STATE COLLEGE PKWY. TO RECEIVE WIDENING, CURBS, SPRINKLERS, GRASS

Phase II of landscaping State College Parkway from Kendall Dr. to North Park Blvd. is currently underway. The project provides for installation of a median strip with curbs, automatic sprinklers and grass. Both sides of the roadway will be increased in width to provide three lanes on each side. Construction is being done by the City of San Bernardino in cooperation with the Natural Beauty Program and the College.

CREATIVE ARTS, MUSIC AND DRAMA BUILDING, MOVES UP IN PRIORITY

The proposed Creative Arts (Drama-Music Building) received a high priority on the California State University and Colleges Board of Trustees 1973-74 program for capital outlay at its November 21 meeting.

It is planned that funds for design will be received in July, 1973. The item includes \$164,000 for plans and working drawings. Appointment of the architect is expected by approximately September, 1973.

Occupancy of the building is planned for the Fall of 1976. It will be two years under construction and will house a 200-seat recital hall.

LOCAL CHAPTER OF ALPHA KAPPA PSI HOLDS INITIATION

On December 2 the campus chapter of Alpha Kappa Psi, Iota Omicron, held its first initiation ceremony. Ten administration majors and two faculty members were initiated into the national professional fraternity by Percy Mathews of the Los Angeles chapter and local chapter officers. The ceremony was held in the Library-Classroom Building.

PAPERS AND PUBLICATIONS

F. F. Liu (Physics) recently had a paper of which he was co-author, appear in the Journal of Nuclear Physics B, published in North Holland, entitled " Analysis of γp reactions in the LPS framework at $E_{\gamma} = 0.18 \text{ GeV}$."

Michael Darkoh (Geography) is author of an article, "A Preliminary Study of the Spatial Arrangement of Manufacturing in Ghana," which has been published in a recent issue of the Sierra Leone Geographical Journal.

Pam Maxwell and John Gonzalez (CSCSB graduates) have authored an article to appear in a forthcoming issue of the Revista Latinoamericana, international psychological journal, entitled, "Balance and Pubescent Cognition in P-O-X Triads."

Bowling Green Press has accepted an article, "The Enigma of the Master Betty Mania," co-authored by William L. Slout and Amanda Sue Rudisill (Drama) for publication in The Journal of Popular Culture. The article is an account of the cry of London audiences for the 13-year-old prodigy.

A book co-edited and authored by Jorun Johns (German) has been published by the University of North Carolina Press. Entitled The Correspondence of Arthur Schnitzler and Raoul Auernheimer, the book has introduction and notes by Dr. Johns and co-author, Donald G. Daviau. It is a firsthand record of a literary and personal friendship that spanned 25 years (1906-1931) and contains unpublished aphorisms of Auernheimer.

Marty Bloomberg (Library) had his second book, Introduction to Public Services for Library Technicians, published by Libraries Unlimited. His first book, "Introduction to Technical Services," is in its third printing. Mr. Bloomberg has also had three book reviews accepted for the 1972-73 editions of American Reference Books Annual.

Edward Carlson (Administration) delivered a paper, "P.S.I. and Small Group Dynamics," at the West Coast P.S.I. Conference held at Cal State U, Long Beach last month.
