ELECTION ON STUDENT
UNION NEXT THURSDAY

CSCSB students will decide by vote next Thursday, April 22, whether or not they will assess themselves an additional fee to finance a Student Union, to be occupied in 1974. A two-thirds majority vote is necessary for passage of the proposal which would provide a student center of approximately 26,000 sq. ft. at an estimated cost of \$910, 000.

Voting will be conducted in the Quad area from 7:30 a.m. to 7:30 p.m.

Results of a recent student opinion poll conducted by mail showed that 86% of the students responding favored construction; 8% were opposed and 6% were undecided.

If the Union proposal receives a go-ahead vote Student Union fees, starting with the Fall, 1971 Quarter, would be \$4; \$5 per quarter for 1972-73; \$5 per quarter for 1973-74 and in 1974, the year of occupancy, \$6.50 per quarter. Seniors on campus this year will not have to pay the fee.

The proposed facility is planned as the first phase of a larger complex.
