CSCSB RECEIVES
\$185,415 BEQUEST

A \$185,415 gift, one of the largest received by a California state college, has been bequeathed by the late Alfred F. Moore of San Bernardino.

Mr. Moore, who died in 1969, came to San Bernardino upon retirement and purchased a home in Shandin Hills overlooking the CSCSB campus, which he watched develop.

The University of California shares equally in the division of the \$395,000 estate. Mr. Moore was a 1908 graduate of UC, Berkeley.

The bequest establishes the Alfred F. and Chella D. Moore Scholarship Fund which will be administered by the Foundation of the College, President John M. Pfau announced. The assets will be placed in an endowment fund, with interest used for scholarships. In his will of May, 1966, Mr. Moore expressed the hope that the bequest would be used "for the purpose of awarding the scholarship

COLLEGE'S GENERAL
INFORMATION BROCHURE
AVAILABLE ON CAMPUS

Copies of the CSCSB general information brochure, prepared jointly by the Admissions and Records office and Public Affairs office, are now available to campus personnel.

The general information brochure and other new brochures are being used extensively by Registrar John Morey and other College representatives in their high school and junior college visits.

Copies may be obtained from the Public Affairs office, A-148.

BEQUEST TO COLLEGE - (Cont'd) to the most deserving person or persons."

Mr. Moore, upon graduation from the University of California, was employed as a solar observer for the Smithsonian Institution. In this capacity he was assigned to various stations throughout the world including Egypt, Chile, New Mexico and Table Mountain near Wrightwood, his last station before retiring and purchasing his San Bernardino home. Mr. Moore and his wife, who preceded him in death, left no children.

STUDENT AIDES AGAIN ON
DUTY TO OPEN BUILDINGS

The student aide program, initiated last year by Student Services, is again in operation to help students, faculty and staff with evening and weekend access to locked campus buildings.

Students needing entry to laboratories or other facilities in locked classroom buildings will be admitted after hours by the Student Aide, provided they have a valid after-hours building permit issued by their division chairman. Services of the aides may be secured by waiting at the building entrance or by spotting them on their rounds around the science buildings, Library-Classroom Building or the initial complex of buildings. The aides are identified by their light blue shirts, dark blue pants and a State College patch above the left shirt pocket.

The following hours are in effect for the aide program:

Monday through Friday -	9 p.m. to midnight
Saturday -	8 a.m. to 4 p.m.
Sunday -	9 a.m. to 4 p.m.

An evening telephone answering service is also provided by two students working in Campus Police headquarters from 5 to 10 p.m., Monday through Friday.
