NORMAL NOW

The normal now, isn't the normal we know.

Social distance, mask up, and wash your hands.

This is the world now, as it stands.

Work then home, home then then bed.

Constant worries are always running through my head.

Zoom and FaceTime; Netflix Party and Sporty share sessions,

Are some ways we keep the connections.

I have to get used to this.

but there are so many things that i miss

The normal now, isn't the normal we know.
