October 30th 1979

CSUSB
Fall Novemberfest Will Feature Full Day of Entertainment

This Thursday, the AS Activities Committee, in cooperation with many campus clubs, the P.E. Dept., the Student Union and Recreation, will present the 3rd annual Fall Novemberfest (Fall Festival). All events will take place in and around the Student Union.

The entire campus community is invited to participate, as the Fall Novemberfest was planned for your enjoyment.

The events are as follows:

**Pub Entertainment**

Come try your hand in the entertainment world. We invite you to sing, laugh, and entertain musicians to perform in the Pub from 4 to 8 p.m. Sign up at the Student Union desk with Sherry. Return engagement of "Naeve, Bruce, and Will".

**Afternoon Film**

"The Wiz", a magnificent film version of the smash Broadway musical and L. Frank Baum's 1939 classic. The "Wonderful Wizard of Oz", will be shown from 11 a.m. to 1 p.m. in the multi-purpose room. Admission is free to all.

**Pool Tournament**

A pool tournament is scheduled. The preliminaries will be played on Tuesday, October 23 from 7 to 9 p.m., two days prior to the festival. All students and faculty are invited to participate in the tournament. Sign up on the chart posted in the Student Union Recreation Room.

The deadline to sign up for the preliminaries starts today and will run until October 25. There is a 25 cent entry fee when your qualification is so declared.

**Correction!!**

This contest is limited to students, faculty, staff and alumni. Sign up at the door from 9 to 10 p.m. The contest will begin at 10:30 p.m.

**Correction!!**

This contest is not limited to 12 couples as was stated in previous announcements. This contest is part of the CSCSB Interracial Program and is sponsored by Associated Students and the Department of P.E. and Recreation.

**Dance Contest**

This Fall Novemberfest will feature the disco dance contest held Thursday night in the multipurpose room of the Student Union, from 9 p.m. to 12 a.m. Howard Sufkin will host the dance with his New Custom Disco Show.

A disco dance contest will be held, so grab your dance partner and get it together. The contest is open to students, faculty, staff and alumni only. Sign up at the door from 9 to 10 p.m. The contest will begin at 10:30 p.m.

**Correction!!** This contest is not limited to 12 couples as was stated in previous announcements. This contest is part of the CSCSB Interracial Program and is sponsored by Associated Students and the Department of P.E. and Recreation.

**Judging**

The disco dance contest will be judged by Douglas Dye and Robyn Perry. The criteria on which the judges will evaluate the participants will be style and originality, music and dance continuity, partner to partner coordination, and audience response. In addition to judging, Douglas and Robyn will perform a dance routine at 10 p.m. before the contest starts. They have danced professionally for two years and have performed and competed in numerous places, such as "The Inland Empire Division of the California State Campuses" in which they received second place awards. They have also appeared at "The Knott's Berry Farm where they made the top 20 of California State Campuses" in which they received second place awards at both discos. This talented couple has appeared as a cast member in "Special", a television show, and have had an exclusive interview with New York's popular magazine "Or".

**Professional Dancers**

Dancers Douglas Dye and Robyn Perry will judge the disco dance contest at the Fall Novemberfest Disco.

**Patio Entertainment**

Gather around the Student Union patio and relax. The afternoon performers will be:

- 11:00-1:00
  - Mexican Folk Dancing by M.E.C.H.A.
- 1:00-2:15
  - Dividend Band by the Music Dept.
- 2:15-4:00
  - Jazz Ensemble by the Music Dept.

**Campus Club Booths**

A majority of campus clubs and organizations will be represented at the festival, sponsoring various events to promote new membership, raise funds, and certainly add to the overall enjoyment of the day.

The Academic Club will have pamphlets and brochures, and art refreshments. The Academic Club will have pamphlets and brochures, and art refreshments.

The Christian Life Club will have a bake sale and homemade ice cream sold.

The Black Student Union will have an information table.

The Volleyball Club will host a volleyball tournament (this is tentative).

The day will feature something for everyone. So come on out and enjoy.

The above article was written by members of the AS Activities Committee, chaired by Sheila McClaran.

**Anti-Tuition Coalition Formed**

In what their Legislative Director Steve Glazer says is an effort to be "proactive rather than reactive" the California State Student Association (CSSA) has formed a coalition with the University of California Student Association and the Coalition Against Tuition. The coalition with the University of California Student Association and the Coalition Against Tuition is an effort to be "proactive rather than reactive" the California State Student Association (CSSA) has formed a coalition with the University of California Student Association and the Coalition Against Tuition.

The CSSA is co-sponsoring the coalition with the University of California Student Lobby.

Last year, Proposition 13 inspired cuts in the state budget reduced the state allocation to the CSUC system. With further cuts eminent, there was talk of imposing tuition as a means of making up for reduced state support.

The CSSA and other student groups have decided to be proactive and are responsible for both government and public bodies fundraising coming out against tuition. The CSSA was also successful in persuading the Board of Trustees to change its six year old position of support for tuition.

Despite those successes, Glazer and others feel talk of tuition again in the future. "We've really just started to feel the effects of Proposition 13," Glazer warned. "The trend towards higher education is a high priority and we can't just wait for tuition to be paid, we have to be proactive and ensure that tuition is still a very real threat. We can't just wait for tuition bills."

**Changes Made**

Changes were made in the Student Union Multi-Purpose Room and the standards of an afternoon showing are met. Changes were made in the Student Union Multi-Purpose Room and the standards of an afternoon showing are met. Changes were made in the Student Union Multi-Purpose Room and the standards of an afternoon showing are met.
Dear PawPrint,

I would like to inform you that one of the major problems facing our campus is the lack of accessible facilities for students with disabilities. The laws of the land mandate that all "public buildings" built with state or federal funds must be accessible to the public. This includes all academic and administrative buildings on campus.

I have been an advocate for accessibility on our campus for several years, and I have consistently faced resistance from the administration. They have argued that the costs of making our buildings accessible are prohibitive and that our students have other means of accessing educational materials. However, I believe that it is our moral obligation to provide equal access to education for all students, regardless of their abilities.

I am writing to you today to encourage the PawPrint to take up this issue with the administration. We need your help to raise awareness about the plight of our students with disabilities and to put pressure on the administration to act.

Sincerely,
[Your Name]
Energy Fair '79 Opens

Energy Fair '79, the most complete look at alternative energy sources ever scheduled to be held at the Long Beach Convention Center November 2-4.

Friday, November 2, is Industry Day. Government and private energy representatives, from 9 a.m. to 5 p.m. Industry director Jackie Cooper will host the Opening Ceremony Saturday, November 3 at 11 a.m. Special seminars for scientists, in- vited speakers, educational exhibits of the Save-Energy Art Exhibit, will receive troves. The fair will be open 10 a.m. to 6 p.m. on Sunday. Special seminars for scientists, in- vited speakers, educational exhibits, and the public will be held throughout the Fair.

The Fair is divided into 14 major categories: solar energy, wind, ocean, geothermal, coal, oil and gas, bio-energy, Appalachian, energy economics, alternative energy devices; and a wall display of art, sculptures, and murals.

Sign-ups are taken at the Student Union, North of campus, and the Fair will be open 10 a.m. to 6 p.m. on Sunday. Special seminars for scientists, invited speakers, educational exhibits, and the public will be held throughout the Fair.

Besides a solar-powered wind model train and a hydro-unit from the Dept. of Energy, 20 booths of oil and gas will be on display. The Fair will offer a musical electrical quartet powered by sun and wind, a solar-powered butterfly, a hydrogen-powered pickup truck, electric cars, and a solar-powered communications satellite, and a solar-driven mobile sculpture among the many exhibits.

The Fair will be open 10 a.m. to 6 p.m. on Sunday. Special seminars for scientists, invited speakers, educational exhibits, and the public will be held throughout the Fair.

Don Gruber, stage manager for "The Jungle Books," at rehearsal.

Not all eight days were spent working on the film as Don explains. "The trip was arranged mainly for film, but we had just as much fun, due to the fact that our husband shared his glasses on a fun ex- pedition down the river, and we were unable to film correctly for a couple of days."

"But, we also went to have a good time, to get away. We brought some rubber rafts that we would take upstream of three miles and we would canoe down, through the rapids. We took one man raft and one kayak raft, where only two, or really one person can ride, but most of the time just two or three people would ride in it."

Along with shooting the rapids in rubber rafts, the film crew also had and took pictures, netted four rainbow trout, played cards by Coleman light, sang show tunes by campfire light, played horsesides with neighboring campers, and drank bear.

By Adrienne Flora and Dana Gregory

Don Gruber: On Location With "The Jungle Books"

One of the most valuable persons involved with the film was the stage manager, his production to strike night, is the stage manager. His job in the booth during the run of a show should be flawless. Don Gruber is one such person.

In this show, there are film se- quences that blend in with the live action, and the set was designed to be placed in India. So, in order to get the proper feel for the film, the crew of "The Jungle Books," took a tour in mid-August of last summer, a crew of eight persons left on a film-finding expedition down the river, and we were unable to film correctly for a couple of days.

"But, we also went to have a good time, to get away. We brought some rubber rafts that we would take upstream of three miles and we would canoe down, through the rapids. We took one man raft and one kayak raft, where only two, or really only one person can ride, but most of the time just two or three people would ride in it."

Along with shooting the rapids in rubber rafts, the film crew also had and took pictures, netted four rainbow trout, played cards by Coleman light, sang show tunes by campfire light, played horsesides with neighboring campers, and drank bear.

Soviet Lecturer

Insights into the existence of an Soviet combat brigade in Cuba will be provided by an internationally ac- cepted scholar, diplomat and author on foreign affairs Wednes- day, October 31 at Cal State, Long Beach.

Dr. Raymond Hutchings, a former British Foreign Service officer in Moscow, is professor of Political Science at the University of Texas and others. They will show the regularly schedul- ed Thursday showings.

So what's the theme of this house?

$4.26 was paid last Friday night for the privilege of dunking Dean Students Kenton Monroe into a tank of water. It was the highest bid received for the five administrators who got wet in Shandin's Water Dunking Booth at the Serrano Village Halloween Party.

The $4.26 bid, paid by the combined team of Tom Cherhoniak, Tim Hamre and Amy York, resulted in Monroe being dunked twice. Associate Dean of Students Doyle Stansel got dunked for a bid of $2.00, and again for a bid of $1. Director of Activities Jeanne Hogenson got dunked for a bid of $2.00, made by Anji Lavin, who chairs the Publications Board on which Hogenson sits. Assistant Housing Director Wayne Hutchins, brought in two high bids of $1.60 each, the second bid coming from R.A.'s Lynda Smith, Terri Calloway and Glen Alberi. People were so reluctant to dunk Activities Advisor Roberta Stathis-Ochoa (except for constant bidding of her husband), but there were finally three high bids of $1.00 each (none from her husband).

Also dunked at Shandin's booth were R.A.'s Terri Calloway, Glen Alberi, and A.J. "Big Mouth" Beechko. (A.J. was doing so much shouting that the booth itself dunked him twice in order to shut him up.)

People waited in long lines to enter Tokay's Haunted House. Greeted at the door by a wolfman, those who entered viewed Count Dracula, who awaited a mad doctor operate, and were attacked by a chainsaw maniac and a swordsmen. Technical problems, however, caused the Haunted House to close early, disappointing about 25 people who were still in line.

Joshua's "Last Chance (Wedding) Chapel" proved to be quite popular. There were even some repeat customers. (It is rumored that Thad Kopolsky got married six or seven times.) All together, they performed about 90 ceremonies, with 32 couples having their picture taken to commemorate the "occasion."

Waterman's Kissing Booth was going along pretty good, but it really took off when a couple of Waterman's "blond bombshells" showed up, and the price went up to 50 cents. From the look of things, the customers were getting their money's worth. (Except for Uncle Wally who kept..."
Corates Halloween

Did the judges really have that tough of a choice in deciding which one was best?

October 30, 1979
Oldies Take First Place

It was a showdown for first place and the Oldies But Goodies gunned down the Dominators two games to three in the 3:3 Open League. The Oldies used superior teamwork and the superb play of Jeff Fulton to oust the Dominators 11-5, 8-11 and 11-8. Steve Fries was hot for the Dominators but it wasn’t enough to stop the OBGs’s once they got rolling. Greg Price played a hard game for the winners as did Bob O’Brien. The two victories put the Oldies But Goodies in first place by one game over the Dominators and they are not likely to give up the top spot.

Mabel’s Men finally took the ball to the basket and are not likely to give up the top spot.

The Mojave are getting tougher each week, but they must maintain their hot shooting. Mabel’s Men can play better than their record indicates. "I thought playing above the rim most of the time but they need more teamwork. There is hope for them yet if they start playing like a team. It’s still too soon to overlook. Or it may be as simple as cutting back on expenses. Read the next issue of Insider and find out."

There are easier ways to pay for college

Conducting telethons, waiting tables or parking cars may not be the only ways to help you pay for college. There may be a scholarship or grant available that you’ve overlooked. Or it may be as simple as cutting back on expenses. Read the next issue of Insider and find out.

Ford hopes this next issue of Insider will give you a “better idea” for paying your way through college. And if you need a set of wheels to get you around campus, check out the sporty Fords for the 80’s. Look for Insider— Ford’s continuing series of College newspaper supplements.
A-Tokay Bites the Bullets

A-Tokay gave the Badger Bullets a double dose of good defense and a powerful offense as they shut out the Bullets 32-0. Jay Alverson and Daley supplied all the points a-Tokay would need. Alverson had 18 points and Daley was tight behind him with 13. Roben Botter also scored a point conversion. This game's swarming defense never gave the Bullets a chance to put the ball in the end zone.

In a surprisingly lopsided game the Village People destroyed Lethal Dose 56-0. Lethal Dose gave up 30 points in the first half and never recovered to mount a comeback. Leading point getter for the People was Paul Lemire with 12 and Richard Aguilar in the single Dose touchdown.

The Watermen Plumbos I could do nothing as they ran all over the M & M's, 70-6. Richard Knowlton has 22 points for the victors and Conboy averted the shutout for the M & M team. Peg Reifler put the ladies in the scoring picture with her touchdown run in the second half.

Moronge Slightly Optimistic managed to score a touchdown in both halves but it wasn't enough to stop the Frosh Commuters as they ranbled on to a 32-12 victory. This game gave more proof that the Frosh team will make itself known during the playoffs. Troy Rodgers and Van Noord put the Commuters in the championship game for the second time in a row with 18 points. Scoring for MSO were Barnes and Lockert.

Divisional races are starting to shape up in the Co-ed League. This is how the teams stand as of Oct. 19:

BLUE DIVISION

Watermen Plumbos I

3

Frosh Commuters

1

M&M's

1

Mothers

1

Moronge Slightly Optimistic

0

BROWN DIVISION

Village People

0

A-Tokay

2

Lethal Dose

1

Shandin Crazyhouse

2

Badger Bullets

0

It will be a battle between the Village People and A-Tokay in the Brown Division and the winner of that game will probably face the Watermen Plumbos I in the championship game.

Schafer Rolls On

Although John Avedo played an inspired game, Peter Schafer still managed to take their match in a 2-1 loss to Schafer, this was the first player Schafer failed to beat him twice in order to take the championship in this double elimination tournament. As he atemted itfchatge to the net and both players used a variety of shots and serves. In losing to Schafer 6-4 in the final set, Avedo proved that he does have a shot at beating the tournament favorite if they should meet again in the final.

Peter Schafer gets a week off as the Survivors Bracket finishes play this week. The winner of this bracket will then face Peter and we will have to wait until next week in order to see the championship in this double elimination tournament.

What are the chances of someone upsetting Schafer? About the same as the Rams going to the Super Bowl but rest assured that there will be some fire breathing during the last two weeks of play.

**INTRAMURAL OBITUARIES**

Earlier this week the Intramural Department said its final goodbyes to two old friends, Over-The-Open and 3-Par Golf. Both were born in the office of Joe Long and it is there that they shall be laid to rest. They are survived by numerous other events including 3:3 Basketball and Co-ed Flag Football. In lieu of flowers please send donations to the Esquela Memorial Fund for the Preservation of Our National Pastime.

**INTRAMURAL OBITUARIES**

The Frosh Commuters is a new team that has taken the place of the Mojave Indians. Mojave dropout of the league and the Commuters will assume their record of no wins and two losses.
