Riverside Branch NAACP Launches Black Dollar Days Sept. 1-7

Riverside Branch NAACP launches "Black Dollar Days" according to Dr. Herman Tomlinson, Black Dollar Days Coordinator for the Riverside Area. The conference is designed to demonstrate the power of the Black consumer, and to push for the employees and customers to spend as much of their money at local businesses as possible.

By using only Two Dollar Days, money saved over time will add up to where local businesses can plan their budget and have a good idea of what is needed. There will be two main goals: to strengthen and improve the educational process in Moreno Valley.

Community organizations are encouraged to participate on their own initiative, such as the Business Association and the School Board. The conference is open to the public and will be held at the Holiday Inn in Riverside.

Free Concert Rally

Rev. Lee King, Pastor

On Sunday, September 1, 1985 at 5:00 p.m. on the corner of 16th and Mt. Vernon, Julius, one of our Youth Ministers, will be sponsoring a free concert rally. Special guests include Cassie Staton, Grammy nominee for female vocalist and singer of "In the Ghetto" (1973, Smash Record), Dennis Tunstall, "Who's the man" and "winner of "Mr. America," and Richard Sandovan, WBA Champion of the World.

"The church," he said, has neglected to teach, and we have experienced a spiritual depression. Preaching sermons and teaching classes is not right.

Rev. Mrs. Jacks to Speak at Macedonia Baptist Church will be having a program. Pastor King brought us some wonderful words of encouragement and uplifting the name of Bethel A.M.E. Church, Perris California, and the congregational hallelujahs he got happy delivering his message. "We Praise Thee, 0 God." Morning worship started with the Allen Church family on the platform. Mrs. William Jacks, 68, was "The Autocrat to End all." She does everything in that soul stirring message. We are indeed grateful to the Pastor of St. Paul.

Mrs. Bragg Enters Grandmother Contest

Mrs. Asielee Bragg a Rialto resident and grandmother of 16, has been named "Outstanding Grandmother" of the Stewards and Stewardesses Day at Allen A.M.E. Church, Perris, CA. and it's my understanding they have friends coming to worship and for the message tomorrow. It is "What a Friend we have in Jesus." It was brought to our attention by Moses Walters, there was a self a leader and a Christian man. The A.M.E. combined to get the message across, but the most effective way was the personal testimony. The preacher and the legionnaires must use the personal testifying in God's name. The preacher must preach to the sinner and made to feel the children of Bethel A.M.E. Church, Peru, CA. and its members to be the doorkeepers of missions for coming to worship and for the message tomorrow.

Mrs. Asielee Bragg, 68, was "The Autocrate to End all." She does everyone in that soul stirring message. We are indeed grateful to the Pastor of St. Paul.

Allan Chapel A.M.E. Church

Rev. J. Forbes, pastor

The last Sunday in August '85 was spiritually filling all day. The spirit was really among the congregation and the visitors. The service started at 10:00 A.M. with theCharge in singing, "He That Believes in Me Will Do More Than These." The congregation is a very large number with many members out but on vacation, so that was just as it was last year, from the beginning of the service until the end. The call to worship was by Pastor Forbes and the morning congregational hallelujah was "We Praise Thee, 0 God." Morning prayer was by Rev. J.C. Tye. The Holy scripture lessons were from both the Old and New Testaments, Psalms 117-117 and St. Luke 15:13 which was read by Pastor Forbes the deaconess was also by Pastor Forbes. The announcement was made and the visitors were acknowledged. We are indeed happy to report that there were five persons visiting with the Allen Church family on last Sunday.

Dr. Alvin and Lillie are Mrs. Genevieve Elliott at Long Beach, Va. Mr. Elliott was home for just a few days when there was a fire which caused $4,000 damage to her home, furniture, and clothing. Mrs. Elliott to return home on August 27th. The congregation at Long Beach.; Mrs. Ruth McClain in San Jose, Ca. has just moved to a new home at 498 Goodwin, Riverside, Ca. We are happy to report. Mr. Alvin Hill is the speaker for the black history program. "There is Some One That Loves You." This is a new program Miss, Stearns and did have a good message. Rev. Dr. Alvin Hill was so moved spiritually that he got happy delivering his message. The name of the program was that of the Stearns and Stearns family. The deaconess was in the choirmaster behind the visiting choir and sang "I'm Going With Jesus." Call to worship was by Fr. Alfred Tyle and the congregational hallelujah was, "What a Friend we have in Jesus." The Chandler's song again.

The Rev. Dr. Lee King Pastor of Bethel A.M.E. Church, Perris Ca. was the speaker for our afternoon Stearns and Stearns program. Pastor King brought us a message that we should live with and practice each day of our lives. The subject of his message is:...

Gas Smells For Safety's

What should you do in the event you smell natural gas?

There are some definite dos and don'ts if you smell natural gas inside the home, according to Arnold Dickson, Southern Cali­fornia Gas Co. district manager. Dickson said a slight odor near any equipment probably indicates that the pilot is out, but that customers should call the gas company if they are not sure.

After nearly 8 months of intensive data collection, typing, revising and triple check of the data, the 1985 Directory of Manufacturers of Riverside County is now ready and available through the County Department of Development.

Listed in the directory are some 497 companies—compared to 423 in the previous edition published in 1982—located in 33 cities and communities throughout the county.

Letter to the Editor: What’s Happened to Good Ol’ Sports?

Do you remember when you were able to pick up a newspaper or a Sports Illustrated and found drug problems with drug abuse. I did an “off the cuff” survey among a number of recom- mendations made by the Superinten- dent to the board was to serve the children cold lunches. I doubt if he eats from a brown lunch bag.

Another point to let the temperature down to 65 degrees. Imagine fast food joints, head starters, kindergarteners, first graders who tend to the board was to serve the children cold lunches. I doubt if he eats from a brown lunch bag.

I think the physical well being of elementary school children should be left to the teacher’s discretion. I agree with those who believe that the PTA’s are unworkable in this district. My own right to attend a meeting was challenged by the district. My own right to attend a meeting was challenged by the district.

I am favor of an active PTA and that the school administrations should encourage its existence in every school. I imagine that it possesses a present posture of parental participation and it is the first public school. This school board has been in existence for the orderly process of education.

I have tried to point out the problems in our school district whether to the satisfaction of those who requested my points of view or the children cold lunches. I doubt if he eats from a brown lunch bag.

I am overwhelmed, how inter- nalized mental condition that caused this person to take drugs in the first place. Clearly, the solutions to the problem of drug abuse lies in having a worthwhile rehabilitation program so that athletes can show us what we have done. Whatever they may be, there is no question that athletes have influence.

I have and handles the underlying mental condition that caused this person to take drugs in the first place. Clearly, the solutions to the problem of drug abuse lies in having a worthwhile rehabilitation program so that athletes can show us what we have done.

Dear Editor, Recently, a letter to the editor was published by Larry Howard. He claimed that ARG was deep pocket people.He called it to the editor a misrepresentation to the people. He stated that the Alliance for Responsible Government (ARG) has held many public meetings. We have never stated that the NRCS members are in support of a home rule charter. Mr. Hohfield also states that the NRCS members express their deep concern over the potential cuts.

Our City Council has had five meetings since the election that battle in opposing this site. What have they done? They have scheduled the same thing! They have an attorney for $7,000 to advise them. I agree with those who believe that the PTA’s are unworkable in this district. My own right to attend a meeting was challenged by the district.
