WINTER QUARTER  
ALL WRAPPED UP

The Winter Term officially ends today. Students will be on Spring break until March 29 when Spring Quarter classes begin.

Grades are due from faculty at 9 a.m. Monday, March 22, in the Admissions and Records office.

SPRING APPLICATIONS  
STILL BEING ACCEPTED

Applications are still being accepted by the College for the Spring Term. Registration for Spring will be held in the Gym on March 26 for students who have not pre-registered.

Late registration will be on March 29, the day classes begin.

INTERSECTION UNDER  
CONSTRUCTION FOR  
AQUEDUCT PROJECT

Construction currently underway at the Kendall-State College Parkway intersection is part of the Feather River water aqueduct which will carry water through San Bernardino, according to Joseph Remley, Engineer with the Department of Water Resources.

The present stage of the work on Kendall will be a three-week operation. Construction will then move into the State College Parkway entrance for another three-weeks' work. A detour road into the College will be constructed.

The Feather River Water Project will bring water from the northern part of the state via the aqueduct, built of 11-foot diameter pipes nine-feet long, into Silverwood Lake, northwest of the College, and from the lake past the College into Perris.

CSCSB ACCOUNTING DEPT.  
CONVERTS TO AUTOMATIC  
DATA PROCESSING SYSTEM

A program authorized two years ago by the Legislature to convert the accounting systems at the California State Colleges from book-keeping machine operation to automatic data processing will go into effect July 1.

John Fredricks, CSCSB Accounting Officer, states that the Accounting Department has been gradually converting to the new ADP system. However, at present, dual systems are being used to cover the same accounting work in order to perfect the ADP system prior to complete

(Continued on Page 2)

ACCOUNTING SYSTEM - (Cont'd) change-over at the end of the fiscal year.

The reorganization program provided for use of regional data processing centers at San Jose and LA State colleges, to serve the state colleges in the northern and southern parts of the state.

James Bentley, Data Processing Supervisor, has assisted with effecting the transition through work with LA State's ADP center.

Mr. Fredricks believes that when conversion is complete it will allow the Accounting Department to process more work more effectively and enable his department to provide the College with rapid, up-to-date information.

SYMPATHY - Word has been received from Vietnam that John Adams, oldest son of Mr. and Mrs. Ben Adams (Executive Dean's office), was fatally injured in a motorcycle accident there last week. Mr. Adams, a civilian employed by UNIVAC, had been in Vietnam for two years.

The College extends its sympathy to Mr. and Mrs. Ben Adams and their family.

ATTENTION,  
STUDENTS!

Students scheduled to report for classes in the new Library-Classroom Building on March 29 should check the Class Schedule Changes.

All classes assigned to rooms in the new building, which will not be ready for occupancy at the start of the Spring Quarter, have been relocated.

Other changes, such as added classes, change of time, instructor, etc. are also listed in the schedule, which has a total of 180 changes. Copies at Admissions counter, division offices, etc.

TWO CSCSB BEAUTIES  
WILL REPRESENT SAN  
BERNARDINO IN CONTESTS

Bernice Gramlich, senior, was chosen Miss San Bernardino 1971, last weekend. Marcia Nicholson, sophomore, was voted First Runner-up.

A decision by the San Bernardino Pageant Committee to have the current Miss San Bernardino compete in the Miss California contest in June and the Orange Show Queen contest the following year made it possible for each of the CSCSB co-eds to participate in a forthcoming contest as Miss San Bernardino.

San Bernardino will be represented by Miss Gramlich in the June Miss California contest and by Miss Nicholson in the April Orange Show Queen contest. Miss Gramlich will represent her city in the 1972 Orange Show Queen competition.

SCIENCE BUILDINGS

OCCUPANTS, PLEASE NOTE: Power Shut-down Canceled - The power shut-off for the two science buildings scheduled for the latter part of the month has been postponed until further notice.

+

Science Parking Lot to be Closed - The parking lot near the science buildings will be closed for re-oiling Tuesday through Friday, March 23-26.

EATON, OLIVER ELECTED  
TO FACULTY SENATE

Mac Eaton (Psychology) and Walter Oliver (Spanish) were elected by their fellow faculty members to serve on the Faculty Senate as Representatives-at-Large. They will serve during the 1971-73 term.

RENAISSANCE LUTE CONCERT  
BY DONNA CURRY BOOKED FOR  
NOON PERFORMANCE MARCH 31

Lutenist Donna Curry will present a concert of Renaissance music Wednesday at noon in Cafe-104 on March 31.

The concert, which is open to the public free of charge, is sponsored by the Lectures and Public Affairs Committee.

Miss Curry is considered one of the few performers to master the art of the English lute song, which calls for a fine singer with unusual dexterity on one of the most difficult of all stringed instruments. She has appeared in numerous solo concerts, radio broadcasts, Shakespearean performances and the Renaissance Pleasure Faire.
