Free "VD" Counseling

NEED V.D. COUNSELING? TESTING? WOULD YOU KNOW IF YOU HAD IT? WHAT WOULD YOU DO IF YOU DID HAVE IT?

The COLLEGE HEALTH SERVICE IS OFFERING FREE COUNSELING AND TESTING JANUARY 9 THROUGH THE 15TH TO ALL STUDENTS WHO DESIRE IT. THE SERVICES ARE ADMINISTERED BY QUALIFIED PHYSICIANS AND NURSES.

One incidental note: 20% of all reported VD cases on State College campuses are non-symptomatic. That is, the people have VD but there are no tell-tale signs.

Can you afford to take a chance? Do you really know anyone who can?

Call or go into the Campus Health Center and make an appointment today.

College Wide Seminar
Set For
January 16

Jim Murphy and Denis Lieberman invite all interested students and faculty to a college-wide seminar to discuss Jay W. Forrester’s World Dynamics Computer Model. This model illustrates population, capital investment, geographical space, natural resources, pollution, and the resultant production on a world level as growth overloads the environment.

The first few meetings of the seminar will be devoted to the discussion of the assumptions and constraints of the model and an examination of the computer program. The rest of the seminar will be devoted to computer runs in which the initial parameters will be varied in an attempt to determine the sensitivity of the wide assumptions as well as to what extent the counterbalancing forces of demographic, industrial and agricultural systems are interrelated.

The first meeting will be Friday, January 16, 1973, at 7:00 p.m. on LC 52. We will use a reference day, W. Forrester’s WORLD DYNAMICS, Little, Brown, Boston, Massachusetts, 1971.

1973 Is The Year To Get Involved!

Welcome back to Tumbleweed Tech. The wind has blown in the new year and us — back to school after a blissful and much-needed vacation. Let’s not permit this sudden change in environment to dampen enthusiasm for the happening once again and we are truly in need of staff members — happening once again and we ai% reporters to do feature stones in Services Building and find only me, come in to the office next door to E.O.P. in the Student Services Building and find only myself or very few others hanging around the typewriter, suspended like animated iron between the greyest walls you’ll ever see. I have a feeling that the College Journalism course offered this quarter should instigate some interest in the operation of the “Pawprint.” My office hours will be afternoons, approximately 1-3, and I invite anyone and everyone to come in and talk about whatever may be occupying the space between the shoulders (you can also view the real-life animated action of the campus newspaper crew).

In spite of tradition, things are happening around Cal State Student government, activities, plans for a Day Care Center on campus — 1973 is a year which will see extreme growth on this campus. Be a part of it! The newspaper can be the foremost means of communication on campus, but only your life and interest will help in creating that channel. My own hope for 1973 is that the “Pawprint” may become a stable force in shaping the current of change and growth.

Watch us work. We’re for you...

Editor

Dear Nancy,

We’ve just read your review and it was very interesting, informative, and we appreciated it.

Upon hearing the tapes after the concert, we agree with you about the first half of it. We believe we did some good work toward the end of the evening — we don’t know whether you stayed for the whole show or not. We would like to state that the tapes George heard were of two of us playing, one of us playing, three of us, and five of us. I told him there were anywhere from two to seven people in the group. It is true that we expected two other members to be with us that night, but they didn’t make it back then. So we had a job to do. But the implication that we misrepresented ourselves is untrue. We, of course, are sorry that we did badly at first — some of it technical, some emotional, etc., but as I said we feel that we vindicated ourselves before the night was through. We will be playing in the area again in January and will contact you as to where and when and hope you will be able to attend and that you enjoy the show at that time. P.S. Read your article on herbs. For your further information, there is an excellent herb company here in the states. The Indiana Botanic Gardens, Hammond, Indiana. Their herbs are fresh, economical, and a formula excellent. If you write to them, they’ll send you their catalog and their Herbalist Almanac — both of which are really informative and free. Hope to make it up to you.

Your lady - editor in - waiting - for some - new - hot - blood - to - make - the - newspaper - thrive!

Nancy Saunders

Editor-in-Chief/Pawprint

California State College

5000 State College Parkway
San Bernardino, Calif. 92407

Dear Miss Saunders:

Upon returning to my office recently I had a copy of your “Pawprint” dated October 20, 1972, on my desk.

You were indeed generous in publishing my photograph on the front page and want you to know how much I appreciate your fine support on behalf of the men and women of the San Bernardino County Sheriff’s Department.

Gratefully,

Sheriff

WANTED MISSIONARIES

University of the Pacific

McGeorge School of Law

5200 Fifth Avenue, Sacramento, California 95817

The program of the law school enables students to begin the study of law in the summer quarter (June 1973) or autumn quarter (Sept. 1973) in the 3 year day or 4 year evening division. McGeorge offers the juris doctor degree and is accredited by the American Bar Association.

ON-CAMPUS INTERVIEW OF PROSPECTIVE LAW STUDENTS

Will be held on Wednesday, January 17, 1973, from 12:30 p.m. to 2:00 p.m., in the Placement & Financial Aid, Student Services Bldg., Rm. 122. For an appointment or further information, contact Mrs. Watson, Placement & Financial Aid, Student Services Building, Room 122.

FROM: Enri Garcia, Virginia Ingell

RE: "NO ONE from the Task Force talked with anyone from this department . . . ." Weiny, December 1, 1972

Dear: Jim Stein, Ginny Ingell, and Enri Garcia, members of the Task Force met with the P.E. Staff in the Spring to discuss the sports program at CSCSB. Weiny is right . . . it wasn't much of a discussion because there was no opportunity for inquiry as to how the program could be improved.

The Task Force report recommends that a consideration of views beyond those held by the P.E. faculty be part of any investigation. That is why the recommendation reads . . . . "There is an alternative to a major sports program which should be the worthiness of the students to determine community support and expense to the college."

Communication is indeed needed, but it will require a willingness to listen to others at the risk of gaining a new perspective.
SPECIAL ARRANGEMENTS have been made with all Capitol Tire Sales/Warehouses, Inc. (in the United States) whereby you may make special wholesale warehouse purchases on new premium tires, shock absorbers, automotive batteries, chrome wheels, mufflers, auto stereo and other products.

STATEMENT OF QUALITY
All tires shown in this confidential price schedule are premium* and first line quality only. (Absolutely no seconds, blemished tires, used tires, retreads, or recaps are sold.) Your safety necessitates this policy! All tires in the Capitol warehouses are from factories of the most well known and respected manufacturers in the industry, and all tires are manufactured under the most rigid quality controls. See U.S. Govt. required Coding System and Tire Guide Reference Book at your Capitol Warehouse.

WHY YOU CAN SAVE SO MUCH
Many products Capitol offers are manufactured under private brand names. The savings made from factory direct purchases without national advertising, are passed on to you. Also, because Capitol is not in the retail business, and because they sell only to members of select groups, they are not dependent upon costly newspaper, television and radio advertising. Additional savings are passed on to you because of their cash-and-carry policy plus their ability to purchase in railroad car lots.

CAPITOL'S EXCLUSIVE "NO TIME LIMIT" GUARANTEE
WORKMANSHIP AND MATERIAL — If any tire sold by Capitol fails due to defects in workmanship and material during the first 25% of tread wear, it will be replaced free of charge. Failures beyond 25% of tread wear will be replaced, on the basis of tread wear, prorated on the purchase price plus Federal Excise Tax.

ROAD HAZARD — Any failure that occurs due to road hazards will be replaced on the basis of tread wear, prorated on the purchase price plus Federal Excise Tax. Reparable punctures not included.

NO TIME LIMIT WEAR GUARANTEE — Capitol guarantees the original purchaser will receive full mileage paid for or be given prorata credit on a new tire, based on the purchase price prorated on the basis of mileage.

EXAMPLE: If a $20.00 tire with a 30,000 mile guarantee wears smooth at 15,000 miles, the cost of a new tire is $10.00 plus Federal Excise Tax.

California State College now qualifies for WHOLESALE TIRE PROGRAM.

Capitol Tire Sales/Warehouses, Inc. Group Wholesale Purchase Plan is now available to you as student, faculty or staff member.

This plan has been available to large select groups in California, Oregon and Washington for 4 years. Capitol is a creditable company and backs up all merchandise sold with their own famous "Complete Customer Satisfaction" guarantee, in writing.

Many thousands of tire buyers have benefited with savings substantially up to 50% or more on purchases of premium grade tires, batteries, shock absorbers, mufflers, stereo car radios plus many more products and services.

Since Capitol is a closed door facility, not open to the general public, identification is required before purchase can be made.
