So What? Student Elections

It’s election time again here at C.S.C.S.B., and your faithful servant, the Pawsprint, is doing its bit to inform you about the candidates and the issues.

Eh? What’s that? You say you don’t care about the elections? You say they have no relation to your life. You say you’re not even going to vote. And you’re not going to read this edition of the Pawsprint.

Well, there are actually some good reasons for taking an interest in your elections. First of all, the ASB spends money — the student’s money — to the tune of thousands. It’s your life. You say you’re not even going to vote. And you’re not going to read this edition of the Pawsprint.

With your vote and support we can achieve greater growth and involvement in all facets of the Campus Community.

Juan S. Torres

ASB President

My name is Juan S. Torres and I am a candidate for the office of ASB President. I feel that I am qualified for this office as a result of my experiences and activities both in and out of school.

These activities include election as ASB President of the community college I previously attended. I also served as chairman of two other campus organizations and I have always been involved in student government.

Here at Cal State, I am involved as Vice Chairman of the Inter-Orgnization Committee (IOC) and President of "Chicanos for Law." This organization is primarily designed to assist all students interested in the study of Law.

The reason I am running for this office is because this position should be responsive to all students and evaluate all students fairly.

If elected I will strive to do this. My goal will be to act as the voice of the student body.

Raleigh Strader

A.S.B. President

1. The Student Union Committee is new and working on the plans for the Student Union Building which should be completed sometime in the next three years.

2. I feel that there is a need for more communications between students on this campus. I think you would like to know what we are doing, how we spend your money and how well we represent you.

RITA GIBBONS

ASB Vice-President

I am a candidate for the ASB Vice-President. Currently I am a Junior Class President and am a member of the Student Union Committee, Campus Council, and the ASB Senate Finance Board.

My positions on some of the issues are as follows:

1. Registration. The registration procedure will most probably change in the next future. The priority system is criticized highly by students and I, myself, have brought this to the attention of the Administration and will continue to do so. Some progress has been made allowing Students with 30 units of less to register on the first day starting Fall 1974. I am in full support of this decision and any others that are favorable to the student body.

2. The Cay Care Center should be kept as clean as possible, but of course more funds are needed. My position is that when the budgeting is done for ASB monies this spring, as much as possible should be directed toward the goal of facilitating the development of the Center.

Judi Jones

ASB Vice-President

During the past two years I’ve been involved in student government, even though many of you haven’t heard of my efforts. I’ve been involved in the Student Affairs Committee, the College Safety Committee, the Student Senate, the Union Comm., and the newly organized I.E.S.G.A.

Elected as a member of the Political Science Council, I.C.O.C., College Safety Comm., Inland Empire Student Gov’t, Assoc. (I.E.S.G.A), Child Care Committee (CC), Campus Council, Student Affairs Comm. of the Faculty Senate, and the Student Union Committee.

VOTE: the 23rd and 24th of April!
Duaction and with the class sup­port, we just might get something about what they want out of gra^tion ceremony will be the major topic of many class meetings next year. I encourage all of you to be involved in our A.S.B. before deciding to run for an office that has a voting capacity.

Lydia Santoya
Treasurer

If I am elected as Senior Class Treasurer I will let the students of the Senior Class be aware of their financial positions at all times. It is very important to let the students be aware of where their money is being spent. I will work to my fullest poten­tial as Senior Class Treasurer.

David Alvarez
Judicial Representative

As Senator-At-Large, I have seen strong indications of legal problems for next year's A.S. Government. I would like to continue working for the neces­sary changes.

Denise Dorn
A.S.B. Treasurer

Hi. My name is Denise Dorn and I am running for the office of A.S.B. Treasurer.

I have been involved in A.S. government during my high school years and also my college years. This year, I am currently "Freshman Class Treasurer" and I.O.C. (Inner Organizational Council) Treasurer. I feel that I am qualified because this year I've been working close with the A.S. Treasurer and have kept track of the books. I feel our school is currently falling apart because of the way people are handling money. There is a big "Communications" gap here.

If I am elected as A.S.B. Treasurer I would be available 2-3 hours a day in the A.S. trailer for students to get information about the handling of your money. So please, come out and VOTE for Denise Dorn A.S.B. Treasurer. With me all the books will balance.

Gwen Lambert
Treasurer

Hi Student Body, I'm Gwen Lambert and I am presently a Junior here at Cal State, San Bernardino. I need your support and votes to help me become elected Senior Class Senator. I have worked in many clubs and organizations throughout my high school and college years. I have been very active and involved in Student Government, President of the Rally Club, Secretary of Girls Choir. I helped promote school spirit by being elected mascot of O.H.S. I was voted the friendliest of the senior class.

I was elected Sgt.-at-arms for the Girls League and was also elected the first Black Home­coming Queen of O.H.S. I feel by my past experiences working with people I am capable, qualified and willing to help Student Body in any way possible. Vote Gwen Lambert, Senior Class Senator.

Denise Dorn
A.S.B. Treasurer

As your Judicial Rep. I will do necessary changes.

Lydia Santoya
Treasurer

The year I've been working close with the A.S. Treasurer and have kept track of the books. I feel our school is currently falling apart because of the way people are handling money. There is a big "Communications" gap here.

If I am elected as A.S.B. Treasurer I would be available 2-3 hours a day in the A.S. trailer for students to get information about the handling of your money. So please, come out and VOTE for Denise Dorn A.S.B. Treasurer. With me all the books will balance.

LYDIA SANTOYA
Treasurer

If I am elected as Senior Class Treasurer I will let the students of the Senior Class be aware of their financial positions at all times. It is very important to let the students be aware of where their money is being spent. I will work to my fullest poten­tial as Senior Class Treasurer.

Paul Whiteside
A.S.B. Treasurer

As an experienced class officer at Cal State (I am currently Jr. Class Vice-President), I am interested in the A.S.B. executive cabinet next year.

Since the primary interest of any senior is to graduate, the graduation ceremony will be the major topic of many class meetings next year. I encourage juniors to step up and talk to me about what they want out of gradu­ation and with the class support, we just might get something accomplished.

Paul Whiteside
A.S.B. Treasurer

As experience in managing money I was manager of a drive-in restaurant for two years and have been working in selling real estate for the past two years.

My views on a few of the impor­tant issues are as follows:

The student union should be the location picked so as to give money I was manager of a drive-in restaurant for two years and have been working in selling real estate for the past two years. My views on a few of the impor­tant issues are as follows:

The utilization of the building should be a decision made by the campus.

It is very important to let the sec­ondary interest of all students be involved in our A.S.B. before deciding to run for an office that has a voting capacity.
**JUNIOR CLASS**

Andrew Butts  
Junior Class President  
This year, I have been actively involved in ASB Government. I am currently serving as president & I took the office of Junior class Senator. I feel that I am qualified for this office because of my past experiences here at Cal-State. I am president of the Inter-Organizational Council. I am on the Campus Council. I have been actively involved in ASH activities and I have been a member of the Student Government Association. I have been actively involved in ASH activities and I have been a member of the Student Government Association.

Larry Garcia  
Vice President  
I believe that I have a lot of enthusiasm to contribute to this office. I feel competent to take over the duties of this office as this position becomes necessary. I am dismayed by the lack of participation in A.S. affairs and I believe it to be a waste of potential. I am looking forward to next year, hopefully it will be more interesting than this year was.

**SOPHOMORE CLASS**

Rocky DeFilipps  
Sophomore President  
Due to the growing power and prestige of student gov't, I have chosen to be in the running for Sophomore President. I would like the opportunity to represent my class with ideas, not only my own, but suggestions from other students. With this kind of communication between the student government and the students, as well as the administration, more activities can be produced and hopefully some of the apathy can be countered.

Involvement in activities is important in a school like this and to achieve involvement, I am running for office.

Larry Garcia  
Vice President  
I believe that I have a lot of enthusiasm to contribute to this office. I feel competent to take over the duties of this office as this position becomes necessary. I am dismayed by the lack of participation in A.S. affairs and I believe it to be a waste of potential. I am looking forward to next year, hopefully it will be more interesting than this year was.

**Letters To The Editor**

Dear Editor:

Bruce (Capt. Billy Spaceman) Scott  
Senior-At-Large

Non-Candidate Candidate  
(Awful gobbledy gobble gobbledy gobble if elected - which certainly isn't very realistic) I don't think I can protect you from the Turkeys from Space and besides...  
1. As I perceive it, a senator-at-large is an academic outcast, a political nonentity, and a political sniveler (I got practice at both)  
2. I'm walking for office as Senator-at-Large because I don't know if I'm a Sophomore, a Junior, or... and I don't think I really mean doodly squat, anyway.  
3. I'm not a registered candidate - you won't find my name on the ballot which means you'll have to write it in and I'm sure you could see how doing so will force me to pass that actually might pass... only idealistic & I give you pure political information that's going to last longer G.I. Bill payments, a guaranteed annual income, a free diploma for every man, woman & child, regardless of education or other aberrances, impeachment of Nixon & even Plaza & Monroe, on General Fighting Morality & 4. If somebody did squawk in, I would never bother you by asking your unbiased opinion of which I thought was going on)

Rape Crisis Service

The Rape Crisis Service of San Bernardino offers telephone counseling 24 hours a day at 986-1839. It has been estimated that there are 4 to 6 million as many rapes committed as are reported. Victims are often afraid and ashamed. Many go through this trying experience alone, telling no one. The primary purpose of the Rape Crisis Service is to provide telephone and face-to-face assistance to the rape victim. Volunteers trained in handling the physical, emotional and legal aspects of rape are available by phone 24 hours a day every day. The Service offers support to a victim and helps her cope with the many problems involved in rape. The Rape Crisis Service is free and confidential. A volunteer who cares and is understanding is always available to listen. NO RAPE VICTIM SHOULD HAVE TO SUFFER IN FUTILE SEARCH OF REIFECTION. Call Rape Crisis Service at 986-1839.

**CONTEMPORARY OPERA IN RIVERSIDE**

The Riverside Opera Association will sponsor a performance of Douglas Moore's opera, "The Ballad of Baby Doe" on April 20 at 8 p.m. in the Riverside Auditorium at 7th and Lemon Streets. The opera will be performed by California State University Opera Theatre at Northridge in the season's first production. This is the second of two contemporary operas to be presented by the Riverside Opera Association for its 1974 season. Moore's opera is based on actual factual material including the tragic story of the silver mining era at the turn of the century. The chief characters are drawn from actual figures in American history. The last twenty years of the career of Horace Tabor is depicted which includes his involvement in the California Gold Rush and his subsequent marriage to Baby Doe. The producer, Tabor's love for Baby Doe it is ruinous and it is a tragic death. Tickets for the Riverside production are $3.00 for adults and $1.50 for students for 22 years of age. They can be purchased at Harris (Riverside, San Bernardino and Redlands' locations), at the Riverside Music Store, Tyler Mall, Riverside and Commons Ticket Office at 648 E. Mission. Reserved seats may be obtained by contacting Chas Shonenman at 696-2799 and also be available at the door.
Chicano Career Day

Between 350 and 600 Chicano students from high schools in the area will participate in an all-day education and careers conference at California State College, San Bernardino, Wednesday, April 17.

Titled "Fiesta De Educacion y Carreras," the program was planned by the Cal State Associated Student Body, the campus chapters of MEChA and Chicano for Law, the Educational Opportunity Program and Chicano faculty.

High schools participating include Bloomington, Fontana, Colton, Redlands, San Bernardino, San Gorgonio, Pacific, Cajon and Serrano.

Following registration from 8:30 to 9 a.m. in the gymnasium, H. Frank Dominguez, owner and president of Vanir Research and Development Corporation of San Bernardino, will discuss employment opportunities available at all levels of the business world. Dominguez is a graduate of Colton High School. His company is building a multi-story office building in San Bernardino, the tallest in the city's downtown complex.

The assembled students will be welcomed by Arnoldo Resendez, program chairman and member of MEChA and Chicano for Law, and Eddie Icaza, ASB president.

Workshops will explore the various areas of employment for students pursuing different fields of study. Leaders of the sessions will include:

- "Chicanos in Education," Dr. Ernest Garcia and Dr. Maria Sonora, from the Cal State School of Education, and Dan Carrasco, director of special programs for the Colton Unified School District.
- "Psychology and the Chicano Student," Dr. Joe Martinez and Dr. Steve Olmedo, from the psychology department at the college.
- "EOP, Admissions and Financial Aid," Dr. Tom M. Rivera, associate dean of students, Educational Opportunity Program.
- "Humanities, Spanish, Art -- Value to the Chicano Student," Dr. Joe Moran, from the Cal State art faculty, and Ron Arias, English instructor at San Bernardino Valley College.
- "Job Prospects for the Chicano Student," particularly in the social sciences, Dr. J.C. Robinson, of the Cal State history department.
- "Value to the Chicano Student," Mike V. Duran, veterans' counselor at the college; and Joe Acosta, Los Angeles County probation department.

ADVICE FOR VETERANS

G.L. BILL EXTENSION

There is a bill presently in Congress (House of Representatives) which would extend the length of educational assistance entitlement. The bill is H.R. 9892. All veterans should be aware of this bill and let their representatives know how they feel about bill H.R. 9892.

The petition will be sent to elected officials in order to be sure that they are aware of the feelings of Veterans as it concerns bill H.R. 9892.

S.L.A.

How big is the Symbionese Liberation Army and who is in it? According to the FBI, police sources and their files on the left in the Berkeley area, the S.L.A. probably consists of less than a dozen alleged S.L.A. members. In fact, most people familiar with the early formation of the Symbionese Federation believe there are only eight to ten active members of the S.L.A. -- at most.

Several of the names of the alleged S.L.A. members have already been widely circled -- principally those of escaped inmates Donald DeFreeze, who has already been identified as Field Marshall "Cinque" on tape recordings; and Nancy Loring, former street vendor in the Berkeley area who now goes by the name "Fahizah."

Also identified as members of the S.L.A. are Russell Little and Joseph Romero, the two men now being held in jail for allegedly being involved in the killing of Oakland School Superintendent Marcus Foster.

Access to press accounts carried by the San Francisco Chronicle and the San Francisco Examiner, there are perhaps four to six other members. Most of the others who have been identified by police are young, white, both men and women, in their early 20's.

It is believed that the Federation was born last summer by a group of young activists, mostly white, who had been active in prison reform groups. Most of them had been involved in some other group, in a Berkeley house known as the "Chabot House."

The S.L.A. members who have been identified in press accounts have all been identified by name, and by the newspaper, "Pawprint."

There are, of course, problems involved with dorm life. "I don't worry about catching the bus or car pool on time. They don't worry about catching the bus or car pool on time.

There are plenty of group activities. Most do not like the bus or car pool on time. They don't worry about catching the bus or car pool on time.

There are plenty of group activities. Most do not like the bus or car pool on time. They don't worry about catching the bus or car pool on time.

Editor Nominations

The Publication Board is now taking applications for the position of Pawprint editor for next year.

Applications will be available in the Activities Office beginning April 8, 1974.

Completed applications are due in the Activities Office by April 30, 1974, noon.

There will be a meeting of the Publications Board on April 24, 1974, to review submitted applications.

Any student interested in being an Editor should pick up an application in the Activities Resource Center, Trailer 30.

Counselor Needed

Would you like to spend three days and two nights introducing new students at Cal-State?

If so, apply to be an Orientation Counselor for the New Student Orientation Program to be held prior to the 1974 Fall Quarter.

Students serving as counselors will be involved in planning the Orientation Program as well as working with the counselors.

Those interested in being an Orientation Counselor should pick up an application in the Activities Resource Center, Trailer 30.

Dorms Dorns

Why are all these fellows grinning, those two leaving the dorm? "Well, there's party-winnin', lots of broken windows, and plenty of streakers."

According to the students living in the dorms there are a number of reasons for grinning. They don't have to worry about high gas prices, they have no transportation problem to speak of.

Many agree that it is nice not to worry about where your next meal is coming from. The food may not be outstanding, as one resident pointed out: "You must be realistic about the situation. It's a kind of institution, so the food won't taste like what Mother used to make."

The dorms are not overflowing with people, so very few are burdened with an obnoxious roommate.

All agreed that having classmates in your dorm makes for easy socializing and group study. They don't worry about catching the bus or car pool on time.

There are, of course, problems involved with dorm life. "I don't appreciate my neighbors scream­ing outside my door at two o'clock in the morning. The walls are too thin."

All ages welcome
