 - 8.2.1. Dr. Nicole Bournias-Vardiabasis for outstanding student innovation.
 - 8.2.2. Katherine Gray for outstanding scholarship and creative activities.
- 8.3. Senator Pelletier wanted some clarification on how last year the Senate had a discussion regarding the Health Science Chair search and one issue that came up was that the AVP of FAD gave the search committee a specific name to be added to the list of finalists. Many Senators expressed concerns about this because the decision of the finalist had already been made by the search committee based on the previous steps in the review process. In your response to the Senate VNC resolution dated May 10th you seemed to be of the opinion that it's okay for FAD to recommend finalists to the search committee. My question is can you clarify your position on that of Academic Affairs with regards to that?
 - 8.3.1. Provost McMahan responded by saying that anytime we can expand our pools for diversity that's great. Just asking the search committee to take a deeper look does not mean they have to, we just want to make sure they are casting the widest net as well as doing their due diligence. That search had some many problems from the beginning that we had to cancel it.
- 8.4. Senator Chen stated that the problem started from the recommendation of the name. Provost McMahan you seem to be saying that is the right thing to do and we are going to continue to do so. If that is the case. Do you think the search committee should be told that their finalist list may not be the actual finalist list because of the possibility of adding names?
 - 8.4.1. No name was added and we don't add names to any searches, we make recommendations only to search committees. The Faculty Affairs office is the only office where the demographic data is held and this is the practice that's come into play, prior to this current administration.

- 8.5. Senator Davis asked for more information regarding Altura Credit Union and suggested looking into Navy Federal Credit Union which aligns with CSUSB being a military friendly university.
