CALIFORNIA STATE COLLEGE, SAN BERNARDINO

The BULLETIN

April 4, 1969

REGISTRATION JUMPS More students registered for the Spring Term
TO ALL-TIME HIGH than at any time in CSCSB history.

Total registration reached 1,330, up five from the Fall Term. Normally there is a spring slump in college registrations; CSCSB had experienced a 10 per cent decline in Fall vs. Spring Term registration a year ago.

The Full Time Equivalent (FTE) figures also improved. This term there are 1157.6 FTE, compared to 1152.2 last fall. A year ago, CSCSB had 918 students and 794.5 FTE. The new figures represent an approximate 45 per cent increase over a year ago.

COMPREHENSIVE EXAM The College-wide requirement concerning
REQUIREMENT CHANGED comprehensive exams was abolished recently
by President Pfau, at a meeting of the
Academic Council, on the recommendation of the Faculty Senate.

Abolition of the College-wide requirement does not, however, remove comprehensive exams as a requirement of the disciplines. To do so will require a separate recommendation by each discipline.

Vice President Scherba urges each discipline to deliberate as soon as possible, and forward its recommendations to retain, abolish, or alter the comprehensive exam requirement to its division office, to minimize the inevitable confusion among students.
