Stewardesses program. Pastor King brought us a message that we should live with and practice each day of our lives. The subject of his message was "This is the Antidote to Evil," which he shared with us. We should do everything that we can to make our community better. We are all members of society and we should work together to make it a better place.

The Church of Scientology is an organization that is committed to the ideal of a world where there are no secrets, no lies, and no abuses of power. They provide a forum for whistleblowers to speak out against government agency abuses and injustices that they have witnessed. The Church has found that there is an urgent need to provide a forum for whistleblowers to speak out against government agency abuses and injustices. They have been successful in doing so, and have received widespread support from the public.

**Gas Smells For Safety's Sake**

What should you do in the event you smell natural gas?

There are some definite dos and don'ts if you smell natural gas inside the home, according to Arnold Dickson, Southern California Gas Co. district manager. Dickson said a slight odor near an appliance indicates probably that the pilot is out, but that customers should call the gas company if they are not sure.

"Natural gas is very safe energy source when used properly," Dickson said. "We add an inhibi-

tive smell so if a leak does occur, it can be easily detected."

If the odor is strong, open the windows and doors, Dickson added. "Extinguish open flames," he added, "and don't light any matches or cigarettes and don't call — not even the lights or the phone, as they could cause a spark. Alert everyone in your house and then get out.

What's Happened to Good Ol' Sports?

By Julian Bond

Rolling against a New York City high school track star with a reputation as a invincible runner, the Florida woman in this week's issue of Sports Illustrated was given more than her share of my sympathy. For too long, she has had to rely on the resources provided in her school's practice conditions. The problem, however, was solved when she was inducted into the U.S. Olympic team and given the opportunity to train at a top-class facility.
