TRUSTEES RECOMMEND \$335.6 The Board of Trustees of the California  
MILLION CSC 70-71 BUDGET State Colleges last week recommended  
a \$335.6 million support budget for  
1970-71, but agreed to submit to the State Director of Finance a  
program based on an initial allocation of \$265.3 million, with  
supplemental requests.

The committees acting on behalf of the Board resolved that  
the \$335.6 million is the minimum needed to provide for full en-  
rollment consistent with the maintenance and improvement of aca-  
demic quality.

But the Board, acting in compliance with the requirements of  
the Director of Finance, also authorized Chancellor Glenn S. Dumke  
to submit a \$265.3 million program with supplements listed in order  
of priority which would bring that base up to \$335.6 million.
