Author Interview

Which professors (if any) have helped you in your research?

The following professors have helped me in my creative activities: Professor Annie Buckley and Professor Thomas McGovern.

What are your research interests?

I am interested by how reality is perceived in photographs.

What are your plans after earning your degree?

What is your ultimate career goal?

I intend to display a number of exhibitions locally and abroad. My ultimate career goal is to have museum exhibitions and to publish books about contemporary art theory and criticism.
