The Associated Students Is Students Working For Students
January 1988

A.S. President's Corner.....

Welcome Back CSUSB'rs !

Can you believe it, another quarter already ! The breaks go by too fast. The Associated Students had an exciting fall quarter, and with the help of all clubs and organizations, and the Greeks, we are looking forward to a productive winter quarter as well.

I would like to remind you that the Associated Students is here for the benefit of all CSUSB students, so if you have any beefs (concerns), new ideas for student services, or just want to get involved, *come by and talk to me about them*. My door is always open to *Students*.

Sincerely,
Steve Hekman
A.S. President

One Less Hassle for Night Students

Night students will find one less hassle in their way thanks to action by the AS Board of Directors. During previous quarters, night students have experienced some difficulty obtaining a refund from the bookstore after they have dropped a class. The Evening Services Office did not have a CSUSB electronic date stamp. The electronic date stamp has been the bookstore's method of determining that a student has legitimately dropped a class. Telephone calls usually ensued while students and bookstore

staff worked to make sure that the refund was authorized.

The need for the date stamp was mentioned by Registrar Jo Ann Von Wald at a Deans and Directors meeting, which has a student representative. Von Wald carried the request to the AS Board of Directors who voted to purchase the date stamp. Assoc. Dean Steve Prouty, Academic Services, reports that the electronic stamp has been delivered and will be ready for winter quarter class adds and drops.

Book Exchange/Co-op Open 9-6 During
The First Week Of Classes

Student Accident And Sickness Insurance Available

A comprehensive accident and illness insurance plan is available to CSUSB students through Alumni Insurance Agency. Associated Students arranged for Alumni to provide this plan for reasonable insurance costs for CSUSB students.

All students regularly enrolled in the University may receive care during normal business hours at the University Health Center. The insurance program offers coverage beyond the scope of the Health Center and allows students to provide coverage for their dependents.

Eligible dependents are the spouse of the insured student, residing with her/him, and any and all unmarried children under 19 years of age, who are not self-supporting and reside with the insured student.

A brochure outlining the plan's coverage, costs, schedule of benefits and optional dental plan is available at the Associated Students office in the Student Union, at the Health Center, and in the display racks of the Student Union. Information telephone numbers are given in the brochure. Students are encouraged to call Alumni Insurance for full answers to their questions.

Students who have already signed up for the coverage may obtain claim forms at the Associated Students office as needed.

The Coyote Bookstore Not The Only Place To Buy and Sell Books

You can sell your textbooks at your own price and buy books being sold by other students at the AS Book Exchange/Co-op.

AS Book Exchange Chair, David Timms, urges students to put their books up for sale (if they are in use Winter 1988) by bringing them to the Exchange office located in the AS corridor in the Union. "You can set your own price for the books. We ask a 50¢ fee per book, said Timms, but the bulk of the costs associated with running the Exchange are from the Associated Student fee. This service reaches all students, regardless of age, class level, residence, or interests."

Timms said books are on sale now at the Co-op and will be through the third week of classes. "We'll take in books during the first week of classes, he stated, but after that time the need drops off."

Timms reminded buyers to bring **CASH**. The AS Book Exchange/Co-op does *not* work with checks or credit cards. Buyers, Timms stated, are also charged a 50¢ per book fee, but the total price is often lower than what the student would have to pay elsewhere.

AS Book Exchange/Co-op hours will be 9 to 6 throughout the first week of classes and then will be posted or available by telephoning 887-7496.

Forum On Educational Quality Set For January 14th

What Is The Quality Of Your CSUSB Education ?

On Thursday, January 14th, Associated Students will sponsor a forum to get student perspectives on the issue of educational quality.

The forum, set for Jan. 14, is geared toward informing students about recent developments in the California State Legislature regarding the assessment of State Colleges and Universities. Assembly Bill 2016, sponsored by Assemblyman Tom Hayden and signed into law in 1987, calls for a study of assessment methods to be used in California.

The California State Student Association (CSSA) has been supportive of the concept of Assessment and Talent Development over the past year. John Richardson, CSUSB CSSA Representative, is the student specialist on Talent Development and Outcomes Assessment. Student perspectives from the Jan. 14th forum will be included in reports to the CSU Chancellor's office as well as to the California Postsecondary

Education Commission, according to Richardson. "Student perspectives have not been used to help define the issue", said Richardson. "This issue of quality in education should largely center around the student and faculty concerns. After all, the students and faculty are the ones who must 'buy into' the programs that are designed."

Current discussions about assessment are centered around the quality question. What students think about the quality of their education at CSUSB, what they think about the faculty, and what students think about the services on campus will be discussed at the forum. This is an opportunity for students to give some necessary input that will be heard by a captive audience including CSU Trustees, Legislators, and the Governor.

The forum will be held Thursday, January 14, from 1 to 3 in the SUMP located in the Student Union. All students, faculty, staff and administrators are encouraged to attend.

A.S. Productions Gears Up For Another Quarter !

Look for continued high quality events this quarter from A.S. Productions. The Entertainment Committee has been hard at work finding bands for the pub and planning comedy nights. The first comedy night is scheduled for February 5th in the SUMP.

The Ethnic/Cultural Committee has been working hard to co-sponsor events such as Black History Month and Humanities Day. Black History Month, with its main sponsor Black Student Union, promises to be one of the highlights of the winter quarter.

Two ASP co-sponsored events will highlight the first week of classes. During the Club Fest at Homecoming (Jan

15th, 11am-2pm) ASP will provide live music at the lower commons patio. You can come see what clubs have to offer and look at all the decorated cars at the Crazy Car Competition while listening to some great tunes.

That evening from 9pm to 1am the Homecoming Dance will be held in the Upper Commons. One of the Inland Empire's hottest DJ's will provide the music and the Greek Council will provide the refreshments. The one dollar entrance fee will be donated to charity.

To keep up to date on all ASP events, read the Entertainment page in the Chronicle each week.

Two AS Representatives To Lobby In Washington DC

CSUSB students Rob Davis and John Richardson will be in Washington D.C. February 1 thru 7 to represent CSUSB as the California State Student Association carries the needs of CSU students to the U.S. Congress.

Richardson, Associated Students Legislative Director and Davis, A.S. Administrative Director were named by AS President, Steve Hekman, to represent CSUSB when CSSA delegates meet with Senators and Congressional Representatives and their staffs.

CSSA, which represents students from throughout the California State University system, has identified several lobbying issues which are important to students on this campus and other campuses. Among the issues are Child Care, Financial Aid, student loans, and minority access.

The CSSA will be in Washington after a trip that CSU Chancellor, W. Ann

Reynolds, will be making to be honored for the CSU's efforts in Child Care.

Both Richardson and Davis will be using information materials from throughout the CSU system and discussions with CSUSB administrators to build presentations to update area representatives on the needs and goals of students at CSUSB. The CSU maintains a lobbying office in Washington D.C., but CSSA concentrates its efforts through a once a year effort followed by telephone and mail correspondence both locally and to Washington.

Students who have items that they would like to see addressed during the Washington D.C. visit should feel free to contact Davis or Richardson at the A.S. Office in the Student Union, or call 887-7494. Campus faculty, staff and administrators are welcome to express items for the lobbying trip, but priority will be given to student concerns.

Wooden

Legendary UCLA basketball coach John Wooden will speak at CSUSB January 14th to kick-off the 1988 Homecoming activities.

Appearing in the Cal State gymnasium at 8:00 p.m., Wooden will remark on his nearly 30 years of experience in college sports. He will talk about his trademark coaching method known as the Pyramid of Success, which has been employed by many teachers and coaches across the country. His presentation is free and open to the public.

Wooden served as head basketball coach at UCLA from 1948-75, bringing 10 NCAA championships to the school, seven of which were

consecutive. He notched several other records during his tenure including 38 consecutive NCAA tournament victories, 88 consecutive wins, four undefeated seasons and eight undefeated conference seasons.

Also to his credit, Wooden is the only person honored as both a player and a coach in the Naismith Basketball Hall of Fame. He was a three-time All-American at Purdue University and player of the year in 1932.

Wooden's appearance at Cal State is sponsored by the Intellectual Life and Visiting Scholars Committee. More information is available at 887-7811.

Homecoming Is Here: January 14, 15, & 16

Homecoming 1988 will kick off on Thursday, January 14 with the legendary UCLA coach John Wooden. Wooden's talk will be in the gym at 8:00 p.m. and is free of charge. Find out how this coach managed the winningest record in the NCAA.

Find out how this coach managed the most successful record in the NCAA.

On Friday, January 15, campus clubs and organizations will be on the Lower Commons Patio from 11 a.m. to 2 p.m. selling food and drinks, and telling students about their group. Come hear the live music and see what clubs are up to for the Winter quarter.

The Homecoming Car Competition which will be held on Friday between 11 and 2 promises to be wild and crazy, with cars and mini-trucks decked out and competing for \$100 first prize and a \$50 second prize. Call the Student Union at 887-7757 for more information on the competition and details for entering.

Friday night the women and men's basketball teams will play two hot competitors on

home court. The Lady Coyotes play Mills College at 6 p.m., and the men play Menlo at 8 p.m.. Following the games, there will be a dance in the Upper Commons. The dance is sponsored by the Associated Students Productions and the Greek Council. The \$1 admission charge will be donated to charity.

Saturday, January 16, campus faculty and staff organizations will host a food festival with all kinds of exotic foods. This dinner will begin at 5:30 p.m. and conclude at 7:30 p.m. Tickets for various food booths can be purchased at the door. The food festival will be held in the Student Union SUMP.

The Coyotes will play another double header at 6:00 and 8:00 p.m., both the women and men's teams will play Notre Dame. Cal State students can attend free with student ID.

Homecoming is sponsored by student and campus groups, including Associated Students, Greek Council, Serrano Village, and the Student Union. There is something for everyone this year, so come out and enjoy the games and festivities. For more information call 887-7811.

Emergency Loans Available

The University Financial Aid office is reporting the availability of Student Emergency Loans. Emergency Loans are funded through the Associated Students and are available to all regularly enrolled students. Students may borrow up to \$125 and have sixty days to repay the loan. There is a \$2.00 fee for the processing the loan.

The Financial Aid office also wants to inform all students that the final date to turn in financial aid materials, including Cal Grants and scholarship requests, under the priority filing period is March 2nd. After the March 2nd date has passed students cannot be guaranteed that any funds will be available, regardless of the person's need.

Public Meetings Scheduled

Associated Students Vice President Curtis Bayer has announced the AS Board of Directors will meet Tuesdays from 10:00 a.m. to noon in the Student Union Senate Chambers.

The Board's agenda for January 12th includes approval of several club constitutions; Los Amigos, Le Cercle Francais, Baptist Student Ministry, Dance Images, and California College Republicans at CSUSB.

Also on the agenda will be discussion of funding an arrangement with the San Bernardino Legal Aid Clinic to provide occasional on-campus legal assistance clinics where students could make appointments with attorneys to discuss civil legal problems such as landlord-tenant, adoption, custody.

Vice President Bayer said that all AS Board meetings are open to the public, as are all AS Committee meetings.

Bayer stressed he is seeking a student to fill the At-Large position on the Board of Directors. "Board members work with changes in the AS budget, deal with funding requests, and provide important policy statements on behalf of the student body", he said. "The issue of dropping spring break in 1989 had not been given any student input before CSUSB

Administrators were asked to review the issue with the AS Board." Bayer pointed out.

If you have issues that you would like the AS Board to consider, Vice President Bayer can be reached at his office or by calling 887-7494.

Rape! Does It Happen Here?

Is rape a hidden problem on campus? Do rapes occur at CSUSB, and do they go unreported? In an effort to answer these questions, the Associated Students will ask students to answer a confidential survey, to aid in determining the actual frequency of sexual assault on campus, and the scope of the problem.

According to Art Butler, Director of Administrative Services at CSUSB, in his 15 years of service at CSUSB, there "has not been a single rape, in the legal definition" reported. (The legal definition of rape includes penetration, and is separate from acquaintance-rape and date-rape.) Mr. Butler, who oversees the Campus Police and was formerly police chief, stated that most incidents on campus reported to the police involve "an unwanted suitor." There have been "sexual assaults" reported, however. Butler estimates that these are reported at a rate of 2 per year. In these cases the victim most often declines to press charges. If there is sufficient evidence, the campus police report to the District Attorney who decides whether to prosecute or not. A sexual assault is defined as any "unwanted sexual advance." Butler stressed that the campus community is a low crime area surrounded by a high crime area.

Dr. Martha Kazlo, of the CSUSB Counseling Center, stated that the counseling center sees clients who have been raped or sexually assaulted. She believes there may be five or more incidents per year, but most will go unreported, and no formal charges will be filed. She praised campus police for their response to the incidents that have been reported to them, stating "they have been very supportive of the victim." While no cases of rape have been reported on campus, Dr. Kazlo thinks that it is likely

that cases have occurred and gone unreported, especially if the victim knows the assailant. A very low percentage of all rapes are ever reported, according to Dr. Kazlo, and very few ever reported to the police. Some victims will contact the Rape Crisis Center, a 24 hour hotline.

Assemblyman Tom Hayden has sponsored ACR 46 in the California Assembly, a resolution "in response to the prevalent and very serious problem of acquaintance rape on our college and university campuses." Hayden has sent this resolution to President Anthony Evans. The resolution requests that university Presidents'

1) "Incorporate clear and consistent sexual assault policies into current disciplinary process."

2) "Provide all incoming students with facts about acquaintance rape."

3) "Maintain at least one staff member (at a Counseling Center) who has competency in the most current therapeutic approach to rape."

4) "Develop a comprehensive data collection which will provide information about the actual frequency of sexual assault on campus."

The Associated Students do not wish to imply by any means that rape cases and cases of sexual assault are not being reported, or rather recorded properly. The California State Legislature feels that this is a very serious matter, the A.S. agrees. If more incidents are being reported through confidential means then the University should be dealing with the problem from the perspective of occurrence, not "sufficient evidence" and "convictions".

The Associated Students will be surveying students during the winter quarter in order to compare campus reports with survey results. Survey details will be forthcoming.

ESCAPE !

ESCAPE Trip Planned To Lakers Game February 4

Associated Students ESCAPE program has tickets for the February 4 Clippers-Lakers game at the Los Angeles Sports Arena. This gives CSUSB students a chance to see Lakers playing in those dynamic dark purple "visitor" uniforms.

To make things really easy for you, ESCAPE is hiring a bus for the trip. You can relax, have none of the L.A. traffic hassles, Sports Arena parking woes, and be brought back to your home campus in comfort.

The trip has a comparable worth of \$18, but you can get your ticket for \$9.99 at the Associated Students Box Office. The A.S. Box Office is open Mon - Thurs 11-7, and Fridays 11-5. Telephone 887-7496 for more information.

You Are What The L.A. Kings Have Been Missing !

Sports experts have determined team support is vital and your failure to attend L.A. Kings games regularly has had its effect on our skating heros.

To remedy this situation and to start the climb toward the Stanley Cup Playoffs; the Associated Students ESCAPE program has hired a bus, bought tickets, and set Saturday, March 5 as the day the Kings will have their best boosters in the stands. They'll need your help since they will be going up against the Montreal Canadiens.

Normally all this would cost you \$22 per person, but ESCAPE will sell you a worry-free ticket for only \$8.99. Naturally, since this is a college excursion, an educational opportunity is also being provided: Free copies of "O, Canada" will be provided to each ticket holder for practice before boarding and while on the bus. During the pre-game formalities, you too can amaze your friends and near-by strangers by singing both the "Star Spangled Banner" AND "O, Canada".
