### CSCSB RECEIVES \$3000 SCHOLARSHIP GRANT

CSCSB has been awarded a \$3000 grant by the Riverside Foundation, President John M. Pfau has announced.

To provide five scholarships of \$600, the stipends will be awarded to undergraduate students from Riverside and San Bernardino counties for 1970-71. The grants, to be known as the Heseman Scholarships, are named in honor of the late Leon S. Heseman, who willed a trust fund to the Riverside Foundation.

This is the second year that the college has received a grant from the foundation. A \$2400 gift for the current academic year is aiding four CSCSB students. Recipients for the 1970-71 scholarships will be selected by the Admissions and Academic Standards Committee.

March 10 is the last day for Spring Quarter pre-registration, when Freshmen return their completed registration packets and fees (March 9 & 10). Continuing students who have not pre-registered may pick up packets after the March 10 deadline, but no registration will occur after that date until March 30.

Registration for new and continuing students who have not pre-registered will be held in the Little Gym March 30. Packets may be obtained on that day, also.

(Continued on Page 2)

PRE-REGISTRATION (continued) March 17 is the last day to file application for admission to Spring Term.

Registrar John Morey states that the pre-registration procedure in effect this year has proved more satisfactory to students, advisors and the Admissions office than last year's practice of mailing packets to students.
