Greeks gain risk management policy

The Interfraternity Council (IFC) and Panhellenic Council at CSUSB have recently adopted a system-wide risk management policy and a resolution statement banning auxiliary organizations (little sister groups) for all member chapters. These recent legislative moves follow the adoption of a comprehensive and expanded hazing policy that is provided to all men and women who decide to go through fraternity or sorority rush. The new risk management policy prohibits the purchase alcohol by chapter fund. This means that there will also be no communal containers (kegs, etc.) allowed to be bought by the chapter or any member of the organization. All Greek events involving alcohol will be strictly BYOB. Additional provisions of the policy require food and alternative beverages to be provided at all functions. As state law dictates, only those over 21 are allowed to bring or consume alcohol. The policy is similar to the Fraternity Insurance Purchasing Group statement utilized by many of the national and international fraternities.

In addition to recent legislative moves, educational programming is becoming a staple function of the Greek Life office. The goal is to attempt to ensure that all Greeks are educated on concerns relevant to college students, the Interfraternity and Panhellenic Councils have been coordinating and sponsoring workshops on a variety of topics including acquaintance rape, substance abuse, and values and ethics.

The fraternities have also contributed time and money to community development and philanthropic projects. The Delta Sigma Phi fraternity dated to the auditorium at the Highland Senior Center, personally delivered money, food, and clothes to comfort the earthquake victims in the San Francisco area this past fall, and volunteered service for the March of Dimes Golf Tournament.

Refereendum defeated by 50 in Coachella

Students last week voted against the referendum to increase Associated Students, Inc. (ASI) fees. ASI asked for $14 more per year to fund the move to Division II athletics, and for several other ASI projects.

The vote on this campus resulted in a tie, but voters at the Coachella Valley Center cast enough no ballots to defeat the referendum. The final tally was 412 no, 363 yes.

Seven percent of the student body voted on the referendum, which is below the twelve percent turnout expected for a general election at CSUSB, but above the six percent turnout in the last election at CSUSB Fullerton.

Speaking for the CSUSB administration, Randy Harrell, of the Student Life Office, said "The results are regrettable. Student athletes deserve recognition for the hours they contribute to the university. They compete for love of the game they play, and also to represent the institution."

He added "ASI believes that they are in need of additional funding to adequately meet the needs of our student body, and the result of this referendum denies them the ability to meet those needs."

The Student Life Office administered the balloting both at CSUSB and at the Coachella Valley Center.

The Student Life Office administered the balloting both at CSUSB and at the Coachella Valley Center.

The Student Life Office administered the balloting both at CSUSB and at the Coachella Valley Center.

In my opinion, ASI will be no worse off next year than it was this year."

He added that the defeat showed "ASI hasn't been doing a good enough job filling needs at the Coachella Valley Center."

Know When To Say When

...A Campaign for Responsible Drinking

For most adults, having a drink is a way to relax and enjoy the company of family and friends. Only when alcoholic beverages are abused do they pose a danger, leading to drunk driving and other serious problems.

Anheuser-Busch and your local distributor are proud of the products we sell... the world's greatest family of quality beers. We want you to enjoy our fine products but to remember to drink sensibly and to know your personal limits.

That's why we're encouraging consumers to "Know When To Say When" in a campaign to promote greater awareness of the responsibilities associated with drinking. So, enjoy your favorite beverage... responsibly. Please, Know When To Say When.

Anheuser-Busch, Inc.
**Lecture on Christian-Jewish relations comes to CSUSB**

The Office of Extended Education at CSUSB is proud to present the Third Annual Morrow-McCombs Memorial Lecture to be held on Tuesday, March 27, 1990 at 7:30 p.m. in the Bectal Hall.

Dr. Eugene J. Fisher, Executive Secretary of the Secretariat for Catholic-Jewish Relations of the National Conference of Catholic Bishops in Washington, DC is the featured speaker this year. Dr. Fisher’s presentation will be Christian and Jewish Relations: The Third Millennium.

The Morrow-McCombs Memorial Lecture is made possible through a special endowment in memory of Lilian Morrow and Ray McCombs to enhance and promote interfaith understanding between Christians and Jews. The lecture is free and open to the public with a reception immediately following the lecture.

On Wednesday, March 28, a special Institute for Clergy and Religious Educators will be hosted by Our Lady of the Rosary Church in San Bernardino. The ecumenical program, designed to bring together clergy and religious educators from across the Los Angeles Basin, will be held from 11:45 a.m. to 2:00 p.m. and will include lunch and a second lecture by Dr. Fisher.

For more information, call the Office of Extended Education at (714) 880-5875.

**Palm Desert branch stresses fall registration deadline**

CSUSB’s Palm Desert branch advises would-be students for the fall quarter to apply no later than April 6.

By meeting this deadline, students not only enjoy the convenience of mail-in registration, but are assured of first priority in selection of classes. The fall quarter starts September 27.

According to Dean Catharine Gannon, additions to the 15 on-going programs offered by the College of the Desert. For further information, call (619)341-2883.

**RISK**

Continued from front page

The Sigma Chi fraternity to date has served food for the Salvation Army, helped set up for the Senior Citizen Olympics, put on a puppet show for the CSUSB Children’s Center, and the Cleo Wallace Center. The Tau Kappa Epsilon fraternity has established a successful tutoring program at the Bonnie Oehl Elementary School and has already put in over 217 hours of tutoring. This year TKE sponsored a 50 mile chariot pull and raised over $1,000 for the Special Olympics. In the future, TKE is looking forward to working with the San Bernardino Police Department on an anti-drug campaign.

These are but a few of the areas in which the Greeks at CSUSB have made contributions to the community and university this year, and with the colonization of a new fraternity on campus, Sigma Nu, these contributions in man hours and money should increase.

For more information, contact Chris Ahearn, IFC Public Relations Chairman, at 880-2327, or Rick Morat, Greek Advisor, at 880-5234.

Exchange programs offers intense study in Japanese

Japanese is the foreign language rising fastest in popularity among college students today, and for good reason. Japan offers great riches to young Americans; it's a cosmopolitan nation unique in its blend of oriental and western ways. From July 23 to August 15, 1990, Susquehanna University, at Selinsgrove, PA, will offer an intensive program in Japanese language and culture. Sixty hours of elementary and intermediate language instruction will be provided for four transferable credit hours. An American instructor and a native instructor will co-teach the daily classes using progressive dynamic methods and materials.

Language learning will be complemented by presentations on the culture being studied, and the advising services that are available here at CSUSB. In addition, they will arrange personal appointments for students to meet with a professor of their major.

Tour guides are Greg Shaughnessy, Jason Mindle, Liz Mandlesky, Cheryl Osborne, and Leticia Romero. All are students here on campus.

If you know of any prospective students, or are currently attending CSUSB but are unfamiliar with all of our facilities, call us today at 880-5188 (or come in to SS-103). They can arrange a personal, motorized campus tour for you. And remember, the next time you see Wylie Coyote, smile and give him a friendly wave!

There's only one product proven to grow even one of these.

From the time you first started losing your hair, you've wished for something that could somehow reverse the balding process. Now, The Upjohn Company has developed Rogaine, the first and only product that's proven to grow hair. Rogaine is not a cosmetic or conditioner. It's a prescription treatment for male pattern baldness of the crown of the head that's available only with a prescription written by your doctor.

Two million men just like you have used Rogaine.

Today, two million men worldwide have seen their doctor and began treatment with Rogaine. And for good reason. Rogaine works for many men. That's a claim, it's a proven fact. Proven in clinical tests conducted by dermatologists at medical centers across the country. Proven by results that are simply unprecedented.

In a year-long test involving almost 1,500 men, only 10% reported no new growth. Virtually half (48%) saw at least moderate growth with Rogaine. With normal minimal growth. Generally, it took four months before hair began growing again. The side effects were minimal. The most common, itchy scalp, occurred in only 5% of the men.

Your doctor has the proof. And the prescription.

Your dermatologist or family physician will tell you what Rogaine can do for you. See your dermatologist or family physician will tell you what Rogaine can do for you. So see your doctor now. The sooner you get your prescription for Rogaine, the sooner you could be growing hair again.

For more information and a certificate worth $10 as an incentive to visit your doctor (sorry, this offer is available for men only), call the toll-free number below or send in this coupon.

See your dermatologist or family doctor or call 1-800-253-7300 ext. 903

For more information contact a physician in the CSUSB Student Health Center.

The Chronicle
Weber becomes first All American swimmer at CSUSB

By Jeff Zielenski
Staff Writer

Senior freestyler Susan Weber has become the first swimmer in CSUSB school history to receive NCAA Division III All-American honors.

Weber and head coach John Christie traveled to Williamstown, Mass. to compete in the Nationals.

Weber had qualified in the 50, 100, 200 freestyles back in January and ranked in the top ten in the nation going into competition.

"We had some great expectations. We left hoping she would win one or more of her events because she was a senior," said Christie.

On the first day of competition she swam the 50 free. Her preliminary time was 24.75 and her final time was 25.01, which placed eleventh. The second day she swam the 200 free 1:56.80 in the prelims and 1:57.06 in the consolation to finish eleventh. She received an All-American Honorable Mention in both events.

In her favorite event, the 100 free, she swam the prelim in 53.20 and the final in 53.16, which was good enough for seventh place and All-American status.

"She was leading her 100 free race, but ended up seventh. The times between the 3rd and 7th places was only decided by a few hundredths of a second," said Christie.

Christie was very pleased with the performance of all his swimmers.

"We had bettered our times overall, so we are happy with that. Ending the season as we did will help with our recruiting for next year," said Christie.

"This is only our fourth year in the swimming program, we have come along way. One thing that really needs to get more swimmers from our campus to keep our up our success."

---

Coyote Sports Briefs

Softball defeats visiting Whittier in doubleheader

The CSUSB softball team scored big as they defeated visiting Whittier College in both games of the doubleheader 8-0.

Sophomore Tanna Cash pitched the first shut out, giving up only one hit over seven innings. Junior Marrie La Fleur sparked the Lady Coyote offense with a two-run double, and then followed it up by scoring later in the contest.

La Fleur pitched the second game and allowed five hits over six innings. Senior second baseman Tammy Shearer hit a homerun, drove in two runs, and scored twice.

The win boosted the Lady Coyotes' record to 10-6. They are at the beginning of a four-game homestand. They play Pacific University (from Oregon) this Friday at 2 p.m., Augsburg College (from Minnesota) on Sunday at noon, and they finish up with Claremont College on March 29 at 2 p.m.

Rocky Ray's pitching rocks Biola, baseball record improves to 9-7.

Freshman right-hander Rocky Ray struck out 10, in his first start, as the Coyotes crushed visiting Biola University 14-3.

Junior Sal Herrera doubled, drove in three runs, and scored twice to pace the Coyote offense. Senior Ryan Love tripled, picked up two RBIs, and scored twice as well. All together, the Coyotes combined for 14 hits over eight innings.

Defensively, Ray gave up three hits, walked four, and allowed two runs on balks over seven innings. Dan Biancett pitched the final two innings in relief, giving up a solo hit in the ninth.

The Coyotes are now 9-7 on the season and currently ranked 23rd in the nation. They will host George Fox University of Oregon tomorrow at 7 p.m. at Fiscalini Field.
