#### COLLEGE RECEIVES \$24,231 GRANT FOR VETERANS' PROGRAM

A \$24,231 grant has been allocated to the College by the Department of Health, Education and Welfare, Office of Education, for implementation of a Veterans' Instruction Program, to be effective from July, 1973 through June 30, 1974.

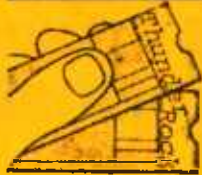

The program, formulated to assist veterans who are seeking higher education as a career progression alternative, is being established on other college campuses throughout the U.S. as part of the federal government's Veterans Cost-of-Instruction Program.

The funds allotted to the College are part of a \$25 million allocation made available for the veterans' programs. Under the terms of the grant the College will maintain a full-time office of veterans affairs with adequate services in the areas of pre-enrollment advising, personal contact, recruitment and counseling.

**IN THE NEWS**

A television crew from the British Broadcasting Company was recently on campus to film Dr. Nikolai Khokhlov, Assoc. Prof., Psychology, and native of USSR, talking with students about the psychological factors within totalitarian systems. The taping was done as a sequence to be included in a documentary being filmed on the psychological factors of government agencies in the USSR and included a separate interview with Dr. Khokhlov in which he discussed the psychological profile of an average government official in Soviet Intelligence Service (KGB).

The documentary, being filmed in various parts of the world, is tentatively scheduled to be aired early in October on the BBC network and then via American Education Network.
